

WikiClubs

from creation to success

WIKIMEDIA
EDUCATION

What is a WikiClub?

WikiClub is a place where students gather together to learn something new, share their knowledge through Wikimedia platforms, make new friends and just have a nice time around motivated and interesting people.

For establishing a WikiClub we need:

- Sponsor
- Coordinator
- WikiClub Members

WikiClub handbook

- Coordinators' work description
- Coordinators' responsibilities
- Report requirements
- Teaching methodology for each Wikimedia project
- Outreach and communication guide
- Evaluation steps of a WikiClub
- Work on Armenian Wikimedia projects and policies

Coordinators Meeting

Wikimedia projects on the basis of age range:

- Wikipedia
- Wiktionary
- Wikisource

Events in the WikiClubs:

- Online and offline edit-a-thons
- Collaboration with GLAM institutions
- Hangouts and visits between WikiClubs
- Workshops with parents
- Reading and discussion clubs
- Expeditions and cultural visits
- Special speakers and guests

WikiClubs Impact

Thank you!
