ROBERT CLARKE & CO.,
PUBLISHERS, BOOKSELLERS, AND IMPORTERS,
55 WEST FOURTH STREET, CIN., O.

The Committee on Coins and Autographs of GREAT WESTERN SANITARY FAIR, in presenting the following Catalogue to the purchasing public, solicit for the sale a liberal patronage, because of the real value of the lots offered, and the appealing cause to which the proceeds are to be applied. They trust collectors will favor the sale with liberal bids, securing for themselves souvenirs of our Fair, and enlarging the means of succor to the brave soldiers who are fighting the battles of our common country. The President of our Republic has contributed his Amnesty Proclamation; our Generals have sent their autographs, and our noted men, in all branches of political and civil pursuits, have added to the wealth of the collection; it now remains for a generous public to make the sale one that will cheer our patriots in the field.

MISCELLANEOUS ARTICLES.

- 500 728. INDIAN DOLL, beautifully made, with blanket and hooded wrap, ornamented with beadwork, etc. *Mrs. W. M. F. Hewson, Cin.*

This curious doll was purchased by Col. Wm. Hoffman, U. S. Army, of the Sioux Indians, at Fort Laramie, in 1853 or 1854. The price paid for it was \$20 in gold. It was made by the squaws of the tribe for the Chief's daughter. Col. Hoffman informed Mrs. Hewson that he had been stationed at different posts near the wild Indian tribes for almost twenty years, and in all that time had not seen another Indian doll, nor an attempt to make one. It may be considered the only Indian doll ever made, and therefore a very rare curiosity.

- 1300 729. TWO PIECES OF PLYMOUTH ROCK, donated by *Wm. T. Davis, V. P. of the Pilgrim Society.* Mr. D. writes of them as follows:

When the foundations for the Monument were laid, in 1859, it was found necessary to remove a small portion, which has been preserved with jealous care by the Pilgrim Society. Not one morsel since then has been removed, and, in future, authentic pieces it will be impossible to obtain. Having some of these pieces in my possession, as an officer of the Society, it has occurred to me that Western patriotism, on the anniversary of the Landing of the Pilgrims, the day of the opening of your Fair, would appreciate

such a memento of the deeds of our fathers, which have given us the country we are now endeavoring so faithfully to preserve.

 The stone is susceptible of an excellent polish, and makes beautiful seal rings, pins, etc.
