Application in accordance with the provision of Article 8, Paragraph 1 of Law No. 2 in pursuance of the provision of Article 4, Paragraph 2 of Cabinet Ordinance No. 7, 1948

April 24, 1948

To: Mr. Hitoshi Ashida,
Prime Minister.

Gentlemen:

1. Subject matter of which this application is filed

Kamiya, Chiwaki, Representative Director and President of the Nissan Company, Ltd. was informed as per your letter No. 6 under date of March 29th, 1948 that he was not qualified to remain in office. Since there being no other director representing the company, we are applying for your approval of his remaining in office for some time.

Names and address of Applicants:

The Nissan Company, Ltd.,
2 one-chome, Shiba Tamura-cho, Minato-ku,
Tokyo.

S. Ishikawa
Ishikawa, Shinya, Director

Takahashi Tsunesuke
Takahashi, Tsunesuke, Director

Tauchi Michitaro
Tauchi, Michitaro, Director

M. Minato
Minato, Hirokichi, Auditor

Fukuta Mikio
Fukuta, Mikio, Auditor.

Reason necessitating the application:

As a result of the retirement of all the former officers of the Company on account of the enforcement of the laws prohibiting the assumption of public office and taking additional offices simultaneously, the following persons were elected at the special general meeting of stockholders held on December 31, 1946:

Director	Kamiya, Chiwaki
"	Otaka, Ryoji
"	Ishikawa, Shinya
"	Takahashi, Tsunesuke
"	Tauchi, Michitaro
"	Inada, Kyusaku
Auditor	Minato, Hirokichi
"	Fukuta, Mikio

At the 57th Board of Directors' Meeting held on January 6th, 1947, Mr. Kamiya, Chiwaki was elected a representative director of the company according to the Article 24 of the by-laws oft the company and at the 58th Board of Directors' Meeting held on the same day the President and Managing Director were elected by mutual vote as follows:

Director and President ... Kamiya, Chiwaki

Managing Director ..... Otaka, Ryoji

Later, Managing Director, Otaka Ryoji retired from office on July 21, 1947 on his own accord and Director, Inada Kyusaku died of illness on December 2, 1947. At present, three directors and two auditors are taking care of the current business affairs of the company under the direction of Mr. Kamiya, Representative Director.

The Company was previously designated as a restricted concern according to the Imperial Ordinance No. 657, 1945 and also a special company according to Article 1 of the Holding Company Liquidation Commission Ordinance under date of December 7, 1946, and at present we are now preparing a reorganization plan according to the Enterprise Reconstruction and Reorganization Law under the direction of President, Kamiya. As soon as the reorganization plan is approved, the company is going to be dissolved.

Such being the case, now is the most important time for the company externally as well as internally. Mr. Kamiya is the only representative director of the company and the company which is standing at the cross road is absolutely in need of his guidance and leadership to tide over these difficult times. Under such circumstances, Mr. Kamiya was notified under date of March 29, 1948 that he was not qualified for office as a result of the screening by Zaibatsu Appointee Investigation Committee.

But as stated above, the company is now confronted with many important problems and in need of his long experienced leadership. We all appeal to you for your approval of his remaining in office until July 6, 1948 in consideration of these special circumstances.

Name of Company: Kabushiki Kaisha Nissan (The Nissan Co.Ltd) (A Zaibatsu Company, Direct)

Position: Director and President

Date of appointment: December 31, 1946.

Kamiya, Chiwaki

Application according to the provision of Article 6, Paragraph 1, Item 2 of the Law.

1. That the applicant is not justified to be regarded as an official affiliated with Zaibatsu in consideration of the circumstances under which he assumed the office and the actual status of his exercising his functions.

(a) The circumstances under which I assumed the offices of Junior Managing Director, Senior Managing Director, Director and Vice-President, Director and President and Chairman of the Board of Directors of the Nissan Fire and Marine Insurance Company and actual status of exercising my functions.

I started my business career in 1902, first with the Mitsui Bank and then Kuhara Mining Company and Kuhara Mercantile Company, etc. In the mean time, during the first world war, I was in New York and London as the branch manager of these companies and sold copper and other minitions to the British government. While I was in the United States and England, as the attache of the Finance and Economic Commission sent to the United States, I studied insurance business of these countries. I was particularly interested in fire insurance business, so when I returned from abroad, I decided to go into fire insurance business in Japan. Fortunately it happened that Central Fire and Marine Insurance Company wanted me to come under their employ, so I joined the company in May, 1922 as an ordinary personnel and took charge of the work of business department. After coming through the positions of Chief of General Affairs Section, Manager of Business Department, etc., I became a director of the company in November, 1925. Subsequently, I became Junior Managing Director in February, 1937 (in June, 1937, the company changed its name to Nissan Fire and Marine Insurance Company and had Mr. Gisuke Aikawa as the chairman of the Board of Directors and Representative Director of the Company- was in office from June, 1937 to March, 1941- and Mr. Shin Ibuki as the Director and President - was in office from June, 1937 to January, 1944-,) Senior Managing Director in August, 1938; Director and Vice-President in March, 1941; Director and President, in March, 1944 and Chairman of the Board of Directors, in June 1945.

My appointment to these positions was made at the stockholders' general meetings in accordance with the policy of the company which provides that "in consideration of the merit of contribution to the operation of business as a primary factor, those who have contributed to the business of the company and who have long experience will be promoted to the officership of the company out of employees." According to this policy of the company, my position advanced gradually in the course of years. During these years, there was not a single instance where any directive was given as to the appointment from Mr. Gisuke Aikawa or the Nissan Company, Ltd., nor was there any instance where preliminary approval of theirs was obtained. Furthermore, during these years, I never took any additional office in the subsidiary or affiliated companies of Nissan, while I took offices at Casualty Insurance Club, Casualty Insurance Control Association and Casualty Insurance Investigation Committee, etc.

The execution of the functions of these offices as above mentioned was carried out in accordance with the provision of Article 25 of the Articles of Incorporation of the Company which reads " directors shall made up the Board of Directors which will decide business policies and other important matters of the company." According to this provision, I functioned my duties, dependent upon the existing social conditions of these years as well as the conditions in the company. There was no case where either Mr. Gisuke Aikawa or the Nissan Company ever interfered with the affairs of the Company. To substantiate my statement, I am attaching hereto the following documentary evidences:

No. 1. History of my positions at the Nissan Fire and Marine Insurance Company.

No. 2. Abstract of the Articles of Incorporation of the Nissan Fire and Marine Insurance Company.

No. 3. A letter of certificate of Mr. Gisuke Aikawa and two others.

(b) The circumstances under which I assumed the office of the Director and President of the Nissan Company, Ltd., and actual status of my function of duties.

The Nissan Company, Ltd. is a restricted concern according to the Imperial Ordinance No. 657, 1945 and, at the same time, a holding company, according to Article 1 of the Holding Company Liquidation Commission Ordinance, designated on December 7, 1945. In the mean time, the company decided to decrease the number of officers to the minimum number of four from the eleven then in office, in December, 1945, by dismissing those who were holding offices in other subsidiary or affiliated companies in addition to their regular positions, as a step forward towards the policy of dissolving the company in accordance with the program presented previously to G.H.Q. as a special designated company in December, 1945. The officials remained at that time were as follows:

Director and President	Mikitaro Miho
Director	Kenji Shimokobe
Director	Kantaro Kishimoto
Auditor	Heisaku Miyanaga

It was found later, however, that these three directors, Miho, Shimokobe and Kishimoto, were compelled to retire from the office on account of purge directive and the auditor, Miyanaga, was also compelled to retire as he was the President of the Nissan Construction Company and the assumption of additional office was restricted by law. Thus all the officials of the company remained at that time were also compelled to resign. So, at the 56th meeting of the Board of Directors held on December 18, 1946, they adopted a resolution to elect me a director and asked me to accept it. Subsequently, on December 31 of the same year, at their special stockholders' general meeting, I was elected a director. Further I was appointed a representative director of the company unanimously at the 57th Meeting of the Board of Directors held on January 6th, 1947 according to the provision of Article 24 of the Articles of Incorporation which reads "the representative

director of the company shall be decided at the stockholders' general meeting orby mutual vote of the Board of Directors," and at the 58th Meeting of the Board of Directors held on the same day, I was appointed the President unanimously. The appointment was approved by the Holding Company Liquidation Commission. As for screening for public office, I was screened as "the person not subject to purge" as per the Official Gazette of May 7, 1947.

Regarding the function of my office, the company being a designated holding company under the supervision of the Holding Company Liquidation Commission, all details of operation are subject to the approval and direction of the Commission, curremt operations of the company are being left to the managers of respective department and I am consentrating my efforts on carrying out the dissolution of the company according to the plan prepared pursuant to the provision of Enterprise Reconstruction and Reorganization Law.

Documentary evidence No. 4. Record of Resolution of the 56th Meeting of the Board of Directors of the Nissan Co.,Ltd.

Documentary evidence No. 5. Record of resolution of the 57th Meeting of the Board of Directors of the Nissan Company, Ltd.

Documentary evidence No. 6. Report on the election of new officials presented to the Holding Company Liquidation Commission.

2. Application according to the provision of Article 7, Paragraph 1.

Item 1. I have no family relations with Mr. Gisuke Aikawa and any other members of his family or relatives.

Item 2. The officials of the company are to be elected at the stockholders' general meetings according to the Article 23 of the Articles of Incorporation. It is customary that the prospective persons are selected at the Board of Directors' Meetings and its decision is presented to the stockholders' general meeting for its consideration. There is no arrangement which requires preliminary approval of Mr. Gisuke Aikawa, nor is there any such praftice. As for Ikusei Kai, a juridical person, a stockholder, they sent in their power of attorney to the chairman and there was no such thing as previous approval of theirs was obtained. In this connection, I am attaching the following documentary evidence.

No. 7 . Proxy of the Ikusei Kai, a juridical person, presented to the Special Stockholders' General Meeting.

Item 4. As stated on the Page 3 of the Questionnaire, it was only abut one month that I was in two offices in Zaibatsu subsidiary companies, from the time of my assumption of office in the Nissan Company , Ltd., on December 31, 1946 until January 24, 1947, when I retired from the Chairman of the Board of the Nissan Fire and Marine Insurance Company.

A Letter of Certificate

Mr. Chiwaki Kamiya had been the Junior Managing Director of the Central Fire and Marine Insurance Company before the said company changed its name to the Nissan Fire and Marine Insurance Company, and subsequently assumed the positions of Senior Managaging Director, Vice-President, President and Chairman of the Board of the Company.

He first came under the employ of the company in 1922. His experience in insurance business coupled with his ability and the conditions of the company at that time entitled him a directorship of the company and he was re-elected a director at the stockholders' general meeting. After the company became one of Nissan lineage, the fact that he kept this positions had nothing to do with the representation of Nissan interest, but entirely on the merit of his long experience and contibution to the company for many years.

The foregoing statement is vouched for by Gisuke Aikawa and Shin Ibuki, the then Chairman of the Board and President respectively of the company after the company became one of Nissan lineage, and also Gisuke Aikawa and Kenji Shimokobe who were the Presidents of the Nissan Company, Ltd. while Mr. Kamiya was in the office of above company.

In Witness Whereof, we have hereunto affixed our signatures and seals on this 30th day of January, 1948.
