OPINION OF A Baronet

Sir W. W. Strickland Baronet, Zurich, Switzerland, is pleased to write:—I have used your Keshranjan Oil for some time. I have found it an exceptionally good remedy. The Keshranjan Oil tries up the Dermatitis satisfactorily. Western Dermatologists attribute ordinary baldness chiefly to scalpal forms of Eczema. The Oil may really be a scientific remedy. Anyhow I am glad to have a good supply of it.

The success of the Keshranjan Oil makes me curious to try some of your other medicaments. So I send a cheque and a list of those I should like to try.

BUSY PEOPLE

both men, women have to concentrate their minds so closely upon the duties of life that sufficient attention is not paid to the bodily health. Most of us nowadays live more or less artificial lives. Few are able to live, day by day strictly in accordance with the laws of hygiene: indeed large numbers of men and women have sedentary occupations. For all such people some suitable medicine is a real necessity from time to time. Even individuals who possess average health would be better for the occasional use of Beecham's Pills, the recognised remedy for the correction of irregularities of the digestive organs. If you are at all prone to indigestion, constipation, sluggish liver, acidity, flatulence, biliousness and such headache, or if you suffer from poor appetite, or are in a general out-of-sorts condition you

SHOULD TAKE

a few doses of Beecham's Pills and you will speedily realise the benefit of so doing. You will feel lighter, brighter, fresher and more "fit" after taking these pills in accordance with the directions, because they operate directly upon the digestive organs, rousing them to healthy activity and assisting them to expel impurities from the system, thereby producing purer blood and restoring good appetite and digestion. A dyspeptic state spells misery of mind and body, a properly working digestive system means good health and good spirits. If you would enjoy the latter you really cannot do better than take a dose of this famous preparation now and then. Being absolutely safe for old and young, and possessing a curative value unequalled by any other Family Medicine, you can always rely upon.

Meyores.

Impaired vitality, Brainfag, Loss of Memory and Appetite, Weakness and Emaciation have, most unfortunately for the country become very common complaints among young men still in their teens. These are due to youthful folly or indiscretion, excess or abuse.

The serious injury done to the nerve and ducts in early life, leaves a weakness that leads to a steady drain of vital fluid that gradually but none the less surely undermines the constitution and thus slowly brings about an UNTIMELY DEATH.

Our world-renowned specific, named "MEYORES" will remove these symptoms root and branch. A few doses will check the progress of the disease and improvement will follow shortly. Every unfortunate sufferer is requested to try our MEYORES—no matter how many other medicines he has tried and how dark and discouraging his case may seem.

MEYORES and other preparations have been tried and recommended by Dr. U. Benerjee, L. R. C. P. and M. R. C. S.; Dr. S. A. Hossain, M. D. G. S. L. C., (Lond), Dr. S. Costa, L. R. C. P., L. R. C. S., (Edin); Dr. G. Anderson, M. D.; Dr. R. G. Kar, L. R. C. P., and many others all known to fame.

I RECEIVED its *recipe* from a Muhammedan faquir in the Nepal Jungle towards the end of the Indian Mutiny. It is free from all sorts of Mercury. It has hitherto been distributed gratis, but its increasing demand, consequent on the spread of its reputation for wonderful curative powers, and in consideration of delicacy, &c. prevent further gratuitous distribution. During the past 26 years, thousands of most inveterate and hopeless cases have been thoroughly cured within a very short time by its use. Infants and children suffering from hereditary disease, as well as women during gestation are not excepted: the latter cured by *external application* only. It is equally efficacious in all the forms of the disease. In fact, no other non-mercurial medicine with such infallible curative powers has yet been discovered for this disease. To corroborate the above statements letters from some of the ablest Assistant Surgeons and other competent parties are printed with directions for use, and are to be found with the medicine.
