one of what it says, in order that we of the

gantzing teachings. The people of the United States cannot be long seduced by famous can from their habitual reverence for the doubt there are hundreds of thousands at the North who regret the repeal of the Missouri Compromise, and would restore it to morrow, could they do so peacefully and lawfally. But they would preter a thousand times the surrender of that Compromise to the establish mest of sectional parties, and the continual disruption of the Republic. In the first ferror of wrath at the abrogamon of the Compromise, they failed to discover the dange, shead. Men to a passion never reason. But cool reflection did not tarry long. A few short months opened their eyes, and removed the most from their minds. They saw that the Irrbone and its faction were best on a war between North and South. They are the interesting service, not this from the bill was provided the direction that the service were best on a war between North and South. They are the bill riven the bill as the compromise of the compromise, they failed to discover the dange. A few short months opened their eyes, and removed the most from their minds. They saw that the Irrbone and its faction were best on a war between North and South. They are the provided the direction results of such a sectional end. They feet that it could not be carried to the provided the direction that it could not be carried to the country of the south of the section of the sec

Books for Arthritis.—We availed our serves of a lensure hour a day on two ago to import a very extensive and varied amortment of children a beeks on the sherres of J. B. Strain. No. 66 Camp street. Attorney, has been ascertained to be a stancer to the ancunt of \$400,600.

It is hardly necessary to state to the reader that Mr. Laart has not even been charged with desiceation, much less "ascertained to be a detaulter," as the despatch so emphastically asserts. The suit pending mour courts was instituted by the city to require Mr. Laart to reader a till account of the belier occived by him for autt, of the saits entered, and of the cellections made by him. The compact is a course a till and final attement of the state of an excert a course between the late Amentana City Thorough and the city; and it was received for the ingennity of the absgraphic reposter a recuse Mr. Lazaw, in good set terms, o an enormous detailostion.

Books for JVENTIES—We availed our elevance of a lessure hour a day or twe ago to impect a very extensive and varied assortment of chiktrens beeks on the shelves of 3.8 bytes. No. 66 Chang street. He has certainly the fluest collection was have ever seen.
