OR THINGS WHITCH AINT FINISHED IN THE FIRST

SEPT. 7, 186- Gosh, what do you think, last nite father and mother and me and Keene and Cele and aunt Sarah was sitting at supper when father, he sed i am a going to read your diry tonite. Gosh i was scart for i hadent wrote ennything in it for a long time. so after supper i went over to mister Watsons and asked him if he dident want to see father and he sed he wood and i went home and told father mister Watson wanted him to come over jest as quick as he cood and father went over. i knew father woodent ever think of it agen. father and mister Watson Beanys father set and talked about what they usted to do and father sed do you remember Wats that time you and Bill Yung and Brad Purinton and Jack Fog went down to, and then he saw me

“ S e q u i l ”

and Beany lissening and he sed, you boys run away and he giv me 5 cents and me and Beany went over to old Si Smiths for some goozberies but i have got to wright that old diry some more whitch is pretty tuf, i have forgot whether it was brite and fair sence i wrote my last diry or not, but ennyway it is brite and fair today. Lots of things have hapened sense i wrote my last diry. Beanys father is a poliseman now and Beany feels prety big. Beany hadent better say mutch to me ennyway. the stewdcats have come back and they has been lots of fites. Scotty Briggam licked 2 stewdcats in one day. one day me and Pewt and Beany was standing in frunt of the libary and 2 stewdcats went in and Pewt thre w a peace of dry mud and it hit the stewdcat rite in the neck and bust and went down his coller and he see us laffin and he walked rite out to where we was standing and he sed sorter sisy like whitch of you boys throwd that, and Pewt sed jest like him, if you are

“ S e q u i l ”

so smart you had better find out, and he grabed Pewt and throwd him rite in the gutter and roled him round in the mud and hit him 3 good bats in the ear. me and Beany run and Pewt he was mad becaus we didnt pich in and help him, but lots of times me and Beany has got licked and Pewt never helped us. i told Father about it and he sed he was glad of it and he wished the stewdcats had licked me and Beany two.

Sept. 8, 186- brite and fair. the band played tonite downtown. we all went down but mother and aunt Sarah and the baby and Franky and Georgie and Annie who was all two little except mother and aunt Sarah who had to stop and take care of them. the band played splendid and Fatty Walker jest pounded the base drum as hard as he cood. most of the fellers run round and played tag and hollered but i set still. i cant see how fellers can run round and holler when a band plays. they tried to pull me out of my seet

“ S e q u i l ”

but i giv Beany a good punch. when we came home mother asked if i had behaived and father sed i set there jest like a old potato. he sed i dident know much ennytime but when i herd music i dident know ennything.

Sept. 9, 186- Will Simpkins is coming to visit us. he is my cuzon and is older then i am and every time he comes he licks me. i dont dass to tell becaus he is company. so this time i am going to get Gim Erly or Tady Finton to lick him. he is coming next Saterdag. he lives in a city and wears a neckti every day and feels prety big and says i am a countryman.

I see Gim Erly today and he says he will lick time out of Will for a nife and a slingshot. i had lost my nife so i told Beany and he sed he wood give Gim his nife if he wood let him see the fite. Will licked Beany last summer and Beany aint forgot it. then i dident have enny slingshot and so i told Fatty and Fatty he sed he wood give

“ S e q u i l ”

Gim his slingshot, if he cood see the fite. it seemed kinder mean not to tell Pewt, so i told Pewt and he sed he would give me his fathers pigs bladder when it was killed if i wood let him see the fite, that makes 2 bladders i am going to have this fall. Oliver Lane is going to give me his, they will make bully footballs. i gess i can get Potter to give me a leest flycatches egg if i will let him see the fite.

Sept. 10. Brite and fair. Will Simpkins is coming tomorrow. i bet he will wish he hadent after Gim Erly gives him that licking. Potter gave me a red wing blackbirds egg and a chippys egg and 2 blewjays wings to see the fite.

Sept. 11. Brite and fair. it was the best fite i have seen since Cris Staples licked Charlie Clark you had aught to have seen it. Will came this morning he was all dressed up and had his shoes blacked. i knew that wood make Gim want to lick him. i felt kinder mean when he came be-

“ S e q u i l ”

caus he seamed glad to see me, and mother sed i hope you boys will have a real nice time together, and i sed i gess we will. so after dinner i asked him to go over to Beanys and we went over and Gim was there and Potter and Pewt and Fatty and Billy Swett came with Fatty and he wispered he wood giv me a whailbone bow. Gim sed to me easy have you got them things and i sed yes and Gim sed no fooling and i sed hope to die and i crosed my throte and i sed you have got to lick him first and he sed he wood lick him. so we went over in the high school yard to play prisners bass. well prety soon Gim sed Will cheeted, and Will said he dident, and Gim sed do you mean to call me a lier and Will sed he dident cheet and Gim sed he wood giv him a paist on the nose, and Will sed he want man enuf and Gim scrached a line in the dirt and told Will not to dass to step over it and then Will put a chip on his sholeder and told Gim not to dass to nock

“ S e q u i l ”

it off and Will sed if he hit Gim he wood nock him so far he woodent come down at all and Gim sed if he hit him there woodent be ennything left of him but a red neckti, and Will told Gim he was a freckled faced mick and Gim told Will he was a curly haired nigger and just then Fatty give Will a push rite into Gim and they went at it and Gim licked time out of Will and got him down and lammed him until he hollered enuf. then Will he went home balling and i had to go two and when we got home mother sed it was a shame and she wood tell father when he got home. when father got home mother told him and sed it was a shame that Willy, she calls him Willy, i am glad my name aint Willy, i had ruther be called Skinny or Polelegs or Plupy then Willy, well she sed it was a shame that Willy coodent play with me without having that dredful Erly boy fiting him and she wanted father to go up to Mr. Tucks where Gim lives and tell him

“ S e q u i l ”

about it. Well father sed boys always fit and she mustent worry about it he gessed Willy wood get over it. but he told me not to ask Gim Erly down here agen. so after supper when i had to go for the yeest i ran up to Gims and giv him the nife and the slingshot and told him not to tell.

Sept. 12. Brite and fair. Will has got a black eye and a scrached nose. Nellie has got well and we had a ride today after church and i let Will drive. in the afternoon Beany and Pewt came over and we had a shooting mach with the whail-bone bow behind the barn. i told Beany and Pewt not to tell for if they did father woodent let us go together agen. Fatty and Potter and Billy Swett wont tell ether.

Sept. 13, 186- Brite and fair. today we had a good time. mother let me invite Beany and Pewt and Nipper Brown to supper for company for Will. Pewt coodent come becaus he shot one of

“ S e q u i l ”

his fathers hens with his arrow rifle jest like i shot my hen witch was eating eggs and Mister Purinton Pewts father woodent let him come. i gess if father had been at home for supper i wood have got a licking but he dident get home til the 7 oh clock train. well we had been raising time up in my room and when we went down to supper i pulled a chair out when Nipper went to set down and he set rite down on the floor bang and grabed the table cloth and pulled of his plate and cup and sauser and Beanys sauser and they came rite down on his head and broak to smash. Nipper was scart but mother picked him up and said he needent wurry for she dident care for the dishes and asked him if he was hurt and said it was my falt and she told me i had aught to be ashamed and I hadent aught to have company if i dident know how to treet them. she dident send me to bed becaus she had to be polite to Beany and Nipper and so i was all rite. after

“ S e q u i l ”

supper we played domminoes til the nine oh clock bell rang and then Beany and Nipper went home.

Sept. 14. Brite and fair. Will went home to-day i was sorry he went, we had a good time and i never knew him to be such a good feller before. i gess it did him good to get a lickin. father says it always does me good to get a good lickin. before he went he got me to throw a ball easy at him and he let it hit him in the eye so he cood tell his folks that a ball hit him in the eye, so he wood not have to tell a lie to his father about his black eye. a feller feels a good deal better when he doesnt have to lie to his folks. when i usted to hook in swiming i usted to stick my head in the rane water barril so I cood tell father how i wet my hair. i didnt like to do it sometimes becaus the barril was full of little wigglers but i had ruther do that then have to tell a lie, ennyway i gess all the wigglers that

“ S e q u i l ”

got into my hair died becaus they never bit me. father says they turn into musketers.

Sept. 15, 186- Brite and fair. i forgot to say that i giv Will the whailbone bow that Billy Swett giv me to see the fite. he was glad to get it i tell you, and he sed i was the best feller he knew. i told him when he came here agen we wood have some more fun. mother gave him 25 cents and gave me ten cents for being so good to him. me and Pewt and Beany had some goozeberies down to old Si Smiths. father told me one time i cood have a football, so i asked him tonite and he sed i dident desirve ennything, that i had caused him a good deal of truble, ennyway i am going to have 2 bladders.

Sept. 16. Clowdy but no rane. Beany and Ticky Moses got fiting at resess today. we was playing 2 old cat and we was chewsing sides, and Beany and Ticky was chewsing and the way they did it was this. Beany he throwed the bat at

“ S e q u i l ”

Ticky and Ticky he cought it about half way down, and then Beany he put his hand above Tickys and Ticky he put his above Beanys, and so on til when they came to the end of the bat the last one witch had his hand on has the first choice and no fudging, only he has got to swing the bat around nis head 3 times and throw it 3 times as far as he can gump. well Beany he had the last hand on the bat and he cood jest get hold of it a little and when he swung it round his head it sliped and hit Ticky on his head, and he piched into Beany and jest as they was fiting good the bell rang. that is jest the way. something always stops the good fites. i bet on Beany.

Sept. 17. Brite and fair. the stewdcats have got back long ago—i forgot to wright that in. they are some new fellers not enny biger then i am. Honey Donovan licked one of them easy and made him ball like a baby. Chitter Robinson and a stewdcat named Hall had a fite on the Plains and

“ S e q u i l ”

neether licked. they fit until they was tired out, and Darlinton a big stewdcat came up and stoped them. they aint much fun in going to school now. all the girls go to school in the libary bilding and they is nobody but fellers in the grammer school. i tell you it is pretty loansom. we fellers dont care mutch if they miss in there lessons.

Sept. 18. Brite and fair. after school today me and Beany and Fatty and Nibby and Lees Moses and Whacker went home by the libary building, when the girls came out they didnt pay enny attension to us becaus the high school fellers was there. perhaps they will want to slide on our sleds next winter and then i gess they will find out something.

Sept. 19, 186- Brite and fair. went to church in the morning and to sunday school in the afternoon. i have got a new pair of britches. old Missis Stickny made them out of a old pair of fathers. they wasent very old becaus they was

“ S e q u i l ”

made out of the same blew coat that father had when he was going to make his speach when old Dirgin put me out of the town hall. father sed he wood never ware them britches ennymore. they was too tite, and his new boots was too tite two, and so he giv them to me, only i cood have the britches made smaler and i coodent have the boots made smaler so i will have to wate a long time before i cood ware the boots. well after sunday school me and Bug and Cawcaw and Pile Wood went down to the dam. they are having the dam fixed and the water is aful low, rite below the dam they was some big pikerel in a place where they coodent get out. well we took off our shues and stockings and begun to wade in after them and they wood dart round lively and we got pretty well spatered, and than i fell rite down and got wet soping. after that i went rite in and we got 12 big pikerel and we had 3 apeace. so i went home and i was afraid i wood get a lick-

“ S e q u i l ”

ing and i did two, for when i came in father said where in thunder have you been and i told him and said here are some good pikerel for supper and he said i will atend to you sir, and he took me up stairs and gave me a whaling. gosh you bet it hurt. well then he told me to go to bed and said i coodent have my supper, and when i took of my close my legs were all blew and i called mother up to see how i was black and blew and when she came up she said for mersy sakes, the coler has all come out of your pants and you are all chekered blew, so i tride to wash it of, and it woodent come of. so i went to bed and i felt aful hungry and i cood hear them at supper and i could smell beefstake and i almost wished father was ded, and when it was almost dark mother come up with a tray and she had fride one of the pikerel and had some tost and a baked potato and i set up and had a buly supper. mother wasent mad a bit with me but she told me i did rong but

“ S e q u i l ”

she gessed i got my pay for it and i gess i did. mother is jest as good as she can be.

Sept. 20. Brite and fair. the coler hasent gone of my legs yet. tonite father took me down to Erl and Cuts where he got the coat that my britches was made out of and told Erl about it and made me show my legs, and Erl said i gess George, the cloth hadent been spunged, and father said i dont know about the cloth, but he was spunged most damly when he got them. and mister Erl laffed and gave father a pair of new britches, and we went home. father felt pretty good about it, it dont seam rite, i got a lickin and got my legs all blew and it wont come of, and father got a new pair of britches for nothing. enny way one of these pickerel waid a pound.

Sept. 21. tonite i went over to Beanys. Mister Watson Beanys father was leening his head on his hand and i stumped Beany to pull his elbo out. and we nearly dide laffing to think about it

“ S e q u i l ”

and by and by Beany got up his spunk and pulled his elbo out and his head came rite down on the table and he jumped up and grabed Beany and hit him some good bats and sent him to bed and told me to go home and never come over there ennymore. so i cant go with Beany ennymore. the coler hasent gone out of my legs.

Sept. 22. Rany. the coler has begun to go of my legs.

Sept. 23. Rany as time. we got some soft sope of old man Currier today and the coler is most gone.

Sept. 24. It is all gone now.

Sept. 25. Lubbin Smith and Geen Titcum got fiting at resess today and the bell rung before eether had licked. i bet on Lubbin. i went down for some more pikerel today but the river is two deep now.

Sept. 26. i went to church today. they issent enny fun sundays.

“ S e q u i l ”

Sept. 27, 186- Brite and fair. today we was playing football at school and Whacker got rooted agenst Colbaths barn and hit his head whack and fell down jest as if he was ded, and old Francis came running out and grabed him up and put water on his head and then he waked up and was all rite but he had a headake.

Sept. 28. Rany as time. father has sold Nelly to old Si Smith. she was lame in her hind leg and when she stands in the stable she holds her hind leg up in the air all the time, and when she goes out she limps aful but after she goes a while she aint lame. so last nite father hiched her up and took me and we drove over to Wire Shaws in Kensington and when we came back he took out the whip and hit her under the belly with it 2 times and you aught to see her go. when we came to old Si Smiths she was going like old Billy Robinsons troter. then father turned round and drove up to Sis and old Si and Shep Hodgden

“ S e q u i l ”

and Gimmy Biddle and Charles Fifield was there and father said this will make jest the horse you want for your store and old Si said she aint bigger than a rat and father said i gess she is big enuf to carry out all your lodes unless you put down your price, and then they all laffed at Si, and then Si said she was a puller and father said what do you want Josiar one that you have to push, and then they laffed agen and when father called him Josiar i know Si had better look out for when father calls me Henry i know i am in for a liking. then Si said she is lame in every leg and father said you get in here and drive her and if she goes a lame step i will give her to you, and old Si said to Shep and Gimmy you get in and drive her and they got in and drove off and father said he wood take 50 dolars for her and old Si said he wood give 35 dolars for her and they talked and talked and then Shep and Gimmy came back and said she went all rite and old Si

“ S e q u i l ”

said he wood give father 40 dolars and father said she was worth 50 but as Si was a nabor he wood like to acomodate him. well old Si was counting out the money when he said he bet she was a kicker father said she is kind as a kitten and dont bite or kick dont she Harry and i said she cant kick becaus she always holds up one leg in the stall, and old Si said whats that and i told him how she coodent kick becaus she held up one leg, and then Gimmy and Shep and Charlie Fifield and old Mister Page all luffed and hollered and stamped round and slaped their legs and said that is a good one, and old Si stoped counting his money and swore afully and father looked aful mad for a minit and then he said she is wirth every cent of 50 dolars and asked Si what he wood give and Si said 15 dolars and they talked and talked and after a while he give father 25 dolars. then we went home and father looked prety mad. i didnt know what i had done but

“ S e q u i l ”

when we got home he said Harry you go to bed, so i went up about scart to deth but by and by i crep to the stairs and lissened and he was telling about it to mother and he said if he had sence enuf not to ask me about it he cood had got 15 dolars more out of old Si and he was mad enuf to lick me, and then he began to laff and mother laffed and said it served you jest rite George to try and cheet a old man, and father said Nelly was wirth 50 dolars and the last baril of flour that Si sold him was older then Methooselas gread gran-father and he wood have got square with Si if it hadent been for that boy. well mother said you cant whip him for telling the truth and father said thunder no i aint going to lick him but i was mad enuf to. so i felt prety good and crep back to bed.

Sept. 29. Brite and fair. At school today Scotty Briggam jumped over the fence today to get the football and fell on his arm and broke it, and

“ S e q u i l ”

then he went home and came back before school was out with some shingles tied on his arm. Scotty has got some spunk, but i gess Tady Finton can lick him now. Old Francis said 2 axidents in 2 days was too mutch and we mustent play football enny more. so at recess we go behind the school house and have fites. Gim Miller and Ben Rundlet had a good fite, and tomorrow Plug Atherton and Diddly Colket are going to have a fite it is most as much fun to see fites as to play football.

Sept. 30. Brite and fair. we cant have enny more fites. at recess today Plug and Diddly had the best fite i ever saw. they fit all recess and none of us heard the bell and Plug had Diddly down and we were all hollering, paist him Plug and hit him Diddly when old Francis came round the corner and grabed Plug and Diddly. i tell you we all went into school lively and old Francis made Plug and Diddly stand on the platform all

“ S e q u i l ”

the rest of the day with their arms round each others necks and we didnt have enny recess in the afternoon. it is pretty tuf. we cant play one old cat becaus old Polly Smith makes a fuss when the ball goes over her fence and we cant play football becaus Scotty broke his arm and Whack got stunted, and we cant fite becaus it is rong to fite. we might jest as well be girls and roll hoop.

Oct. 9. Brite and fair. i gess i shant forget today very soon. this afternoon we went over to Mister Hirveys and we wirked a long time making ice creem by turning the handles of the buckets and chopping up the ice. after we got

“ S e q u i l ”

done he let us come into his saloon and we had to big glasses of pink and yellow mixed and some creemcakes. well after we had et it Beany said less put some pepersass into the rest of the creemcakes. so we did and then we went out and peeked through the window. bimeby a man came in and set down and we saw Mister Hirvey bring in some icecreem and some creemcakes. well we kept peeking and the feller et one creemcake and we heard him say to Mister Hirvey that they were the best creem cakes he ever et and then he took another and took a hog bite out of it and then he jumped up and his eyes buged out and he spit it out and begun to swear and drink water and stamp round and Mister Hirvey said what is the matter and the man spit some more and swore and said they was helfire in the creemcake, and Mister Hirvey looked into it and said some one has put pepersass into it and i bet i know who did it. when i heard him say that i ran

“ S e q u i l ”

round the corner, but Beany waited too long and Mister Hirvey saw him peeking in the window and came out lively. well Beany he ran down into Toles yard as tite as he could go and Mister Hirvey came hipering after him with his white apron on, i dident know he cood run so fast. bimeby he came back holding Beany by the ear. Beany he wood try to hold back until his ear nearly puled of and then he wood come along. well Mister Hirvey snaiked him rite into his saloon and said, did you put that pepersass into my creemcakes, and Beany he said he dident, and Mister Hirvey said i dont want enny lying, and said that Beany and the long leged Shute boy were the last ones in the place and that one of us did it. and Beany he said he dident and he saw me with the pepersass bottel in my hand and Mister Hirvey he said now you have got to eat that creemcake or take a good licking and he took his cane, and held Beany by the coller and

“ S e q u i l ”

said 1 and Beany didnt eat it, and then he said 2 and Beany didnt eat it and then he said 3 and he hit Beany a aful whack over the legs and Beany hollered like time and held on to his legs, and then Mister Hirvey he said 1 again and Beany didnt eat it and he said 2 and Beany didnt eat it and jest as he said 3 Beany he grabed it and took a bite and tride to swaller it and i thought i shood die to see him, he spit and clawed at his mouth and he howled and jumped up and down and then he ran over to Charles Toles pump and rensed his mouth and drank out of the horse troth and Mister Hirvey and the man like to dide laffing. i waited till they went in and then i went over to see Beany and when i asked him how he liked the creemcake he said i was a long leged puke. this was one of the times that Beany got cought and i didnt.

Oct. 10, 186- Sunday agen. brite and fair it never ranes sunday. father went to church today.

“ S e q u i l ”

he woodent have gone if Keene and Cele hadent been going to sing a duet. i didnt want to go becaus i was afraid they wood brake down, but father he said i had got to go and so i went. old mister Blake who sets rite behind us droped his hym book and had to bend way over to pick it up when he set up he hit his bald head a feerful bump agenst the book rack. i nearly laffed out loud and had to hold on to my mouth.

Oct. 11. J. Albert Clark is teaching Keene and Cele a new tune. Keene sings the treble and Cele sings the alto. it is there is a bank where on the wild time grows. at supper tonite i asked what wild time was and aunt Sarah said it must be what father and Gim Melcher used to have. then we all laffed and father told aunt Sarah she was geting so funny that she wood have to wear a kerb bit and a martingail. ennyway it was a good one on father.

Oct. 12. the wind blows feerful. father wants

“ S e q u i l ”

me to lern to sing a tune with Keene and Cele. i dident want to but he said i had got to, so we tried it, and i sung it rong every time. i sung it jest enuf rong to make you feel crepey in your back, and father said if you cant sing better then that you had better shet up. so i shet up.

Oct. 13. clowdy but no rane. Georgie has lerned a new tune. it is i wood i were a fary queen. we are going to have the minister to supper and father is going to make Keene and Cele and Georgie show of. i hate showing of. ennyway i havent got to show of becaus father says i cant sing. i can sing but he dont know it you bet.

Oct. 14. rany and windy. i have got a sore throte. father dident want to have the minister to supper. he said to mother, what in thunder do you want a minister for, and mother said, we must have him becaus he will think it very queer if we dont, only you must be careful not to say or do ennything queer, and father he said he wood

“ S e q u i l ”

keep his eye peeled, but he told mother she must look out for the children.

Oct. 15. still rany, my throte is beter. we are going to have chicking for supper when the minister comes. tonite father brought some new goblets from boston. mother and aunt Sarah wiked all day making pies and cake. then mother let me lite a paper and hold the chickings over it to burn of the little fethers and hairs i like it becaus it smels like thanksgiving only i burnt my hand and it smelt jest like the chicking but i dident like that you bet.

Oct. 16, 186- today the hole town was full of ministers, most of them had long tailed coats and white necktis. Deekon Gooch came down to the house with 2 of them. aunt Sarah was waiting in her best dress and when she saw them coming she said Murder Joanna they is 2 of them, what shall we do, and mother said, mercy sakes what will George say. well the bell rung

“ S e q u i l ”

and i went to the door and asked them in and Deekon Gooch said they was Mister Fernald and Mister Robinson, he said they was his brothers. then Deekon he went off and i showed them to the front room up stairs and one of them asked me if i loved the lord and i said yes sir and he said i was a good boy. and then he asked me if i went to church and sunday school and i said yes sir and he asked me what was the tex last sunday and i said i didnt know what tex ment and he said what did he prech from and i said he preeched from the pulpit in church and from the platform in sunday school, and Mister Fernald he began to laff and Mister Robinson he said i wood-ent laff if i was you brother, and then he said what does the minister say after the first prair and i said o yes i know now, he says we will now take up the usual colection and then Mister Fernald laffed again, then Mister Robinson he asked me how many sisters i had and i said 4

“ S e q u i l ”

“ S e q u i l ”

and father said that Doctor Sole was a wirthy man but he didnt forgive ennyone which was smarter than he was. then father said you talk very strangly Sarah for one of your years and i shall ask the Coart to apoint me as gardeen over you as a person of unsound mind. then father said he had never told ennyone why he left the Academy so suddin, but it was becaus he broak his jaw in 3 places talking Greke to Doctor Sole. well he kept us laffing all the evening and when i went to bed he give me 10 cents so i gess he feels prety good about my prise.

Mar. 1, 186— brite and fair. father is going to the school exhibision.

Mar. 2. Brite and fair. tonite father lerned me a speach to say when old Francis gives me the prise. i dont want to say it but he says i have got to. this is my speach. Mister Francis i thank you very kindly for this beautiful present, witch i value for the honor witch has been confered on me, and i trust that i shall so conduck myself that you may never regret it.

Mar. 3. Brite and fair. tomorow is exhibision day. today we rehersed. Pricilla sung pulling hard agenst the streem and played the organ. Potter read a composition and Nipper xplaned the sum about the hundred geese the one i never cood do. Good morow farmer with your hundred geese sir i have not a hundred but if i had as many more and half as many more and $2\frac{1}{2}$ geese i

“ S e q u i l ”

shood have a hundred, how many geese had he. well Nipper can do that sum and so he has got to show of. i havent got to do ennything xcept to say my speach when old Francis gives me my prise, whitch is prety good for me.

Mar. 4. Brite and fair. i am not fealing very well tonite. father didnt go to boston this morning but staid to home. this morning in school we rehersed for xibision. Pricilla sung and plaid and Nipper rote down the geese sum on the blackboard and rote his name under it jest as good as he cood. i wanted to rite Nipper under it but old Francis wood paist time out of me if he found out who rote it. you aught to hear Pricil play and sing. he sings do your best for one another making life a plesent dream, help a poor and weried brother puling hard agenst the streem, and the old organ goes boom ya, boom ya, boom ya ya ya, that is a prety song for a feller to sing whitch never will give the fellers the core of his apple

“ S e q u i l ”

but always eats it hisself. well this afternoon i put on my best close and my plad neckti and a new paper coller and went to school erly. prety soon the people begun to come in. they was old Perry Molton and old Nat Shute and Gewett Swazie the committy, and old Bil Morrill with his hair curled under behind and Chick Chickerings father and mother and docter Goram, Nippers father and mother and Pricillas father and mother and lots of people and i thought father wasent coming but bimeby he come in with his new britches that he made Erl and Cutts give him and his boots blacked and aunt Sarah and Keene and Cele. Aunt Sarah had got her best earings and her dolman with beeds and Keene and Cele had on their bronze boots and there plad dresses and they got a seet on the platform. Keene and Cele felt prety big becaus they was in the seminary and Aunt Sarah felt prety big becaus she had on her earings and her dolman and father felt prety

big becaus i was going to get a prise. well first old Francis said a prayer and everyone bowed there heads and father bowed his two but i saw him peek out under his hand. well then we all sung and Mary Emery plaid the organ. then our class resited and Nipper xplained his sum about the geese and then Potter spoke a peace and then Pricilla plaid and sung his peace. then there was a dialog and then we sung sum more. then old Francis opened his desk and took out a little riting desk and said it had been prety hard to tell witch was the best scolar becaus they was 3 boys who were so near together. so he would give the riting desk to Arthur Goram and the glass inkstand to Johnny Brown and the stamp colecters book to Charly Hobbs. so when he give them Potter and Nipper and Pricilla stood up and bowd and said thank you. if they had been so smart they aught to have a speach ready. ennyway i had my speach all ready.

“ S e q . u i l ”

then old Francis said there was one boy who had grate talents and was a very brite boy but owing to his fondness for play had not done as well as he shood. but he had showed such talent that he aught to be mensioned espesially as he had been studying much better laitly. when old Francis said that aunt Sarah and Keene and Cele set up strate and father tride to look as if he dident know who he meant and i said my speach over soft, to be sure i had it rite. then old Francis said i have selected as a present for this boy a book, and the name of this boy is, and then he stoped a moment and i cood almost hear my heart thumping, and then he said Johnny Chickering. Gosh i had forgotten all about Chick Chickering living on Coart Street. when he said that aunt Sarah and Keene and Cele sat rite back in there chairs and father turned aful red and looked at me as if he wanted to nock my head rite of and then he droped his hat on the floor and it

“ S e q u i l ”

fell of the platform and roled way out under Medo Thirstons seet and then he blew his nose with a auful toot. then old Francis give Chick the book and then he read the names of the 10 next best scolars and my name wasent there eether. and then father looked mad enuf to bust, and Aunt Sarah and Keene and Cele looked prety sick. then we all sung happy school Ah from the never shall our hearts long time be turning, and then school was dismissed. docter Goram and Nippers father and mother and Pricillas father and mother and Chicks father and mother and lots of the people staid to shake hands with old Francis, but father marched rite out and Aunt Sarah and the girls two. well when i got home you aught to have heard father. he said i was the laziest and most wirthless boy there ever was, and i was a disgrace to him and he sent me to bed lively. i didnt want the old book ennyway.

“ S e q u i l ”

my arm and my fist hit Beany rite in the eye. you had aught to herd him howl. then mother called me in and sent me to bed. it is prety tuf when a feller cant hit another feller in the eye witch is chasing him. well ennyway i stamped upstairs to bed and when father came home i knew i shood get a licking. so when father came home i lissened and herd them eating super, and i herd father say where is that boy and mother said i sent him to bed for striking Elly Watson. Elly is Beany you know. and father said witch licked. and mother said Elly was crying very loud and holding on to his eye, and so i sent Harry to bed and father said if he didnt do ennything wirse than licking that Watson boy i wont complane and if he will get up spunk enuf to lick that boy of Brad Puringtons, he ment Pewt, i will give him a treet. then mother said i dont know what is the matter with Harry this vacation. he is cross and impident, and then

“ S e q u i l ”

Keene said i slaped her face yesterday and Cele told Keene it was her falt and she hadent aught to have plaged me, and Keene said she dident and Cele said she did and father said you girls shet up when your mother is talking. then someone shet the door and i dident hear enny more. after super Cele come up in my room with a tray with my super and i set up in bed and et my super and Keene looked into the room and made up a face. after super i heard father talking again and he said i needed a good licking and mother said something was the matter with me and she never knew me to keep cross for a hole week, and father said he wood take it out of me in 2 minits and mother said no she wood talk to me. So bimeby mother come up and i made beleve i was asleep and mother set down by the bed and said are you asleep Harry, and i said yes before i thought, and then she sorter laffed and began to talk to me and told me how sorry it made her feel

to see me so cross and doing bad things and she wanted me to be better and not worry her for she didnt feel very well and gosh before i knew it i was balling rite out. well i balled good and she rubed my head and got me a drink of water and i said i wood do beter. then she kissed me and went down and after a while i went to sleep. gosh i maid up my mind if father licked me that i woodent ball and i wood do something aful the next day, i wont say what it was but it was something aful. i have been a prety mean feller.

Mar. 11, 186- when i got up this morning i felt buly, and i got a pail of water and brogt in wood enuf to fill the woodbox way over the top. it is warm and the snow is all gone xcept in the corners where the drifts were. i saw a robin today and i wished on it but i cant tell what i wished becaus if i did it woodent come true. it is something i have been wanting aful for a long time, but i havent had money enuf to buy it.

Mar. 14. Beany got mad today and says he wont keep store with me. we got our flyboxes all pined up and our boxes of cigars all ready and mother said she wood give me some molases for sweatened water. so we was all ready when Beany got mad about the sine. he wanted it to

“ S e q u i l ”

be Watson and Shute becaus he is older then me, but it was my shed and my sweatened water and my board and my barils and so i said my name shood come ferst and he got mad and took half of the things and went home. i dident let him have a bit of the sweatened water. didnt hit her and both eggs smached agenst the barn and the cat ran into the barn and a man came out with a tin pail in his hand and a little stool in the other and holered at us and we licked up the horse again. after that we didnt plug enny more for they was only 7 eggs left and they only ratled a little. when we got home Beany let me out and i told father about the eggs being roten, he was prety mad and said i had aught to have shook them before i took them. he asked me what i did with the roten eggs and i said i threw them away and jest then Mister Watson Beanys father came over with Beany and 2 men and it was the same man whose horse we plugged with roten eggs, and the man who holered at us when we plugged the old cows. the man grabed me by the coller and told father i was the wirst boy in the town and if father didnt lick me out of my skin he wood, and father said hold on there, they aint nobody going to lick my boy

“ S e q u i l ”

unless he licks me ferst, and he walked up to the man prety quick, and the man let go my coller and father said if they is any licking to be done i can do all that is necessary, and the man said we are going to have him arested, and father said what has he done and the man said these two boys have been throwing rocks at my horse and have cut a big gash in his side and he is all over blud, and the other man said we had been plugging rocks at his cows and had cut one on the head and one on the side well me and Beany said we only threw geese eggs at them and the blud was the runny part of the eggs and we crossed our throtes and hoped to die if it wasent so, and father said to the man did you xamine the gash and he said he was so mad when he see the horse that he hitched up the other horse and followed us and told his hired man to look after the horse and brogt the other man to. so father said to Beany's father to hich up his horse and we wood go down

“ S e q u i l ”

and see if we had lied to him and he said if i had lied to him he wood give me the wirst licking i ever had. well jest as we were going to get in the wagon the man whitch had the tin pail and the stool in his hand come driving up and said we had been plugging roten eggs at his barn and father said he wood be cussed if he ever saw such boys, and me and Beany said we dident mean to hit the barn but we plugged at the cat and dident hit her. then the other men told him about the horse and cows and he said it was only roten eggs and then they felt beter, and they said they was willing to let us of with a good licking, but father said he woodent lick me for ennybody else, but he wood pay them for their truble and they said they wood settle for fifty cents each and i had to pay it out of my cornet money. i only had one dollar and 30 cents but Aunt Sarah give me 20 cents. i beleive i had rather got a licking for it will take me 6 weaks to ern so much money and i

“ S e q u i l ”

wood have got over a licking as soon as i got to sleep. then father sent me to bed. i wonder if Beanys father licked him. i shall know tomorrow.

Apr. 18. Brite and fair. Beany didnt get licked.

Apr. 19. Brite and fair. i bet father cood have licked those 3 hampton falls men together easy.

Apr. 20. Brite and fair. i shall never get that cornet.

Apr. 21. i had some fun today. they wasent enny school today becaus old Francis had to go to a funeral or something. so i bilt a nest for my hens.

Apr. 22. Brite and fair. father aint going to have enny geese. tonite we got a old yellow hen of Sam Dire and set her on 7 eggs in the horse-stal, and then we had super. nothing hapened at super xcept that Keene got sent to bed for sticking out her tung at father when she thought he

“ S e q u i l ”

wasent looking but he was, becaus he woodent let her go over to see Lucy Watson Beansys sisters new hat. well after it was dark father said i forgot to pay Sam for his hen and he started rite acros the garden to go over to Sam Diars and it was dark and i herd a aful splash and thumping round and feerful swaring and i knew father was in the geese pond. i woodent dass to wright down what he said, if i had said what he did he wood have sent me to bed for a year. well he came limping home and swaring into the house and he made me get a lantern and we went out to the barn and he took the old hen by her hind legs and swung her round jest as we fellers do when we plug apples on a stick and plugged her way over in Sam Diars yard and then he took the eggs and plugged them as far as he cood and told me to fill up the pond tomorow or he wood lick me. then we went in and mother and aunt Sarah nearly killed themselves laffin and father said i

“ S e q u i l ”

spose you wood laff if i killed myself and when i went up to bed i luffed easy and Keene and Cele were laffing under the bed close. bimeby i herd father laffin and then we all luffed loud. jest think i had to pay a dollar and a half of my cornet money for plugging 5 eggs and father plugged 7 eggs and a old hen and dident have to pay ennything, ennyway it was fun to see him.

Apr. 23. Brite and fair. i filled up the geese pond. it was sunday but it was after dark.

Apr. 24. Brite and fair. when father came home i told him i had filled up the geese pond and he asked me where the tub was and when i said i had filled it up he said i was a loonatic and dident know enuf to go in when it raned. so he made me dig out the tub and fill in the hole. i tell you i have to wirk prety hard.

Apr. 25. Brite and fair. today old man Thirsten Medos father came to the house and told mother someone had plugged roten eggs at his barn.

“ S e q u i l ”

mother didnt know what to say for a minit for she didnt want to tell about fathers falling into the geese pond, so she said she was very sure i hadent done it but she wood speak to father about it, so when father got home old man Thirsten came up to the house and said George that cussid boy of yours has been plugging roten eggs at my barn and father said this time Kimball, his name is Kimball, he didnt do it for he was with me all the evening til he went to bed. so father and old man Thirsten went down to see the barn and it was all spatered with yellow. then old man Thirsten said he wood give a dolar to know who the scowndril was witch plugged those eggs, and father said i wish you cood Kimball, it is a outrage, and father looked aful funny, jest as he did when he scart old Ike Shute that time on the high school steps. when we went home father kept laffing, and when he told mother she said it was a shame and he aught to

“ S e q u i l ”

make it rite with him, and so father bought a sawhoss of him, he sells sawhosses, and i have got to use it. somehow i always get the wirst of it.

Apr. 26, 186- it raned like time last nite but it was brite and fair when i got up. what do you think, me and Beany are going to by a horse of old Nat Mason. he lives down Stratam road and he has a old troter that can go like time.

Apr. 27. brite and fair. me and Beany saw old Nat today. we aint got enny chink. if i hadent paid that money to those hampton falls men for pluging roten eggs at there cows i should have sum. all i can rase is thirty five cents and Beany can rase fifteen cents. Fatty Gilman most always has lots of chink.

Apr. 28. me and Beany saw Fatty today. he wants to go in with us becaus he says his folks want to use old Chub so mutch that he dont get enny chance to use him. but Fatty he hasent got enny chink eether. enny way we are going to see

“ S e q u i l ”

old Nat tomorrow and peraps he will let us have it on tick.

Apr. 29. brite and fair. today was saterday and this afternoon me and Beany and Fatty went down to see old Nat. he was in a old house smoking a old pipe made out of a corn cob. so Fatty he asked him to show us his old plug, only Fatty dident say old plug but said Mister Mason can we see your troting horse, and old Nat he got up and went to a little barn and opened the door and holered get up lady Clara and she tride to get up and coodent, and old Nat swoar and kicked her and then she coodent get up, and then he clim over her and puled her head up into the rack and then he took a stick and hit her sum more and swoar sum more and then she got up. then Beany he asked old Nat what made her not get up and he said that troting horses most never laid down more than once or twict a weak and sum of the best trotters never laid down. he said Dexter and

“ S e q u i l ”

Flora Tempel never was knowed to lay down. then Fatty asked him to let us see her trot and he hiched her into a buggy and we set on the fence and old Nat he drove of most walking. bimeby we herd the old wagon ratling and old Nat he came down the street just fluking. I never saw a horse go so fast. i tell you old Nat he had to pull to stop her. she breethed prety hard and jerky, but Nat he said it was hickups becaus she had et too mutch. Fatty he asked how old she was and old Nat he said she was bout 12 but that she wood be good til she was 30. Then we asked how mutch he wood sell her for and he said he wanted 5 dolers for her but he wood let us have her for 2 dolars and fifty cents and we could have the wagon for 2 dolars and fifty cents two, and he wood throw in the harnes. but we dident have the money and so we tride to swap and bimeby he said if i wood give him my gun and Fatty wood give him his silver pensil

“ S e q u i l ”

case and Beany give him his 6 bladed nife he wood trust us for a month. so we give him the things and he give us the horse. only we coodent take her then becaus we have got to find a place to keep her. none of us dass to tell our folks about it. we woodent let Fatty know about it if we hadent suposed he had plenty of chink.

Apr. 30. brite and fair. after church today we went round to see if we cood get a place to keep our horse. we asked Noot Crumet but Noot he said he dident have enny place to put her unles he give her his room and he told us to go to Bucher Haly and see if we coodent get a chanse to put her in his smoke house for we cood keep her longer there than enny where else and so we went to him and he chased us out of his yard. then we went to Charles Flanders but he dident have but one room and his shed wasent big enuf to keep a gote, and then we went over to old Jethrow Simpsons and Jethrow he said if we wood help

“ S e q u i l ”

Fatty he drove ferst becaus he said we coodent have got her unless he had got the old tall bever. so Fatty he drove up as fur as ass brook and then Beany he drove as fur as the old brick meeting house and then i drove as fur as the hall place where Jethrow lives. we all had to stand up when we drove becaus the ranes is two

“ S e q u i l ”

May 21. Brite and fair. i had a feerful day. yesterday. i feel so bad i cant hardly wright ennything. but i will try to wright it all down. in the morning me and Beany and Fatty we hiched up lady Clara and drove round town. sum of the fellers holered at us but we didnt care. they was lots of ministers in town. they was mostly long tailers with white necktis. so in the afternoon we hiched up agen and drove up to the depot. old woodbridge Odlin was there wating for the 2 oh clock trane. he had a baruch with a driver and his new span of black horses with cliped tails. and he had on his long tailed black coat and a shiny bever hat. well we didnt wate for the trane but we drove through Winter street and out to Front street. when we came to Lincoln street old Woodbridge Odlin came along with his baruch filled with old ministers with bever hats and specks and white necktis, and the driver hit the horses and away they went lickity larup. well

“ S e q u i l ”

. Beany he was driving and he leened over and hit lady Clara a paist with the whip and she went after them like chane litening, and we all began to yell and the black horses went faster. well they was 2 rods ahead and when we got to Whackers house we was most up to there hind wheel, and when we got to doctor Gorams office we was jest even. the old ministers was bouncing around and holding on to the sides, and old Woodbridge had lost his hat and was standing up yelling sumthing at the driver, and his whiskers were blowing way behind him. it makes me most die to think of him but i dont feel mutch like laffin. well when we got to Elliott street we were ahead of them and then the driver began to pull up his horses becaus all the people was yelling and waving there hats like time. well lady Clara was breething so she sounded like a big sawmill saw, and when we tride to stop her she woodent stop so we all tride together but we coodent pull

“ S e q u i l ”

her in a mite she had her tail sticking rite up in the air and the more we pulled the faster she went, when we went thru the square Fatty holered to run her over string brige and up factory hill so we cood stop her, and we pulled as hard as we cood but when she came to the corner she tirmed around into Water street and over went the wagon and we came out jest fluking. well we want hurt mutch and we run after her as fast as we cood. we found pieces of the wagon and harnes all over the street and when we got to the barn she was there all rite. lots of people came to see about it, but when they found that nobody was hurt they went away. they wasent ennything of the harnes left but the bridle and the wagon was everywhere along the street. Well when father came home somebody had told him about it and he made me tell him all about it, where we got her and how we fed her and everything, and when i told him about the hay i thought he was going to

“ S e q u i l ”

lick time out of me he was so mad, and he said he never knowed i cood steal, and i said i only hooked it and he said what is the diference and i said stealing is taking sumthing that you know belongs to sumbody else, and hooking is taking sumthing that belongs to you and sumbody else wont let you have. i suposed everybody knowed that. well he didnt lick me, but after super he got mister Watson, Beanys father and we all went over to see lady Clara and what do you think, when we got there she was ded. i gess she had broak something inside of her. i tell you me and Beany felt prety bad and Fatty did when we told him. well then father and mister Watson Beanys father told us to go home and go to bed and so we went. so tonite i herd father telling mother about it and he said he give old Jethrow a dresing down that wood tech him not to cheet a boy agen. he said if Jethrow hadent been a old man he wood have nocked his head of.

“ S e q u i l ”

and held out sum meal in a pail and got her in the barn and tide her to a post. then he give her sum hay and we went in and he told mother she had beter make sum araingments to sell sum milk for we was going to have 20 quats every day. then mother she said if the cow gives milk like my hens lade eggs they woodent be mutch milk to sell, and father said you jest wait til morning. then we went down to old Gechels store and father he bougt the biggest milk pail he cood find.

May 27. brite and fair. this morning me and father got up erly and we went out to feed the cow and i piched down the hay and father he set down and begun to milk her, he brought out the big pail and a little one to use after he had filled the big one. well the ferst thing he did was to aim a streem rite in my eye. then he milked in the pail and it made a funy sound, well he kep milking and bimeby it stoped coming, and he squeazed away as hard as he cood and he coodent

“ S e q u i l ”

“ S e q u i l ”

nated with the scab of a redheaded person your hair will turn red, and if he has warts or frekles you will have warts two and frekles. father said once when he was a boy he knew a feller witch was vaxinated with a scab of a cock-eyed man and bimeby the feller began to squint and he kep on squinting wirse and wirse and bimeby he was cock-eyed two. and father he said he knew another feller witch had a wooden leg and he sent his scab to another feller to be vaxinated and that feller began to limp and he always walked stifleged. i gess father was fooling. ennyway i hope i shant be vaxinated with Skinny Bruces scab, becaus he is redheaded. father he said he was going to get a scab of Horis Cobb for me and perhaps i wood have a little fat on me and not be so spindel shanked. i wish i cood get a scab of Gim Erly or Tady Finton and i cood lick time out of Pewt.

“ S e q u i l ”

June 27. Brite and fair. gosh if we didnt have a aulful time today. in the morning me and Beany went up to the church and rung the bell, we had a good time and rung it jest so many rings jest as mister Watson, Beanys father told us to, then me and Beany both got kep after school, and when we got out we asked Noot Crummet what time it was and he said it was jest 1 oh clock and that the town bell had jest struck and then me and Beany jest put for the church as tite as we cood hiper, and we was prety near tuckered out when we got there and we both grabed hold of the roap and begun to ring the bell. well we only rung it a few times before we herd sumone holler fire, and then more people begun to holler and we looked out and we saw Charles Fifield and Charly Batcheldor and Chick Randall and Jimmy Josie jest putting it for the

ingine house, and Beany said buly they is a fire, and we begun to ring the bell as hard as we cood and holler fire. then the Methydist bell begun to ring and then the upper house bell, and Charles Tolls horses came galoping down to the fountain ingine house with Mat Sleeper driving. And Mager Blakes horses went by jest lickety larup for the Torrent ingine house with old Brown driving, and then Flunk Ham came piling into the church and said, give me that roap and he puled like time, then sum peple came runing in and said where is the fire, and Flunk he said we didnt know, and then we herd the ingine and went out and they was the Torrent and the fountain and lots of men, and they said where in hel is the fire and nobody knowed where it was. and then Chick Randall he asked Flunk what he was ringing the bell for and Flunk he said he found me and Beany ringing it. then they asked us what we was ringing it for and we said we was ringing it for Mister Watson

“ S e q u i l ”

Beany's father, because he was going to ring it for Mister Johnson, and he had to go to Portsmouth and so he told Beany to ring it, and then old Brown he said us was fools and asked us if we didn't know enuf to tell time and he said it was only 20 minits past 12 oh clock when the bell begun to ring, and some of the people was mad and said we had aught to be arested, and then we said that Noot Crummet told us it was 1 oh clock and then sum of them begun to laff and said it was a good one. Ennyway me and Beany run home as quick as we cood and the people went of two. well tonite father said if he had got into so many scrapes when he was a boy as me and Beany did he wood have been in jale. and Aunt Sarah laffed and said she gessed she cood tell a few things if she wanted to and father he said he cood too but he gessed he woodent. Ennyway he said Gim Melcher and Charles Talor led him into a good many scrapes and Aunt Sarah she said she gessed me

and Beany and Pewt want a sercumstance to father and Gim Melcher and Charles Talor.

June 28. brite and fair. it is most fourth of July again. they is going to be a band concert on the square. i shant have as mutch money as last year. ennyway i bet i will have a good time. i went in swimming 4 times today. i coodent go in while my arm was sore. Annie is most well but cross as time.

June 29. brite and fair. i went in swimming 5 times today. tomorow me and Pewt is going pik-erilling. Pewt is a good feller to fish. fourth of July is coming next week.

June 30. today me and Pewt went fishing. We got Charles Flanders little blew bote. it is the esiest bote to row i ever rowd. Pewt cougt 4 pik-eril and 5 kivies and 3 pirch. i cougt 2 pikeril and 2 kivies and 4 pirch and 1 sucker. we cougt sum minnies and shiners for bate but we dident call them ennything. we div of the bank at the

“ S e q u i l ”

eddy, once Pewt slipped and come down all guts, it knocked the wind all out of him.

July 1. brite and fair. today is the first day of July, and we had my fish fride for brekfast.

July 2. brite and fair. i bougt 5 bunches of snapcrackers and 2 bunches of canon crackers and sum slow mach and put them in a box in my room. tomorow is the nite before fourth. Pewt is going to have a pistol and Beany a canon. father he says if he hears of me fooling with a gun he will lick me and send me to bed for a week. ennyway he dident say ennything about a pistol or a canon.

July 3. gosh i was scart today. this morning i went up to my room to look at my snap crackers. i got the box on the floor and was counting them when i looked out of the window. i saw old Miss Hartnett hanging out sum close on the line, i thought i cood make her gump and i wanted to try jest one canon cracker to see if they was good ones. well i lit one and plugged it down behind

“ S e q u i l ”

her, and jest as she was reeching up with her mouth full of close pins it went of bang, and she hollered love of God and went rite over backwards. i thought i shood die and jest then one went of bang rite in the room and then they all begun to go of bang bang bang and i grabed the box up and plugged it out of the window and mother came up jest hipering and the room was full of smoke and i was stamping out the burning paper. well when i got it out she was prety mad with me and made me clean the room and wash the floor and windows. ferst i went out and picked up my snapcrackers. they were all rite but all the canon crackers but 2 had went of. Mother she asked me how they got afire and i said i was fooling with them and they got on fire and i had to plug them out of the window. then she said that was what fritened Miss Hartnett so and i said was she fritened and she said she was so fritened that she fell over backwards and i said is that so.

“ S e q u i l ”

mother dont know i did it on purpose whitch is prety good luck for me, so she only made me keep my snapcrackers in the yard. so i put them in a hole in the apple tree. gosh, you aught to hear Miss Hartnett tell about it.

July 7, 186— brite and fair. i have been in bed 3 days. on the fourth i got bloan up with Pewts canon. i had fired all my snapcrackers but 2 bunches whitch i had saved for nite, so me and Pewt we was fixing the canon, ferst we wood put in sum powder and then we wood put in sum wet paper for a wod and then we wood put in sum grass and then put in the ramrod and pound it down with a rock. then we wood put a fuze of a snap cracker in the tuch hole and lite it and put for the other side of the street and it wood make an aful bang and tern 2 or 3 sumersets. Well we had lots of fun and bimeby i was poaring out sum powder out of the powder horn and all of a suddin they was a flash of litening and the next i knew i

“ S e q u i l ”

was in bed and father and mother and Cele and Keene and docter Perry and aunt Sarah and aunt Clark and Georgie was in the room, and i said what is the matter and mother began to laff and then to cry and Docter Perry he said you had better take her out and let her lie down, but mother she said she wood be all rite and docter he said you needent wurry Missis Shute, you coodent kill this boy with brik. well my eyes smarted and i felt like the room was spinning round but it didnt hurt enny. well that nite i coodent go to the band concert but they pushed my bed up to the window and i cood hear it prety good. the next day i had sum buly gelly and oranges and Cele and Keene read to me and in the afternoon Beany came in to see me. Beany he burnt his hand on the fourth and Pewt he burnt of one eyebrow and so we all had a prety good fourth. Yesterday Boog and Puzzy came down and fit for me until mother came up. i am all rite now and tomorow

“ S e q u i l ”

i can go in swimming. it was the babys berthday today. he was just 1 year old. he is a aful fat little baby, when i was sick mother wood let him sit on the bed.

July 8. brite and fair. i went in swimming to-day. the water was jest as warm as if it came out of the kittle. next monday i am going bull frog-ing with Cawcaw Harding.

July 9. brite and fair, nothing today but church.

July 10. me and Cawcaw had a prety good time today. we cougt 3 dozen bull frogs legs. we got sum old busters. it is aful funny to catch them. they will bite a bare hook, so we swing the hook by them and they gump for it and then they kick and almost tern rong side out trying to get of of the hook. then we grab them by the legs and whak their heads over the side of the bote and their inside comes out and sumtimes lots of hard water snales comes ratling out and sum-

“ S e q u i l ”

times they has fishes and sumtimes other bull frogs or stripers. then we cut of there legs. me and Cawcaw always kill them ferst. sum fellers cut of there legs ferst, that is prety cruil i think. Cawcaw he thinks so two.

July 11. brite and fair. today i went in swiming up to sandy bottum. Whack and Boog and Puzzy were there and got to plugging green apples. Whack got behind a tree and jest as he peeked out Boog plugged a hard one and took Whack rite in the mouth. then Whack got mad and said he cood lick Boog and Puzzy together, so Boog and Puzzy piched in and had a good fite and punched time out of Whack. While i was waching them fite, sumbody tide gnots in my shert sleavs so tite that i coodent get them out so i had to go home without my shert on. it was prety lucky i had my jaket on.

July 12. Today i went up to Whacks and we et sum green currents with shugar on them and

“ S e q u i l ”

then et sum green apples and then we went in swimming down to sandy bottum. i dont feel very well tonite, i have got a bely ake.

July 13. i have been sick all day, mother made me take a big spoon full of caster oil.

July 14. i am beter today, it raned all day and tonite they was a thunder shower, it struck a tree in Gilman field.

July 15. i went up to Whacks agen today. i dident eat enny green apples or green currents you bet. Whack and Boog and Puzzy did and they give little Willie sum. they never have the bely ake. i never see such fellers.

July 16. i have got a velosipede, it ways 90 pounds. i have got so i can ride it down hill, last nite i was riding it up by Gim Odlins and it ran rite into a tree and i came of rite over it and scrached my hands and nocked the skin of my gnees. today was sunday and i coodent ride it but i set on it.

“ S e q u i l ”

July 17. Hot as time today. Docter Gerrish and Docter Perry and J. Albert Clark have all got bulky velossipedes, they have spring backs but mine is solid iron back and when i go over a bump or a stone it most ratles my teeth out. Beany he can ride two, but Pewt cant.

July 18. feerful hot.

July 19, 186- we fellers is going to have a swiming mach. they is going to be prises for the feller witch can dive the best and for the feller witch can swim the fastest and for the feller witch can swim the furtherest under water and for the feller witch can flote the best without wigling his arms and legs. i bet i will beat sum of the fellers. most of the fellers can beat me rassling or nocking of hats or running or gumping but i bet i will show them sumthing when we come to race in swiming. i practised today diving until my head aked feerful.

July 20. the race is to be next Wensday.

“ S e q u i l ”

They is Pewt and Beany and Fatty Gilman and Fatty Melcher. Boog and Whack and Puzzy was going to race but they wanted to have it at sandy bottum and we fellers wanted to have the diving mach at the oak and the swiming under water at the gravil becaus it is wider there, and so they was mad and woodent come in. Ennyway sandy bottum isent wide enuf and you cant tell whether a feller is swiming one foot on bottum. today i went in 7 times. ferst i practised swiming fast bullfrog fashion. next i practised side stroak next i practised swiming under water. i swum 5 times acros at the gravil. then i practised floteing, but i cant flote without keeping my hands moving. ferst my feet sink and when i get straight up and down my head goes under. then i div until my head aked like time agen. i feel prety tired tonite.

July 21. rany as time. i only went in swimming 2 times today and i dident dive enny. i only

“ S e q u i l ”

practised swiming fast and floeing. i coodent floe. in every boys book of sports and amuzements it says throw yourself on your back and throw your head back and hold your breth and you will not drownd until asistance reeches you. so i tride it today but i coodent hold my breth more than 1 minit and as soon as i let out my breth down i went unless i kep my hands moving. so what the man witch rote that book said aint so unless asistance comes in 1 minit.

July 22. brite and fair and hot as time. Pewt thirks he is going to beat me swiming. i gess he will find out.

July 23. today was sunday and i coodent practise swiming or diving, darn it.

July 24. brite and fair. i only went in swiming 2 times today, once this morning and once this afternoon, but i staid in all the morning and all the afternoon so i coodent go in more then 2 times. the race is day after tomorow.

“ S e q u i l ”

July 25. brite and fair. today we went up to Pewts and we aranged about the prises. Pewt was to give the prises. the prise for swiming fast was a bag of erly apples from Pewts garden. the prise for swiming under water was a gewsharp and the prise for the best diver was a cain fishing pole and the prise for floteing was a arrow rifle. we all give 5 cents eech to buy the cain pole. the gewsharp was one witch Pewt had and the arrow rifle Pewt had made. So Pewt he said as long as he give 2 of the prises he was to have the say about witch beat.

July 26. brite and fair. the fellers plaid a meen trick on me today. the meenist i ever see. i wont ever speak to enny of them agen. this morning we had the race. ferst we had the fast race. we started at the oak and swum down to the gravil. i was as far as from here to Beanys house ahead. so i got the apples. Fatty Melcher was next and Pewt was next and Beany and

“ S e q u i l ”

Fatty Gilman got tired and went ashore. next we had the floteing mach. Fatty Gilman floted the longest and then Beany becaus he was fat two and then Pewt and then Fatty Melcher and then me. i was the wirst and the fellers all howled at me. so Fatty Gilman he got the arrow rifle. i dont cair. then we went back to the oak to have the diving mach. after we had div Beany and Fatty Melcher they said i div the best and Pewt and Fatty Gilman said Pewt div the best. then Pewt giv himself the prise becaus he had the say. i was prety mad. then we went down to the gravil to have the swiming under water mach so i went ferst and i swum from the going in place on Moltons field to the elm tree on old Nat Gilmans side and when i come up and looked round they wasent enny feller ennywhere. so i swum back prety lively and my close was gone and the apples and the gewsharp and the fellers two. so i dident know what to do. i thought

“ S e q u i l ”

they had hid the close and i hunted in the buches but i didnt find them. so i wated a long time and bimeby i heard sum oars and i looked and i saw a bote with a feller and 2 girls, so i coodent holler and i hid behind a tree. so they went by and then i come out and i walked back to the oak and when i got there i found sum girls picking dasies and i lay down behind the fence and just then a hornet stung me 2 times and i yelled and gumped rite up and danced round before i thought and then i see them and i hipered back to the gravil, they hipered two the other way you bet. well i set there in the shade for a long time until i got kind of cold and then i set in the sun. i thought sum of the fellers wood come in swiming, but nobody come. i knowed if i wated til dark i cood get home all rite, only i wood get a licking for scaring the folks most to deth for they wood think i was drownded. well jest then i heard sum fellers talking up by the

“ S e q u i l ”

oak and i went up and there was Potter Goram and Chick Chickering. they had been fishing and had cougt sum buly pikeril. well i holered to them and they come down where i was and i told them about the meen trick the fellers had plaid on me and Potter he said he wood go home for sum close and he give me his jaket and then he hipered acros the field and me and Chick began to fish and i cougt a pirch and a eal and Chick he cougt 2 roach. then Potter he come back with my best close and so i coodent fish enny more. so i went home in my best close. when i went by Pewts he holered Plupy has got on his best close. i dident say ennything. so when i got home mother asked me about it and i told her, it want telltaily eether. so mother she told me to go up to Pewts for my close and i said if Pewt took them he cood bring them back and Beany and Fatty two. so at super father he asked me why i had got on my best close and i

“ S e q u i l ”

told him and he said if Pewt didnt bring those close back in about 5 minits he wood go up and boot him down to our house and back agen and jest then Mister Purington came into the yard holding Pewt by the ear. Pewt he had the close and Mister Purington he nocked at the door and he asked for me and when i come to the door he made Pewt give me the close and then he told Pewt to tell me he was sorry for what he had done and Pewt he didnt want to say it but Mister Purington most lifted Pewt of the ground by the ear and then Pewt he said he was sorry kind of mad like and Mister Purington lifted him up agen til Pewt he stood on his tip toes and his face was all onesided and his eyes all squinty and then he had to say it over agen polite. and then Mister Purington he led Pewt home all the way by the ear. i thought i shood die. it sirved Pewt jest rite. father laffed when i told him how the hornet stung me and how the girls hipered.

“ S e q u i l ”

July 27. brite and fair. Pewt cant go out of the yard today. i dident speak to Beany.

July 28. brite and fair. i am going with Potter and Chick Chickering instead of Pewt and Beany. we went butterflying today.

July 29. brite and fair. nothing to wright today.

July 30. thunder storm rite after church. i wish it had been rite before.

July 31. tonite a man come down to see father and said i had gumped up behind a fence without my close on and scart his girls. he was stoping at the beach and they come up to Mager Blakes hotel. well father called me in and i told the man all about it and bimeby he begun to laff and he said it was a prety meen trick on me and he shook hands with me and he was glad i dident do it a purpose only he was sorry i got stung.

Aug. 1. me and Potter and Chick went fishing. Chick fell of little river brige with his

“ S e q u i l ”

close on. Potter caught a whacking snapping turtle. he gave it to Sam Dire and he cut his head of after it was cut of it wood bite a stick. Sam says it wont die til the sun goes down. he says that if you cut a snake in 2 peaces it will come together agen and heel up and be as good as ever. me and Potter is going to try it.

Aug. 2. big thunder shower last nite. we all got up and lit lamps and set round in our nite sherts. we lit all the lamps we cood find so we coodent see the litening. father kept telling funny stories, but mother and Aunt Sarah was scart and told him he hadent aught to joke when enny minit he mite be struck by litening. father he said he dident beleave the litening wood strike him enny quicker for not being scart of it then it wood if he gumped and holered o lord every time it litened. well after a while it only litened way of and we went to bed.

“ S e q u i l ”

Aug. 3. i havent spoke to Beany yet or to Pewt eether.

Aug. 4. this morning it was Friday. we have fish chowder Fridays. i dont like it and so i drink milk and father wanted the milkman to go down celler to try some of his vinegar. mother hangs the wash boiler and the tin pans and iron kittles in the celler way and when ennyone witch is tall goes down celler he has to stupe down so not to nock down the pans and kittles. so father he was down celler and he holered for the milkman to come down and when he went down he hit his head against the boiler and nocked it down and all the kittles and pans tumbled down on his head and went banging down into the celler and you never heard such a feerful noise. father was mad as time, but after the milkman was gone we all laffed as if we wood die. mother and Aunt Sarah had to set down they laffed so. mother said it made more noise then the thunder did last nite.

“ S e q u i l ”

Aug. 5. me and Cawcaw Harding has got a new way of fishing for pikeril when we are in a bote. one of us padles the bote and the other skips for pikeril. when you try to pull a pikeril into a bote most half of the time he goes over the bote into the water, so when me and Cawcaw fishes when the feller which is skiping gets a bite he lets him have it a minit and the feller whitch is padling the bote padles towards the shore and then the feller whitch is skiping gumps rite out as soon as the water aint over his head and gives a big yank, and the pikeril goes saling into the field. sumtimes when it is woods the line gets tangled all up in a tree and we have to shin up the tree or cut it down to get the pikeril. we get prety wet but we dont cair. we always ring out our close when we get done fishing and they is most dry when we get home. today the biggest pikeril we caught got up in a tree and we coodent shin up the tree and we coodent plug him down

“ S e q u i l ”

with rocks so we had to leeve him there. we got 12 pikeril. we are going monday.

Aug. 6. brite and fair. today after sunday school Beany he came over and we made up. this was the longest time i ever was mad with Beany. i am glad we aint mad enny more. father let me go to ride with Mister Watson and Beany this afternoon. we went down to the beach and took our lunchun. when we was coming home me and Beany got most asleep and our legs got asleep two, so Mister Watson he told us to get out and walk a little and we wood be all rite and when we got out he whiped up his horse and drove of lively and made me and Beany walk most a mile. we kep awake after that you bet. i had a good time.

Aug. 7, 186- cloudy but no rane. me and Cawcaw went fishing agen today in the bote ferst i padled and he skiped and then he padeled and i skiped. when we got up by the cove i got a bite

“ S e q u i l ”

and Cawcaw he padled the bote towards the shore and i gumped out lively and gumped into a deep place and went down way under. when i came up Cawcaw was nearly ded he laffed so well i held onto my pole and swum to the shore it was only 3 stroaks and i sloshed up the bank and yanked that pikeril way into the buches. he was a big one. Cawcaw did it purpose. sumtime i am going to rock the bote sudding when Cawcaw is standing up skiping and he will go into the river kerswash.

Aug. 8. hot as time. me and Beany rung sum more doorbells tonite. we dident get cougt.

Aug. 9. brite and fair. Potter Goram can stuf birds, so they look jest like they was alive. he stufed a red winged blackbird so good that the cat et it and dide. and then Potter he skun the cat and stufed her. i can skin the cat on the horizontle bar, that is another way.

Aug. 10. me and Beany rung sum more door-

bells tonite. we rung old Heads doorbell and then we tiptode round by the side of his house into Gim Ellersons yard and laid down behind the current bushes. well jest as old Head come piling out mad as time Pewt and Fatty Melcher come rite by and old Head grabed for them and Fatty he run and Pewt got cougt and old Head he jest lammed Pewt with his cain and Pewt holered he dident do it and old Head said he did and then he give Pewt sum good bats and sent him home balling. me and Beany most dide only we dident dass to laff out loud. jest then father come out to see what Pewt was holering about and he said what is the matter Orrin and Mister Head he said sum cussid boy has been ringing my door bell most every nite and i cougt him tonite and licked him good. and father he said who was it, and Mister Head he said it was Brad Puringtons boy, and father said i am glad it was-ent my boy and mister Head he said i am glad

“ S e q u i l ”

two but i gess your boy woodent be meen enuf to ring doorbells and father he said i gess he woodent eether and then they went in and me and Beany we tiptode up Maple street and down town and then back home jest as if we had been down town all the time. that was a good one on Pewt. it made me think of the time Mister Watson Beanys father licked Beany when we rung his doorbell and he came to the door with a lamp and the wind blowed the lamp out and Mister Watson he bumped his head on the door.

Aug. 11. brite and fair. i cant help laffing every time i think of Pewt getting licked. it is a good one on Pewt.

Aug. 12. brite and fair. tonite me and Beany tride the same trick on Nipper. we saw Nip go down town and we rung Bill Greenleefs bell 2 times before Nip come back. we hid in old Ike Shutes porch and peeked out of a little window. Bill he come out and run round the side of the

house and then he run up street and looked behind trees and fences and swear terrible. me and Beany near dide. he was so mad that he staid up til nearly 10 oh clock waching. we cood see him peeking out of the window and we dident dass to go home til after 10 oh clock and i got licked for being late. if Nipper had only come home when he had aught to Bill wood have cougt him and licked him and we wood have got home all rite. we will pay Nip for this.

Aug. 13. brite and fair. nothing but church today.

Aug. 14. brite and fair. i coodent go out of the yard today. Beany he come over and we are going to ring old man Hobbses door bell tomorrow nite. old man Hobbs is Prisils uncle.

Aug. 15. brite and fair, and hot as time. tonite we rung old man Hobbses door bell 2 times. it was aful funny. the ferst time he come out kind of slow with a lamp. me and Beany were

“ S e q u i l ”

rite on the other side of the street laying down in the long grass. well he looked all round and walked out to the end of the piazza and then he went in mutering. bimeby we rung it agen and out he come prety lively but he dident catch us. if he was as lively as Bill Greenleef he wood have cougt us. well he went round the house and then old Missis Hobbs she came to the door and said what is it William, and he said it is some more of that Purington boys deviltry, and she said i wood speek to his father and old Hobbs he said he wood and then they went in. jest as we was going to ring the bell agen a man come walking quick down the street and went up to the door and rung the bell and jest as the bell rung old Hobbs opened the door quick and gumped out and grabed the man and said you rascal i have got you and the man said you old fool are you crasy and then old Hobbs he said i thought it was that Purinton boy ringing my door bell and then

“ S e q u i l ”

the man went in the house and we wated til they had shet the door and we put for home and made sum sweet firn segars. tomorow old Hobbs is going to tell Pewts father. i never had so much fun in my life.

Aug. 16. brite and fair. today Pewt come down to the house and said where was you last nite and i said me and Beany was making sweet firn segars over to Beanys and i gave him 2 segars. then Pewt he said that old Hobbs come down to his house today and told his father he rung his doorbell 2 times and Pewt said he didnt and his father said he didnt beleeve him and was going to lick time out of him if he had and he did it. Pewt was prety mad and i was prety surprized you bet. this afternoon they was a thunder storm. after it was over we went fishing but didnt get a bite.

Aug. 17. brite and fair. went up to Whacks this morning and Boog and Puzzy had 2 fites.

“ S e q u i l ”

neether licked becaus old miss Finton come out and stoped them. Boog got a bludy nose the second fite. in the afternoon i went fishing with Cawcaw. i didnt get a chance to tip him over but we cougt 5 pikeril. tomorow nite me and Beany are going to ring sum doorbells.

Aug. 18. clowdy but no rane. jest the rite day to go fishing. i was going with Cawcaw but he was sick becaus he et to many apples up to Whacks. tonite Beany coodent go out of the yard becaus he didnt split sum kindlings so we didnt ring enny doorbells. it was a prety meen day. all the fun i had was going in swimming.

Aug. 19. prety hot today. i went in swimming 5 times. sumthing is the matter with my eyes i keep winking them all the time. father keeps saying stop batting your eyes. i gess it is becaus i keep opening my eyes under water to see things on bottum. father says if i dont stop it i shant go in swimming enny more.

“ S e q u i l ”

Aug. 20. it rained this morning so hard that i dident have to go to church. buly.

Aug. 21. brite and fair. tonite me and Beany rung old Missis Sawyers bell. when she come out with the lamp we run into Pewts yard and then into Nat Weeks. she went in and come out agen with a shorl on and went rite over to mister Purintons and nocked at the door. we was near enuf to hear evrything. when Pewts father come to the door she said i think things has come to a prety pass if peeple cant keep there boy from trubling there nabors. and then Mr. Purinton Pewts father said what is the matter and Missis Sawyer she said your boy has been ringing my doorbell and Pewts father he said how do you know he did it and Missis Sawyer she said i see him run rite into your yard. and so Pewts father he come out and went round the yard but coodent find ennybody. so he said praps it was the Watson boy or the Shute boy and she said praps

“ S e q u i l ”

it was becaus she had heard they was prety bad boys. then Pewts father said it was a mersy if they dident both get into jale and she said she gessed the Shute boy was a trial to his father and mother and Pewts father he said he gessed the Watson boy was two. then he said if he was her he wood go rite down and see there fathers. when me and Beany heard that we clim over Nat Weeks fence esy and put for home. when we got there they was nobody in Beanys kichen and we went in esy and got the sweet firn and begun to make sweet firn segars. bimeby we heard old Missis Sawyer blabing to Beanys mother and she said she wood go in and see if Elly was in and when she come in Beany said mother jest see how many segars me and Plupy has made and he held up a lot that we made last week and she said you boys must have wirked a long time and Beany he said it takes a good deal of time to make so many and she went back looking prety pleased

“ S e q u i l ”

because she thought Beany didnt ring the old doorbell and she told old Missis Sawyer that we had been making sweet firn segars all the evening in the kitchin. so old Missis Sawyer went home kind of mad becaus it wasent me and Beany whitch rung her doorbell ennyway she thought it wasent.

Aug. 22. brite and fair.

Aug. 23. brite and fair. tonite me and Pewt and Beany and Fatty Gilman and Fatty Melcher and Billy Swett and Gim Erly and lots of the fellers come up and plaid i spy the bull. one feller lays it and he shets his eyes at the gool and counts fifty and the rest of the fellers go and hide and when he has counted fifty he trys to find the fellers and tag his gool before they do. they is a stick leening agenst the gool and if one of the fellers can get to the gool ferst he can plug the stick as far as he can and the feller whitch is laying it has to run and get the stick and go

“ S e q u i l ”

back to the gool and leeve the stick there before he can find enny more fellers and if enny fellers has been cougt they can hide agen. so tonite we plaid it til nine oh clock and i had laid it most an hour when Pewt plugged the stick and hit old Bill Morrill rite in the head jest as he came round the corner and he was mad as time and we put for home jest lively. Pewt didnt meen to do it. Bill hadent aught to have been coming round the corner jest then ennyway. Bill told father they was the tufest set of boys in the naborhood he ever see. i was behind the current buches when Bill told father this and he showed father his old plug hat witch was all dented in. father he said well Bill we usted to make things prety lively when we was boys. then he told Bill that he usted to ask his father if he cood go over and sleep with Gim Melcher and his father wood say yes, and Gim Melcher he wood ask his father if he cood go over and sleep with father and Gims

father wood say yes, and they wood stay out all nite and raise time, and Gims father he wood think Gim was over to fathers house, and fathers father wood think father was over to Gims house and so they woodent get cougt. that wood be a prety good trick for me and Beany to try only father wood know two mutch. i gess that is the reason father finds out so mutch about me becaus he was prety tuf when he was a boy. i gess that is the reson why ministers boys is most always tuf becaus there fathers dont know how to find out what tuf things they do. i wish i was a ministers son so i cood be tuf and not get found out, only i wood have to go to church 3 times evry sunday.

Aug. 25. brite and fair. i wish i was ded. a feller might as well be ded as to be getting licked all time for nuthing. tonite me and Beany wated till it was dark and we saw Bill Greenlef go down town. then we tide a string to his doorbell and hiched the other end to old printer Smiths door

“ S e q u i l ”

on the other side of the street and hauled it tite. bimeby Bill he come back and went in the side door. then a man came by driving a horse and when the horse run agenst the string both doorbells rung before the string broak and out come Bill and old printer Smith. when they found they wasent ennyone there they was prety mad. Bill he run round looking behind fences and trees and old printer he swoar terrible and went through Miss Sulivans and over to Nipper Browns and all round. me and Beany was hiding in Ike Shutes porch. bimeby they come back and talked. Bill said they must be 2 of them and old printer he said it was about time this thing was stoped and he was going to find out who did it if it took him all summer. well bimeby they went in to wate and see if ennyone rung there doorbells sum more. Bill he said he wood leeve his door open jest a little and old printer Smith he said he wood leeve his open jest a little two so he cood gump

“ S e q u i l ”

out and lam time out of the feller which rung his bell. well bimeby me and Beany crep out esy and hunted round til we found the string and we tide it agen as tite as we cood and then we crep back into the porch and peeked through the window. bimeby old mister Lyford come up the sidewalk and when he come to the string it gerked his old plug hat of and he picked it up and brushed it and then went of. bimeby a hack came by and when it hit the string both door bells gingled feerful and Bill and old printer Smith came hipering out as if they was hiched to the string. Bill went to gump of the side of the steps and he got the string round his leg and went fluking and then holered to old printer Smith that they was a string tide to his door bell and printer he holered back that they was one tide to his two. then they swear and talked sum and jest then Pewts father come out and they said it was Pewt and old Missis Sawyer she come

“ S e q u i l ”

out and she said it was Pewt two. well then they begun to hunt and look behind trees and into doorways and me and Beany got prety scart and bimeby we opened the door esy and hipered round Ikes house and ran rite into old printer and he grabed us both by the neck and holered i have got the misable cusses and he draged us out to the lite and Bill and Brad said it is George Shutes boy and Irv Watsons boy and they shook us up lively. well old Missis Sawyer wanted them to take us to jale but Pewts father and Bill and printer said to take us down to our fathers and so printer held us by the neck and marched us down the street and Pewts father and Bill come along two and old Missis Sawyer she came taging along talking all the time that we was the wirst boys in town. we went down to fathers ferst and he come out and Bill he went over and called mister Watson. well he come over and they all went into the back yard and they told father about it and

“ S e q u i l ”

Missis Sawyer said she was going to have us arested and father he said if she wanted to arest me all rite but he wood get a lawyer and carry the case to the circus coart if it took evry cent he had and Mister Watson he said so two. and father he said he woodent have his boy distirbing his nabors and he wood lick me and make me beg evrybodys pardon, but it wasent merder or hyway robbery to ring doorbells and if they wanted to arest me to sale rite in, and Mister Watson he said so two. then father and Mister Watson marched us up to old Hobbs and made us beg his pardon and old Hobbs told father we was the wirst boys in town and father aught to whale the life out of us, and then we went down to Pewts and had to beg his pardon for getting him a licking and then we went over to mister Heads and begged his pardon two. then father took me into the kichin and give me a licking for eech doorbell that we rung. he give me a good one for

“ S e q u i l ”

Missis Sawyer becaus she was a woman and he said we didnt have enny bizness to plage a woman, and he give me a prety good one for Bill becaus Bill was a prety good feller, and he only hit me one lick for old Hobbs becaus he was mad at what old Hobbs said and he didnt hit me a lick for mister Head becaus Pewt got licked for it and he said Pewt had aught to have been licked so many times when he didnt that one licking one way or the other woodent make much diference. the wirst was when i had to beg Pews pardon. i wood rather get 2 lickings.

Aug. 26, 186- Brite and fair. tonite i asked father about him and Gim Melcher staying out all nite and he laffed and said it was trew. then i asked him how menny times he did it and he said all the times he wanted to becaus his father thought he was a beter boy then he was. well i asked him if i cood stay out all nite sum time and he said no. then he said i woodent dass to and i

“ S e q u i l ”

said i bet i wood. then he said i cood if i wanted to and then mother she said George are you crasy and he said no but he gessed after i had been out a while i wood be homesick. so after super i asked Beany and Beany he asked his father and he told his father what father said and bimeby Mister Watson Beanys father he said Beany cood stay out if i cood. so we are going to stay out Monday nite.

Aug. 27. brite and fair. nothing but church.

Aug. 28. rany as time. jest the luck. i cood-ent sleep enny last nite thinking about staying out all nite. ennyway i didnt go to sleep til most morning and when i woke up it was raning hard, and it raned hard all day. it has stoped now. they wasent enny fun today.

Aug. 29. brite and fair. i am wrighting this in the morning becaus i shall be to bizzy tonite to wright ennything. i bet me and Beany will have sum fun. last nite father said they was a

“ S e q u i l ”

tiger got out of a circus and he kind of thought it was somewhere in the Eddy woods. i aint afrade. Beany aint neether.

Aug. 30. brite and fair. i gess i wont try to stay out all nite agen. it aint enny fun. yesterday afternoon mother made me go to bed so i woodent be sleepy at nite and Beanys mother she did two. i coodent sleep and bimeby i got up and stuck my head out of the window and looked over to Beanys house and Beany he was looking out of his window and bimeby Potter and Cawcaw went by with their fish poles and you bet i wanted to go two, but i had to stay in my room. so Beany and i begun to holler acrost to each other and i made up this poitry about Beany,

fat pork and beens
thats what it meens
that Beanys got the belyake
from fat pork and beens.

“ S e q u i l ”

and then Beany he made up this poetry about me,

Plupy Shute is meener than Pewt
and he is a prety meen galoot.

then mother made me go in a room on the other side of the house, but i coodent sleep and she let me get up at super time. when father come home he said the tiger had carrid of and et up a bull over to Kingston and he gessed he was coming this way, but i wasent scart. well after super i split my kindlings and me and Beany went down town. we went to doctor Derborns store and got sum soda water and Beany he paid for it. then we got sum goozeberries of old Si Smiths and i paid for them and then we went over to Beanys and got a lot of sweet firn segars and then we went down town agen. we went into stores and looked at things and we went down to the warf and then we went acrost to the raceway and went in swimming. it was kind of cold and we

“ S e q u i l ”

didnt stay in very long. then it began to be dark and we went back to water street and staid in the stores til the nine oh clock bell rung and then we went back home. the folks was all setting on the front steps. so me and Beany set down two and bimeby the folks said they must go in and they all went in and shet the door. it made me feel lonesum when i herd them lock the door. it must be prety tuf on fellers witch havent got enny home. then me and Beany went over to his house and set on the steps til his folks went in and shet the door and then we set on the fence under the gas lite and we herd Nat Weeks come home and mister Gewell and bimeby Si Smith shet up his store and then it begun to be loansum. so we went down as fer as the swamscot house and they was a lite in sum of the rooms and we set down on old Kellogs steps and talked. bimeby old Straton the gas man come round with a little ladder and clim up and put out

“ S e q u i l ”

the gas and then it was prety dark. then Beany he said less go up to Pewts and yowl like cats. so we went up into Pewts garden and we begun to yowl feerful like cats and bimeby Pewts father opened a window and holered scat you devils and jest then Nat Weeks he stuck his head out and he holered scat two. and then we kep still a minit and Pewts father said i wish there wasent a cussid cat alive and Nat Weeks he said so two and then they went to bed agen. bimeby we begun to yowl agen and then we yowled jest like cats fiting and Pewts father opened the window agen and pluged a club out into the yard and holered scat and then we kep still and we herd him tell Nat Weeks that he had got his gun loded and if he herd it go of he needent be sirprized. so you bet we dident yowl agen. so after Pewts father and Nat Weeks had gone to bed agen we clim over the fence esy and went of up towards Gilmans barn. Beany stumped me to go

“ S e q u i l ”

as fer as the barn and we was going there when i thought of the tiger and told Beany about it. we wasent afrade but they wasent enny fun in going down to the barn so we went back down towards the high school yard and it was prety dark there and so we dident go down to set on the steps. bimeby it struck eleven oh clock. ferst the town clock and jest after it the factory bell an then we cood hear clocks striking in the houses on the street. i tell you it made me feel loansum. we coodent see enny lites in the houses, so we set on the steps and told stories and talked about the fellers and the girls. Beany said he gessed he wood mary Lizzie Tole, Ed Toles sister sum day. i bet he wont. then Beany he said when he was a man he wood by the club stable and have all the horses he wanted to drive, and i cood wirk for him if i dident get drunk [curiously enough, the first two statements in this prophecy came true] like most of the hostlers. i told him that i

“ S e q u i l ”

wasent going to wirk for ennybody for i was going to play in the band like Bruce Brigam, Scotty Brigams brother. bimeby we herd sum real cats yowling and it sounded sort of feerful. Cele read us a story when we was sick with the scarlet fever about a man witch had a black cat and he got mad with her and cut out one eye. then he got mad with his wife and cut her throte and stuck her up in the chimny in the celler and plugged up the hole. bimeby the polisemen come to find out where his wife was and they hunted evry where in the house and stable and hen koop and evrywhere and bimeby they wanted to go into his celler. so the man he said all rite fellers come rite down and so the polisemen went down celler with him and he showed them all over the celler and they looked evrywhere and coodent find ennything and jest as they was going out they herd a feerful yowl and they stoped and lisened and it kept on yowling in the chimny and

“ S e q u i l ”

when they took a pickax and wanted to dig a hole in the chimney the man which killed his wife said they wasent ennything in the chimney for it hadent been opened for 1 hundred years, but they cut open the chimney and what do you gess they found. well they found his wife with her throte cut and a old black cat with 1 eye out setting on her showlder yowling. so they grabed the man and punched time out of him and they hung him to a lampost. well when Cele read that story to us we all was wirse for 3 days and Annie never got over it and when i hear a cat yowl i think of what the polisemen found in the chimney. so when i herd the cat yowling i told Beany that story and Beany he didnt want to go of of my steps enny more. bimeby the town clock struck 12 oh clock and so it was morning and so we tost up to see whether Beany shood wait til i got in my house or i shood go over to Beanys to wait til Beany got into his house ferst.

“ S e q u i l ”

i lost jest as i always do and so i had to go over to Beanys and he tride the door and it was unlocked and so Beany he went in and i hipered acrost the road as quick as i cood and went in the back way. i wasent afrade only i wasent going to have Beany beat me in geting into bed. i went up stairs as esy as i cood but when i went by mothers room she said is that you Harry and i said yes and she said are you going out agen and i said no it is morning now and i am going to bed and she laffed and said good mornin. then i piled into bed and dident wake up til 10 oh clock. Beany dident get up til 12 oh clock. father saved a mans life today in Boston. he was a old man witch tride to get on a train witch had started and father saw he was going to tumble of and get killed and he run and grabed him and the old man tride to pull away and holered and the trane was going faster and father had to run and push the old man and he grabed him by the

“ S e q u i l ”

seet of his britches and give him a hist and piched him rite into the door of the car and then father he gumped of. evrybody said the old man wood be killed if it hadent been for father.

Aug. 31. i bet Beanys father never saved a mans life. i bet Pewts never did neether. i asked father if he xpected the old man to give him a good deel of mony for it or a gold wach, and father he said the conscenceless of having did a noble act is enuf reward. Gosh if i had saved a old mans life i wood have made him pay me. i wood have grabed him and said old man pay me 2 dolars or of goes your hind legs. i realy wood-ent let him drop but i wood have scart him til he give me 2 dolars. father he said that wood be hyway robbery. i dont care.

Sept. 1. brite and fair. they was a peace in the Boston paper today about father. it said heroik rescu of a old man and it told about father saving the old mans life. lots of people

“ S e q u i l ”

spoke to father about it. father walked down town tonite 3 times. he most never goes down. father is going to take me to Boston tomorow if i behaive myself and dont do as i did before.

Sept. 2, 186- i had to get up feerful erly this morning. after brekfast me and father rode up to the depo in Joe Parmers hack. while we was wating for the trane Charles Talor and Charles Gray and all the fellers began to pich into father jest fun like and father got the best of them evry time. You cood here them holler about a mile. then the trane come and we piled in. evrybody knowed father and called him George and evrybody piched into him and he ansered back so that he made evrybody laff. that was the way it was all the way to Boston. when we got to Boston we went into a bird store and staid a while and then father took me out to see a house with a canon ball in it where the british had fired it in the revolution. then we went down to the cus-

“ S e q u i l ”

“ S e q u i l ”

father had fixed his papers the man said is that your boy mister Shute and he said yes and the man said can he draw and father said yes and he took the paper before i cood grab it and give it to the man and the man looked at it and begun to look mad and father said what is it and he showed it to father and then tore it up and went of mad. and father tirmed red and asked me if i didnt know more then that. then father he picked up all the peaces and we paisted them together and he showed it to the men and they all laffed and said i was a buster. bimeby a man come in and said that the naval oficer wanted to see father and father took the picture and went in. bimeby he came back and said the naval oficer jawed him and then he looked at the picture and laffed and said he wanted the picture and he took it and told father he had better shet that boy up. then it was dinner time and we went out and et dinner at a resterrant. i had meat and bread and

“ S e q u i l ”

coffy. after dinner we went back to the offise and a man come in and asked who was mister Shute and father said he was and the man said are you the man whitch put a old man on the trane at the depo and father said yes and i thought the man wood give father a hundred dolars or a gold wach and father looked as if he thought the man wood say noble man you have saved my fathers life, but the man looked mad and said well sir you did a prety smart thing to throw a helpless old man on to the rong trane and send him of 100 miles away from home and scart all his people most to deth becaus they thought he was merdered and cost him 3 dolars to telegraf and stay all nite and if you dont know more then that you had beter soke your head. father he said what was the old fool trying to get on the trane for if he didnt want to go on it, and the man he said he was trying to get of the trane and you woodent let him and the man holered so loud that evrybody

“ S e q u i l ”

cood hear him and shook his fist and went of swaring feerful. then Mr. Pope he said o what a fall was there my countrymen just like what was in the fourth reader and Mr. Davis he said immortal seezer ded and tirmed to clay, that is in the fourth reader two. then all the men luffed and said the treat is on you George and father he luffed two and said he wood be cussed, and he said that is what a man got by not tending to his own bizness. tonites paper had a peace in it about father and said the old man witch father put on the rong trane was going to be marrid and his girl got mad becaus he dident come and mar-rid another man witch was there and the old man was going to sew father for braking up the mach. father said he bet Ben Ridwill and Jaky Howe rote it for the paper and he wood fix them.

THE MOST DELIGHTFUL BOOK
OF HUMOR OF THIS GENERATION

In Its Ninth Edition

The Real Diary of a Real Boy

By **JUDGE HENRY A. SHUTE**

THE REAL DIARY OF A REAL BOY is a most delicious revelation of original sin and equally original spelling. The author shows the boy of flesh and blood, who is so unlike the youth of literary tradition that the reader takes him to his heart at once, although almost every page of the "diry" is a record of startling and ingenious mischief. Perhaps we love him for this very reason. Deep down in the nature of the most prim and censorious of us is a sneaking fondness for just such a tousled-headed little scalawag as this real boy.

"Its merriment is so infectious that one cannot fancy a person able to resist the spirit of this book."—N. Y. Journal.
