I RECEIVED its *recipe* from a Muhammedan faquir in the Nepal Jungle towards the end of the Indian Mutiny. It is free from all sorts of Mercury. It has hitherto been distributed *gratis*, but its increasing demand, consequent on the spread of its reputation for wonderful curative powers, and in consideration of delicacy, &c. prevent further gratuitous distribution. During the past 26 years, thousands of most inveterate and hopeless cases have been thoroughly cured within a very short time by its use. Infants and children suffering from hereditary disease, as well as women during gestation are not excepted: the latter cured by *external application* only. It is equally efficacious *in all the forms* of the disease. In fact no other non-mercurial medicine with such infallible curative powers has yet been discovered for this disease. To corroborate the above statements letters from some of the ablest Assistant Surgeons and other *competent* parties are printed with directions for use, and are to be found with the medicine. These are also forwarded Post Free on application.
