NEW TRAIN SERVICE BEGINNING NEXT SUNDAY

General Change of Train Schedules Gives Narberth One New Train—Other Changes Give Quicker Service to and From Philadelphia

Announcement has just been made by the Pennsylvania Railroad of the general change of schedules effective May 28.

Important among the changes is the quickening of the running time to and from Philadelphia. The familiar "29 and 59 minutes after the hour" service will remain for parts of the day as at present, but the "18 and 48" schedules will be moved up a minute, to 17 and 47 minutes after the hour.

Under the new schedule the general plan will include a 17-minute schedule from Philadelphia and a 16-minute schedule to Philadelphia. A new train to Philadelphia will be added at midnight. This train will leave Paoli at 12.18 A. M., making all stops to Philadelphia, where it will arrive at 1.05 A. M. This train will leave Narberth at 12.49 A. M.

The familiar and popular 8.14 will hereafter be known as the 8.13; the leaving time will be a minute earlier. The 7.44 will also be "quickened" by a minute, so that it will leave at 7.43 and arrive in Philadelphia at 7.56. Otherwise, with the exception of the "17 and 47 minutes after the hour" change, the schedule will remain practically as it is at present.

With the inauguration of the new train schedules on Sunday, Narberth will be given a service of 39 east-bound and 37 west-bound trains on weekdays, while on Sundays there will be 29 trains in each direction.

PRESBYTERIAN CHURCH IS TWENTY-FIVE YEARS OLD

Special Services During Week of June 4th Incident to Anniversary Celebration

The Presbyterian Church will, during the week of June 4, celebrate its twenty-fifth anniversary. Plans for special exercises suitable for the occasion have just been completed by Reverend John Van Ness, the pastor, and a special committee of church members.

The week's program will be divided into three parts, including, Historical Day ceremonies, Community night and the reunion of present and former members of the Presbyterian Church.

During the week addresses will be delivered by Rev. John Van Ness, Rev. Loyal Y. Graham, former pastor of the Presbyterian Church; Rev. Alexander Henry, D. D., secretary of the Sunday School Board of the Presbyterian Church; Geo. M. Henry, Esq., Chief Burgess, and each of the pastors of the other local churches. The Sunday School will have special appropriate exercises as will also the church choir.

Every effort is being put forth by the special committee to communicate with all parties who at one time were enrolled on the church register, with a view to having them participate in the celebration. Invitations are being sent out and friends and relatives are urged to send to Rev. Van Ness, the addresses of those who were formerly connected with the church. The idea is to have the congregational social night a real "old time" reunion of Narberth Presbyterians.

MERION TO HAVE NEW POST OFFICE

Civic Association Provides Fund to Purchase the Equipment—Other Notes of Meeting.

Merion, on the Main Line, is to have its own post office.

This fact developed Tuesday night at the third annual meeting of the Merion Civic Association, held in the Merion Country Day School.

That the model suburb is to have a post office, located in the Pennsylvania Railroad station, is due to the civic association, because the organization, tired of inadequate postal facilities, has appropriated \$1200 to provide equipment for the new station.

The post office, which is to be housed virtually in a separate building, will be connected with the railroad and according to present plans will be ready for service in the coming summer.

Tuesday night's meeting, although listed as a formal affair, proved to be a notable town meeting, and one that should be held in every community every year. Briefly, the association that has made the community such a model that it is known throughout the country, did a little stock taking. It balanced the books and found a balance on the right side, amounting to \$9851, and then it checked up on its civic failures and community accomplishments.

The latter, and they are so numerous that they cannot be enumerated, proved that the association is a success. An index of its civic activities is the incident of the post office, and it was alluded to as such as an incident.

Edward W. Bok, president of the association, acted as chief stock clerk, and in his yearly report outlined what had been accomplished. Featuring the report was that portion dealing with the work of the women's committee and its success in civic, educational, cultural and charitable endeavor.

At the election Mr. Bok was again chosen president. Other officers are: E. A. Van Valkenburg, first vice-president; William De Krafft, second vice-president; William L. Supplee, third vice-president; William H. Folwell, treasurer, and Franklin Dubbel, secretary.

SUFFRAGE NEWS.

Members of the Women's Suffrage party were on duty at the polls during primary election, May 16, and it will be of interest to know that one and all commented on the deference shown by the voters to the suffrage cause.

One of Narberth's leading business men, upon learning that the Women's Suffrage party members on duty at the polls Primary Election Day had not had any lunch, donated a large package of "Yellow" Jack to sustain them during lunch hour. If this is the spirit amongst our voters we are sure that it will be but a short time when the suffragists will win their cause.

BASE BALL DECORATION DAY.

Next Tuesday being Decoration Day there will be the usual two games, the one in the morning being with the Autocar team, while in the afternoon, the Paoli Men's Club will be the opponents. Both games being played on the Narberth field, the morning game at 10.30, while the afternoon game is scheduled to start at 3.15.

Manager Walzer has signed several new players, which will improve his line-up, and soon expects to overcome Dun's lead.

MEMORIAL DAY

By Narberth Enthusiast

The time has arrived when the nation shall again pay her annual tribute of respect to her honored dead.

This year the observance throughout the United States will be more widespread than ever before, as the observance of this day is growing yearly and real true American patriotism is spreading from coast to coast.

We are brought into closer review of the many deeds of valor accomplished by our soldier dead when we pause for a moment to reflect on the terrible carnage which holds Europe in its grip at the present time.

The most notable services will be those held all over the country by the remaining members of the Grand Army of the Republic, who, with heavy step and solemn tread, will march forth, behind the fife and drum corps, to lay sweet blossoms upon the graves of their departed comrades.

Ever mindful of the fact that the time is drawing closer when the last member of this Grand Army shall have answered the last Roll Call, I cannot see the day pass without making an earnest appeal to my fellow citizens of Narberth to observe the day, not only by flying to the breeze the Star-Spangled Banner, but also by observing "Five Minutes for Memories" at noon.

We do not fulfil our duty by simply displaying Old Glory, but we should pause and reverently stand with heads bared, at the noon hour for five minutes and pay our silent respect to the nation's heroes.

This custom is spreading rapidly throughout the nation and is observed as one of the most touching and beautiful tributes of respect on that day.

Fling out your Star-Spangled Banner on Memorial Day and with all sincerity, loyalty and reverence pay your silent respect to the nation's heroes by observing "Five Minutes for Memories."

Son of a Veteran.

Five Minutes For Memories

Whereas, There was originated in the city of Philadelphia a beautiful observance of Memorial Day, in the public recognition of its purpose by setting aside "Five Minutes for Memories" after the noon hour on that day every year, during which the people may give silent tribute of respect to those who have fought and suffered in the past that their nation might live and its integrity be preserved, and

Whereas, That custom has spread throughout the United States and is observed as one of the most touching and widespread of the exercises on that day, therefore, be it

Resolved, By the Select and Common Councils of the city of Philadelphia that "Five Minutes for Memories" shall be observed by the employees of the city of Philadelphia from twelve o'clock noon till 12.05 P. M. on Memorial Day, May 30, 1916, when they shall stand reverently with heads bared, except when their duties or emergency require immediate action; and the flags on all public buildings in the city shall be lowered to half-mast during that time and bells tolled to announce the observance throughout the city.

NARBERTH BURIES WEST PHILADELPHIA A. C.

New League Members Get Severe Trouncing—New League Scoring Record—All Members of Narberth Team Star

In the greatest farce of the league, the Narberth Champions handed the West Philadelphia A. C., the new league member, one defeat which will be remembered for a long time.

No less than six home runs were made by the Narberth victorious nine, Gibson leading with two, followed by Koons, Barker, Davis and Stites each having one.

Flick Stites didn't do anything except fatten his batting average with five hits out of six times at bat, while Humphries cracked three hits; Barker, four, and Gibson, four. Every Narberth player had one or more hits, and all figured in the scoring.

Gibson started off to pitch for Narberth and allowed one hit in four innings, he giving way to Ensinger, who allowed the first two men to face him get singles, when Gibson came back again and retired the side without them scoring. Stites took up the pitching burden for Narberth and allowed one hit and hit two batsmen and passed one in two innings. Manager Walzer pitched the eighth inning and West Philadelphia scored two runs on a single, double and a base on balls. It was then the ninth inning, when Nig Koons started his career as a pitcher (not catcher), and allowed one single, but the lucky one was caught when Walter Humphries, who caught the ninth inning, put him out stealing.

Narberth scored six runs in the first inning, when Stites tripled, Barker singled, Koons knocked a home run over the fence, Walzer was safe when Black dropped the throw at first, Davis singled and was advanced on two errors. McClellan was then given a base on balls, and Ensinger was safe on an attempted fielder's choice, after which Gibson struck out and Humphries grounded out, second to first base.

Narberth added two more in the second inning on Stites' second hit, Barker's second hit, Koon's fielder's choice and Black's error and Colston's passed ball.

It was not until the fifth inning that the Narberth boys got their bats a-going again, when they scored six more runs, when every one batted once and Walzer the second time. It was in this inning that Barker knocked his home run, and Gibson also got his first home run.

Again in the sixth inning the Narberth team scored five more runs on hits, errors, passed balls, wild pitches and everything else imaginable.

Two More Home Runs, One Each by Davis and Stites.

To start the memorable seventh inning, Gene Davis was hit by a pitched ball, was advanced to second on McClellan's fielder's choice, who was also safe on Colston's error. Panzullo then uncovered another error, Ensinger singled, Gibson hits a double, advanced to third on Colston's second error. Humphries then knocks his second single of the game, Stites makes home run, clean down to the Brick Row; Barker was safe on another error by Panzullo; Koons flied out to right field; Fisher safe on Panzullo's second error; then Gene Davis clouts his home run down to deep center field, closely followed by McClellan's single, who was caught at second base; Ensinger then ended the inning by flying out to first base.

Gibson Makes Second Home Run.

To start the eighth inning, Bob Gibson clouted his second home run of the game, after which singles by Walter Humphries, Manager Walzer and Fisher netted two more runs, which made the total thirty-one, which ended the game.

Narberth, Pa., May 23, 1916.
To the Editor of "Our Town."
At the risk of claiming too much consideration from the columns of "Our Town," will you permit me to extend my thanks and appreciation for the generous support given to me by the Narberth people at the recent primary election? The vote given to me in other parts of the First Legislative District was, of course, gratifying, but it would not have been possible to secure the nomination for the Assembly if the friends and neighbors in the good old home town had not stood by me so loyally.

Sincerely yours,
Fletcher W. Stites.

The following letter has been received by one of the residents of Narberth from Mr. William D. Uhler, Chief Engineer of the State Highway Department:

Harrisburg, Pa., May 19, 1916.
Dear Sir:—Replying to yours of the 15th instant relative to commencing work on the construction of the Narberth road, would advise that the contractors have been notified to start work at once, and I trust there will be no further delay in the matter.

Very truly yours,
(Signed) W. D. UHLER,

MEN'S BIBLE CLASS ENTERTAINED

The Men's Bible Class of the Methodist Church was entertained at its monthly meeting on Tuesday evening, May 16, at the home of Mr. E. C. Anderson, president of the class. The meeting was enthusiastic and interesting.

Owing to the removal from the community of Mr. H. E. McKee, vice-president of the class, he found it necessary to present his resignation, which was accepted with regret. Mr. E. C. Dodge, who has recently become one of the enterprising residents of Narberth, was elected to fill the vacancy caused by the resignation of Mr. McKee.

In view of the flourishing condition of its treasury, the class felt that it was in a position to make a liberal contribution to help defray the current expenses of the church and passed a resolution to that effect.

Arrangements were made for a record-breaking attendance at the next session of the class on Sunday, May 21.

After partaking of the hospitality of the host, the meeting adjourned.

INDEPENDENT

CHAMPIONSHIP

Base Ball Series of Narberth to Open Next Saturday, 27th

The Bowling Club and the Elmwood Club will start their series for the Independent Championship of Narberth next Saturday, the 27th, in Sullivan Field and interesting contests are predicted.

It is rumored that the Bowling Club has enlisted the services of several ex-stars of former Main Line championship teams to help it win the series and to offset this, the Elmwood Club has signed up two pitching stars to be shown for the first time here next Saturday. One of the pitchers comes to Elmwood with a great college record. The other, a former star with a Philadelphia semi-pro team; in addition several heavy hitting fielders have joined the Elmwood aggregation.

Keen rivalry exists between the two teams and the on-lookers will be treated to well played, exciting contests. Be on hand to see the opener.

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy" manuscripts—must reach the editor by 6 P. M. Monday each week.

Hot From the Box.

Twenty-six hits for a total of fifty-one bases is certainly some clouting. Stites led the attack with five hits for a total of twelve bases; Gibson next with four hits for a total of twelve also.

On to Berwyn next week at Berwyn. Some debut for West Philly.

Ensinger's arm in on the bum. Koons is some pitcher and Hump some catcher.

Davis is now hitting better; four hits in the last two games. Keep it up, Gene.

Don't forget to go to Berwyn next week.

Our female score keeper quit. She says "not for me."

Note the new press box? Regular guys now.

ELMWOOD CLUB OPENS SEASON

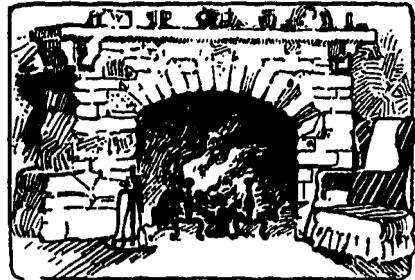

The Elmwood Club started its fourth season last Saturday and took the Potts Field Club into camp to the tune of 18 to 6. From the very beginning of the game it was evident that our boys were a stronger team than ever before, and Pitchers Hall and Marshall eased up to give the fielders a little work which they did in big league fashion.

The strong batting and general team work of the Elmwood boys easily featured.

THE FIRESIDE

Betty Baxter's Gossip.

Mrs. Robert E. Pattison, Sr., has been quite ill at her home, 321 Merion avenue.

Those who went to see the "Gym" play on Saturday night were evidently not sorry, judging from the continuous laughing going on.

Miss Bessie Wiley, a professional nurse, living at 108 Merion avenue, is at her home again, after a case at the Presbyterian Hospital.

Mr. C. P. Fowler has been in Alabama this past week on business.

Miss Betty Tatnall, of Wayne, spent the week-end as the guest of Miss Dorothy Moore, of Merion avenue.

Mr. and Mrs. Carroll Downes and family motored to Dover, Delaware, for a few days' visit.

Mrs. Clement Booth and sister, Miss Florence Lyon, will leave this week for Mrs. Booth's home in Springfield, Mass.

Mrs. William Cameron, of 202 Narberth avenue, has been entertaining friends from Philadelphia.

Miss Bertha Blank is visiting Mr. and Mrs. E. C. Hunter, of 105 Merion avenue.

Mrs. Arthur Haight and Miss Grace Haight motored to Wilmington one day last week to call on Mrs. C. S. Lincoln, formerly Miss Mary McDowell, of Narberth.

Mr. Carroll Downes, Jr., entertained the Senior Class at dinner last Friday night at his residence, 315 Woodside avenue.

Mr. and Mrs. Percy W. Byers, of Tioga, spent the week-end visiting friends in Narberth. Mr. Byers is an ardent base ball fan and enjoys a good game. He therefore comes to Narberth whenever opportunity permits.

Seldom has our local Y. M. C. A. gymnasium been so crowded as it was Saturday night when the women's gym class gave their annual exhibition. Everyone was well repaid indeed, as the "stunts" they pulled off were extremely amusing and the excellent manner in which the class weno through the numerous athletic exercises was a surprise and delight to all who witnessed them.

Postmaster Haws has been advised that plans and specifications are being prepared for the alterations and additions to the post office building in line with the plans agreed upon by the committee from the Borough Council and the U. S. Postal Inspector at their meeting a few weeks ago.

Watch your watch, or the electric will leave you—after May 28.

Why doesn't the Civic Association invite the Pennsylvania officials out to Narberth on almost any of the evening trains to observe how they "empty out" at the Year Round Home Town?

That new "Owl" to Philadelphia is greatly appreciated, but who wouldn't like to see a new sign in Broad street station reading: "Express to NARBERTH, then local to Paoli?"

The twenty-fourth commencement of the Baptist Institute will begin with a reception at the institute, Friday evening, this week. The commencement exercises will be held Tuesday evening, 8.00 o'clock, at the First Baptist Church.

The young people's service was packed full of splendid things last Sunday evening. The talk by Dr. F. T. Shields was very helpful. The words of the Philadelphia president of B. Y. P. U., Stafford Webb, were full of truth and the information on the Chicago Convention, brought by the West Philadelphia visitors, inspired a number with the desire to attend. We hope it will be possible for our society to be represented. At least, keep in mind the annual meeting, Thursday evening, June 1, at the Memorial Baptist Church, and go with the delegation.

Miss Minnie C. Morris was a very acceptable speaker last Sunday evening on her work in The Door of Hope, Shanghai, China. It was a revelation of the wonderful power of prayer.

This will be the last meeting for the season, and it is hoped that every member of the Guild will make an extra effort to be present.

Bishop Van Buren, formerly of Porto Rico, administered the apostolic rite of confirmation to a large class at All Saints' Church last Sunday morning.

The church and Sunday school are growing so rapidly that the question of building a parish house is being seriously considered.

One hundred and seventy people listened to the beautiful music rendered by the quartet choir at the confirmation service last Sunday morning.

We will look for you at the services at All Saints' next Sunday.

The busses leave Narberth and Wynnewood stations at 10.40 on Sunday mornings.

**FLOWER SHOW
JUNE 10TH**

Attractive List of Classes For Exhibits

The Second Annual Flower Show, under the auspices of the Narberth Civic Association, will be held at the Y. M. C. A. Building on Saturday afternoon and evening, June 10th next. As last year, Mr. Stites will act as chairman of the committee having charge of the show, and it is expected that the exhibits to be shown this year will surpass those offered in 1915, when the Y. M. C. A. Building was crowded with appreciative on-lookers. More than thirty classes are offered for competition and an opportunity is given to every one, whether his garden be large or small, to enter an exhibit. In the Flower Show of last year many refrained from competing, evidently fearing that their offerings would be lost sight of in the larger exhibits. As a matter of fact, many of the most beautiful vases and baskets of flowers in the show were those containing only two or three beautiful specimens of roses, peonies and the like.

The children's class will again be a feature of the show. This year a first prize of \$5 in gold and a second prize of \$2.50 in gold is offered for the best and most attractive vase or basket of wild flowers shown by children under fifteen years of age. The competition in this class at last year's show was most spirited and great admiration was aroused by the attractiveness and beauty of the flowers shown by the children.

A complete list of the classes for competition is as follows:

Class 1—Best vase or basket white roses, not over 6 blooms.

Class 2—Best vase or basket pink roses, not over 6 blooms.

Class 3—Best vase or basket red roses, not over 6 blooms.

Class 4—Best vase or basket yellow roses, not over 6 blooms.

Class 5—Best vase or basket climbing roses, one color, any number.

Class 6—Best vase or basket climbing roses, mixed, any number.

Class 7—Best vase or basket peonies, white, 3 blooms.

Class 8—Best vase or basket peonies, pink, 3 blooms.

Class 9—Best vase or basket peonies, scarlet, 3 blooms.

Class 10—Best vase or basket peonies, mixed, any number.

Class 11—Best vase or basket delphinium (larkspur) light blue, 6 stalks.

Class 12—Best vase or basket delphinium (larkspur) dark blue, 6 stalks.

Next Saturday afternoon the R. G. Dun & Co. A. A. and the West Philadelphia A. C., the travelers of the Main Line League, will play at Narberth.

MAIN LINE LEAGUE

Early Season Details And Dopings

Similar to bombs bursting in air was the opening occurrences at the Main Line League meeting last week, while the closing paragraphs of the meeting record peace again reigning supreme with the eight club circuit intact and furthermore considerably strengthened.

It had developed that the burden assumed by certain parties at Ardmore early in the season had in a short space of three weeks proved a "white elephant," and they quietly and without any ceremony tossed up the sponge, forfeiting their franchise and guarantee. Three applicants were in strong attendance at the league meeting for the berth and each had a hearing before the league potentates. Robert C. Johnston as manager of the Autocar Base Ball Club of the Autocar Company presented facts that were more than convincing and the vote granted them the Ardmore franchise of a home club.

This so much disgruntled Pat. O'Brien, of the Overbrook Club, that he kicked the traces and withdrew his band of Allies from the league. Strange to relate this action failed to cause any shedding of tears. Without any ceremony the Berwyn Club received the Overbrook home club franchise leaving an open berth for a traveling team, Robert Black, who had sought a berth in the Main Line for some time, and who has been active in various lines of athletics in Philadelphia, was considered the best proposition in sight. His team to play under the name of the West Philadelphia A. C.

Thus, Autocar Club plays the Ardmore schedule, with Berwyn under the Overbrook lay-out and the West Philadelphia tourists assuming Berwyn's dates.

New Clubs Lose

Jumping in on the Saturday schedule the Autocar Club went down to defeat before "Billie" Kirk's Bon-Air Barons by the score of 10 to 5. Vreeland, of Pennsylvania, being set down by the Barons in their offensive display with a total of thirteen hits amassed, Captain Kain being the principal sticksmith when he laced the ball for a circuit clout and two singles, Nunan also featuring.

Narberth Cleans Up.

The Narberth champions merely entertained the baby member of the league, West Philadelphia A. C., handing them a few of the initiatory degrees accorded new comers in select society. The scribes at the game worked overtime in the effort to score the potent numerals that are considered in a regular ball game. An adding machine was nearly necessary to make the addition which showed the champions had run up 31 runs on 26 hits, which included six drives for the circuit, Gibson having the fever to such an extent that he contributed two, with Stites, Koons, Davis and Barker one each.

It might be a good place to remark that this score should not be held up for ridicule as Manager Black is some sport and got the best out of his offspring in their first start, but will show a number of new faces in the game with the Dun & Co A. A. tourists when they cross bats at Narberth this Saturday afternoon.

Dun & Co. A. A. Leads

All the fans knew last season that Fred Cloughley's Dun & Co. was some ball club, finishing a strong second in the league. This year, at the time of going to press, they are pace-making the other seven clubs with a clean record of four victories, having set down both of their closest contenders, Narberth and Paoli M. C., who are tie away for second place honors. Their sensational and fast all around fielding aggregation makes this club a good drawing card in the league and with the team hitting harder this season the other clubs are going to find them a strong proposition to battle with.

"Buckie" Hayman's Wayne Suburbanites were the last victims of the Dun & Co. diamond submarine which torpedoed them 10 to 4 last Saturday.

Paoli A Dark Horse

The band of Manager Hanley's "Skeeters" of the Paoli Men's Club is the dark horse in the league. Playing their second season in league fraternity shows them with increased strength and class. Three games won to date and but one lost finds them hand-in-hand with the Narberth clan hovering in second place. "Maggie" Magill is still his old self and from what "The Scribe" saw of

his work to date he still breaks them swift and sharp. The team is materially strengthened in many ways and if they keep on hitting the ball they will keep right up in the front. The lack of hitting dropped many a well deserved victory for Magill last year.

Berwyn A Home Club

The Piratical Clan of Phineas Pyott, Edw. Watson et al. of Berwyn, now that they are back on the league log book as a home team, should get going. Phin, the wizard of ball-dom, displaying a strictly "home talent" brigade. Their ten-inning battle, dropped to Paoli last Saturday, 8 to 7, is indicative of the closeness of their games. A little more seasoning and the veterans in the line-up will get the youngsters on their feet. The fans at Berwyn will look them over at home this Saturday when Narberth comes to town.

Bon-Air Barons Hastling

At the opening gun Bill Kirk's Barons looked like a wonderful team and, in fact, although they now stand a fifty-fifty, two won and two lost, a review of the players is convincing that they cannot be trifled with. An addition to the pitching staff will be beneficial and it is a safe bet the team will be up in the running during the season.

Wayne Suburbanites Coming

A slump comes to every ball club during a season and it seems that Buckie Hayman's Suburbanites are passing through one now. A fast aggregation of players are on the Wayne roster. Excellent material in the pitching staff, snappy infielders in Brooke, Singleton and the Forbes brothers, with fast contingents in the outer gardens. What is lacking in this slump will soon be overcome and the team once starts its horn going it will be time for the others to give them respects for the limit.

Random Hints for the Fans

Be a sport. Come out and root for your home club at every game.

The Memorial Day, morning and afternoon, results will be watched with keen interest.

Can the Narberth champs repeat? If not who then will it be?

When the season is done, will it be DUN?

It is now Captain Barker, Charlie, who has been playing like a "Tris or Ty" for the champions this season. is released to assume the captaincy of the Autocar Club. Congratulations and best wishes.

Manager Johnston, of Autocar Club, has collected a good bunch of ball players and should get in the running right away.
