Code of Conduct Roundtable

Facilitated by
Matthew Flaschen,
Wikimedia Foundation

Hi, I'm Matthew Flaschen, from the Wikimedia Foundation's Collaboration team.

Overview

Welcome to „Converting LiquidThreads to Flow. Or: How I learned to stop worrying and love the batch"

I'll be explaining how the Collaboration team has converted between an old discussion system, LiquidThreads, and a new one, Flow.
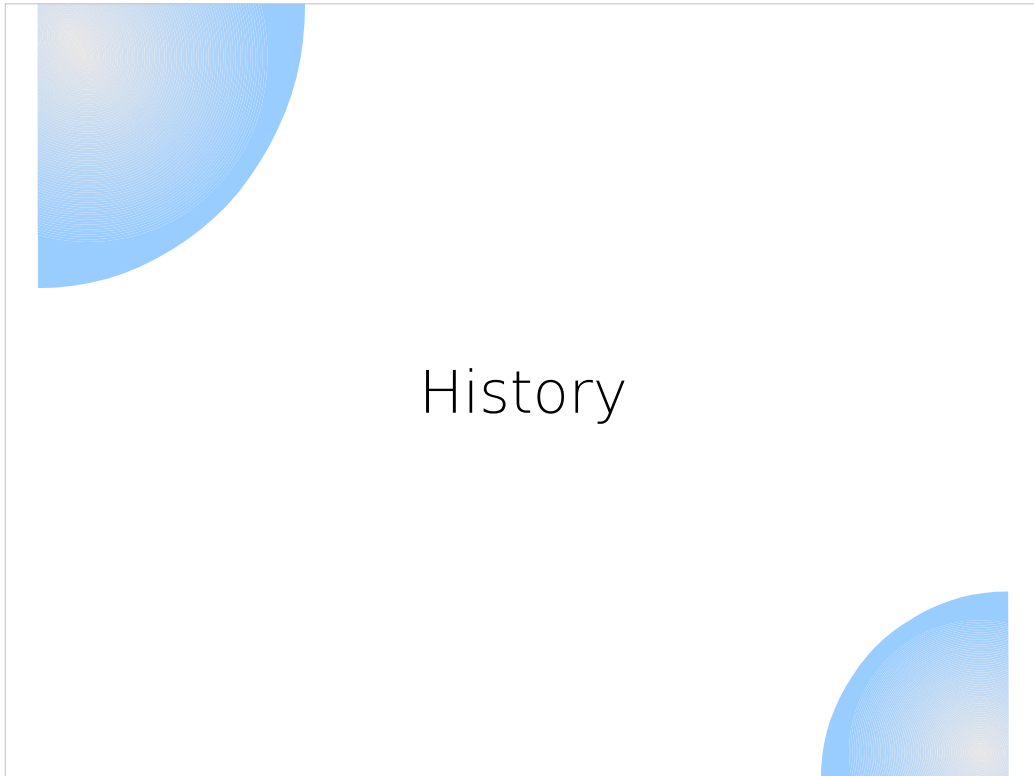

What is the
Code of Conduct?

Welcome to „Converting LiquidThreads to Flow.
Or: How I learned to stop worrying and love the
batch"

I'll be explaining how the Collaboration team has
converted between an old discussion system,
LiquidThreads, and a new one, Flow.

Goals

Welcome to „Converting LiquidThreads to Flow. Or: How I learned to stop worrying and love the batch"

I'll be explaining how the Collaboration team has converted between an old discussion system, LiquidThreads, and a new one, Flow.
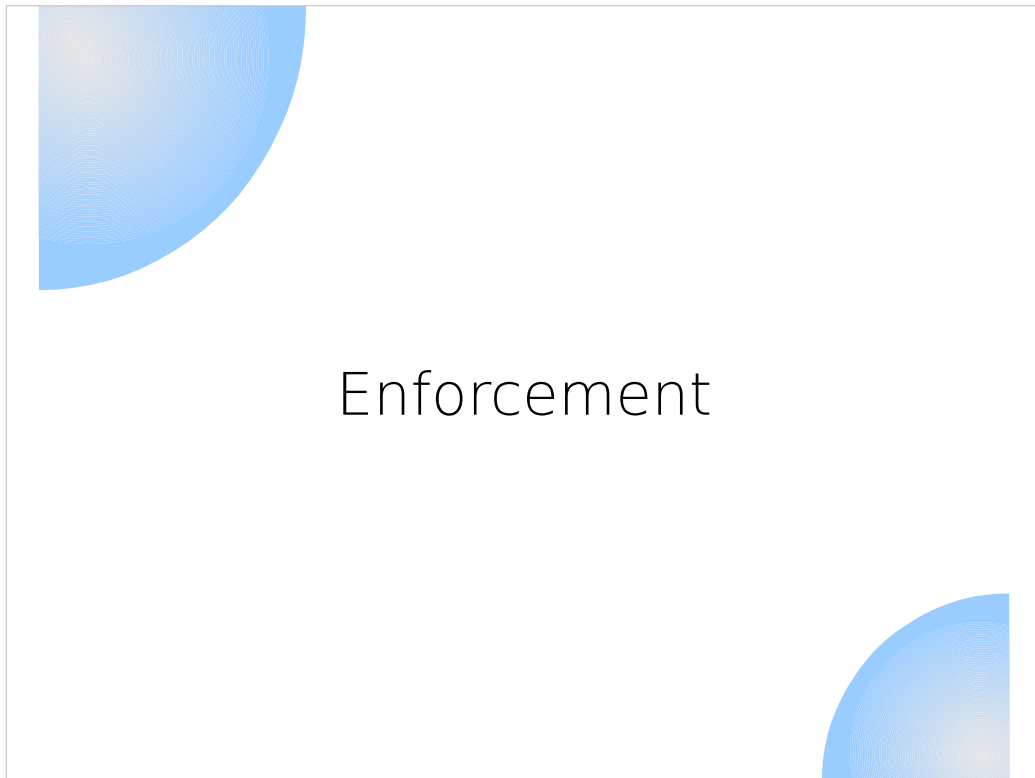

History

Welcome to „Converting LiquidThreads to Flow. Or: How I learned to stop worrying and love the batch"

I'll be explaining how the Collaboration team has converted between an old discussion system, LiquidThreads, and a new one, Flow.
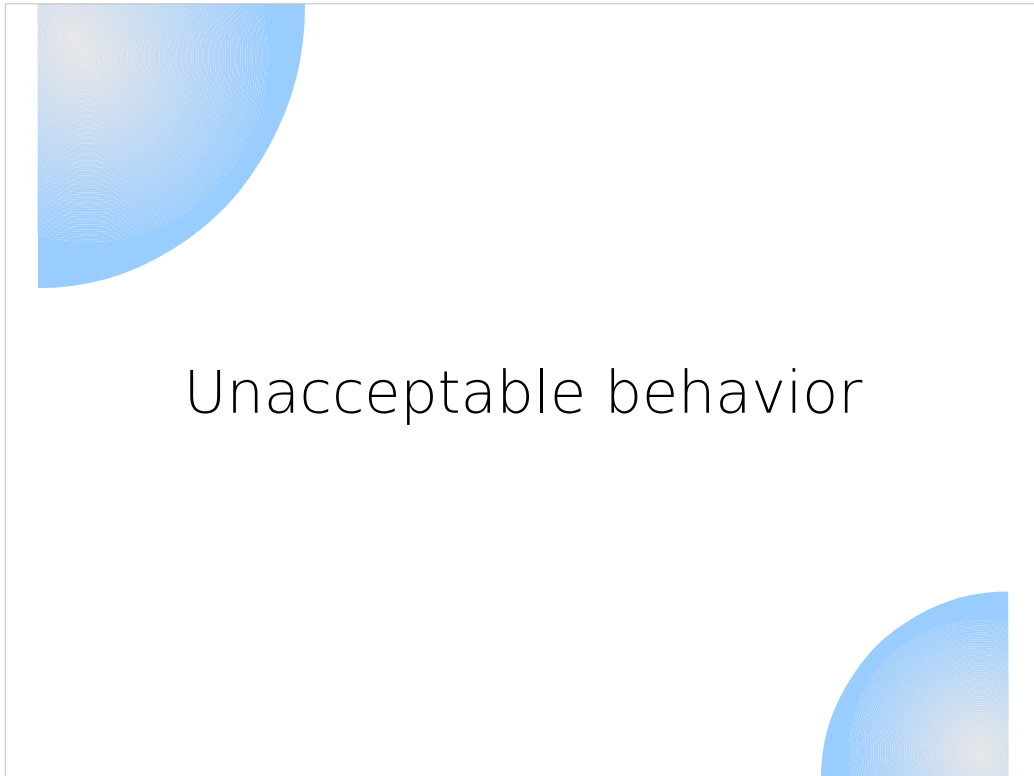

Enforcement

Welcome to „Converting LiquidThreads to Flow. Or: How I learned to stop worrying and love the batch"

I'll be explaining how the Collaboration team has converted between an old discussion system, LiquidThreads, and a new one, Flow.

Unacceptable behavior

Welcome to „Converting LiquidThreads to Flow. Or: How I learned to stop worrying and love the batch"

I'll be explaining how the Collaboration team has converted between an old discussion system, LiquidThreads, and a new one, Flow.

Comparing to other policies

Welcome to „Converting LiquidThreads to Flow. Or: How I learned to stop worrying and love the batch"

I'll be explaining how the Collaboration team has converted between an old discussion system, LiquidThreads, and a new one, Flow.
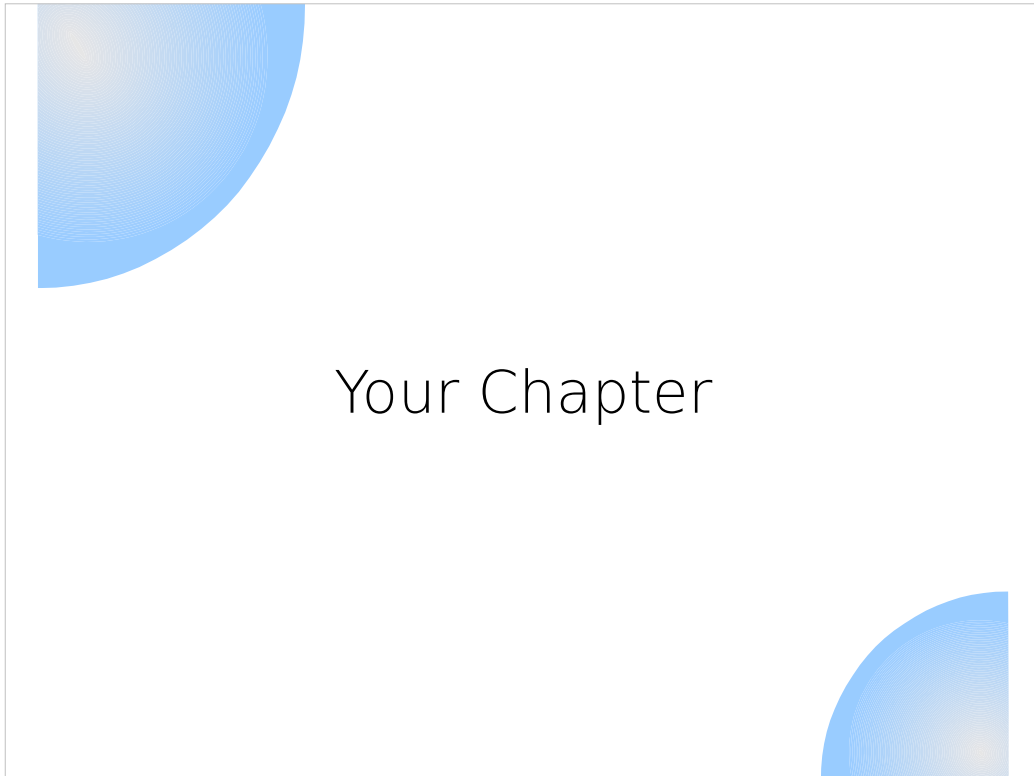

A Code of Conduct for
Your Community
