Section 1. (Translation Attached) Outline of Management of Administrative Affairs Ensuing from Military Operations in South China. Outline of Management of Administrative Affairs in the Hankow Area. necessary to preserve peace and ensure successful military operations. Other administrative affairs are left to the Chinese Gov't as much as possible, so that the Japanese Army will not have to shoulder the task of military government. A "Peace Maintenance Association" will be established. The establishment of local regions will be accelerated by a "Special Committee to cope with Chinese Problems", which will cooperate with the "Canton Liaison Conference of the Army, Navy and Foreign Ministers". This last will guide local regimes after their organizations. Economic policy will be to support the Japanese army in the field for the present, and to promote future foreign trade and recovery of South China itself. We must win over Chinese residents abroad in order to help our plan for South China and gain materials we need by trade with the Southern regions. In respect to third-power interests: Diplomatic and economic complications will be avoided; we will try not to give third powers an excuse to interfere in the incident. England's existing interests will be recognized. Appropriate steps will be taken to ensure that England discard her policy of aiding the Chiang Kai Shek Gov't and accept the administrative policy of Japan. Chinese economic constructions will be financed by Japanese capital. The management of local administrative affairs in occupied areas of South China will be considered, decided and enforced by Army, Navy and Foreign Ministers at the Canton Liaison Conference.

Section 4. (Translation Attached) Principles for the adjustment of Sino-Japanese Relations, decided at the Five Ministers Conference of 25 Nov 1938. Japan, China and Manchuria should unite in good fellowship to establish an Asiatic axis for peace. Unity should be based on friendship, joint-defense against communism and economic cooperation. An area should be established in North China and Mongolia where Japan can exploit natural resources. A special region should be established in the MONGOLIA region for the purpose of anti-communism in Inner Mongolia. On the lower part of the YANGTZE River there should be established a strongly united area for economic purposes. Inner Mongolia shall be a strong autonomic area. Japan will help the establishment of these areas by despatching special advisors. In order to root out communistic elements, Japan will garrison the necessary forces in North China and Mongolia, and all Chinese forces will be under Japanese command. Excepting the forces mentioned above and Jap forces in the Nanking-Shanghai-Kowchow triangle all Jap forces will be withdrawn. China is to bear a share of maintenance of Jap garrisons. Japan retains the right to supervise and commandeer railways, air routes and all communications in areas where Japanese forces are stationed. China will limit her soldiers and police (in Jap garrisoned areas) to the minimum number necessary for peace maintenance. The three nations will make treaties re economic exploitation of Inner Mongolia, North China and other areas. Special attention will be paid to resources not found in Japan or Manchuria.

Section 5. (Translation attached) Emergency Financial Policy for Middle China, decided at the Five Ministers Conference, 5 July 1938. Since it is essential to adjust relations with third countries in order that they stop aiding CHIANG, Japan is prepared to remove restrictions on trade and financial activities of foreign firms and banks in the occupied areas of Central China. We should get the cooperation of third countries, especially England, aiming at the acceleration of trade in Central China. We should issue new currency in anticipation of the collapse of the present currency. Under certain circumstances it may be well to solicit German and Italian aid also. Japan must have financial leadership in Central China, as well as attracting Chinese financial circles, we must aim at undermining the CHUNGKING government. These negotiations must be kept secret.

Section 6. (Translation attached) Temporary Diplomatic Policy toward Britain, decided at the Five Minister Conference on 8 July 1938: We must cause Britain to stop aiding CHIANG by impressing her with the justness of our cause.

Creation of a Special Committee for China, decided at Five Minister Conference, 26 July 1938. This committee will be an organ of the Five Ministers Conference, and will enforce policies of that conference and help establish the new Chinese Central Government. Organs on the spot in China will receive orders from the Special Committee for China. Liaison will be maintained between the committee and the Imperial Headquarters by the War and Navy Minister. The committee will be headed by DOIHARA, TSUDA and BANZAI.

Therefore economic cooperation between the three countries should be played down somewhat in order to prevent complications of international relations and to aid Japanese interests in a wide sense.
