To search for specific names, type keywords into the search bar in your PDF reader. If a keyword search doesn't turn up expected results, we recommend that you also scroll down into the alphabetical listings to search for the name, as the font-reading software is not perfect.

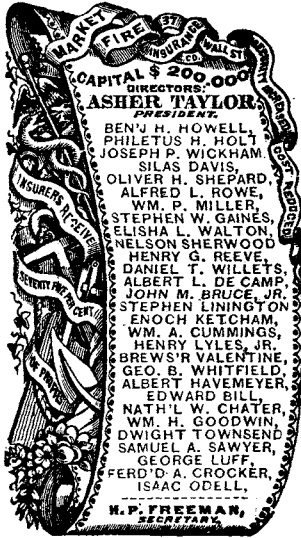

The table of contents below can also give you an idea of where to look within the document for other kinds of information listed in the directory, like street guides, government listings, and advertisement indices. Note that the PDF page number and the original directory page numbers are different, because the color-printed advertisement pages in the directories were not numbered.

P R E F A C E .

It has been the constant aim of the compiler, for the past thirteen years, to make the Brooklyn City Directory as accurate and complete as possible under the embarrassing circumstances to which allusion has been made in our former editions.

We think it unnecessary at this time to more than allude to the subject of renaming and renumbering the streets and avenues of this city. But we would say that the public greatly desire this much-needed improvement, and we soon hope to see the matter taken in hand and completed by the proper authorities, in a manner which will do credit to this great and rapidly growing city.

The experience of all compilers of directories is that it is impossible to please every one, and also equally impossible to make a *perfect* Directory, whatever facilities may be at their command. We pursue the most perfect system known, and yet some errors will occur notwithstanding all our efforts to prevent them ; but when one considers the vast amount of labor to be performed in the short time of about thirty-five days, the wonder is that we make so few errors. Some persons seem to be constitutionally disposed to fault-finding, from these we do not expect to escape censure ; but our experience has shown us that those who contribute most in this direction (fault-finding) contribute least toward the support of the Directory.

We believe that a Directory properly compiled is a fair index to the population of the city. If we are correct in our conclusion, our city has greatly increased in population during the past year, as our canvass for this issue gives an aggregate number of sixty-eight thousand (68,000) names, an *increase* over last year of more than *seven thousand* (7,000).

Of course it is apparent to all that this large increase greatly advances the cost of the work for canvassing, compiling, printing, binding, and all materials necessary for the same ; and while we desire to keep this indispensable work at as low a price as possible, that it may be within the reach of all, we find it absolutely necessary to advance the price fifty cents, making this edition three dollars and fifty cents (\$3.50) per copy ; yet, so far as we can ascertain, our price is still below that of other large cities.

We would suggest to persons referring to the Directory that there are a number of ways in which to spell the same name, and in arranging them in alphabetical order it brings names pronounced the same but spelled differently sometimes pages apart ; for instance, the name *Lain* in this work occurs on page 316, the same name spelled *Lane* appears on page 318, and again spelled *Layne* is found on page 322, six pages intervening between the different ways in which the same name is spelled. If necessary, we could give numbers of similar instances.

We take this opportunity to return our acknowledgments to our numerous patrons for their support during the past and present year, our entire edition for the past year having been exhausted within three months after its publication.

UNION HEATER.

This cut represents a Heater to set in the fireplace, designed for heating the basement, parlor, and second story. It occupies no more room than an ordinary grate. Its superiority over others is manifested by its flues being so constructed as to prevent choking. The air is received either from basement or cellar, and in passing through the various flues acquires a genial warmth, which is diffused throughout the rooms at pleasure.

STREET AND AVENUE DIRECTORY

OF THE

(CONSOLIDATED)

CITY OF BROOKLYN.

Showing the position, commencement and termination of each Street, Avenue, Place, Lane, Court, Alley, etc., in the Consolidated City, with the junctions and crossings of the intersecting streets; also, the number of the building at the corner of the street, avenue, etc., where there is any.

When there is no house on the corner, or where the corner house fronts on the crossing street, the number nearest the corner is given, and a * placed before it, to denote that the number is not to be looked for on the corner of the street or avenue above named.

A — denotes that there is no number on the corner, or near the corner.

A † placed in the right or left column denotes that the street does not extend to that side of the one under whose heading it is found.

As a rule the numbers will be found to commence westward, and northward from the opening of the street or avenue, the even numbers occurring generally on the right hand side.

EXPLANATIONS.

If you wish to find the location of any number—for instance, 115 Bridge street—on consulting the Directory you will observe that 105 Bridge is on the left hand of that street, and on the corner of Prospect, and 129 Bridge is on the left hand corner of Sands; hence the desired location of 115 Bridge is between Prospect and Sands, on the left hand side.

The capitals E. D., when placed after a street, avenue, etc., denote that it is in the Eastern District. As there are several streets in Greenpoint, Bushwick, and Williamsburgh of the same name, and all being reckoned as the Eastern District, the exact location of such streets is given in connection with the capitals E. D.

Note.—As there are two Hudson Avenues in the Western District—one running from East River, between Gold Street and the Navy Yard, south to 203 Fulton Avenue, the other from Fulton Avenue, between Brooklyn Avenue and Albany Avenue, south to City Line (Flatbush)—the latter will be designated through the body of this work by *Italics*.

THE

GREAT AMERICAN TEA CO.'S

SECRET!

The great secret of the unparelled success of the THE GREAT AMERICAN TEA COMPANY, is in the fact that their rate of profit is based upon ENORMOUS SALES, *with a small percentage*. The large amount of business done enables them to buy Teas by the Cargo, and sell them at the usual cargo Prices—thereby saving from three to five profits to the consumer, or about ONE HUNDRED PER CENT. on cost of importation. The retail trade of the Company is based upon a sale of 1000 Chests per week.

The Company have leased extensive warehouses in the most central locations and fitted them up in a style of magnificence very far surpassing any thing ever before known in this country. It has been the aim of the Company to select localities that cannot fail to convene all sections of the metropolis and surrounding cities. The prices being uniform, customers can select either of our Stores mentioned below, as may best accommodate them. By examining our list of prices, consumers of Teas and Coffees will see that they have been PAYING ENORMOUS PROFITS. The Company continue to sell at the following prices:

OOLONG, 40, 50, 60, 70, 80, 90, best \$1	per lb.
MIXED, 40, 50, 60, 70, 80, 90, best \$1	"
ENGLISH BREAKFAST, 50, 60, 70, 80, 90, \$1, \$1.10, best \$1.20	"
GREEN TEAS, 50, 60, 70, 80, 90, \$1, \$1.10, best \$1.25	"
YOUNG HYSON, 50, 60, 70, 80, 90, \$1, \$1.10, best \$1.25	"
UNCOLORED JAPAN, \$1, \$1.10, best \$1.25	"
IMPERIAL, best \$1.25	"

These Teas are chosen for their intrinsic worth, keeping in mind health, economy and a high degree of pleasure in drinking them.

Coffees Roasted and Ground Daily.

GROUND COFFEE, 20c., 25c., 30c., 35c., best 40c. per pound. Hotels, Saloons, Boarding House Keepers, and Families who use large quantities of Coffee, can economize in that article by using our FRENCH BREAKFAST and DINNER COFFEE, which we sell at the low price of 30c. per pound, and warranted to give perfect satisfaction.

Consumers can save from 50c. to \$1 per lb. by purchasing their Teas of the Great American Tea Company,
