Activities Plan of Kochi Ken Counter-Disaster Troop (Kochi Ken Saigai Kyujotai)

- General Rule -

1. The relief plan for disasters in Kochi Pref. will be carried out according to this Activities plan of Kochi Ken Counter-Disaster Troop (hereinafter called the Activities Plan)

2. The Activities Plan will aim at restoration of various facilities and relief of sufferers caused by various disasters in this pref., as well as for prevention or reduction of the damages to men and materials and for stabilization of people's minds and maintenance of the social order.

3. All or part of the Activities Plan will be carried out throughout the Pref. or in her restricted area within the limit of the law concerned, when such disasters happen or threaten to happen as earthquake, flood, tidal wave, typhone, fire, emption, etc.

4. The Activities Plan will be devided into 3 parts, i.e. 3 steps before, during and after the disaster.
The important activities are as follows.

   (1) Saving human lives.

   (2) Prevention against destruction of resources.

   (3) Prevention and minization of disaster.

   (4) Relief measures (medical assistance and temporary shelters for sufferers)

   (5) Sanitary measures for the damaged place.

   (6) Guard for the building and other facilities in use by O.F. and for important others.

   (7) Temporary repair of the damaged facilities.

   (8) Collection and supply of various informations on disaster.

   (9) Prevention and control of crimes such as the circulation of sensational rumors, disquieting conducts, plumder, etc. at the time of disaster.

   (10) Others.

5. Details of the Activities Plan (cf. the attached sheets)

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

Activities Plan of Kochi Ken Counter-Disaster Troop (For the year of 1948)

When a disaster happens or threaters to happen, Kochi Ken Counter-Disaster Troop will take proper steps for the emergency relief or the prevention of the disaster according to this Activities plan.

The Plan will be revised every year.

<u>General Affairs & Welfare Division</u>

Duties.

1. Control of all divisions and keeping close connection among them. (General Affairs Group)

2. Matters pertaining to emergency relief (Relief Group)
   A. General Affairs Group
   1. Organization
      The personnels of this group are as follows
      (1) Chief (Welfare Section Chief of Pref. Gov't takes this post)
      (2) Staffs in charge of liaison and information business
      (3) Staffs in charge of relief measures
      (4) Staffs in charge of procurement and forwarding of relief actions at the damaged place.
      (5) Staffs in charge of record.
      (6) Staffs in charge of liaison with Military Government Team.
   2. Business allocated.
      (1) Chief: The chief will manage the general affairs about emergency relief, controlling over his subordinates and keeping close connection with other divisions.
      (2) Staffs in charge of liaison and information business: They, under the chief's direction, will receive and collect the informations not only from the Troop's branches and sub-branches but also from Fire-fighting and public Peace Divisions. These informations will be supplied to the staffs in charge of relief measure as the foundamental data for their actions. Those informations will be also sent to the Central Disaster Council and the Ministry of Public Welfare, so that necessary steps will be taken.
      (3) Staffs in charge of relief measures: These staffs will made concrete plans for relief on the basis of the informations from the staff the above (2). These staffs will make sure whether the relief is carried out completely or not.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

(4) Staffs in charge of procurement and forwarding of relief goods.

In cooperation with other divisions concerned, these staffs will procure relief goods according to the concrete plans decided by the above (3) and send them to the damaged place.

(5) Staffs in charge of relief actions at the damaged place.
Rashing to the damaged district, they will catch the actual situation of the disaster and relieve the sufferers in concert with the Troop's branches and sub-branches. They, moreover, will conduct the information business about emergency relief goods and others.

(6) Staffs in charge of record will keep close contact with other Divisions to make records of the disaster and progress of deliverance as well as other necessary matters.

(7) Staffs in charge of liaison with Military Government Team will make report quickly by document, speech or telephone of the disaster as well as other necessary matters.

B. Relief Group

As a rule, emergency relief will be carried out mostly by the Troop's Branch or Sub-branch of the stricken district with the help of the police offices, other branches and sub-branches at her neighbouring towns and villages. This Relief Group will despatch their members to give assistance and guidance for such emergency relief actions.

(1) Establishment of sufferers' shelters.
Those sufferers who can not take refuge at their relatives' houses, will be temporarily accomodated at the school, temple, public hall, theatre, etc. and, if necessary, they will be taken to hotels, individuals' houses and others. As for the materials to be required, they will be informed to and procured by the Materials Division and others concerned.

(2) Supply of boild rice.
According to the actual state of damage, boild rice will be distributed to sufferers through the personnels in charge, the Relief Division of this Troop. Foods, fuel and cooking utensils necessary for such distribution will be informed to and procured by each division concerned.

(3) Supply of beddings and clothings.
Through women's and youth associations and other organs concerned, request will be made to non-sufferers of the damaged district and her neighbouring towns and villages to donate or temporarily lend the clothings and beddings for the sufferers. Fur-thermore, proper steps will be taken for supply of the necessary goods and materials in cooperation with other divisions concerned.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

(4) Burial
In case of many deathes, they will be disposed by the members of the Troop in compliance with the direction of police and health officials.

(5) Other measures needed for emergency relief will be taken under close connection with each division concerned.

(6) Supply of school things to school children
This will be conducted in connection with Pref. Education Dep't, and others concerned.

(7) Supply of drinking water.
When water-head or water-pipe is given damage by disaster, cleam water will be carried from nearest wells or others to be supplied to sufferers in cooperation with Engineering, Health and Land Transportation Division.

- Preparation at ordinary times -

(1) Kochi Ken Counter-disaster Troop, it branches at the city local and Hata Branch offices and the Troop's sub-branches at towns and villages will be under perfect discipline, and their organization (including the change of the members) and activities plan will be always clear and accurate.

(2) Data will be collected for establishment and adjustment of the relief plan for each year.

(3) Guidance will be given for application of laws and ordinances concerning relief measures.

(4) Close connection with Public Peace Division and other concerned will be kept for adjustment and completeness of the information and communication business.

(5) Preparation will be made for issuance and execution of official ordinance and others relative to the relief plan.

(6) Facilities, equipments, goods and materials required for relief will be arranged and adjusted.

(7) A plan will be made for use of relief funds.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

Public Peace Division

Duties

(1) Matters pertaining to guard informations at the areas under jurisdiction of NRP of To, Do, Fu, Ken (Urban or rural prefectures).

(2) Matters pertaining to police business at the areas under jurisdiction of NRP of To, Do, Fu, Ken.

(3) Liaison business with the city, towns and village police authorities.

1. In case of a disaster, the business plan of the Public Peace Division is made and enforced in compliance with "Kochi Ken Emergency Guard Measures" (Kochi Ken Hijo Keibi Okyu Sochi Yoko).
   The plan, however, will be based on the "National Emergency Situation Guard Measures" (Kokka Hijo Jitai Keibi Yoko) after they are put into practice.

2. In case of a disaster, the business of the Public Peace Division will be controlled by Police Guard Section, Kochi Ken Headquarters of NRP.

3. In case of a disaster, police men of NRP will be called out as follows according to the actual situation of the disaster.

   (1) Emergency police guard will be conducted by police men of the district concerned (the stricken district).

   (2) When the disaster is so great that the police power of the damaged place is insufficient, police men of other district will be sent for assistance.

   (3) In case of a great disaster, Kochi Ken Headquarters of NRP will carry out an emergency call of the policemen so as to organize the Police Guard Force. The method of the organization and their business allocation will be previously decided.

   (a) Emergency call No. A (1/3 of the actual No. of police men).
   (b) Emergency call No. B
   Remarks: Cf. the attached list "Standard of Emergency Call"
   (c) Standard organization of the Police Guard Force.
   Squad: A leader (Police sergeant or assistant police inspector) and 5-7 men.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

Section: A leader (Police inspector or assistant police inspector) and 3 squads.
Company: A commander (Police inspector or superintendant) and 3 sections.

4. In case of a disaster, communication will be kept by means of not only police telephone but also special phones of Communication Office, Railway Office, Power Distributing Co., etc. (Previous agreement will be made to use these special phones). Moreover, express messengers will be used.

5. For transportation of policemen who are mustered or transferred or sent for assistance, police cars and vesseles will be used and a previous agreement be made to borrow the civilians' cars and vesseles.

6. The equipments required for the muster, distribution and transferrence of policemen will be managed according to the police guard plan.

7. Matters pertaining to guard informations, police business and liaison business with the city, towns and villages.

(1) Guard informations
(a) Effort will be made for quick and accurate collection of the informations, through which the actual situation can be catched and accordingly proper steps be taken.
(b) Collection of the informations should be strictly conducted. If necessary, cooporation will be made with quarters concerned.

(2) Police business
In case of a disaster, the aim of police business is in the maintenance of social order by means of saving human lives, and leading the sufferers and of preventing and controlling the crimes. In order to attain such aim, every effort will be made in close cooperation and connection with other divisions of the Troop.

(3) Liaison business with city, town and village police authorities.
(a) This Public Peace Division is managed by NRP under leadership of the Director General in accordance with the Police Law. Even if a proclamation of the National Emergency Situation is not made, they (NRP officials) will take various counter-steps against disaster in close concert with municipal police.
(b) Municipal police will take actions against the disaster under the Police Law and the Counter-disaster Relief Law (Saigai Kyujoho) in close cooporation and connection with NRP of this Pref.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 77 5013

March 5 1948

To : The Kochi Military Government Team.

From : The chief of the Prefectural Commerce and Industry Section.

Subject: Distribution of cloth for emergency and disaster.

In case of natural calamity, accident and other disaster, the special cloth and the general cloth shall be distributed to the sufferers according to the following gists:

1. Special cloth(cloth which can be transfered or taken over by a special cloth ticket or a purchasing ticket.)
   (1) Items:
   Textile fabrics, uniform, working-dress, working-glove, "tabi", or socks, "tenugui" or towel, gaiters, bedding ("futon" and blanket), school-uniform, overcoat, underwear, mosquito-net and wadding.
   (2) How to distribute:
   According to the distribution gist of cloth for emergency and disaster, the memorandium of the Fibre Bureau, the Commerce and Industry dated Dec. 2o 1947 which is based on the article 19 of the cloth distribution rule in the ministry ordinance No.25 of the Commerce and Industry ministry, the cloth shall be distributed as follow:
   However, no indications for the detailed regulation to operate is given, so it can not be carried out till the indication is given.

   (A) The Commerce and Industry ministry orders the Industry rehabilitation Kodan to stock the cloth for emergency and disaster within the quantity of the distribution planned during a period of a year, at the necessary places.
   (B) The Commerce and Industry Minister allocates the special cloth (a difinite quantity in the items described in the clause 1) to every metropolis and prefectural groups.
   (C) In case of emergency and disaster the prefectural gover-

and Industry dated Dec. 20 1947 which is based on the article 19 of the cloth distribution rule in the ministry ordinance no.25 of the Commerce and Industry ministry, the cloth shall be distributed as follow:

However, no indications for the detailed regulation to operate is given, so it can not be carried out till the indication is given.

(A) The Commerce and Industry ministry orders the Industry rehabilitation Kodan to stock the cloth for emergency and disaster within the quantity of the distribution planned during a period of a year, at the necessary places.

(B) The Commerce and Industry Minister allocates the special cloth (a difinite quantity in the items described in the clause 1) to every metropolis and prefectural groups.

(C) In case of emergency and disaster the prefectural governor delivers special cloth tickets or purchasing tickets to the sufferers basing to the definite level designated by the Commerce and Industry Minister and within the limits of allocation mentioned above.

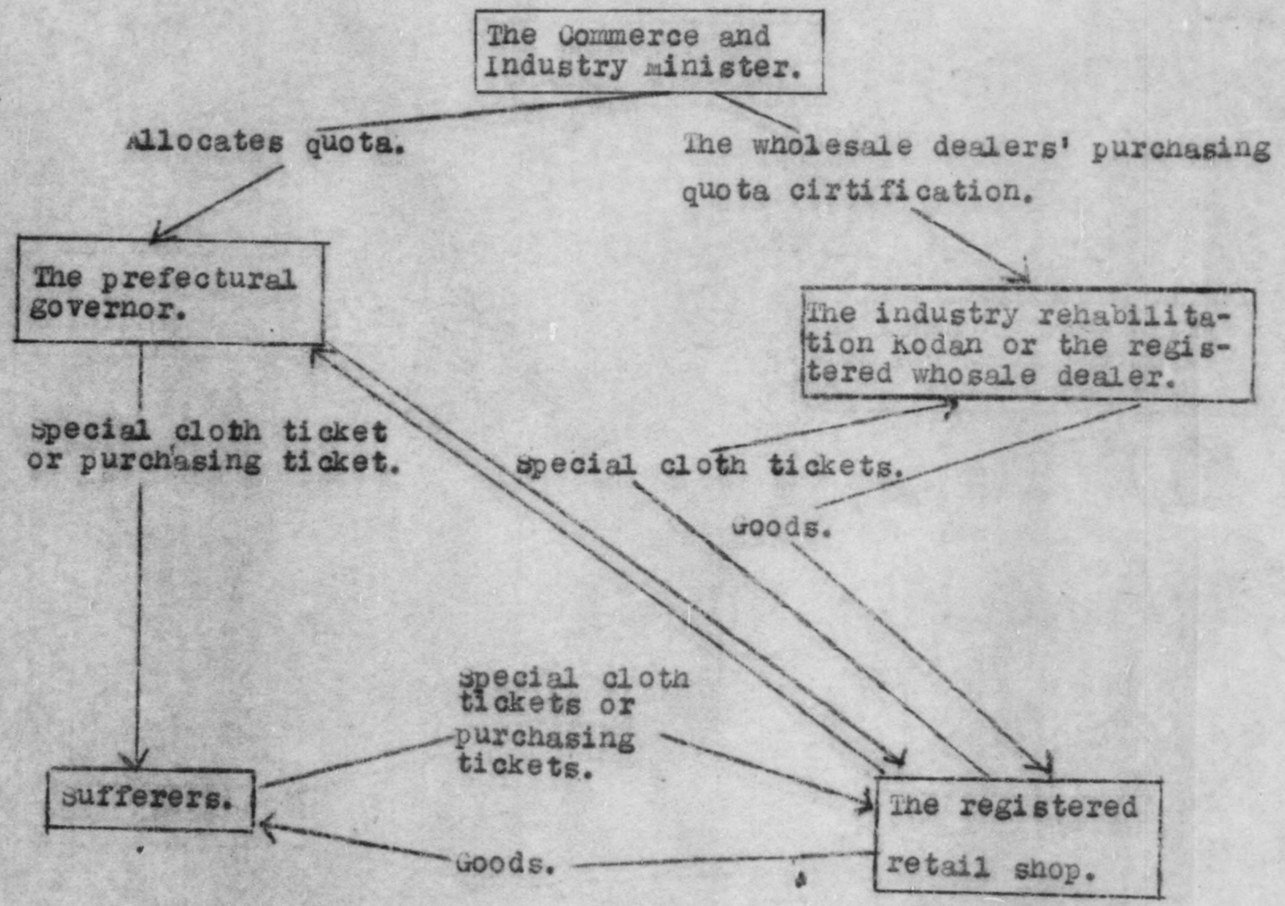
(D) The prefectural governor issues the retailers' purchasing quota cirtificates for the registered retailers at the disastered region. The number of the cirtificates issued must be equivalent to that of tickets delivered to the sufferes.

(E) The registered retailers who received the retalers' purchasing quota cirtificates must receive the goods from the Industry rehabilitation Kodan or registered wholesale dealers in exchange of the cirtificates and transfer the goods to the to the sufferers in exchange of the special cloth tickets or the purchasing tickets.

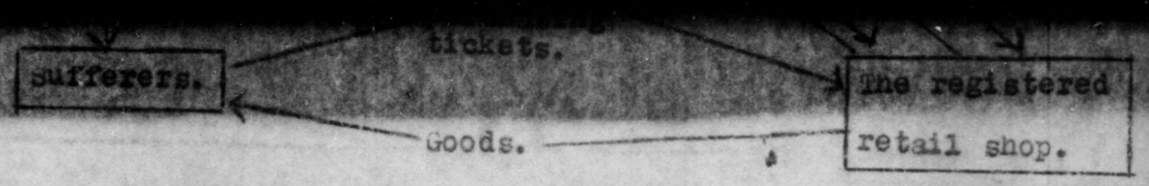
The illustration of the course and way of distribution is as follow:

DECLASSIFIED E.O. 12055 SECTION 3-402/NNDS NO. 775013

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 77 5013



2. General cloth (cloth which can be bought by the general cloth tickets.)
   (1) Items and quantity:
   Patch 0.8 square yard, thread 1/12 pound, "tabi" or socks 1 piece, towel or "tenugui" 1 piece, mark goods (good which is equivalent to 12 marks)



2. General cloth (cloth which can be bought by the general cloth tickets.)
   (1) Items and quantity:
