1
The first part of the document
describes the general situation
of the country and the
state of the economy.
It also mentions the
main problems that
the government is
facing at the moment.
The second part of the
document deals with
the specific measures
that have been taken
to address these
problems. It includes
a list of the
main objectives of
the government's
policy and a
description of the
steps that have
been taken to
achieve them.
The third part of
the document
concludes with a
summary of the
main findings and
a list of
recommendations.
It also includes
a list of
references and
a list of
appendices.
