

## STORY OF HIAWATHA WELL PRESENTED BY CADMAN TRIO

### Entertainment Is Given Under Auspices of Business and Professional Women

The beautiful story of "Hiawatha," by Longfellow, was presented in a form and setting which proved most instructive and entertaining last night at the Chamber of Commerce auditorium by the Cadman trio under the auspices of the Business and Professional Women's Club of Glendale.

The artists who presented this melodrama were Miss Alma Geiger of Glendale, pianist; Mrs. W. R. Garrett, reader; and Constance Balfour, soloist, all of whom wore real Indian costumes made up from genuine specimens of the bead handiwork of the Sioux and Blackfoot Indians.

Musical settings for the poem were written by Saidee Knowland Coe and were interspersed with genuine Indian tribal melodies harmonized by Charles Wakefield Cadman. The interpretation of these melodies by Miss Geiger reflected careful study.

As an introduction to the first part of the program Constance Balfour sang "The White Dawn is Stealing" (Cadman), an Iroquois tribal melody which portrays at dawn the heart of the Indian maiden sighing for her lover; and "Far Off I Hear a Lover's Flute" (Cadman), an Omaha tribal melody portraying an Indian maiden grieving for her departed lover. The musical setting emphasized the weird and pathetic descriptions in the poem.

Constance Balfour, vocalist, has appeared before the people of Glendale before and was greeted with much applause. Her voice was in fine condition.

### About First Americans

The story of the first Americans as told in the poem "Hiawatha," was unfolded in the interpretation so splendidly given it by Mrs. W. R. Garrett, one of the best dramatic readers in southern California, and in a manner which was most thoroughly appreciated by the audience of 200 which was present. She told (Continued on Page 3.)

### G. H. Gleason, Tokio, Japan to Give Talk

George H. Gleason of Tokio, Japan, will be the principal speaker at the Southern California Calling Conference at tonight's session in the First Methodist church.

This gathering of high school boys is for the purpose of bringing to them the opportunity of following Christian service regardless of what plans they may have for their life's vocation, it is explained. It has been planned by the Y. M. C. A. to make this conference a small one, holding the number of delegates to 100, in order that each boy attending may have an opportunity of going over with a man of more mature age who may advise and counsel with him just as a help to find for himself the place best fitted for his talents and inclinations.

The local conference committee, of which H. L. Finlay is chairman, with this idea in view has asked a number of Glendale men to assist in this purpose.

Various cities that will be represented at the conference, are as follows: Long Beach, ten; San Diego, eight; Los Angeles, fourteen; San Bernardino, four; Redlands, five; Pomona, eight; Orange county, eight; Whittier, eight; Riverside, two; South Pasadena, four; Burbank, four; Pasadena, six; Alhambra, six; Glendale, twelve.

### State Convention to Be Held at Church

Plans are under way for the annual state convention of the Women's Christian Temperance Union. This will take place the last week in May from Monday night to Friday night, inclusive, at the First Methodist church, according to Mrs. Ruby Smart, president of the Glendale Union. Committees will be announced at the next meeting of this organization.

### D. E. Henderson Now En Route to His Home

D. E. Henderson, who with his family has been visiting for the past six weeks at the home of Mr. and Mrs. J. C. Bahme, 206 1/2 South Orange street, left yesterday for his home in Columbus, Ohio, and will stop en route at San Francisco, Salt Lake and Denver. Mrs. Henderson and daughter Florence will remain here for another month.

### Literary Section to Hold Meeting Monday

The members of the literary section of the Tuesday Afternoon Club, of which Mrs. F. L. Hollingsworth is curator, will meet Monday at the home of Mrs. G. H. Rowe, 216 S. Orange street. The topics scheduled for that time include review of magazines, American cartoons and cartoons.

## Another Linotype To Be Installed In Evening News Office

Another linotype machine for The Glendale Evening News.

This morning A. T. Cowan, publisher, presented E. G. Lindner, representing the Mergenthaler company at Los Angeles, with the order for a Model 8 typesetting machine, a duplicate of the latest installation in this office.

Today's order will bring the total number of linotypes being used in the composition of The Glendale Evening News to five, a battery equal to the demands of a city twice the size, but made absolutely essential by the rapidly developing business in Glendale.

## Glendale Isn't In Hum. County, Says Dr. H. R. Harrower

While on his eastern trip Dr. Henry R. Harrower discovered something about Glendale's telegraphic service which he has put into writing and forwarded copies of his letter to this paper and the Glendale Chamber of Commerce.

"District Manager Western Union, Los Angeles, Calif.

"Sir—It is quite mortifying when sending a telegram to Glendale, California, to be asked what county it is in, or to hear the not infrequent query by the desk clerk: 'Is that in Hum. county?' I have never heard of Glendale, Hum. county, and certainly there is no such place in the United States postoffice directory, and it occurs to me that since Glendale, California, has become a reality that it should certainly not be necessary to inflict upon the public the necessity for indicating that Glendale is not in Hum. county.

"Perhaps you are not aware of the fact that the population of Glendale is close to 25,000 souls. Considering the population we have here, the telegraphic service we get is very far from perfect, although it may be a great deal better than it is in Glendale, Hum. county, California.

"This letter is sent to you in all seriousness, and with a suggestion that you discontinue the use of the name Glendale save only for this city just exactly as the postoffice department has done long since.

Very truly,  
"HENRY R. HARROWER, M. D.  
"Director the Harrower Laboratory.

### Dr. Steelman Home Costume Dance Scene

Dr. and Mrs. C. S. Steelman entertained with a novelty costume dance at their new home at 321 West Milford street, recently, a large group of friends from Los Angeles and surrounding cities. Each guest participated in some novelty act. The hostess, Mrs. Olive Steelman, and Miss Betty Debauer of Los Angeles, did a fascinating classical dance, the hostess wearing a pink and blue costume while her partner wore the suit of a prince.

Music for dancing was furnished by an orchestra, including Miss Myra Steinborough, pianist; Professor Manuel Freeman, violinist; Dr. Erwin, saxophone and flute, and Ed Moniot, banjo. Delightful refreshments were served at midnight.

Those present included Dr. Erwin and mother, Dr. Tomanson, Dr. and Mrs. Everley, P. McCann, Miss Prost, Albert Steelman, Miss V. Shirner, Robert Fredericks, Hughley Fredericks, Miss Thelma Shelton, Professor M. Freeman, Mr. and Mrs. Floyd Province, E. Moniot, J. Pope, Miss Winifred Stuber, Miss Betty Debauer, Miss Myra Steinborough and Dr. and Mrs. C. S. Steelman.

### Completing Plans for Municipal Building

Plans are now being completed by A. Colon, draughtsman at the city hall, for a \$10,000 brick and concrete combination warehouse and office for the public service department. They will be submitted to the city council next Thursday night. They provide for a structure 90 feet long and 50 feet wide, facing east on Howard street pending the present hall and adjoining the proposed annex. The front of the building will be two stories in height while the rear, which will be well lighted by a row of windows the entire length of the building, will be one story.

### H. B. Tuttle to Give Talk at Tuesday Club

At the regular meeting of the Tuesday Afternoon Club at Masonic Temple on March 28, 1922, a talk will be given by H. B. Tuttle on "China and Various Potteries." He will give a brief history of china, and will exhibit some fifty samples from the leading European and American potteries.

## APARTMENT COSTING EASTERN STAR HAS \$200,000 PLAN OF BIG BANQUET FOR LOCAL COMPANY VISITING OFFICER

### Directorate of Thirteen Well-Known Citizens Proposed Result of Meeting

Fifteen representative citizens attended a luncheon at Glen Inn yesterday noon and took steps to formally organize what will be known as the Glendale Apartment House company, a \$200,000 corporation.

Plans for the early construction of an apartment hotel with thirty to fifty suites were considered, and Architect Alfred F. Priest was retained in an advisory capacity. H. Smith was temporary chairman of the meeting and E. P. Hayward, secretary.

Following a full discussion of the proposition with Hugh Cook and C. S. Woods, who are associated with Hayward & McCartney at 142 South Brand boulevard, it was decided to name a directorate of thirteen well-known people to take an active part in the affairs of the company. However, the subscription of stock will be public.

### Directors Selected

Those so far named to direct the destinies of this tourist housing scheme are D. H. Smith, C. E. Kimlin, A. G. Spahr, A. T. Cowan, D. L. Gregz, James M. Rhoades, E. P. Hayward, C. D. Lusby and James F. McBryde, the latter to attend to the legal details. He is expected to have incorporation papers ready by the first of the week.

Mr. Cook, a member of the firm which is to act as fiscal agents, was the organizer of the Fidelity and Deposit Insurance Company of Maryland, one of the most successful casualty companies, it is said.

### Elizabeth Yerkes Is Walter Grayson's Bride

The wedding of Miss Elizabeth Yerkes, daughter of Mrs. W. L. Yerkes of 364 West Lexington drive, to Walter Alvin Grayson of Los Angeles, son of Mrs. M. E. Weeks, took place this morning, March 25, 1922, at 10 o'clock at the home of the bride. Rev. Hugh Cornell of St. Mark's Episcopal church performed the ceremony, which was attended only by immediate relatives of the bride and bridegroom. The bride wore her traveling costume, a capesuit of iris colored crepeknit material.

Following the ceremony Mr. and Mrs. Grayson departed on a motor trip to the northern part of the state. On their return they will be at home at 364 West Lexington drive, the home being a wedding gift to the bride from her mother.

Mr. Grayson has had a very interesting career. He was a reserve officer and when the United States entered the war he was one of the first men to be drafted into the army as a Lieutenant, and served continuously during the fighting. He was sent to Siberia and the Philippines, where he served until a year after the armistice was signed. At the present time he is completing a course at the University of Southern California which was interrupted by the war.

### Mrs. C. E. Snively Is Hostess at Luncheon

Mrs. C. E. Snively of 106 East Maple avenue entertained Thursday with a prettily appointed luncheon. Spring flowers were used effectively in decorations. The guests were members of a thimble club, newly organized, which meets every Thursday from 12 to 4 o'clock. Those present were Mrs. Albert Pickles, Mrs. Herbert Gray, Mrs. Raymond Kimble, Mrs. Gus A. Lavison, Mrs. Robert McMullen, Mrs. Robert E. Foy, Mrs. Marie M. Petty, Mrs. Snively.

### Andrew C. MacIntyre Given Birthday Dinner

Andrew C. MacIntyre, of 718 East Harvard street, was the honored guest at a dinner party given last night by Mrs. Helen I. Campbell and Miss Annie L. MacIntyre of that address in celebration of his eighty-third birthday anniversary. The guests included Mr. and Mrs. Andrew MacIntyre, Mr. and Mrs. J. F. MacIntyre, F. W. MacIntyre, George Flewelling, Mrs. Helen I. Campbell and Miss Annie L. MacIntyre.

### Mrs. S. E. Ross Gives Party for Her Uncle

Mrs. S. E. Ross of 446 Riverdale drive entertained with a surprise dinner party at her home last night in celebration of the seventieth birthday anniversary of her uncle, C. W. Merry, of Los Angeles.

Those present included Mr. Merry, Mrs. Ross's mother, Mrs. E. E. Redfern, who is Mr. Merry's sister, Mrs. L. E. Sibley, Mr. and Mrs. H. W. James and family and Mrs. Ross. Mr. Ross had been called unexpectedly on a business trip to Denver and was unable to be present.

### Annual Call District Deputy Grand Matron Is Received by Glendale Order

The annual visit of the district deputy grand matron of the grand chapter of the Eastern Star, of the State of California, one of the big events of the year in the annals of that organization, was celebrated last night with a banquet by the members of Glen Eyrice chapter, of which Mrs. Fannie Mae Parke is worthy matron.

This was followed by the regular lodge meeting, during which all of the work of the order was exemplified for the inspection by the district deputy grand matron, Mrs. Clara Alvarez of Los Angeles.

The banquet hall was decorated with pink peach blossoms, yellow wild mustard flowers and bouquets of purple and white iris. Tiny Easter baskets, containing little white rabbits and Easter eggs, were used as favors. A four-course dinner was served, the Eastern Star motif being carried out in the refreshments of ice cream, through the center of which was molded a star. The banquet was attended by about 150 members and guests. Yellow acacia blossoms and pink peach blossoms were used as decoration in the chapter room.

### Commends Officers

During the chapter meeting Mrs. Alvarez gave a brief talk commending the officers on their work, and was presented with a gift from the chapter, a sterling silver sherry glass to complete the set of ten which has been presented to her by the ten chapters in the district.

Mrs. Fannie Mae Parke, worthy matron, Miss Mildred Lyon, associate matron, and the other regular officers were in charge of the meeting, with the exception of the marshal, Miss Blanche Davenport, who was absent on account of illness, that station being filled by Mrs. W. S. Ratray.

The committee in charge of the banquet and decorations included Mrs. Orma V. Naudain, Mrs. Doris Thomas, Mrs. Emma Beckett, Mrs. Florence Seales, Mrs. Ethel Baker and Mr. and Mrs. Arthur Kase.

### Miss Vivian Nay Is Hostess to Club

At the home of her parents, Mr. and Mrs. Frank B. Nay of North Central avenue, Miss Vivian Nay was hostess last night to the G. S. G. S. Club, which was recently organized by a group of congenial friends among the younger set. Fragrant flowers were used in decorating.

The early part of the evening was spent with novel games. In one of these the first prize was awarded to Davis Chandler. For the charades, Marjorie Hart carried off first honor. After the games they enjoyed informal dancing. At the close of the evening refreshments were served, buffet style.

Club members present were Marjorie Hart, Lucile Beach, Alice Hill, Frederica Browne, Vivian Nay, Elizabeth Carton, Audrey Haines, Beryl Goodale, Gladys Sharpe. Guests of the club were Elizabeth Walker, Leah Allender, of Pasadena; Thelma Barker, Robert Hatch, Dallas Kalbaugh, Arthur Barton, Eugene Wermette, Davis Chandler, Carlton Walker, Jack Finch, Craig Lietzsch, Fred Salter, Dick Rhoades, Lawrence Smith, Mr. and Mrs. J. B. Rhoades, Mrs. Clark, Mr. and Mrs. Nay.

### Miss Prendeville Is Hostess on Birthday

Miss Edna Prendeville, of 122 South Cedar street, entertained a group of friends at a party last night in celebration of her birthday anniversary. Decorations suggestive of the Easter season were used. Games and a social evening were enjoyed, during which refreshments were served.

The guests included Miss Dorothy Norwood, Miss Evelyn Prendeville, Miss Mabel Frisen, Miss Dorothy Prendeville, Miss Edith Unwin, Miss Mabel Prendeville, Miss Ruth Edmonds, Miss Esther Edmonds, Miss Margaret Craig, Miss Jennie Craig, Howard Gilmore, Roy Frisen, Joseph Hillis, Harry Lidstrom, Harvey Prendeville, Jr., Tom McCollough and Abner Craig.

### Chiropractors Plan Mass Meeting Here

The San Fernando Valley Chiropractors' association held a meeting last night at the home of Dr. R. M. Attwater in Burbank. Vital matters were discussed as to the mass meeting to be held in Glendale the latter part of April.

Those present were Mrs. Clara Hewen, 209 1/2 South Brand boulevard; Harry St. Clair, 1250 South Maryland avenue; Virgil Pool, 209 1/2 South Brand boulevard; Mr. and Mrs. Richard Eble, 226 South Louise street; Albert Vack, 105 South Maryland avenue; D. D. Craig, Glen Hartley, N. C. Burwash, J. H. Klemke and R. M. Attwater.

## Today's World News In Brief (By International News Service to Glendale Evening News)

PARIS, March 25.—The council of ambassadors' meeting here today, directed that Italy evacuate the city of Scutari, European Turkey, in Albania.

LONDON, March 25.—Official announcement was made today that Lloyd George has shortened his vacation by one week and will return Monday to take charge personally of the Irish situation.

CHICAGO, March 25.—Weakness abroad and reports of fine weather over parts of the belt led to general selling of wheat and prices declined.

FARGO, N. D., March 25.—A. C. Townley, founder of the non-partisan league, today announced his resignation as national president of the organization. The announcement was made to the North Dakota state convention, in session here since Thursday.

TRINIDAD, Colo., March 25.—Ten bodies had been recovered from Sopris mine No. 2, of the Colorado Fuel & Iron Co. at noon today, following yesterday's blast in which eighteen men were entombed. Rescue work continues.

WASHINGTON, March 25.—Creation of a naval reserve force on a permanent basis was recommended to congress today by Secretary of the Navy Denby. He transmitted a draft of a plan prepared under the direction of the navy general board, recommending the organization of three classes of reservists.

LOS ANGELES, March 25.—J. Stephen Vernon, 25, head clerk at the Ambassador hotel, was killed; William S. Hall of Pasadena, and paymaster at the same hotel, is at a hospital suffering from a possible basal fracture of the skull and not expected to live, and Earl Southgate, auditor, and Charles H. Frazer, assistant auditor, both of the Ambassador, were painfully injured in an automobile accident today.

MIAMI, Fla., March 25.—Harrowing details of the ill-fated "Miss Miami" seaplane tragedy were told today by Robert Moore, half dead pilot, picked up by the tanker William Greene off this port. Two of his passengers jumped to death, another slipped off the plane into the ocean while Moore held two fainted women as the pontoons bobbed over tossing sea. They died Wednesday night from exposure. Before August Bulte jumped to death he handed the pilot \$2000. A broken propeller blade caused the catastrophe.

## 2 2 2 2 2

### H. H. Johnson of the Army and Navy Goods store, corner Harvard street and Brand boulevard, in telling of his trip from Atascadero to Glendale, states that they stopped in Santa Barbara. He said: "There were 2 of us, on February 2, 1922, assigned to room 2, on floor 2 after arriving at 2 p. m." It won't happen again in 100 years, that combination.

### Post and Corps in All-Day Gathering

The N. B. Banks post of the G. A. R. and W. R. C. enjoyed an all-day meeting yesterday in Patriotic Hall.

Guests of the occasion were members of the Kenesaw post and corps of Los Angeles.

Commander Thomas M. Barrett of 364 West Wilson avenue presided during the ceremonies. An address was made by C. H. Haskins of the Stanton post, Los Angeles. Besides the singing of patriotic songs by all present, Comrade J. H. Henry of 800 South Central avenue sang a solo.

The invitation extended by the American Legion to attend a radio concert April 8th was accepted with thanks.

The dinner, which was served at noon by the Women's Relief Corps, was much enjoyed.

The next all-day meeting will be held April 28 when the men will prepare the dinner and the kitchen will become no-woman's land.

### Milford Street Card Club Is Entertained

The members of the Milford Street Card club were entertained Thursday at luncheon and cards at the home of Mrs. H. V. Brummel, 415 West Wilson avenue. Decorations and favors carried out the Easter idea.

Those present were Mrs. R. Vinton of Los Angeles, Mrs. E. G. Howford, Mrs. H. B. Fletcher, Mrs. J. P. Strain, Mrs. H. A. McPherson, Mrs. J. H. Southard, Mrs. W. N. Rathbun, Mrs. C. H. Thompson, Mrs. Howd of Los Angeles, Mrs. C. H. Pendleton, Mrs. L. C. Luppelman and the hostess, Mrs. Brummel. High score was made by Mrs. Vinton, consolation prize being awarded to Mrs. Luppelman.

### Charity Benefit and Card Party Success

A delightful afternoon was spent by those who attended the charity benefit and card party, given by the Central Avenue Parent-Teacher association, at the home of Mrs. Reed Heustis, 223 North Brand boulevard, yesterday afternoon. In addition to the guests having a very enjoyable time, the benefit resulted in a substantial sum being raised in a philanthropic fund of the association.

Twelve tables were provided for bridge and 500, with prizes for the holders of high scores. The prize-winners were Mrs. Neighbors, Mrs. Meadows, Mrs. Puffer, Jr., Mrs. Deago, Mrs. Pendleton, Mrs. Bonden, Mrs. Thompson, Mrs. Tabor, Miss Scott and Miss Jones. Mrs. C. H. Pendleton rendered several charming solos at the piano. Refreshments of sandwiches and tea were served to the guests.

Those assisting Mrs. Heustis were: Mrs. C. H. Crawford, president of the Parent-Teacher association; Mrs. R. L. Young, Mrs. James Horton, Mrs. H. L. St. Clair, Mrs. G. H. Horne, Mrs. E. D. Sutton, Mrs. Gerald Blue, Mrs. H. A. Harris, Mrs. H. Hodding, Mrs. W. A. Willis and Mrs. C. L. Viereck.

### Mr. and Mrs. Dodds Hosts at Radio Party

Mr. and Mrs. Edwin S. Dodds of 421 Gilbert street entertained last night at a radio party and to say the least it was a revelation to most of the guests. A Los Angeles theatre's concert was registered perfectly, a speech, the latest news reports and a concert from Catalina was picked up. Indeed, the radiophone with its marvel of the age and the following enjoyed it last night at the Dodds' home: Mrs. A. L. Duncan and Rob-son Dyson of Los Angeles; Mr. and Mrs. James M. Rhoades and Mr. and Mrs. Rhodes, III, and Mr. and Mrs. Raymond B. Dodds of Whittier.

### PROBES DYNAMITE; BANG!

UNIONTOWN, Pa., March 25.—Little Charlie Martin, aged 7, is recovering today at the Uniontown hospital from numerous injuries sustained Friday afternoon when, while seated on a rear seat in a country school near here, he stuck a pin in the children were thrown into a panic and Charley was hurled to the floor.

## Dr. J. W. Brougher to Deliver Famous Lecture Here Monday

Dr. James Whitcomb Brougher, pastor of the Temple Baptist church, Los Angeles, will deliver his famous lecture, "Keys and Keyholes," Monday night at 8 o'clock in the Masonic hall. This is a stellar attraction, according to those who have heard this eminent pastor.

Receipts will be used as a benefit for Glendale Commandery No. 53, Knights Templar, which is planning to send two delegates to the triennial convocation to be held in New Orleans this year. Southern California is putting over a big thing, according to George U. Moyses, eminent commander of the local lodge. Hundreds of delegates will go on special trains and Los Angeles will send a band of forty pieces.

### Fathers and Mothers Guests of Y Group

The Y. M. C. A. group which is under the leadership of W. G. Boyd entertained their parents at a banquet last night at the First Presbyterian church. At 6:30 o'clock each boy member of the group, walking between his father and his mother, ushered them into the social hall. The table was decorated with peach blossoms and sunlax. Covers were laid for fifty. At each plate was a folded card announcing the purpose of the meeting and containing the menu and program.

Lyle McAllister, president, called the guests to order. John Heideman offered thanks. Following the dinner Mrs. T. W. Preston responded with a word of appreciation from the fathers, paying high tribute to Mr. Boyd, the leader, for his untiring work with the boys. Paul McAllister then spoke on "What We Do One Night Each Week." This was followed by a sample of an evening's lesson when the boys gathered around their leader and an evening's program of business and study was given.

Rex C. Kelley, local Y. M. C. A. secretary, spoke on "What Other Groups Do," and told of the splendid work which the leaders are doing and who are giving so freely of their time in order that the fathers' and mothers' sons might grow into better boys. The evening's entertainment closed with games, entered into by the fathers, mothers and boys.

### Mrs. Helen Campbell Holds Section Session

The members of the music section of the Tuesday Afternoon Club, of which Mrs. Charles L. Marnece is curator, were entertained yesterday afternoon at the home of Mrs. Helen I. Campbell, 718 East Harvard street, at which time a program of Indian music was greatly enjoyed. Decorations were carried out in narcissus and daffodils. Mrs. Campbell was assisted as hostess by Mrs. S. B. Morse and Mrs. Bine J. Smith.

The program included a talk on American Indian music by Mrs. Marnece. Several educational records were played on the phonograph, including several Navajo Indian songs, "Medicine Song," "Dance Song," and a record showing the different rhythms of their dance music, and "Gambler's Song of the Blackfoot Tribe." This was followed by two vocal solos by Mrs. John D. Cole, "The Moon Drops Low" (Cadman), and "The White Dawn is Stealing" (Cadman), and as an encore gave "From the Land of the Sky-Blue Water" (Cadman). Mrs. Ettaroe Kirk Kent gave two traditional songs of the Luni Indian tribe, "Invocation to the Sun God" (Troyer), and "Lover's Wooing, or Blanket Song" (Troyer), and as an encore "Her Shadow" (Burton). Miss Gertrude Champlain gave a very delightful piano number, "From an Indian Lodge" (MacDowell). At the close of the afternoon refreshments were served.

## HENRY W. WRIGHT FAVORS BONUS TO EX-SERVICE MEN

### Chairman L. A. County Board of Supervisors Gives His Views to Local Post

"It is impossible for us to fully repay you for your good deeds and sacrifices offered in the late war, but we can, in part, remunerate you for what you've done by passing some sort of a bonus bill for the ex-service men."

These were the words of Henry W. Wright, chairman of the Los Angeles County Board of Supervisors, in his address last night to the members of Glendale Post No. 127 of the American Legion. The subject of Mr. Wright's speech was "Legislation for the Soldier," it including a brief review of all of the bills involving veterans of the late war which have been passed by the legislative bodies of the state of California during the past three years.

Particular stress was laid on the explanation of the bill which was recently passed at Sacramento and which gives the various county boards of supervisors authority to "assist any organization of ex-service men in the building of meeting places," with the power to determine the methods to be used in obtaining funds within the jurisdiction of the respective boards.

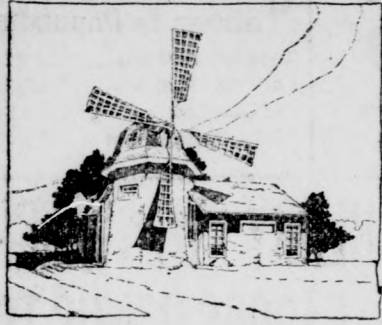

### No Plan Yet Chosen

Of the many plans which have been presented to the boards for consideration, Supervisor Wright stated that none has yet been adopted, due principally to the fact that the county budget for the present fiscal year has been closed. No definite action can be taken on the proposition until next July.

C. B. Guthrie, representing the executive committee of the local Legion post, replied to the supervisor by submitting a plan whereby every post in the county would be loaned a certain portion of the amount of money needed for the building of a home, the return payments to be made over a long period of time.

In this manner Mr. Guthrie stated (Continued on Page 3.)

### Warns Girls Not to Lose Respect of Men

"America is doomed when our women so live that the men lose respect for them and for the things for which they stand," asserted Major William T. Morgan, manager of the lecture bureau of the International Correspondence Schools, in a special assembly Friday for girls at Glendale Union High school.

"No nation can succeed and develop higher than its women," he continued. "If the women go down, then the nation crashes with them. Young women, so live that we men may look up to you for inspiration, encouragement and high ideals. So live that we men will feel the force of your character, your superior moral qualities."

"A number of thousand years ago we men put women in the place where we wanted them, but they wouldn't stay put. This is the age of emergence of women. They are taking their places alongside of men in every walk of life."

"The type of woman that the world wants in the twentieth century is the educated, cultivated womanly woman."

"A girl without education and training has a thousand times more to lose than a boy without the same. More danger lies in the path of young women who go out into the world half trained, than you would imagine. Seventy-five out of every hundred widows in America have to earn their own living, while probably 95 out of every hundred who go through divorce courts are compelled to support themselves."

"It matters not how wealthy your

### Knights of Columbus Discuss Clubhouse

Nothing definite in regard to the new Knights of Columbus clubhouse to be built here in the near future has been decided yet, according to a statement by Peter L. Ferry, 614 East Acacia avenue, chairman of the building committee.

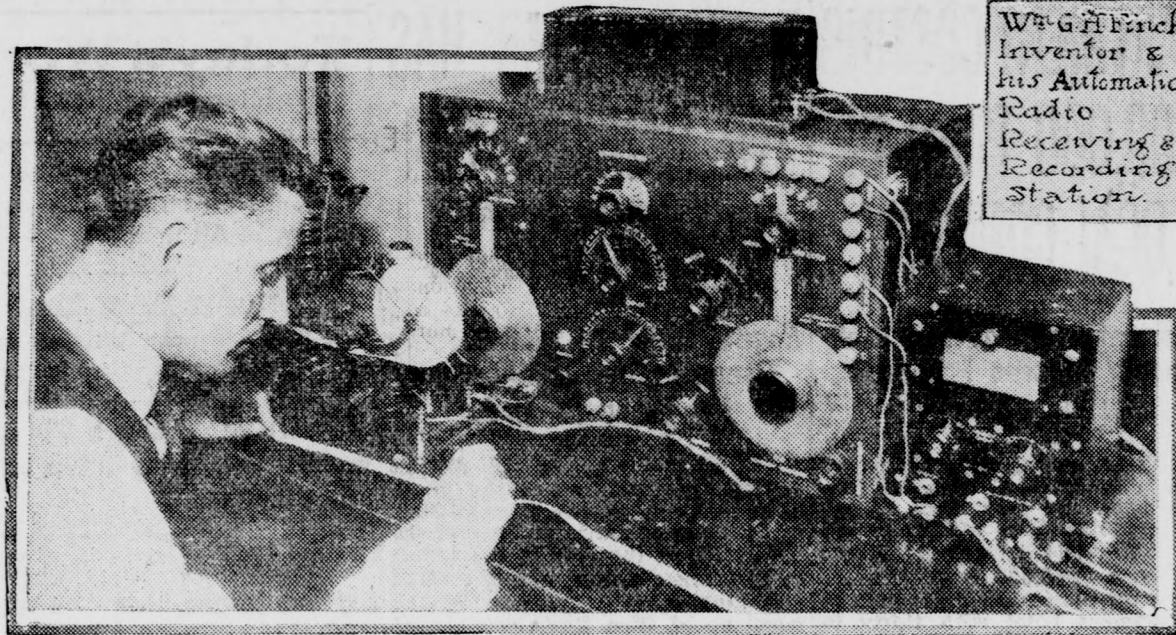

"We haven't decided whether we want a club house in the residential district or to establish one in the business district where we could derive an income from the ground floor," remarked Mr. Ferry. "Meanwhile, we are looking over the situation."

The building committee will not meet again for about ten days, according to Mr. Ferry. Other members are: Albert Townsend, 807 North Brand boulevard; Henry M. Doll, 727 South Louise street; Fred Huesman, 728 East Windsor road; H. V. Henry, 353 Pioneer drive; John G. Monaghan, 925 Stocker street; M. G. Brennan, 519 North Central avenue.

All that is needed to change a flapper into a sweet, wholesome American girl is to interest her in the outdoors and provide recreation and work that will give her the stimulation she now gets from jazz dances and the movies, according to the national executive of the Campfire Girls.

parents are now and what good circumstances they are in now. You do not know what the future holds for you. Any girl who enters life without thorough preparation is under an economic handicap."

## NEW AUTOMATIC RADIO INVENTION PICKS UP AND PRINTS WORDS ON TICKER TAPE; OPENS NEW FIELD

W. G. H. Finch, Inventor of his Automatic Radio Receiving & Recording Station.

Written for International News Service NEW YORK—An automatic radio receiving device that will automatically pick up and print press dispatches sent in wireless code!

That is the latest device, just perfected, for the radio enthusiast. The machine, when adjusted, runs like a clock and requires no operator. The device has been perfected and patented by William G. H. Finch, an experimental engineer, of Buffalo, who is an associate member of the Institute of Radio Engineers and other technical societies. He has been identified with radio development since 1908, holding one of the first licenses granted by the government early in 1913. During the World War he organized and had charge of the Radio First Field Artillery, N. Y. C.

**Gives Practical Demonstration**  
Finch's radio device enables anyone to receive broadcasted code messages from any distance, a record being made of the message, which is printed automatically on a tape. It can pick up news dispatches. During the past year Mr. Finch

gave practical demonstration of his invention at the Hoboken radio station of the Delaware & Lackawanna railroad. The navy department cooperated in one practical demonstration, which was successful.

Radio engineers declare the Finch invention has advanced the new field of radio telemechanics. The device has proved that explosives can be ignited by radio at almost any distance—that a moving body can be controlled in the same fashion, by radio waves or motors; bells and other indicating devices can be manipulated, whether they be visible or audible to the manipulator mattering not at all. The simplicity of the Finch invention permits a novice to set it into operation.

The machine can be tuned in to any desired station and the apparatus adjusted so that it will pick up and record any message emanating from the station tuned to.

**"Can Be Tuned In"**  
"For instance," Mr. Finch said, "many ships carry only one wireless operator, who, of course, cannot be

on duty all the time. My device can be tuned to the 600-meter wavelength—the one reserved for 'S. O. S.' calls—and when such a call is received it can be so arranged that the ship's whistle, audible or visible indicating devices, will be operated, at the same time making a graphic record of the message sent, whether the operator be present or not.

"This is accomplished by a super-sensitive radio relay, the important part of the invention and without which the feat could not be accomplished. When the instrument is tuned in and the ether impulse, like water flowing into a pipe, comes into contact with the super-sensitive relay a series of impulses corresponding to the received impulse will be accurately transmitted and recorded."

Mr. Finch heartily endorses the stand taken by Secretary of Commerce Hoover, who holds that the private experimenter should be assisted and not hampered by regulations affecting radio activity. Mr. Finch came from the amateur-experimental class.

### WASHINGTON KEEPS TAB UPON PUBLIC OPINION TREND

#### President and Members of His Cabinet Closely Watch for Reaction on Issues

By WEBSTER K. NOLAN  
Written for International News Service WASHINGTON—Public opinion, that potent force that determines the nation's policy, makes and unmakes men and issues, guides to dizzy success and with equal ease reduces national hopes and individual ambitions to shambles, registers with clock-like precision in Washington.

Ostensibly derided in value, it yet is recognized as the most important of government "departments"—for there is a systematic machine daily in operation in Washington which secures and marks and files away every item appearing in American newspapers concerning the government and government issues, be it only a squib from the bottom of the last page of a newspaper flourishing in the furthestmost reaches of the country.

**Secures Information**  
When the secretary of commerce intimates to the press men that he expects the nation to be gripped by a gigantic coal strike at a certain date in the future, he lets a note to his public opinion staff, and within a week the secretary has before him a select volume of clippings culled from the editorial pages of journals in all sections of the land and clippings bearing upon the secretary's statement.

The secretary wanted to know, for instance, what the editorial effect would be upon his pronouncement. He wished to gauge the reaction of public opinion, and by the machine-like precision he learns and is guided thereby. He will know whether the people are behind him or against him and if divided, in what sections the opposition thrives the greatest.

**Calls in Newspaper Men**  
When President Harding is contemplating a move of great proportions and he is uncertain of the reception it might receive at the hands of the temperamental public the chief executive solves the problem by calling the newspaper men into conference at the White house and, safe in the knowledge that he will not be quoted directly, slips over his idea in indirect fashion, having first preluded his remarks with the indifferent statement that he is about to give "you boys a slant on this thing—nothing definite, however."

The "slant" comes with hammer-like effect; it is blazoned on the front pages of every afternoon paper in the country within an hour, and the morning papers pick it up. A week later the president calls for public opinion, and he stalks in, merciless he may be, or this time, perhaps, ecstatically enthusiastic. And accordingly the president gauges his move.

**Every Department Listens**  
Every government department has its staff of newspaper clippers and staff of filers. Special quarters are set aside where all the printed matter appearing in all newspapers is piled for reference. Whole rooms are given over to it in some of the larger departments. Special file cases hold the editorials, others contain news reports, and still others,

### Hair-Raising Tale Is Recited in Suit Filed

NEW YORK—Hair tonic is responsible for another "hair-raising" story recited this time in a petition filed in court here by Isador W. Kahn, who claims he is a practicing physician, and who seeks to collect \$25,000 for alleged damages to his scalp from a well-known hair "restorer."

After using the tonic, declares Kahn in his petition, his scalp became "bruised, wounded and sore," and he was "disabled and permanently injured as a result of the harmful ingredients of the said hair tonic."

Use of the tonic, he recites, caused him to lose much hair and his eyesight "has been permanently impaired." He also has become afflicted with a chronic skin trouble, Kahn asserts.

### Medical Treatment at Sea Is Given by Radio

WASHINGTON—Chalk up another remarkable achievement to the credit of wireless telegraphy.

A seaman on a ship far out at sea was taken ill. He suffered intense pain in the abdomen, vomited persistently and was unable to lie down owing to the pain. The ship had no physician on board. The ship's captain wirelessed a public service health hospital in New York City for advice and the officer of the day at the hospital promptly prescribed treatment.

The next morning the hospital received another wireless message from the ship expressing its thanks and saying that the patient was much improved.

### Indian Princes to Give Crown Jubilee Stone

LONDON—It is understood that the Indian princes intend to present to the British Crown the famous Jubilee diamond, once the world's largest gem and now third in size. The value of the stone is stated to be about \$1,800,000.

hold feature stories, syndicated material and cartoons. When the head of such a "bureau" comes upon an article or news item that he knows will interest his chief he puts it in a special basket, and it is carted to the chief every morning for his mental delectation.

Though an unseen force, though graced with no official standing, sapient and hoary, Old Man Public Opinion stalks with a dignity none dares to scorn. They know him here in Washington, and they fear his mandates. He is fed with millions of words daily, offered him mostly in compliant fashion, as though he were something of a cross between Allah and Buddha, and to him is given adulation immeasurable; but he is discerning and registers accurately the state of the public's mind. To disregard him is to return to the plow, to heed him is wisdom.

But the men who run the government's dynamos know this and need no teaching. They knew it before they ran the government's business; in fact, that's why they are running it. And they appreciate the unwisdom of throwing the old man out now that they've kicked their goals. He is still potent. His mills, like Allah's, grind slowly, but they grind exceedingly fine.

### Mountain Falls Down and Ruins Farm Land

WARNE, W. Va.—A mountain has fallen down in Grant district, Wayne county.

The rocky peak and cliff weighing thousands of tons went directly over a country road and, filling up the bed of a twelve-pole creek, has caused a flood.

The creek, dammed up by the debris, has overflowed a large number of lowland farms and is causing much damage.

Farmers have used hundreds of pounds of dynamite in an effort to blast away the dam, but so far have been unsuccessful.

William Queen, a farmer whose barn was crushed when the mountain slide occurred, appealed to the county authorities. An engineer with a big crew of blasters will attempt to clear a new bed for the creek.

**Sleds Called Pleasure Vehicle by Ohio Mayor**

CINCINNATI, Ohio—Despite the ruling of a New York magistrate to the contrary, sleds are pleasure vehicles and will be considered so by police officials of Cincinnati, Mayor George Carroll declared after reading of the suspended sentence given to a man because he insisted upon pulling a sled, on which his child was riding, through a park where all but pleasure vehicles were barred.

**Salome No Dancer, but Acrobat, Savant Finds**

LONDON—"Salome, according to the earliest legends, instead of being a dancer of the modern ballet type, must have been an acrobatic tumbler," said G. G. Druce, lecturing in London on "Noah's Ark and Other Famous Legends."

He added that all the old illuminated parchments and carvings showed Salome as an acrobat rather than as a dancer.

Persons may insure themselves against sudden illness which require operations under the terms of a scheme evolved by a firm of London brokers. The insurance covers the expenses of the operation and income during convalescence. The scheme has been underwritten by Lloyds.

Striking a whale in mid-ocean caused the steamship President Willson to stop with a shock sufficient to throw passengers off their feet. The lookout reported something submerged and an instant later the immense head and tail of a whale showed astern.

**Hope—Not Despair**  
"Death in itself is no tragedy to the man who has lived his life to the full. Death becomes tragic when his scythe cuts too soon and leaves a score of unfinished hopes and plans behind. Does Life Insurance soften this disaster and help to bring light and comfort? Yes, indeed! For by its functioning hopes are realized and plans fulfilled. Away with worry in the early years! Away with distress in the late! It enables men to enjoy their lives to the fullest, untrammelled by fears of the future; it enables women and children to carry on when the unexpected happens. What greater spirit of true optimism lives on the Earth today? Life Insurance is a REAL Father to us all."

**Locals and Personals**  
The members of the Glendale Reciprocity Bureau, P. E. O., will meet Thursday at the home of Mrs. Vernon Putnam, 208 West Elk avenue.  
Mr. and Mrs. L. P. Anderson and daughter of 516 West Oak street moved the early part of the week to Arcadia.  
Max J. Welch of Los Angeles was the guest today of Mr. and Mrs. W. A. Maxwell of 327 West Harvard street.  
L. C. Brand of 1100 Mountain street has purchased a new Buick coupe from Tanner & Hall Ltd., 237 South Brand boulevard.  
Miss Leah Allender of Pasadena is spending this week in Glendale as the guest of Miss Lucile Beach of 327 Riverdale Drive.  
Paul Hutchinson, senior at the Glendale high school, is having his tonsils removed today at the Glendale Research Hospital.  
A theatre party was enjoyed last night by Evelyn Gregg, Margaret Morgan, Waldo Yard and Wilfred Cline.  
Miss Lillian Tracy of 340 North Jackson street attended the sub-divisional given at the Vista del Arroyo hotel in Pasadena last night.  
Mr. and Mrs. Daniel Mackay of 332 North Orange street have purchased a new home that has been completed recently at 521 Salem street and will move into it during the coming week.  
Mr. and Mrs. Dan Tracy and daughter, Miss Lillian Tracy of 340 North Jackson street, accompanied by John Madden, will spend Sunday in San Pedro.  
Mr. and Mrs. E. T. Allen of 364 Hawthorne street entertained with a dinner party at their home last night, followed by a theatre party in Los Angeles. Mr. and Mrs. C. F. Parker.  
Mrs. C. F. Parker of 221 North Central avenue returned Thursday night from Santa Barbara, where she had been for several days visiting her son-in-law and daughter, Dr. and Mrs. E. H. Lyman.  
Mr. and Mrs. H. C. Nicholas and daughter Margaret of 332 West Wilson avenue attended the entertainment given Wednesday night by the Women's Auxiliary of the Junior-Senior Center of Los Angeles, of which Mrs. Nicholas is a member.  
J. S. Smith, California representative for the Holley Milling Company of Ogden, Utah, was a caller yesterday in Glendale to see George Wheeler, advertising solicitor with The Glendale Evening News. Mr. Smith hopes to locate here.  
Mrs. Kathryn Farrell of 435 West Patterson avenue is anticipating the arrival today of her son, Lieutenant H. G. Farrell, from Mare Island, on a ten days' leave. He has been ordered back to Pearl Harbor, where he had been stationed until recently, as executive officer of the naval air station there.  
Miss Helen Sayre of 914 South Central avenue gave a pupil piano recital at 3 o'clock this afternoon, which consisted of about fifteen numbers. At the close of this several vocal numbers were given by Mrs. Virginia Freeman, and refreshments were served. The recital was attended by forty guests.  
The institution of Glendale Shrine, Order of the White Shrine of Jerusalem, will take place Wednesday night, March 29, 1922, at 8 o'clock, at Masonic Temple, Mrs. Orma V. Naudain, high priestess. The Pasadena Shrine will be present to put on the work. Applicants for membership have been asked to report at that time.  
Mr. and Mrs. Elmer Enfield of 126 North Orange street entertained a party of friends last night in honor of Mr. and Mrs. F. Hartzell, who recently came to California, by automobile, from Altoona, Pa. The guests included Mr. and Mrs. J. F. Hartzell, Mr. and Mrs. J. F. Jamison, Mr. and Mrs. J. Minell, Mr. and Mrs. H. S. Burn and the host and hostess. A dainty repast was served at 10 o'clock.  
Wilbur Hall of Sausalito, short story writer, has been visiting at the home of Mr. and Mrs. C. E. Snively of 104 East Maple avenue. The acquaintance of the two men began sixteen years ago when Mr. Hall was a police reporter on a Los Angeles newspaper. Mr. Snively at that time being president of the Press club. They became close friends and were associated together for some time in newspaper work. Since turning his attention to short story writing, Mr. Hall has become well known in the magazine world.

**Chairman L. A. County Board of Supervisors Gives His Views on Local Post**  
(Continued from Page 1)  
that the public would be shown that the Legion is "not after charity, but merely temporary financial assistance."  
Following Supervisor Wright's address, Colonel J. W. Everington, recently appointed Los Angeles city chief of police, made a short talk on "The Unemployment Question in Los Angeles." He stated that there are now more than 30,000 men out of work in Los Angeles emphasizing the urgent necessity of preventative police measures. Chief Everington is a member of the Glendale post.  
**Open Night Planned**  
Announcement was made of the Women's Auxiliary extending an invitation to all Legionnaires and their friends to attend their regular spring "open night" meeting at the Legion hall on Monday night, April 3. The program, which is scheduled to start at 7:30 o'clock, will consist of a high-class entertainment and will be followed by "real eats."  
The next Legion dance of the present spring season will take place at the meeting hall on Saturday night of next week, according to an announcement made by Chalmers Day, chairman of the social committee.  
The latter part of the evening was turned over to Harry Girard, who, with his group of associates, succeeded in holding the audience literally spellbound with a number of vocal selections. These included "Old-Fashioned House," by O. W. Anderson; "I Hear You Calling Me," by Henry La Bonté, and several duets by Mr. and Mrs. Girard. Each of the various selections was encored several times.  
**Marine Mail Guards First Used in 1775**  
WASHINGTON—The use of American marines as mail guards was not entirely original with former Postmaster-General Will Hays, according to Major-General Wendell C. Neville, Marine Corps, who says that the marines were first used for this duty in the Revolution.  
The first authentic record of marine mail guards, according to General Neville, deals with marines from Hartford, Conn., in May, 1775. At this time reinforcements, mail dispatches and a chest of 500 pounds specie were sent to Fort Ticonderoga, captured from the British shortly before. As reliable guards were scarce, eight marines, "well equipped and well spirited," were sent to escort the treasure. There are other instances recorded where the Continental Congress and Congress relied on marines for such duties.

**Deaths and Funerals**  
**ORME A. CREIGHTON**  
Orme A. Creighton, aged 20 years, 11 months and two days, died Friday, March 24, 1922, at 8 a. m., at the family home, 217 West Lomita avenue, Glendale. He was born April 22, 1881, in Tiffin, O., and followed the profession of a salesman. He had resided in California for eight years, the last two of which were spent in Glendale.  
The widow, Louise Brown Creighton, survives.  
Funeral services will be held this afternoon at 4 o'clock from the Little Church of the Flowers, Forest Lawn, with the Rev. W. E. Edmonds officiating. Pulliam and Kiefer are in charge of arrangements.  
**INFANT SECRETS**  
The infant daughter of Mr. and Mrs. Frank W. Secrest, which was born yesterday, passed away this morning, March 25, 1922, at 9 o'clock at the residence, 540 West Myrtle street. Interment will be tomorrow afternoon at Grand View Cemetery. Pulliam and Kiefer Undertaking company is in charge.  
**JOHN G. LORETTZ**  
The funeral services for John G. Loretz, who passed away at 218 North Maryland avenue, March 23, 1922, has been changed from 10:30 o'clock to 11 o'clock Monday morning at the Little Church of the Flowers. Jewel City Undertaking company in charge.

**Births**  
James Grey Lyons, Jr., is the name of the baby son which was born this morning, Saturday, March 25, 1922, to Mr. and Mrs. James G. Lyons of 122 West Palmer avenue. Mrs. Lyons was formerly Miss Daphne Burlingtonham. Both mother and son are doing nicely.  
A 10-pound baby son, which has been named Frank Alden Carleton, was born this morning, Saturday, March 25, 1922, to Mr. and Mrs. H. A. R. Carleton of 377 West Myrtle street at the Glendale Sanitarium and Hospital. Mr. Carleton is superintendent of the Goodwill Industries in Los Angeles.  
A diary kept by George Washington during the last year of his life has been discovered by the curator and librarian of the Historical Society of York County, Pennsylvania, and another, during a search through unclassified documents in the library of the Department of State at Washington, D. C.

**Canada to Grade Hogs**  
EDMONTON, Alta.—Hogs will be sold in the future at public stockyards and abattoirs in Canada according to official grades. This national policy was determined at a conference at Edmonton between representatives of the producers, packers, dominion and provincial governments, and will be put into effect May 1, according to an announcement by Dr. J. H. Grisdale, Deputy Minister of Agriculture. The grading will be done under the livestock branch of the Dominion Department of Agriculture.

**MANY MOVE TO CANADA**  
OTTAWA, Ont.—From 1900 to 1921 settlers coming to Canada numbered 3,517,311. This is more than a third of the present population of the entire country, as estimated from returns of the recent census. Of the immigration total 1,323,531 were from the British Isles, 1,366,508 from the United States and 887,272 from other countries. In the eight months ended November 30, 1921, a total of 76,575 settlers came to Canada, according to government figures. Of these 23,279 came from the United States.

**HENRY W. WRIGHT FAVORS BONUS TO EX-SERVICE MEN**

Chairman L. A. County Board of Supervisors Gives His Views on Local Post

(Continued from Page 1)

Each of the various selections was encored several times.

**Local Young People at Fraternity Dance**  
A crowd of young people from Glendale enjoyed a fraternity dance and entertainment in Los Angeles last night, given by Philip Wernet, alumnus of the Southern Branch, and other students of that institution. The music was furnished by a Glendale orchestra, Al Kattray's Syncoaters.  
Those who enjoyed the dance were Dorothy McGinnis, Charlotte Winsel, Mauderite Eckles, Bernice Huskins, Mary Young, Vivian Anderson, Dorothy Scott, Marion Gamble, Elsie and Mabel Hunt, Victor Colburn, Harold Sprague, Charles Paige, Godfrey Parker, Phil Wernet, Langley Meredith, Lauren Patrick, James Hamilton, Roland Brown, Brigham Bennett, Bob McCourt, Frank Balthis, David Lynd, Bud Puffer and Floyd Marmack.

**Need 600 Volunteers for Home Visitation**  
Calls will be made in all churches and Sunday schools, Protestants, Catholics and non-denominational organizations, of Glendale, on Sunday, March 26, for 600 volunteers to take part in Glendale Home Visitation, to be observed Friday afternoon, March 31. An inter-denominational meeting was held yesterday afternoon in the Chamber of Commerce auditorium to consider plans for this work. The meeting was under the auspices of the pastors of the city and Protestant Catholic and Jewish leaders. The laymen's committee is headed by C. W. Ingledue, Harry Girard and Julius Kranz. The entire religious, educational, social, commercial, industrial and civic life of Glendale will be represented in this work.  
The school authorities of both the high school and the intermediate schools voted to close the schools early the afternoon of visitation. This will allow all teachers and young people over 15 years of age to volunteer. The young people, person of experience, and all are sent out two and two. It is hoped that even more than 600 people in Glendale will volunteer and complete the work in less than two hours. A meeting for the instruction of all who are to take part in this work will be held Thursday night at the high school auditorium.

**Family Decadence Seen**  
ELYRIA, O.—Decadence of the family was claimed by Rev. W. L. Burner, pastor of the Church of Christ. In support of his assertion Rev. Mr. Burner said 790 marriage licenses were issued in Lorain county during the past twelve months, during which time the courts considered 468 divorce cases, granting separation decrees in 239 of them.

**COMMENT THAT'S ALL**  
Crusaders of Today Overdose of Altruism By Gollies, Glendale Grows Pity the Poor Girls

By Gil A. Cowan  
CRUSADERS of the good old days traveled from England to Turkey to get a good fight. Now it is only necessary for a Glendale take the job of police chief.

Colonel to go over to Los Angeles and Having expressed a determination to carry the clean up campaign to a conclusion, there is no question but things are going to happen.  
Los Angeles never has been cleaned up. Its big property owners and its newspapers representing the big property owners do not want it cleaned up.  
But there are business men who are sorely disgusted with the way things have been going under the self-appointed custodians of "big business," specially one notorious association, known for its activities against the will of the majority.  
Is this nation of ours too frivolous? President Harding thinks so. But as a matter of fact, there is every reason to believe that he is simply coming to a realization of the weighty job Woodrow Wilson had in trying to settle the world's hash.  
If Warren G. would forget Europe, choose than to send a couple of gunboats over there to collect part of the war debt which is necessary to pay the bonus; if he would ignore Japan, which has no business to colonize this country; and then he could sit back in a big arm chair and listen to a few good stories.  
Instead of Americans being too frivolous, there is every indication that its leaders are suffering from an overdose of seriousness, sometimes called altruism. In other words, these specialists on international affairs are losing their sense of proportion.  
Nothing is funny to a man who keeps thinking about the starving Russians. And sooner or later they will carry him off to an asylum. There is no joy in life for the fellow that doesn't accept that which there is. Frivolity, like froth, soon expands. There is no need for the President to worry.

**Hundreds of Children at Memory Contest**  
"Here Comes the Bride!"  
So pealed forth the organ this morning at the T. D. & L. Theatre in the fourth—or maybe it was the fifth—number in the music memory contest.  
The 300 girls picked up their ears and the 200 boys grinned in the twilight of the semi-darkened theatre. Then there was a titter and a mild commotion while five hundred pencils scribbled down "Bridal Chorus" from Lohengrin, by Richard Wagner of Bayreuth.  
The audience lapsed into silence. George Olscen, organist, was permitted to continue this operative selection amid the anticipations of the "teens" and the memories of the matrons.  
Among the pieces played this morning were "The Hallelujah Chorus" by Handel; "Morning" from Peer Gynt by Grieg; "William Tell Overture" by Rossini; "Land of Sky Blue Waters" by Cadman; "To a Water Lily" by McDowell; and "Minute" by Paderewski.  
Altogether, the program contained twelve numbers. It started about 10:30 and concluded about noon.  
The stage was occupied by members of the judging committee which is composed of Mrs. H. E. Bartlett, chairman; Mrs. Charles A. Parker, Mrs. Lillian E. Dow, Mrs. Robert Philip, Mrs. E. W. Kenney, Mrs. Eva J. Cunningham, Miss Monell, Miss Isabelle Isgrig, Mrs. Eugene Murman, Mrs. Lillian Smith, Mrs. C. L. Peckham and Mrs. L. N. Hagood.  
The ushers for the occasion were James Smith, Miss Lucille Allen, Miss Margaret West, Miss Gertrude Heidenen, Miss Ethel Burke, Miss Doris Moyle, Miss Freda Potts, Miss Winifred Parker, Miss Vida Knapp, Miss Leonora Rose, Lloyd Knapp, Laurence Knapp, Miss Marcella Webb and Miss Margaret Brown.

**Indian Settings**  
The stage settings included Indian wigwags, bows and arrows, baskets, pipes, blankets, etc. A very wonderful collection of Indian handiwork was also on display. Mrs. Margaret Biggs, president of the club, thanked William Hunter of the Glendale Paint and Paper company for his donating window space during the past week for the exhibition of this Indian handiwork and basketry. Mrs. Mabel Judd and Mrs. Edith Gregg, members of the club, acted as ushers last night, wearing Indian costumes.  
Announcement was made that the presentation by the Harry Girard-Henry La Bonté quartet of the lyrical idyl, "The Trees of Time," would be given the evening of April 28, instead of April 14.  
The regular meeting of the Business and Professional Women's Club will be held at the clubrooms next Tuesday night and will be in the nature of a combined business and social session. Dr. Laura Brown, chairman of the hospitality committee, is planning a program for that time.

**Use Chop Sticks at Dainty Luncheon Party**  
Mrs. F. H. Boynton of 421 East Windsor Road was hostess yesterday afternoon at a very dainty luncheon. The entire house was decorated with spring flowers and fruit blossoms. The dining table was centered with an exquisite miniature Japanese garden worked out in complete detail and was surrounded with fruit blossoms.  
For the first course of the luncheon the guests were asked to eat with Japanese chop sticks. These were secured by Mrs. Boynton when she visited Japan about two years ago. At each place was a Japanese girl holding an opened parasol for place cards. The guests included Mrs. Merrill Russell, Mrs. LeVal Lund, Mrs. Grover Adams, Mrs. C. M. Sudlow, Mrs. Water Stamps and the hostess.  
Materials of all kinds, sold by the yard, may now be accurately measured by a small machine which also shows on a second dial the price payable.

**Caillaux, Ex-Spy, to Go Back to Politics**  
PARIS—Rumors that Joseph Caillaux, former premier, who was tried by the senate sitting as a high court on a charge of treason and intercourse with the enemy and who was sentenced to five years' banishment, shortly will become a candidate for election to the Chamber of Deputies are again rife.  
Caillaux was considered by many, and is considered by many today, to have the best financial brain in the country. Remarks are often heard in the most official places that Caillaux alone can pull France out of the difficult financial situation in which she at present finds herself.  
It has been said of Caillaux that he is one of the few politicians who gradually came from the right wing of parliament to the left and was closely associated with socialist politics. If, as expected, his candidacy becomes official in the near future he purposes to join wholeheartedly with the socialists and lead them in the next general elections in 1924.

**STORY OF HIAWATHA WELL PRESENTED BY CADMAN TRIO**

Entertainment Is Given Under Auspices of Business and Professional Women  
(Continued from Page 1)  
first of Hiawatha's childhood, of his quest of the deer, of his manhood, of his visit among the Dakotas and the wooing and winning of Minnehaha.  
As an introduction to the second part of the program Constance Balfour sang "The Thunder Bird Comes From the Cedars" (Cadman), and "Ho! Ye Warriors on the Warpath" (Cadman), a Sioux theme sung by the Chippewas.  
Continuing the story of Hiawatha, Mrs. Garrett then read that part of the poem of the ghosts foretelling famine and fever, privation and suffering. Hiawatha's appeal to the Great Spirit, death of Nokomis, burial of Minnehaha and Hiawatha's soliloquy. The program was concluded by Constance Balfour singing "The Moon Drops Low" (Cadman), an Omaha melody depicting the sorrow of the Indian at the decline of his race.

**9 A. M. and a week's washing out of the way**  
The old-fashioned housekeeper who had her washing on the line by 9 a. m. was a miracle in her neighborhood.  
But today hundreds of women—in this city—have a whole week's washing entirely out of the way by 9 o'clock.  
They simply gather up everything that needs washing and turn it over to our representative. Promptly, their clothes come back, beautifully clean and fresh—finished just as they like.  
Try this better way—you'll find it a big relief to have no wash woman to pick up after; no worry.  
Phone us and we'll take care of the details.

# ANNOUNCEMENT

TO THE PUBLIC

We wish to inform our friends that we have disposed of our entire interest in the Glendale Chevrolet Agency to Mr. C. L. Smith.

FISH & TARR,  
510 East Broadway.

## The Reception Room of the Crematory

—where the family and friends may await the final rites of cremation. (The Crematory building adjoins "The Little Church of the Flowers.")

The well appointed Crematory, the beautiful Conservatory and the beloved "Little Church of the Flowers" are but a few of the many advantages offered by Forest Lawn that are not usually to be found in ordinary burial parks.

Forest Lawn is renowned throughout Southern California for its beauty and wondrous possibilities as one of the finest burial parks in the country.

Visit Forest Lawn Park and see for yourself its advantages. Do not wait until some loved one is called away, but select your lot while all are well and happy.

## RUSS DANCERS HEAD VAUDEVILLE BILL GLENDALE TODAY

Very Attractive Act, Special Scenic Effects, Presented; Melodrama Picture

Anton Yarotski and three wonderful Russian girl ballet dancers will present at the Glendale Theatre one of the most beautiful acts in vaudeville today, including Russian, Spanish and Oriental numbers. Special scenic effects and dainty colorful costumes seldom seen outside of the opera are features of the attraction. "Stockings" is the title of a light comedy playlet presented by Louis and Lydia. It is done in a most entertaining manner and has been a big hit wherever presented. The American Newsboy Four furnish harmony, while Florine is billed as the "Accordionist de luxe." Squirrel food is provided by Roberts and Davis, who act the parts of "The Wise Guy and the Boob."

"The Silver Car," which will be the film attraction, is a melodrama with an international atmosphere carrying several surprising twists amid much rapid action. It is a visualization of Wndham Martyn's famous novel, "The Secret of the Silver Car," and offers Earle Williams an exceptionally fine role in which he can display his versatility.

Kathlyn Adams, well known leading woman, has been cast to appear opposite the star.

Tom Mix is coming to the Glendale Theatre Sunday and Monday in "Trailin'," based on a story by the celebrated Max Brand. It is a story of twisted and tangled lives, filled with speedy action. The star role represents a distinct departure for Mix, inasmuch as he does not figure as a cowboy—although associated with ranch life and doing some daredevil stunts in pursuit of vengeance in the west.

Madge Nottage Schalk and Paul Carson are the soloists for Sunday evening's concert.

## Warm Weather Time To Watch Your Tires

"At no other time of the year is the care of tires of more importance than through the hot months of the summer," said R. B. Tapp, manager of the branch at 211 South Brand boulevard of the Automobile Tire Company of California.

"The heat of the road tends to develop tire troubles which are unknown at other periods of the year with the result that tires, which are considered good for many miles of service, blow out quickly without apparent cause. The tire manufacturers warn that during hot weather the practice of reducing the inflation pressure of tires is all wrong and that instead motorists should see that the tires carry the inflation pressure for which they were designed.

"The notion prevails that an underinflated tire expands with the heat of the road in the hot months and supplies the proper driving inflation and that a fully inflated tire expands in like proportion eventually causing a blowout when the pressure reaches such a degree that the carcass of the tire will not stand it. Tire manufacturers say that through experiments they have proven the above contention to be all wrong and that heat is generated on the inside of a tire and not from the effect of the hot sun. It isn't the expansion of hot air that causes the blowout but the friction on the inside of the tire generated from the hot road.

"Whether the manufacturers' experiment are right or not, it is a good policy to keep the inflation up to the correct pressure as under inflation is the master accomplice in almost every crime against tire mileage."

## Campaign Starts to Clean Up Glass, Nails

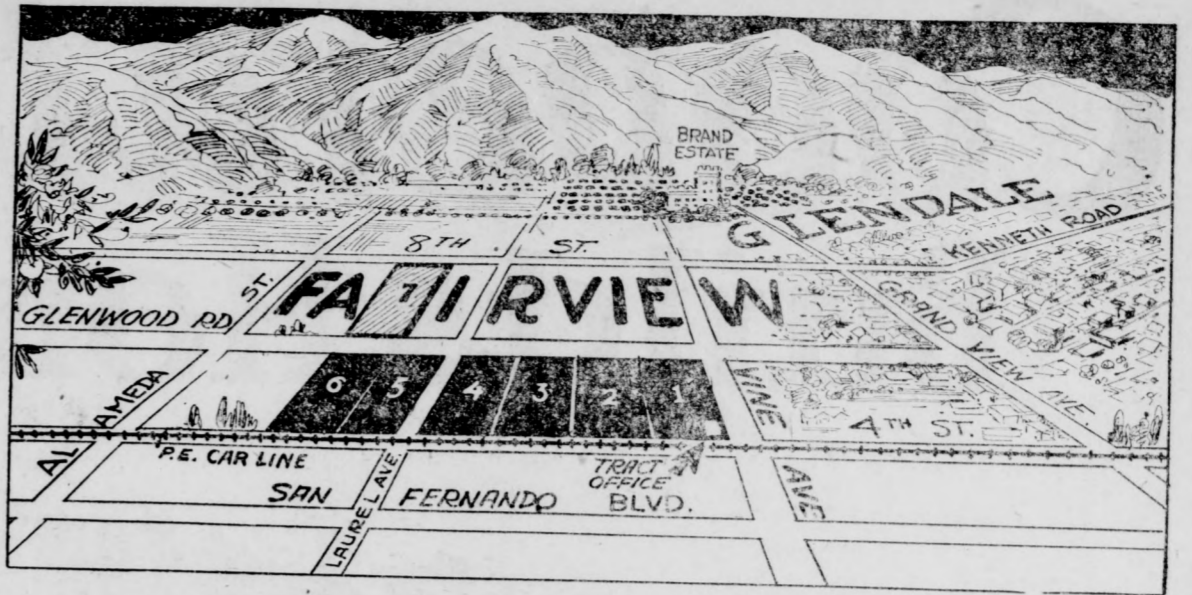

Motorists who have suffered with "puncturitis" on Southern California highways can now cheer up, for their troubles may soon be over.

A movement instigated by the Automobile Club of Southern California is spreading rapidly throughout the counties to have roads and streets cleared of bits of glass, nails and even thorns. Leading in the activity of clearing the highways of puncture material are the Boy Scouts, ably seconded by the school children of the state. In Pasadena the Boy Scouts have gathered up 11,622 pieces of things which are liable to puncture tires. The group collecting the greatest number of bits will be awarded a trophy by the club.

Numerous smash-ups of motor cars have been strewn the roads with glass from broken headlights and windshields. This is a common cause of punctures, and wherever such wrecks occur the boys get out and sweep up the glass.

This is in line with the general "safety" work of the Auto Club throughout the southern part of the state. The movement is gaining headway from San Diego and Imperial counties on the south to San Luis Obispo county on the north. Every town in this part of the state will eventually be asked to cooperate in making the highways safe for motorists. Any evidence of the development of the "puncture weed" menace will be stamped out at once by those engaged in the work.

This puncture weed has crept into the state from New Mexico and adjoining states, and its thorns are declared to be highly dangerous to tires if ever encountered.

## Eighth Unit FAIRVIEW

Large Lots as Low as \$527<sup>25</sup>

\$52.73 Cash

\$10 and \$15 per Month

### Fastest Growing Subdivision in Glendale

Seven units completely sold out.

## Southland Greatest Auto Touring Field

Established beyond a doubt that Southern California is the greatest touring field of all time, is just issued in the annual report of the Automobile Club of Southern California for 1921.

Imagine a group of motorists so active that they use 3,804,952 road maps in a single year! That is the number issued by the club to motorists during 1921.

There were 3,141,225 "fire prevention" warning signs for use on the highways turned out during the year by the club's printing department.

In order to keep pace with the demand of auto owners in the southern part of the state for road information 6,368,391 strip maps of local highways were printed.

To those not acquainted with the immense amount of touring carried on in Southern California these figures are almost beyond comprehension, but their authenticity is vouched for by the club officials and the audited books of the organization.

In the touring bureaus throughout the southern counties there were 331,614 personal calls for information regarding touring conditions answered during the year, and 245,657 telephone calls in addition to these.

During the year the club's insurance department issued 46,077 policies totalling \$2,443,184 in premiums. This established a record for the United States, it is pointed out.

Southern California motorists stand in a class by themselves, say club officials. Using their cars the year 'round, they cover more miles than any other group of auto owners in the world. They are continually moving somewhere and help in no small way to increase the financial prosperity of the southern part of the state, making it the one vital "white spot" of America.

Trackless trolley systems have been in use in China for some time.

HOLLYWOOD GLENDALE SANTA MONICA

The Finer

We know that in the Dort we offer the conspicuous value of the automobile market.

This is what we are bringing to you:

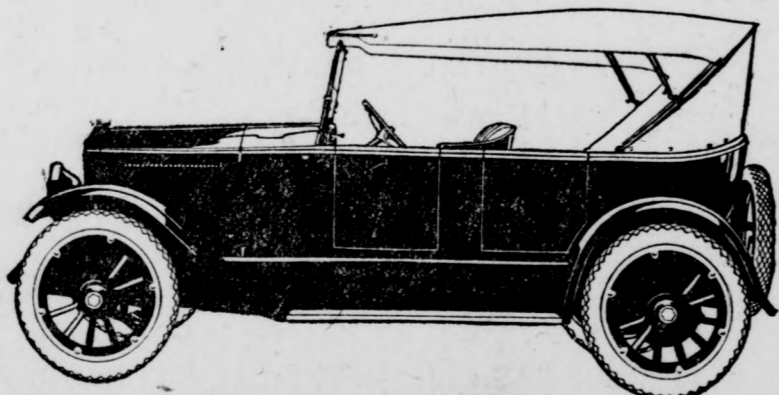

- A truly beautiful car—in body design, in lines, in finish.
- A truly comfortable car—in roominess, upholstery, spring action.
- A truly competent car—in sturdiness, power, dependability.
- A truly simple car—in accessibility, adjustability, workmanship.
- A truly thrifty car—in gasoline and oil consumption, in tire mileage, in depreciation.

Here is a car that will delight your eye, please you thoroughly in performance and grow in your esteem through faithful, continuous and satisfactory service.

Let us demonstrate to you the conservatism of our claims. When may we take you for a ride?

## Racers Speed Up for Special Sprint Event

Official practice for the special sprint race program to be staged at the Los Angeles Speedway plant April 2, was inaugurated today with young Harry Hartz, Jimmy Murphy, Roscoe Sarles and Frank Elliott furnishing the thrills. The speed made was not equal to that made in practice just before the last speed event as the drivers had all rebuilt their motors and it was necessary for them to work in the new "stuff."

All of the drivers who were entered for the recent 250-mile classic are slated to drive in the special program on April 2 with the single exception of Eddie Miller, who has announced his retirement from racing for the present.

In the dashes scheduled for April 2, De Palma is to be mounted on a Duesenberg and he is expected to be one of the most dangerous contenders for the first cut of the \$15,000 which is spread over the five races. The special sprint race program promises an abundance of thrills as the entire field is due to start in the first event with the winner of each race eliminated until they all compete in the final fifty-mile dash with the second place men of the four twenty-five mile races and the third place man of the fourth race. This means that the fastest cars on the track will be mustered in the final event of the day with large fields in every one of the short races.

In addition to the prize money offered, five prizes for each race, A. A. A. championship points are also to be awarded. This means that the race men will have a double incentive to drive with all the skill and daring they possess in every one of the five races which go to make up the spectacular program which is being staged at popular prices.

DO YOU KNOW— WHY GIRLS LEAVE HOME?

# Cooperation Builds Homes,

## Home Building creates confidence, inspires activity and makes prosperity.

That is why every one should convert their savings and surplus money into savings accounts, building and loan shares, mortgages, etc. These home-building channels are the back-bone of any community. Money made available for home building finds its way back into every line of business. It gives employment to many who in turn buy with their earnings the things that you have for sale. Every progressive business and professional man and individual should give careful consideration to these thoughts, and you, as one of the units of our city, can do your share in stimulating prosperity by helping to finance home building.

One or a few men cannot successfully cope with this big problem; it takes complete co-operation to achieve worth-while results.

Co-operation means to join forces, every citizen working hand-in-hand, shoulder-to-shoulder, doing their share in helping to promote progress, stimulate confidence and create prosperity.

### *Co-operation is the real secret of community development,*

—and whenever you find the business men and individuals of a city in complete accord, with minds and efforts concentrated in one working unit for the up-building of their city, you will find what progressive cities are termed to-day—"WHITE SPOTS."

With every effort co-operating for community success, we will be able to finance the home building that is so badly needed here in our city, and, in promoting building activities, we will be making individual success; the money we invest in home building stays right here in our city and comes back to each one of us in exchange for our merchandise or increases in our holdings.

We are counting on you to co-operate and help in this worthy movement. Remember, if we all do our share by investing our savings and surplus money in helping to promote home building, we will have fulfilled a mission that will reflect prosperity to all.

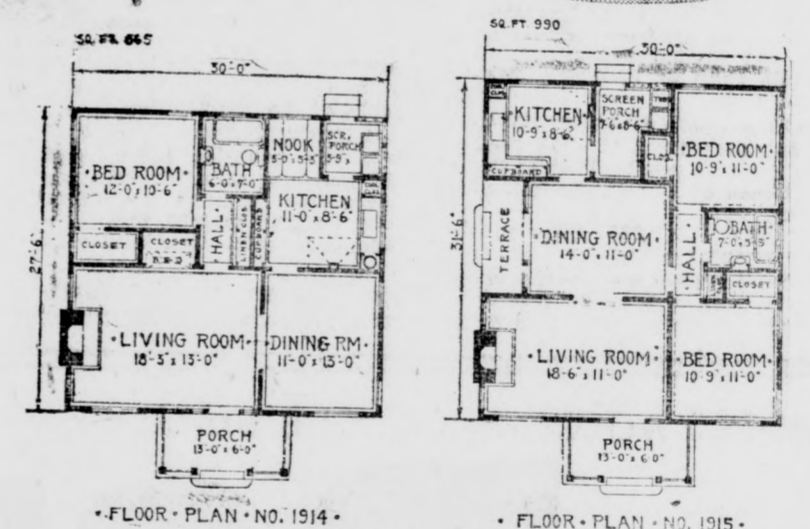

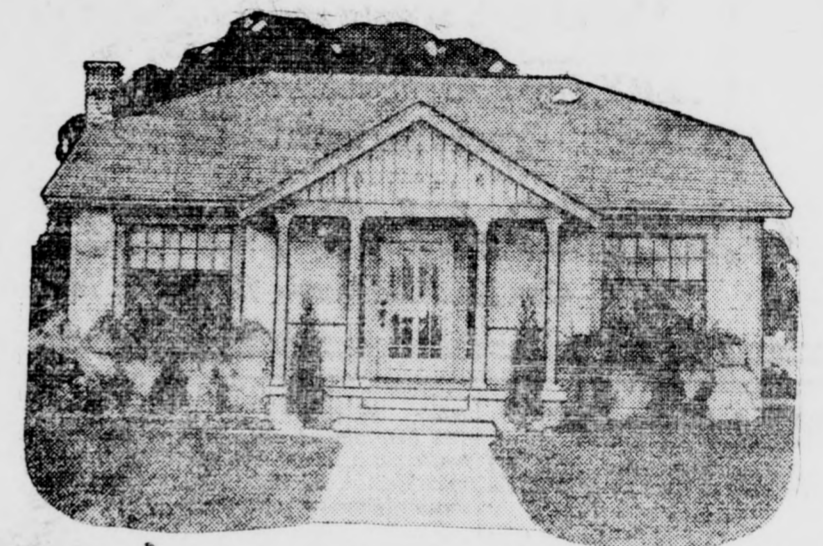

**Build an ideal home of your own—create an atmosphere of attractiveness around your present home. After this lend your financial support in helping some one else acquire a home. Mortgage loans are the safest and surest of investments and in addition to the security you will be helping in a movement that will mark you a real benefactor, a citizen with the highest moral code of ideals.**

PLAN NO. 1914-1915

—in the little home we are featuring this week you will find just the ideas that you will want to adopt in building your new home; the exterior, while simple and inexpensive, is most attractive, and in the alternate floor plans you will find combination of arrangements which not only reflects compactness with maximum amount of conveniences, but absolutely most desirable home for investment.  
—While one of the floor plans shows only one bedroom, arrangement has been made in connection with the living room for built-in bed.  
—Additional information regarding plans, approximate cost, etc., will be furnished by addressing the Home Building Editor, this paper.

# Cooperation Builds Homes,

**Operation means to work.  
Cooperation means to work together.**

Cooperation is the agency of advancement and development of modern progress with everyone joining hands working for the up-building of their city and prosperity for its citizens.

Here in Glendale there exists complete cooperation in aiding home builders. Desirable lots are available at prices and on terms that cannot help but make appeals.

The various building material merchants are completely equipped to serve you—efficient labor is obtainable and money is available for those who are desirous of obtaining assistance. Appreciating this, and the valuable service we are in position to render in conveying by actual photographs a complete assortment of home building ideas, that you may determine in advance what the new home will look and be like, and approximate cost, are reasons why you should give immediate consideration to home building.

## RUSH FOR PERMITS TO BUILD HOMES IS CONTINUED

**March Is Good Month, Figures Show; Total Expected to Near \$500,000 Mark**

Building records at the city hall are chasing each other a merry race, according to E. G. Spaulding, building inspector. He agrees that there seems to be no let-up in the mad scramble for building permits—as though there wouldn't be enough to go around.

With five and one-half business days left in this month, the figures expressing Glendale's prosperity total \$404,656 already. For some time daily applicants have ranged about \$15,000 a day. At this rate, permits for this month will amount to over \$487,185.

Permits for February amounted to \$421,890, which is only \$17,234 over the sum reached already in March. This record is expected to be exceeded considerably this month on account of the three extra days in the calendar.

**You Never Can Tell**  
January's record was \$512,155. It is not believed that this figure can be surpassed this month as it would mean the issuance of \$107,000 worth of permits next week.

According to Wilmot McIntyre, chief clerk in the building office, it is a gamble as to whether this March will equal last March. If it does, over \$16,000 worth of applications must be filed every day until April Fool's day. Last March was a banner month and \$473,462 was rung up on Miss Glen Dale's cash register.

### Realty Board Head Pleased by Campaign

C. C. C. Tatum, president of the California Real Estate Association, is well pleased with the success of Own Your Own Home Week.

He says that the benefits to the many communities of California participating in the campaign will continue to be felt for a long time. He points out that work of this nature, in coordinating the plans of the realtors, the builders, the financiers and the property owners, is being done by the California Real Estate association every day. He says the association is working in the interests of 1,300,000 property owners in the state of California.

Safeguarding property investments, urging on improvements and studying the relation of housing, taxation, transportation, irrigation and reclamation to the development of a community are cardinal principles of the association activities. Every realtor, every banker and every property owner should be a member of the California Real Estate association, he says.

### B. W. Sherwood Busy on Building Plans

B. W. Sherwood, designer and builder with offices at 313 South Brand boulevard, has just started work on a four-room bungalow on Sycamore street, La Crescenta, for Miss Isabella Goodwin of 147 South Central avenue, Glendale. She expects to make her home in the green Verdugo hills.

Mr. Sherwood also has signed contracts for Spanish type homes in Eagle Rock and Alhambra, where he has built several places in addition to the Glendale dwellings which keep five crews and an office force busy. In other columns he is calling the public's attention to the low cost of substantially built homes prepared to suit the individual's taste by his architectural draftsman.

### Three More Houses Are Ready to Sell

Doner-Hemenway & Burn of 110 South Brand boulevard report that three homes in the solid block addition being made to the western portion of the city by Mr. Doner have been sold and that three more are ready for buyers.

Public inspection of these improvements on West Milford and Concord streets is invited by this firm which is offering exceedingly easy terms on property in this rapidly developing section of the city.

### March Expected to Set Another Record

March, 1922, promises to set a new high monthly building record for Los Angeles. Permits issued up to and including the 21st, numbered 2868 with an estimated valuation of \$7,240,360. If this ratio is maintained the total for the month will be more than ten millions. During the corresponding period in February, 2297 permits with an estimated valuation of \$6,536,103 were issued.

### CAFES MAY BE CLOSED

SAN FRANCISCO, March 25.—Bringing into play for the first time in this state the drastic abatement proceedings of the Volstead act, federal dry enforcement officers filed suit to close five well-known cafes in the "white light" district. It is reported abatement proceedings will be filed against a large number of other places where it is alleged liquor has been openly sold. If the suits instituted today are successful the places involved will be closed for at least a year.

Quality

Speed

Satisfaction

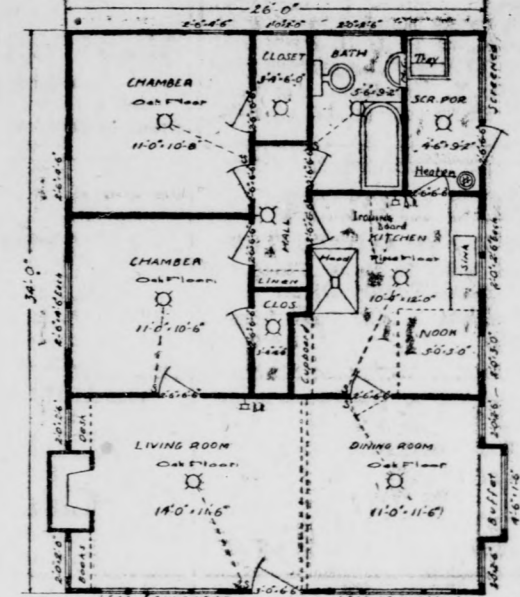

¶ An efficient, systematic organization of men who know how to work, coupled with an intimate buying power for quantity production, has enabled us to build homes for less.

¶ It is a singular fact that upon completion of one of our houses there is not enough waste left to make kindling for a fire.

¶ This home building week we are showing one of our stock homes. This is a bungalow which has met with the approval of most of our patrons in Glendale because of its exceptional price and quality.

¶ Our service is at your disposal and we can make convenient evening appointments.

¶ We are specialists in the design and building of special type homes, as the Colonial, Spanish, English and Flemish types, and have several homes of these types to show you.

Contract Price Only \$2690

**E. E. Sawyer Tells Of Dort Popularity**

E. E. Sawyer of the Sunset Motor company, dealer for the Dort, reports greater activity in the motor car field than has been in evidence for some months. It is not that the robins are chirping, that the buds are swelling, and the pussy-willows, those first harbingers of spring, are showing signs of life, either.

According to Mr. Sawyer it is something more fundamental and more vital. Reports from the Dort factory show daily increasing production due to a strong and well-sustained demand for the product. The popularity of the finer Dort dates back to the New York show, where the public was given the first glimpse of the new cars. The sales record established at the New York show has been virtually duplicated at subsequent shows as the good news spreads, he says.

Especially is the increase noticeable in the closed models and the factory production records now indicate about a 50-50 break between open and closed jobs which is a rather new feature. This trend toward the closed car is due to two things; the new low price level represented by Model 19-T sedan and 14-T coupe which give the public closed car advantages at but little more than open car cost and the additional factor that is represented by the many refinements and additional mechanical features which prevail throughout the line, concluded Mr. Sawyer.

**Buick Bodies Prove Distinctive, Pleasing**

The superiority of Buick bodies is a point which is often overlooked, according to Ray Galvin of Tanner and Hall, Inc., 237 South Brand boulevard, who declares that Buick bodies are just as distinctive in their line as the Buick valve-in-head motor is in its field.

The three most important features of Buick bodies, in the opinion of Mr. Galvin, are strength, spaciousness and convenience. He calls attention to the fact that Buick bodies are designed to withstand the strains attendant on rough going and that all bodies are readily accessible, comfortable and equipped with the essential things that contribute to satisfactory motoring.

"Buick bodies have always been known for their stability and ability to yield to strains without weakening," commented Mr. Galvin. "The door is a good illustration of a unit which undergoes unusually hard strain. Not only has particular attention been paid to the design of Buick doors but a great deal of care is given to their manufacture.

"In the first place Buick doors and body posts are made only of the finest northern gray elm procurable. From the cutting of the lumber to the attachment of the door on the body the most efficient system of manufacture is closely followed."

**Durant Climbs in Auto Registrations**

According to I. E. Doty, manager for the L. G. Cooley Motor company at 312 South Brand, the Durant is making a remarkable record for a new car.

Durant registrations in California are continuing to climb up the scale. With the first deliveries in November, the sales for that month ranked thirty-second. In December, when quantity deliveries started, Durant stepped up to eighth place, which position it held in January. The February figures just released place the Durant for that month at seventh position.

This is a remarkable enough record for a new car, but add to this the fact that deliveries, to date, have consisted of but one model, the touring car, and you have a truly wonderful showing. The other leading makes on which the figures are high consist of complete lines of from four to twelve models.

The Durant dealers have many orders for closed models on the four-cylinder chassis, as well as many requests for the Six, which will swell the total as soon as these cars are available for delivery. Another significant fact is that all cars registering higher than the Durant have been in business eight years or over.

A Chicago professor of astronomy is seeking a publisher for a new book on "The Origin of Suns and the Birth of Worlds."

**Studebaker Co. Sets New Record in Sales**

In the annual report just issued by President A. R. Erskine of the Studebaker Corporation it shows that the company has broken all previous sales records during 1921 and made a net earning of \$10,409,691 or the equivalent of \$16.21 per share of common stock after all taxes and expenses were paid. This is more than a half million greater than the net earnings of 1920 and more than a million greater than in 1919.

The sales record set was for 66,643 cars sold against 51,474 for the year preceding. In 1916 the company reached its greatest volume with a sales record of 65,885 cars but even this high mark was beaten for 1921.

During 1918 sales fell to the low point of 23,864 on account of war contracts reducing motor car production, but since then a steady and rapid increase has been made.

In spite of the large number of cars added to those already in operation, President Erskine tells his stockholders that the sales of repair parts was less by 12 per cent than during 1919, yet the company had sold 118,117 cars since 1919.

According to S. C. Packer, San Fernando Valley distributor of Studebakers, President Erskine is right when he ascribes the increase of business to the remarkable service records of Studebaker cars in the hands of owners.

**Tries to Jig Way Into Jail But Fails at It**

KANSAS CITY, Mo.—John Kennedy, jig dancer, "hoofed" his way right out of a chance to spend a month or so resting up at the municipal farm on a charge of vagrancy.

Kennedy was eager to go to the farm. "You're too eager," Judge Fleming said. "You—"

"Here's a bargain, Your Honor," broke in Kennedy, "let me give you a little dance and if you like it send me to jail so I can entertain the other prisoners."

The judge ordered Kennedy outside to demonstrate before a court attendant.

"How was it?" the judge asked when they returned.

"Terrible," said the court attendant.

"Discharged," said the court.

**Henry Kressman Goes on Board Directors**

Henry Kressman of 950 North Louise street is named as a director of the William G. Kerckhoff company of Los Angeles, which has been incorporated for \$2,500,000.

**Transfers of Service**

The following requests for transfer of light and water service are on file in the public service department at the city hall: N. J. Scott, 747 North Kenwood street, to 1800 Los Robles avenue, Pasadena.

The following are requests for installation of meters: Frank Hart, 1737 Fourth street; Egbert C. Coon, 521 Myrtle street; E. M. Cutting, 1654 West Winchester street; C. H. Elz, 609 West California avenue; S. J. Hull, 222 North Cedar street; Charles E. Chamberlin, 247 West Dryden street.

**Touring Bureaus Hit At Eastern Reports**

Reports published in eastern newspapers to the effect that motorists fairly take their life in their hands by auto to California are vigorously refuted by the touring bureaus of the Automobile Club of Southern California.

Motorists are warned by the eastern false reports to beware of the great western open spaces, which perhaps means the deserts, as they are dangerous. There is no danger in crossing the desert by auto, says the Auto club. That is all bosh!

Southern California is as readily accessible by motor car as any other point in America, and much more so because the highways leading to this section are officially sign-posted. The National Old Trails route westward is in good shape, and a motorist can make the trip in approximately twenty-one days, allowing some time for sight-seeing.

According to eastern pessimistic reports, it takes a motorist three months to reach California. The eastern papers also print stories to the effect that the cost of such a trip is terrible. The Auto club rises to refute this statement, saying that the tour from the Atlantic to the Pacific can be made at a cost of five dollars per person per day. This includes everything except tire cost and unforeseen accidents.

Certain precautions to all transcontinental travelers are issued at present by the Auto club, however, these including advice to always keep the gasoline tank full and carry plenty of water in the radiator, as well as an extra gallon or two of oil.

Motorists are advised not to camp near water on account of mosquitoes, but, outside of the mosquitoes, no dangerous animals are reported on the entire journey. According to reports circulated without foundation in the east, a tour to California is as dangerous as trekking with Stanley in Africa! Bosh! say club officials.

**Ban Advertisements on California Highways**

No more advertising signs to stare at motorists on southern California highways is a growing sentiment in various counties, according to a report just issued by the Automobile Club of Southern California.

What will the autoists do for reading matter?

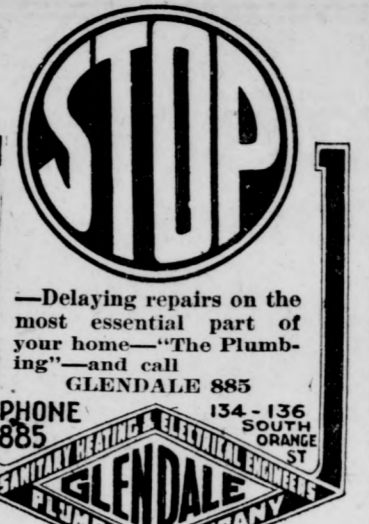

Mr. Motorist who has been accustomed to absorb his literature as he toured along local roads between almost solid banks of glaring signs, reading as he goes, will have to turn to the daily papers for literary stimulation if the general plan goes through.

One county has already banned advertising signs on its roads. This action was taken recently by Kings county, and the state highway officials are dead set against advertising bill boards along their sedate lengths.

If all the big advertising signs along the roads are taken down, eastern motorists visiting here will be largely surprised to see how beautiful the country really is. The Auto club is taking no part in the campaign, but is answering complaints from visitors who say that they can't see the hills on account of the bill boards by the report that some counties are considering the elimination of the boards as soon as possible.

The movement does not consider the removal of necessary guide signs which help motorists to find their way about on highways which are strange to them.

Farm bureau centers are also taking up the slogan of "down with disfiguring advertising," and particular activity has been shown in Butte county. It is not considered impossible by Auto club officials that before very long California roads will be as clear of advertising "billboards" as the palm of a baby's hand.

SOUTH'S STARS AND BEST IN THE NORTH WILL CONTEST

Joe Pipal to Take His Pick Of Athletes to Meet Best At Berkeley, Stanford

By HOWARD McGLLIS
Sporting Editor The Evening News
When Coach Joe Pipal, athletic mentor of Occidental college and erstwhile coach of all-southern California conference track and field aggregation, takes his group of cinder path athletes north next week he will be a disappointed man if he fails to take both the California Bears and the Stanford Cardinals into camp in the two dual track meets which are scheduled for his charges.

The Southerners will tackle Coach Walter Christie's University of California varsity squad at the Berkeley field on Saturday afternoon, while they will tangle with Dink Templeton's Stanford tracksters at Palo Alto on the following Wednesday. The members of Pipal's crew who are expected to scintillate in the two matches are Charley Dags, Pomona's star hurdler and one of the coast's leading barrier skippers; Bob Allen, Redland's ten-second dash artist; Johnny Spangier, Oxy's all-around star; Payne and Stroud, crack Saghen quarter and half milers, respectively; Sloan, Occidental distance runner; Cliff Argue, high jumper de luxe of the Eagle Rock institution, and several others. The team will be composed of members of the following teams who placed first, second or third in the recent conference meet: Occidental college, Pomona college, Whittier college, Redlands university, California Institute of Technology and the Southern Branch of the University of California.

Big Basketball Bout
A number of local basketball followers are planning to attend the Alhambra-Stockton casaba tussle for the high school championship of California, which is scheduled to take place at the University of Southern California gymnasium in Los Angeles tonight. Glendale fans will be doubly interested in the event, as the Alhambra team is the same one which played during the past season in the Central league, of which the local high school is also a member. The Alhambra team defeated the Black and Red basketers in an early season game by the score of 47 to 20. Saturday's lineup will be as follows: Alhambra—Matta and Campbell, forwards; Fox, center; David and Nye, guards.

France to Keep Contest
Although Robert S. Weaver, president of the Southern Pacific branch of the Amateur Athletic Union, made several valiant efforts to bring the 1924 Olympic Games to Los Angeles, announcements coming from Paris during the past few days indicate that his work was a futile attempt. After virtually deciding to give up the prospects of staging the games in their country, the French Olympic committee has suddenly reversed its decision and is now completing arrangements for the mammoth athletic festival.

The 1924 schedule will include international competition in the following sports: boxing, swimming, yachting, track meet, association and rugby football, skating, shooting, fencing, water polo, gymnastics and bicycle racing. If the restoration of the Parthenon is continued on the lines proposed by the government of Greece, the beautiful building, known the world over for its perfection and delicacy of architecture, risks disfigurement, according to experts in archeology.

WORK NOW STARTS ON FINE NEW HOME FOR GLENDALE MOTOR CAR CO.

Reading from left to right, those in the picture are: Lyman P. Clark, manager of the Glendale Motor Car Company; Frank P. Harris, manager of the Greer-Robbins Company, Los Angeles; Samuel P. Davis, Glendale Capitalist; Frederick W. Proctor, Sales Manager of the Glendale Motor Car Company; George Pierson, Jr., Director of Sales for the Union Motors, Inc.; Maxwell Distributors for Southern California; A. E. Richmond, Pacific Coast Manager for the Maxwell Motor Service Corporation; G. A. Reemnyder, Salesman for the Glendale Motor Car Company.

LOCAL HIGH SCHOOL WINS FIRST BASEBALL GAME OF SEASON, 13-0

Defeats South Pasadena Tigers on Glendale Field Before Crowd of Almost 1000 Cheering Fans

Glendale Union High school baseball team successfully opened the 1922 Central league diamond season yesterday afternoon by registering an overwhelming victory over the South Pasadena Tigers, the final score of 13 to 0 resembling a football result more than that of a baseball tilt. The contest, which was probably the most lopsided Central league fracas ever staged on the local field, was played before a crowd of almost 1000 rooters.

Local Team Plays Well
On the other hand, the playing of Coach Butterfield's charges was remarkable, even though they were booked against a far inferior team. Contrary to most prep school diamond exhibitions, the locals went through the entire game without making a single error, which feat is about as rare in high school baseball circles as is pork sausage on a Jew's breakfast table.

Leads in Stick Work
Geo. Glendale's new clean-up man who is playing his first year on the team, led the locals in batting by piling out three hits in five trips to the plate. Of the trio two were for two bases and one was a single. Dutcher, captain of last season's football team and star track man,

claimed the runner-up position at the walloo wilding art, smacking out a brace of singles in four times at bat. Although "Pete" Fruhling failed to scintillate at the plate his usual playing in the infield and on the bases was beyond reproach. As a leadoff man he probably has no equal in the league, as will be borne out when it is seen that he stole a total of six bases during the game. All of which is as many as some players steal in an entire season. "Spark Plug" Wilson was next to Fruhling in stealing, he being credited with three sacks. The box score: Glendale: AB. R. H. E. Fruhling, ss. 3 3 1 0 Green, 3b. 5 2 1 0 Wilson, 2b. 4 1 0 0 Geio, lf. 5 0 3 0 Terzo, cf. 4 2 1 0 McCourt, lb. 4 3 1 0 Aageson, p. 3 1 0 0 Woods, p. 1 0 0 0 Dutcher, rf. 4 1 2 0 Morgan, c. 4 0 0 0 37 13 9 6

South Pasadena: AB. R. H. E. Glavis, ss. 1 0 0 4 Cleveland, p. 2 0 0 1 Woods, p. 1 0 0 0 Cray, lf. 3 0 0 0 Mack, 2b. 2 0 0 3 Hood, c. 3 0 0 0 Bond, rf. 2 0 0 1 Magnuson, 2b. 1 0 0 2 Taylor, 2b. 1 0 0 0 Bowyer, cf. 1 0 0 0 McCormick, lb. 1 0 0 0 Kelly, 1b. 1 0 0 0 29 0 1 11

Wireless Sets Win Public Favor Daily

"In a few years I believe there will be a wireless set in every home just the same as a telephone," remarked Herman E. Psenner yesterday at 601 South Brand boulevard in the battery and ignition service station of Psenner and Doll.

The Glendale Motor and Armature Shop is now being operated at this establishment under the supervision of S. L. Jackson of 315 West Los Feliz road, who has had sixteen years' experience in the technicalities of electrical work. This shop is prepared to make all kinds of repairs on both direct and alternating motors.

This Device Increases Spark's Power, Claim

Have you ever seen the spark that goes into the spark plug on your car? R. C. Plume of the Monarch Auto Supply Company, 121 South Brand boulevard, is quite enthusiastic about the Duplex Transformer. This is a small device which is easily connected to the top of any spark plug and enables the spark to be seen and also increases the power of the spark itself. "This makes an engine that hasn't enough ignition increase its spark," remarked Mr. Plume. "It also shows just how hot your spark is. I am very much in favor of these little things. They are very cheap and are proving very popular. I am ordering another gross of them at once."

A tax of 1,000 marks a person on foreigners who remain in Berlin more than five days has been proposed by the housewives' league of that city.

Demand for Car Is Good in This Territory, So Says L. P. Clark

The initial move toward the development of West Colorado street into the "automobile row" of Glendale, took place this week when a big deal was consummated through Samuel P. Davis, real estate dealer at 110 South Brand boulevard, which will give the Glendale Motor Car company, Maxwell dealers, one of the finest show rooms and service stations in Southern California. Their new building will be located at 124-126 West Colorado street, which is at the south end of Orange street.

It Rides Easy
"Judging from the number of Maxwell cars sold in Glendale, Eagle Rock and surrounding territory, the new Maxwell is the car the public have been waiting for. It is good looking, and is as good as it looks. The easy riding is a surprise to every one who rides in it. Motor vibration has been entirely eliminated and the power seems to be unlimited," said Mr. Clark.

Intermediate Girls Win Over Cerritos

Who says girls aren't athletic? Intermediate girls yesterday afternoon defeated girls from Cerritos in a track meet by the score of 73 to 23, with all the incidental thrills. Mrs. Irene J. McReynolds of the Cerritos faculty, and Miss Vera L. Sinclair of the Intermediate faculty managed the meet and had their hands full. The winners of the various events were as follows: Forty-yard dash, junior—Jeanette Yarborough, Lois Wardell and Edna Strong. Sixty-yard dash, junior—Jeanette Yarborough, Edna Strong and Lois Wardell. Fifty-yard dash, junior—Louise Hart, Dorothy Chappius, Virginia Caldwell. Forty-yard dash, senior—Ruth Rames, Bernice Collins, Edith Schaffer. Sixty-yard dash, senior—Bernice Collins, Kathryn Stanley, Thelma Ruckey. Eighty-yard dash, senior—Louise Kopp, Edith Schaffer, Ruth Rames. Volley serve—Ruth Rames, Dorothy Hertzog, Dorothy Taup. Fuzgo hit—Mabel Horner, Bernice Collins, Pearl Mentzer. Baseball throw for distance, junior—Hazel Hilton, Pearl Mentzer, Mabel Todd. Baseball throw for distance, senior—Mabel Horner, Catherine Stanley, Louis Kopp. The senior relay was won by Ruth Rames, Bernice Collins, Edith Schaffer and Kathryn Stanley against Louise Kopp, Thelma Rucker, Mildred Beatty and Louise Perry. The junior relay was won by Jeanette Yarborough, Lois Wardell, Helen Hone and Ruth Campbell against Edna Strong, Dorothy Chappius, Lolita Parker and Pearl Mentzer.

Pacific Avenue E. L. Plans to Give Party

The members of the Pacific Avenue Methodist church Epworth League are planning an April Fool party for Monday night, March 27, to begin at 7:30 o'clock. A general invitation to all single and married young people has been extended. Radio telephones have been installed on the huge biplanes engaged in the London-Paris aerial service.

RED AND BLACK IN FRONT AT SCHOOL TRACK BATTLE

Glendale Beats Burbank and Owensmouth; Quarter-Mile Is Day's Feature

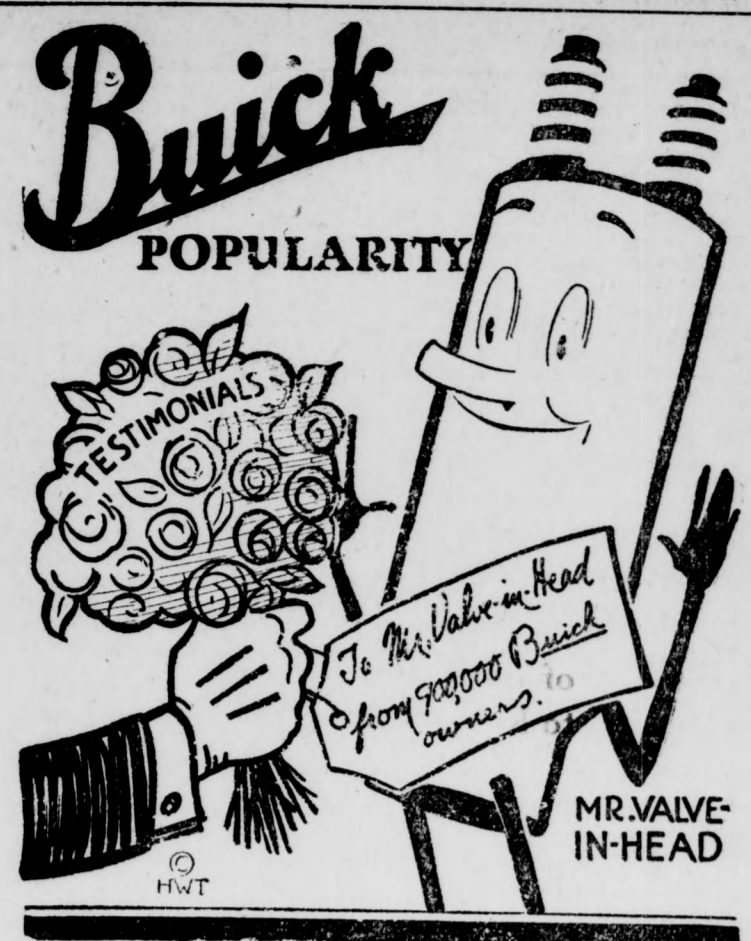

Coach Hayhurst's Glendale Union High school track squad won its initial meet of the year yesterday afternoon when it emerged from a triangular match with Burbank and Owensmouth high schools with four-fifths of the total number of points made. The meet, which was staged on the Burbank field, ended with the three teams as follows: Glendale, 71; Owensmouth, 24; Burbank, 16. Although the match was merely a practice affair, Coach Hayhurst is exceedingly optimistic over the showing of several of his tracksters, and is already confident of a reasonable number of digits in the annual Central league meet next Saturday afternoon. This will be the first time in several years in which Glendale will have entered more than two or three athletes in the big event, which will take place at Patterson field, Occidental College.

Quarter Mile Feature

Of the numerous point winners for the Black and Red the work of Sullivan in the quarter-mile sprint was easily the feature of the day, his mark of 52.2 seconds being but a shade slower than the time usually made by college runners. Sullivan is the only athlete in the league who is conceded to have even an outside chance against Shaw, Monrovia's dusky speed artist, and all-around performer and incidentally last year's state 440 champ. Following are the results of yesterday's meet: 880-yard run—Hand (G), first; Stofft (G), second; Harvey (G), third. Time, 2:12. 100-yard dash—McKee (G), first; Haygood (G), second; Roberts (G), third. Time, 10:4. 440-yard dash—Sullivan (G), first; Thompson (B), second; Crum (G), third. Time, 52:2. Shot—Clouse (G), first; Sly (B), second; Taylor (G), third. Distance, 39 feet, 8 inches. 220 low hurdles—Thompson (B), first; Sawyer (B), second; Pomeroy (G), third. 120 high hurdles—Pomeroy (G), first; Haygood (G), second; Sullivan (G), third. Pole vault—Taylor (G), first; Boehn (G), second; Lercher (G), third. Discus—J. Thompson (O), first; Clouse (G), second; Payne, (G), third. Distance, 118 feet. 220-yard dash—McKee (G), first; Kelsey (G), second; Roberts (G), third. Time, 23:4. Mile run—Hill (O), first; Hand (G), second; Stofft (G), third. Time, 5:20. High jump—Thompson (O), first; Wilson (B), second; Clouse (G), third. Height, 5 feet, 8 inches. Broad jump—Butts (G), first; Dow (G), second; Haygood (G), third. Distance, 20 feet, 2 inches.

Radio Supply Concern Seeking Plant Site

The Glendale Radio Supply Company has now been organized and is now searching for an appropriate site on San Fernando road near the Southern Pacific tracks for the erection of a factory. Those most actively interested in this new enterprise are Jerome A. Erickson of 3722 Seneca street, who will be sales and advertising manager; his brother-in-law, William H. Davis of the same address, who will be production manager; and Beauchamp Vaughan of Glendale, an expert electrical engineer. "In view of the fact that wireless is getting to be the big thing," stated Mr. Erickson, "we propose to manufacture radio receiving instruments and supplies on a big scale. These will be shipped all over the country and undoubtedly will be quite an advertisement to Glendale."

Talk about "matinee idols"—just take the word of 900,000 Buick owners and you'll know why Mr. Valve-in-Head has been playing to packed houses year after year. Buick has always been a "headliner" and it still is, because it keeps its act up to the hour in advanced motor car development. "Please the purchaser" is Mr. Valve-in-Head's maxim. Testimonials come by the hundred thousands from elated owners who "encore" by buying another Buick, and proving it a favorite with the men and an "idol" with the women.

to every member of the congregation. Strangers and visitors are cordially welcomed at all these services.

The following musical program has been arranged for the Sabbath, under the direction of Mrs. Fannie Marple Retts, with Miss Carolyn G. Bailey at the organ:

Morning—Prelude, "Offerings in the Morning" (Batiste); "Gloria in G" (Batiste); anthem, "Gloria from 12th Mass" (Mozart); Mrs. Helen Graham Cole, soprano; Mrs. Fannie Marple Retts, contralto; Dr. William Barnhart, tenor; C. Clifford Riggs, baritone; prayer response, "The Soul That Clings to Thee" (Batiste); offertory, soprano solo, "Lead Me" (Judson Harris); Mrs. Fannie Marple Retts, postlude, "Grand Chorale"

Evening—Organ recital, 7:15; (a) "Pilgrim's Song of Hope" (Batiste); (b) "Triumphal March" from "Aida" (Verdi); (c) "A Perfect Day" (Bond); quartet, "The Cross Hath Won" (Lorenz); tenor solo, "The Publican" (Vandewater), Dr. William Barnhart; offertory, "Supplication" (Guilmant); quartet, "Worthy the Lamb" (Adams); gospel solo (selected). Mrs. Fannie Marple Retts; postlude, "March Aux Flambeaux" (Clark).

CENTRAL CHRISTIAN CHURCH Corner Louise and Colorado Sts. Clifford A. Cole, minister. Mrs. Calvin Whiting, choir director. The morning hour of worship, 10:30 o'clock, will be in honor of "Our Neighbors." At night, the Men's Bible class will have charge of the service, in a men's night. Sermon theme, "Putting Up to John Jones." Male quartet, Messrs. Kirk, Partin, Cox and Van Loon. Young folks' meetings at 6:30 o'clock.

Dash Is Made to Get Burglar; Cat Nabbed

DEFIANCE — Intermittent flashes of light in the East Side market shortly after midnight were noticed by a passerby.

He summoned a policeman. The officer called three other policemen, who responded to a burglary alarm, running.

They notified B. Clark, clerk in the store. Then they surrounded the building so as to prevent the culprit from escaping. When Mr. Clark unlocked the door the officers invaded the premises.

They found a kitten jumping on a counter scale to make the dial light flash.

**LARGE CROWD TO T. D. & L. SHOW**

Variety Acts and Film Program Prove Satisfying; Coming Is William S. Hart

Again the crowds stood outside the T. D. & L. theatre last night to see the vaudeville and big feature production, "Why Girls Leave Home." This is one of the best bills yet seen at the T. D. & L. and everyone, it is declared, thoroughly enjoyed it. "The Dixie Trio," those dancing black boys, took the audience by storm. They are surely clever with their feet and offer lots of real entertainment.

"Otesco," the wizard of the violin, won the crowd over at the playing of his first number. He is one of the finest violinists ever heard in Glendale, it is declared.

Clemen's Hawaiian quartette, native instrumentalists of the 'Isle of Paradise,' won much applause, while Mirrian Mattie provoked considerable laughter with her coon songs and dialect.

The feature picture, "Why Girls Leave Home," is a big production starring beautiful Anna Q. Nilsson. It is lavishly staged, wonderfully enacted and really presented.

Today, matinee only, the fourth episode of the historical-adventure serial, "With Stanley in Africa," was presented for the children, being shown at both afternoon shows. Those contemplating attending the T. D. & L. theatre tonight have been advised to start early in order to secure the best seats.

**W. S. Hart Picture**  
 "Travelin' On," starring William S. Hart, will be shown Sunday and Monday only. Ralph Allan says this is perhaps Hart's greatest picture. It is a typical Hart production—plenty of action, thrills, adventure and romance tingling with the spirit of the old west with Hart in the famous role of the "two-gun badman."

Hart has a tremendous role in "Travelin' On," with a cast supporting him that is very fine indeed. To see this picture is to see Bill Hart at his best.

**Tent Show to Open Here on Next Monday**

Coming in three special cars of its own, the Babcock Tent Theatre, "different," and the Rialto Stock Company comes to Glendale Monday for a stay of a week, which promises to be highly successful. Presenting the delightful rural comedy based upon American "small town" life, written by the authoress of "Way Down East," each of the large cast of players has a role suited to their respective personality in "My Jim." Proprietor Babcock has invited every body reader of the Glendale Evening News as his guest on opening night, Monday. However, the exacting nature of his advertisement appearing in yesterday's issue he presented at the door in lieu of a ticket.

**Negro Foregoes His Escape Via Garbage**

KANSAS CITY, Mo. — William Leary, a negro serving a ten-year stretch for robbery in the Missouri Penitentiary at Jefferson City, never wants to look at a garbage can again. Leary, after a bath, is quite willing, also, to serve out his prison sentence "as is."

This change about of ideas came after Leary conceived the bright idea of escaping from prison in the penitentiary garbage wagon.

He hid himself in the wagon and allowed himself to be covered with a large pile of garbage. Out he went with the garbage, but it was too much. With garbage dripping from his clothes, the negro finally jumped from the wagon. Officers, following the smell Leary left in his fleeing wake, quickly captured him. Willingly they led him to the bath.

**Texas Daredevil May Climb Eiffel Tower**

PARIS—Unless William Strother, of Houston, Tex., succeeds in pulling various political and other strings he is likely to find his attempt of scaling the Eiffel Tower about 1000 feet high, on its outside framework nipped in the bud.

Strother, who came to Paris recently from New York, with a record of hair-raising stunts, believes he can get the necessary permits to scale the Eiffel Tower, providing he undertakes to do it in aid of a French war fund.

The authorities, however, will probably forbid such a stunt, considering it to be far too dangerous. Since a well-known parachutist was killed some years ago the tower guardians have refused to allow any stunts to be performed.

Work is now proceeding on the erection of a 301-foot steel tower for a new aerial lighthouse on Titsey Hill, near Woldingham, England. The illuminated airway project between the continent and London is now on the road to realization. The lighthouse will be of 65,000 candle power and will be visible thirty-two miles away.

An automobile driver may run full tilt into the latest model of railroad crossing gate, recently installed in Chicago, without injury either to himself or car. The gate will gradually yield and will halt the car just short of the track. A system of weights and coil springs exerts braking pressure.

**H. S. WEBB REVEALS DETAILS OF TRIP; SOME, ANYWAY**

**Tells of Rotarian Journey to North and How His Buick Hit High Spots Only**

By GIL A. COWAN

Harry S. Webb yesterday afternoon took the time to tell me the details of the Rotarians' trip to the conference in San Francisco. He said it was a good story for the automobile edition of "The Glendale Evening News," and in that you will agree.

For how many motorists who read this have made the trip from Glendale to the Bay City in fourteen and one-quarter hours, averaging thirty-one miles an hour, including stops, and enjoying no mechanical difficulties. That's what Webb did in his Buick. He has four witnesses to the fact.

After two hours of sleep a week ago Tuesday night, he arose at 4 o'clock Wednesday morning, got a cup of coffee, picked up George B. Karr, Baldwin shirt peddler, William A. Tanner and Bob Ford of the Buick agency, and they were away to an early start over the ridge route to Bakersfield.

Friends Meet

Driving into the heart of the oil city at 8 a. m. they espied the machine driven by Roy L. Kent, vice-president of the Rotary club, who had his wife and Mr. and Mrs. J. Herbert Smith with him. They had started the night before and spent the night at Hotel Castaic. It was a beautiful drive at that early hour in the crisp, snow-kissed air and all were hungrier than bears.

After breakfast together, Webb succeeded in loading his car first and was the first to dash north through the San Joaquin valley, and while Tanner predicted they would reach Fresno by 1:30, it was only 11:30 when they drew up for lunch at an I street cafe. Another two hours saw the party at Merced and then the fun began.

Roy Kent boasts of his prowess as a driver like Harry Webb says he can play golf. Only once did the motor cops interfere with the race and in his efforts to keep to the fore, the latter ran around a car contrary to county ordinance, but nothing came of it more than a warning.

**On Different Roads**

While stopping at a railroad station to permit Karr a side trip to Stockton on made-to-measure shirt business, Kent got ahead of Webb. And as they took different roads into Oakland neither knew when the other arrived at the ferry, but Bill Tanner's bright eyes spied Kent's car on the ferry leaving the pier as the Buick drew up. So it is a fact that the official delegates arrived in San Francisco fifteen minutes ahead of the other members, although all ate dinner in San Francisco at 7 o'clock.

The next morning found Webb fully recuperated and insisting that he passed the vice-president of his club on the road, but where no one essayed to reveal.

"Remember the rainstorm we passed through, Roy?" queried Webb. "Well, we passed you while you were stopped on the road."

"Somebody must have passed you fish at Tait's last night," said his fellow speedy Rotarian. And we will let the argument go at that.

The return trip in the Buick started Sunday morning after Webb had won several dollars' worth of golf balls in the Rotary tournament at Lakeside Country club and Karr had appointed several salesmen for his line of golf and other kinds of shirts.

Del Monte was visited and the seven-enteen-mile drive around Pebble Beach was a pleasant detour. Santa Barbara and other coast points were seen, thanks to the sturdy Buick which brought the party home safely at 11:30 a. m. last Wednesday morning.

**Gridiron Star Asserts He Has Been Kissed**

ANN ARBOR, Mich. — Some time during his life Paul Goebel, captain-elect of the 1922 Michigan football squad, has known the sweetness of the nectar of a maiden's lips — how many times is a question.

A pretty girl reporter of 20 years managed to obtain this "confession" from the husky warrior of the gridiron.

"Have you?" blushing asked the reporter, "Have you ever been kissed?"

"I'm willing," said the big blonde, blue-eyed captain, reputed to be the most bashful of all "Big Ten" captains, looking down into the winning brown eyes of his interviewer. "And I won't say I don't know how. Anyway, with pretty girl reporters and all, a fellow hasn't a chance."

Goebel finally admitted that he had been kissed, but refused to divulge the number of times.

**CHAMPION IN MATRIMONY**

INDIANAPOLIS, Ind., March 25.—Gabor Kingstone, matrimonial champion of San Francisco, was blissfully honeymooning a sixth time today.

Despite the fact that Superior Judge Flood threatened a permanent injunction against his matrimonial adventures when he dissolved the doctor's fifth marriage knot, Kingstone eloped to Santa Rosa and married Mazie C. Burke. His record:

Wife number one died; wife number two divorced because of alleged intimacy with chauffeur; wife number three divorced and gave away in marriage to another man; wife number four annulled because she gave wrong name; wife number five divorced because she was mean to him, and wife number six married in defiance of court order.

**Six Million Children in U. S. Lack Schools**  
**Signs That Indicate One Is Growing Old**

CHICAGO—Mark T. McKee, of Detroit, in an address here, in which he outlined a plan for a \$10,000,000 home for motherless and fatherless children to be established by a benevolent society, presented some startling statistics relating to children.

"There are 25,000,000 children of school age in the United States," said Mr. McKee. "Six million never see the inside of a schoolroom. Ninety-three out of every hundred never get beyond the elementary grades. The average daily attendance at school is only 14,000,000. But seven children out of every hundred reach high school, and only five out of every hundred reach college. There are more than 5,000,000 people in the United States who can neither read nor write."

HUNTINGTON, W. Va.—When did you first notice that you were growing old?

A reporter here set out to learn the answer from different Huntington people, with some interesting results. Here are some of the answers:

When I noticed the first gray hair.

When I met my son for the first time walking with a girl.

When a girl friend told me she was in love with some other man.

When I lost my first tooth.

When I lost my breath while going up hill.

When a mother asked me to see her young daughter home.

When the presence of many people began to bore me.

When I began to find more pleasure in staying home than in going out in the evening.

If a public official of England gives out, without proper authorization, information obtained in the course of his official duties, or utilizes it for private purposes, he becomes liable to criminal prosecution.

**Business-Getting Power of the Evening News**

Exclusively a Glendale Paper

The Glendale Evening News is printed and circulated on its own merits. It has stood alone as a local daily newspaper for nine years and is showing a steady growth, both in circulation and advertising patronage. Advertisers value it because it is not a supplement or insert to any other paper and because it is exclusively a Glendale paper.

**Best Publicity Medium in Glendale**

The business organization of The Evening News is first, last and all the time a Glendale institution, and as such guarantees advertisers the best publicity medium available in the Glendale territory.

**3,000 Paid-in-Advance Subscribers**

Its circulation of 3,000 represents paid-in-advance subscribers who voluntarily order the paper because of its merits, and not on account of procuring an outside publication of which the local paper is merely a supplement to an organ whose camouflaged purposes, when carried out, will be destructive to the best interests of Glendale merchants.

Our circulation books are open to your inspection. Our merchandising service is at your command.

**M. B. Towman Says Spring Touring Here**

"The spring motoring season has started," yesterday remarked M. B. Towman, manager of the local branch at 248 South Brand boulevard of the Automobile Club of Southern California.

"More inquiries in regard to roads and condition of travel are coming in every day. There has been a noticeable increase in the number of persons calling for touring information."

"I expect the coming season will be the largest we have ever had due to the fact that the roads are in better condition than ever before."
