

Dragonflies and Damselflies of Pinnacles National Park

Scientific Name	Common Name
Suborder ANISOPTERA	DRAGONFLIES
Family Aeshnidae	Darners
<i>Anax junius</i>	Common Green Darner
<i>Anax walsinghami</i>	Giant Darner
<i>Aeshna multicolor</i>	Blue-Eyed Darner
<i>Aeshna californica</i>	California Darner
<i>Aeshna walkeri</i>	Walker's Darner
Family Gomphidae	Clubtails
<i>Octogomphus specularis</i>	Grappletail
<i>Progomphus borealis</i>	Gray Sanddragon
<i>Erpetogomphus compositus</i>	White-belted Ringtail
Family Cordulegastridae	Spiketails
<i>Cordulegaster dorsalis</i>	Pacific Spiketail
Family Libellulidae	Skimmers
<i>Libellula forensis/pulchellus**</i>	Eight-/Twelve-spotted Skimmer**
<i>Libellula luctuosa*</i>	Widow Skimmer*
<i>Libellula lydia</i>	Common Whitetail
<i>Libellula saturata</i>	Flame Skimmer
<i>Paltothermis lineatipes</i>	Red Rock Skimmer
<i>Sympetrum corruptum</i>	Variiegated Meadowhawk
<i>Sympetrum illotum</i>	Cardinal Meadowhawk
<i>Sympetrum madidum</i>	Red-Veined Meadowhawk
<i>Sympetrum pallipes</i>	Striped Meadowhawk
<i>Pachydiplax longipennis</i>	Blue Dasher
<i>Erythemis collocata</i>	Western Pondhawk
<i>Pantala flavescens</i>	Wandering Glider
<i>Pantala hymenaea</i>	Spot-winged Glider
<i>Tramea lacerata</i>	Black Saddlebags
<i>Tramea onusta*</i>	Red Saddlebags*
<i>Brechmorhoga mendax</i>	Pale-faced Clubskimmer
Suborder ZYGOPTERA	DAMSELFLIES
Family Calopterigidae	Broad-winged Damsels
<i>Heterarina americana</i>	American Rubyspot
Family Lestidae	Spreadwinged Damselflies
<i>Archilestes californica</i>	California Spreadwing
<i>Lestes congener</i>	Spotted Spreadwing
<i>Lestes stultus</i>	Black Spreadwing
Family Coenagrionidae	Pond Damsels
<i>Argia agrioides</i>	California Dancer
<i>Argia lugens</i>	Sooty Dancer
<i>Argia nahuana</i>	Aztec Dancer
<i>Argia vivida</i>	Vivid Dancer
<i>Enallagma carunculatum</i>	Tule Bluet
<i>Enallagma civile</i>	Familiar Bluet
<i>Enallagma cyathigerum</i>	Northern Bluet
<i>Enallagma praevarum</i>	Arroyo Bluet
<i>Ischnura cervula</i>	Pacific Forktail
<i>Ischnura denticollis</i>	Black-fronted Forktail
<i>Ischnura perparva</i>	Western Forktail
<i>Telebasis salva</i>	Desert Firetail

Based on specimens collected by Paul Johnson 2001-present.

Thanks to Andrew Rehn, PhD for identifying specimens.
