UNSTARRED QUESTION NO. 7553
TO BE ANSWERED ON 29TH MAY, 1995
ASHES OF NETAJI SUBHASH CHANDRA BOSE

7553. SHRI MANJAY LAL:

Will the Minister of EXTERNAL AFFAIRS

विदेश मंत्री

be pleased to state:

(a) whether the ashes of Netaji Subhash Chandra Bose is kept in Renkoji Buddhist temple in Tokyo;

(b) if so, the details thereof;

(c) whether the local people of Japan, who have preserved the ashes for more than five decades have been urging our country to bring back the ashes to India;

(d) whether any steps are being taken by the Government to bring back the ashes of Netaji;

(e) if so, the details thereof; and

(f) if not, the reasons therefor ?

ANSWER

THE MINISTER OF STATE IN THE
MINISTRY OF EXTERNAL AFFAIRS
(SHRI R. L. BHATIA)

विदेश राज्य मंत्री

(a) , (b), (c), (d), (e) & (f) Netaji Subhash Chandra Bose was reported to have died in Taipei (Taiwan) on August 18, 1945. His body was cremated two days later and the ashes carried to Japan. The ashes have since been maintained at the Renkoji Buddhist Temple in Nakano, Tokyo.

Two Commissions of Enquiry were appointed by The Government of India on the question of Netaji's death in the air crash on August 18, 1945. The first Enquiry Committee set up in 1956 was headed by late Shri Shah Nawaz Khan and included Netaji's elder brother Shri S.C. Bose. The majority opinion was that Netaji met his death in the aircrash and that the ashes at the Renkoji Temple were that of Netaji. However, Netaji's brother Shri S.C. Bose gave a dissenting view. In 1970, the one-man Justice G.D. Khosla Committee also concluded that the casket lodged in the Renkoji Temple contained the ashes of Netaji. There have been attempts to have a new enquiry instituted. There have also been moves to have the ashes brought back to India, with all reverence and honour as befitting a man of the stature of Netaji Subhash Chandra Bose. However, many people, including Netaji's nephews, still doubt the event of Netaji's reported death and question the veracity of the ashes. In Japan itself, where the ashes are lodged, there have been repeated requests from the Renkoji temple and Japanese associates of Netaji for the ashes to return to India. The issue of Netaji's death is charged with emotion and opinions remain divided. Government of India is of the view that bringing the ashes back to India in absence of a consensus on the issue might prove divisive and create tensions.
