

“Had we the Wings” was composed for carillon by Sonja Beets ; and for this occasion performed by the composer. It can be found at:

<https://www.youtube.com/watch?v=YOJFTcNI-Yk>

Sonja Beets is active as composer, pianist, organist, harpist, painter, ... She is a true multi-talented artist who loves to share her talents and knowledge with others. One of the characteristics of her chamber-music works is that all the parts are of equal value; there is no “accompaniment” but each voice is a world on its own, and in the synthesis evolves the masterpiece.
