GENERAL COLLECTION of PLANTS

Abutilons.

Golden Fleece—This is without doubt the best yellow Abutilon yet attained. Flowers very large, of a very beautiful canary yellow. A constant and profuse bloomer, splendid pot plant, always in bloom. Price, 10 and 15 cents.

Rosetta—A rank grower, beautiful dark green foliage and a constant bloomer; flowers, rose veined pink; sure to please. Price, 10 cents.

Robert George—Of strong habit and symmetrical growth. Good bloomer; flowers large, bright red, with deep veins. Price, 10 cents.

Souv de Bonne—One of the finest novelties ever offered. Strong grower, leaves a beautiful green, banded with silver; bloom very large and bright, orange red color. Price, 10 cents each.

Aspidistra.

Lurida—This is a fine house plant; stands heat or drouth; leaves 4 to 6 inches broad and 12 to 24 inches long; a dark green color; a well grown plant; is a beautiful sight. Price, 50 to 75 cents each.

Variegata—Same as *Lurida*, except that it has clear cream colored stripes running through the length of leaf. Very striking plant. Price, 75 cents each.

Alternanthera.

These plants are valuable where high colors are wanted for foliage bed borders or edgings; used almost exclusively for carpet bedding, making letters and designs in flower beds.

Acuminata Aurea—Yellow, green and crimson; large foliage; a very strong grower.

Verschaffeltii—Foliage shaded from light to dark crimson. Price, 10 cents each, 75 cents per dozen. Special prices where large quantities are wanted.

Ageratum.

THE GRAND NEW AGERATUM. "STELLA GURNEY."

A short, compact grower, well branched and extremely free blooming. The individual tufts are very large and dense, and the color is the most intense blue of as an agreeable shade as we have ever seen in Ageratums. It has a velvety texture quite unlike the cotton-like flowers of this class. It is a thrifty grower, and by its neat, short and dense flowers of brilliant blue, furnishes a bedding plant without an equal. It can be used as a border around Geraniums, with Dusty Miller or other combination, always making a pleasing effect. It blooms from early spring to late in the fall, adding greatly to its usefulness and desirability. The best Ageratum in existence. Each, 2 in. pot, 10 cents; 3 in. pot, 15 cents.

White Cap—This variety has the same strong, compact habit of the blue varieties, with flowers of the purest white; a constant bloomer and a splendid bedding plant; light green foliage, large clusters of fleecy white flowers; blooms summer and winter. Price, 10 cents.

Variegata—Tall growing variety, green leaves striped white; blue flowers. Price, 10 cents.

Anthericum Vittatum.

A beautiful plant, with recurved, graceful foliage. The leaves are dark green, beautifully marked with broad stripes of a creamy white color. One of

the best plants for the center of baskets, vases or pots. Price, 10 to 25 cents.

Agave (Century Plant).

A beautiful vase or pot plant of the easiest culture, and when too large for pot plants they make a beautiful lawn variety.

Plain Variety—Price, 15, 25 and 50 cents.

Variiegated Leaf Variety—Price, 25 and 50 cents.

Achyranthes.

Well-known bedding plant of the easiest culture.

Aurea Retielata—Yellow, green and crimson.

Vershajeltii—Foliage and stems red.

Biemuller Dark metal red foliage. Its strong point is its low, spreading, symmetrical growth; can be trimmed down to six inches; makes a fine border plant. Price, 5 cents each; 50 cents per dozen.

Ampelopsis.

Veitchii—(Sometimes called "Boston Ivy" and "Japan Ivy.") No picture can portray the beauty of this grand climbing plant. In the summer the foliage is a rich shade of green, but in the fall it assumes the most gorgeous tints of scarlet, crimson and orange, so dazzling as to be seen a great distance. Price, 25 cents. (Field grown plants.)

Amaryllis.

Johnsonii—A strong growing sort, with flower stalk two feet high, bearing 3 to 6 brilliant flowers five inches in diameter, with a distinct white stripe in center of each petal; very fragrant. Plants, 25 to 50 cents each.

Althea.

(Or Rose of Sharon).

A fine, tall growing shrub, that once planted is good for a lifetime. Blooms when but a slip of a plant, but eventually reaches the size of a small tree. Always a symmetrical, upright grower, well clothed with a dark green foliage, and bears every year, without fail, a profusion of large, showy, double flowers

that closely resemble Hollyhocks in shape and colors, but often larger in size.

Rubra—Fine, double, red, large and brilliant. Each, 25 cents.

Rosea—Large double pink. Price, 25 cents each.

Alba—Blush white; very fine; 50 cents each.

Aloysia Citricdora.

(Lemon Verbena.)

A well known and deservedly popular plant on account of the delightful fragrance of its leaves; extensively used in boquet work. Price, 10 cents.

Alyssum (Sweet).

Double—A variety with neat green foliage, producing spikes of pure double white fragrant flowers. Price, 10 cents.

Asparagus Sprengerii.

A most desirable new species, especially useful to grow as a pot plant for decorative purposes or for planting in suspended baskets; the fronds are frequently four feet long, are of a rich shade of green and most useful for cutting, retaining their freshness after being cut for weeks. It will make an excellent house plant, as it withstands dry atmosphere and will succeed in almost any position. No introduction of recent years has made such a favorable impression upon us as this graceful Asparagus. We have, therefore, prepared a large stock of it and offer good, strong plants, 2 in. pot, 10 cents; 3 in. pot, 15 cents; 4 in. pot, 25 cents; 5 in. pot, 40 cents. Specimen plants from \$1.00 to \$2.00.

Asparagus Plumosus Nanus—An elegant variety with stems tufted. The leaves or plumes are very dark green, as finely woven as the finest silken mesh, and flat in form like a fern frond. It is one of the handsomest of all foliage plants, surpassing Maiden Hair Ferns in grace, fitness of texture and richness of color. Cut sprays retain their freshness in water for three or four weeks. Its exquisite beauty must be seen to be appreciated. Price, 3 in. pot, 15 cents; 4 in., 25 cents; 6 in., 35 to 50 cents.

BEGONIAS

The Begonias in the following list are all fine young plants, well grown, from two to two and one-half inch pots. We have also larger plants, which we can furnish at 50 cents to \$1.00 each. We are making Begonias a SPECIALTY. They are easy to handle and when well grown there is nothing more beautiful.

Metallica—A fine, erect growing Begonia with dark rough leaves; surface is a lustrous bronze green; veins depressed and dark red. The depression of the veins gives the leaves a crepe-like appearance. The leaf is triangular in form, much longer than wide; a free bloomer; flowers waxy, white-shaded pink. Price, 10 to 25 cents.

Marguerite—A variety with leaves like *Metallica*, to which it is related. It grows in round, bushy form; leaves bronze green with purplish cast; very free flowering; large trusses of delicate, rose colored blooms. Price, 10 to 25 cents each.

Rubra—(See cut). This is one of the finest acquisitions to our winter flowering plants; the leaves are of the darkest green; the colors of the flowers scarlet rose, glossy and wax-like. The plants attain a height from three to five feet. Price, 10 to 25 cents.

Sandersonii (Coral)—A most profuse bloomer; color, a scarlet shade of crimson; one of the best old Begonias. Price, 10 to 15 cents.

Weltoniensis—Light pink; free bloomer. Price, 10 to 15 cents.

Weltoniensis Alba—White flowers; a good winter or summer bloomer. Price, 10 to 15 cents each.

Suston's White—In this Begonia we have the finest white, both for market and cut flower work. It is a continuous

RUBRA.

bloomer, winter and summer. Price, 10 and 15 cents.

Argentea Guttata—A cross between *Olbia* and *Alba Picta*. This variety has the silvery blotches of the *Alba Picta*, and the form and beauty of *Olbia*. Olive green leaves, oblong in shape, with silvery markings. White flowers on tips of the stems. Price, 10 to 25 cents each.

Sanguinea—Foliage red, with a deeper shade on under side of leaf; very attractive; an extra fine Begonia in every respect; sure to please. Price, 10, 15 and 25 cents.

Manicata—A large leaved variety; surface smooth and dark green. The large pinnacles of pink flowers are borne high above the foliage. Price, 15 to 25 cents each.

Olbia—The leaves are bronze and from seven to ten inches in diameter.

The arrangement of the veins gives the leaf an uneven surface. The variety soon attains a heavy main trunk, which carries the branches into an erect form. Flowers lemon white; one of the richest colored foliage varieties. Price, 10, 15 and 25 cents each.

Vernon—This excellent variety is of unusual merit as a bedding sort, flowering fully as freely when planted out as when grown as a pot plant. It begins flowering when first planted, and continues throughout the whole season. Foliage a rich, glossy green, often shaded deep bronze. Flowers are a deep red. Price, 10 to 15 cents.

Carroll (The Pink Vernon)—Same as Vernon except flowers are pink and plant not so robust, but we think a more profuse bloomer. Price, 10 to 15 cents.

Thurstonii—A beautiful, stately plant with remarkably handsome, glossy foliage, the under side of the leaves a rich purplish red, the veinings very prominent, while the face, or upper side, is a bronzy green with deep sunk veins: flower rosy pink, borne high above the foliage. Price, 15 to 25 cents each.

Semperflorens Gigantea Rosea—A superb variety; strong, upright; grows large flowers of clear, cardinal red, the bud only exceeded in beauty by the open flower, which is borne on a strong, thick stem. The leaves are smooth and glossy and attached closely to the main stem; both leaf and stem are quite upright, growing and forming a round, shrubby plant. Price, 15 to 25 cents each.

Paul Bruant—Leaf fine pointed, large and smooth; flowers in large panicles, so freely produced as to nearly cover the plant; light rose. Price, 15 cents.

Ricinifolius—So called from its likeness to the Ricinus, or Castor Bean plant. The leaf is very large, color is a rich green, with reddish marking, surface velvety. In bloom it is magnificent; the pinnacles, composed of great numbers of individual pink blooms, are lifted high and spray-like, quite clear of the foliage. Price, 15 to 25 cents.

Begonia Vandii—A charming new

Begonia. Leaves large and beautiful, dark green on the upper side and purplish beneath. Flowers delicate rose, set off with reddish hairs, forming a large flower cluster held up by stout, shaggy stems. Blooms continuously summer and winter. Price, 10 to 15 cents.

Alba Picta Rosea—An upright, bushy grower; leaves small, glossy green, thickly spotted with silvery white; flowers deep pink. Price, 10 to 25 cents each.

Feastii—A low, spreading variety, with round, leathery leaves, beautifully lined red; long stemmed pink flowers, high above foliage. Price, 15 to 25 cents each.

Otto Hacker—The plant is a strong, vigorous grower, of stiff, upright habit, with large, shining, deep green leaves. The flowers are borne in immense pendant clusters; color, a beautiful bright coral red. By far the most prolific bloomer of all the large flowering Begonias. Price, 10 to 35 cents each.

Leonore—A compact, bushy grower, each plant forming a beautiful specimen, making it admirably adapted for pot culture. The foliage is of a bright, glossy green; the flowers, of pure white, are borne freely, well above the foliage, and have a very graceful and delicate appearance. Price, 10 to 25 cents.

Marvelous—Small dark foliage (like Coral); good strong grower, flowers star shape; white with flesh shading in center. Price, 10 and 15 cents each.

Rex Begonias.

Painted Leaf Begonias—They delight in a moist, shady situation, and make excellent plants for baskets and vases if not exposed to the full rays of the sun. They do best in light, open soil, composed of

rich loam, loose woods earth and sharp sand. Price, 25 cents to \$1.00.

Brugmansia Arborea.

(Giant Ghost Flower, Angel's Trumpet or Wedding Bell.)

It blooms all seasons of the year, in a window or conservatory, or it can be cultivated in the garden during summer, or winter in a cellar or pit. The flowers are drooping bell-shape, of a creamy white color, and very sweet. The striking beauty of a plant bearing a dozen or more of those gigantic flowers cannot be described. They must be seen to be appreciated. Price, 15 to 25 cents each.

Bougainvillea Sanderiana.

(Chinese Climbing Paper Plant.)

The name of "Chinese Paper Plant" has been given to the *Bougainvillea* locally, possibly because of the color and lasting quality of the flowers (or bracts). The color is a soft rosy crimson, and this variety blooms very freely in pots, making very handsome plants in a short time. Flowers last on plant about two months. Price, small plant, 10 to 15 cents; large plants, 75 cents to \$1.00.

CANNAS

Nothing can be more effective for grouping on lawns or for large beds in parks, than these ever blooming Cannas. They commence to flower in a very short time after planting, and are a mass of gorgeous colors until stopped by frost in fall.

J. Montel—One of the best Cannas grown. The foliage is a beautiful dark bronze, a color that we find so scarce among Cannas. The flowers are of large size, dark red in color, and produced in great profusion. Price, 3 in. pots, 15 cents.

Madam Crozy—Three and one-half feet. Immense flower heads of the deepest vermilion. These flower spikes or heads follow each other so rapidly that the plant is always in bloom. The petals are very wide and broadly rounded. Price, 15 cents.

Florence Vaughan—The best of the new types, very large petals, large flower, large spike; color, lemon yellow with bright red spots; splendid large, broad, green foliage. Height about 4½ feet. Price, 15 cents each.

Alphonse Bouvier—Free and early bloomer; large petals, large flower; good open spikes; color, strong scarlet with brilliant lustre; foliage, deep green; height, 4½ feet. Price, 15 cents each.

Queen Charlotte—A grand, large flowered, ever blooming French Canna, with a distinct golden belt around each petal, the center brilliant orange scarlet with crimson tones. The individual flowers are very large, the whole forming a perfect bouquet, and admirably adapted to

resist our summer winds. Price, 15 cents each.

Flamingo—A superb variety with trusses of immense size, nearly a foot in length and six to seven inches in diameter. Color, deep, glowing crimson, exceedingly bright and attractive; rarely exceeding four feet in height. Price, 20 cents each.

Orchid-Flowered Cannas.

Italia—Is of a bright orange scarlet with a very broad, golden yellow border; foliage large and heavy, similar to that of *Musa Enseta*. Price, 4 in. pots, 20 cents.

Austria—Is a counterpart of *Italia* in every way except in the color of its flowers, which are of a pure canary yellow, with a few traces of small red spots in the center of the two inside petals. Price, 20 cents.

Burbank—A wonderful new California hybrid Canna, with giant Orchid-like flowers; on the same order as *Austria* and *Italia*, but distinct and even superior to either. Its flowers are of gigantic size; a rich canary yellow with a few carmine spots in the throat; blooming late in the season after all other sorts take on a seedy look. Fine plants only 20 cents.

Cyperus Alternifolius.

(Umbrella Plant.)

A grass-like plant, growing about two feet high, surrounded at the top by a whorl of leaves diverging horizontally, like the spokes of a wheel, giving the plant a curious and interesting appearance. A splendid plant for the center of baskets and vases, and unexcelled for warden cases, ferneries, or as an aquarium plant. Price, 15 and 25 cents.

Caladium.

(Elephant's Ear.)

Esculentum

—A very effective plant and suitable for either a single plant on the lawn or massing. The leaves often attain the length of three feet, by twenty inches wide. The growth is very rapid. The ground must be very rich. Price, 15, 25 and 35 cents.

Callas.

Calla Ethiopica—The well-known white Calla Lily. A plant of the easiest culture. Give rich soil and plenty of water; can be had in bloom from mid-winter to late spring. When they show signs of dying down in the summer, water but very little and let them get thoroughly dry, in which state leave them until fall, then shake off old soil and repot, but water sparingly at first. Price, 15, 25 and 50 cents each.

Cissus Discolor.

(Trailing Begonia.)

A climber with very beautiful foliage, deep velvety green, mottled with white on the upper surface; under side of a deep reddish purple. For trailing over the side of a window box or grown on a trellis it is one of the most odd and attractive plants. Price, 10 and 15 cents each.

Cigar Plant.

Platycentra—Of low habit and completely covered with crimson and dark red, tube-shaped flowers the entire season; a fine bedding and winter blooming plant. Price, 10 cents.

Cineraria.

Magnificent and indispensable flowering plants for spring decoration for the conservatory or window garden. The flowers measure 1 to 2 inches across, are of white; blue, violet and crimson shades, covering the plant with a sheet of bloom. Price, 25 cents.

Clematis.

Jackmanii—The flowers, when fully expanded, are from 4 to 5 inches in diameter; intense violet purple, with a rich velvety appearance; distinctly veined. It flowers continually from July until cut down by frost; perfectly hardy, a rampant grower, strong plants. Should be planted in April. Price, 75 cents.

Coleus.

Of these beautiful, tender bedding plants we have a fine collection of the most striking colors to be found in the Coleus; every one of them a gem. Price, 5 cents each; 50 cents per dozen.

Convallaria.

(Lily of the Valley.)

One of the most charming of our spring flowering plants, whose tender stems, set with their tiny bells, diffusing a delicious odor, having rendered it a universal favorite. Roots delivered until April and after September 1st. Price, 5 cents each; 50 cents a dozen.

Crotons.

Nothing can excel the beauty and richness of coloring that is found in this class of plants. They are beautiful as pot plants for the conservatory, making handsome specimens for decorative and exhibition purposes, and are now used extensively as bedding plants, for which purpose they are exceptionally well adapted. They should be planted in full sun in a position where they can be liberally supplied with water, which de-

velops the most wonderful colorings in the foliage. Price, 10 to 25 cents.

CARNATIONS

Wm. Scott—Delicate light pink, with finely fringed petals; flowers of large size on long stems that hold the flower erect. Each, 10 cents.

Gomez—Brilliant cardinal maroon. Flowers full and nicely fringed. Strong, vigorous habit of growth. A fine dark colored variety, of a shade seldom seen in Carnations. Price, 10 cents.

Mary Wood—Strong, dwarf grower, good bloomer; extra large white flower. Does not burst its calyx; stems very strong. Price, 10 cents.

Morrello—Flowers large; color, brilliant red; petals deeply pinked or serrated. Strong grower, with long, stiff stems holding the flowers high above the foliage. Price, 10 cents.

White Cloud—A remarkable new white Carnation; blooms very early on strong stiff stems and continues to bloom the entire season. Flowers large, of fine shape, and very fragrant. Price, 10 cents.

Ethel Crocker—This Carnation has

proved to be one of the greatest flower-producers among all pink Carnations; immense; bright pink; clove fragrance. Price, 15 cents.

The Marquis—A rich, clear pink. It shows no trace of purple or magenta, the ground-work being of that bright salmon shade that renders a pink so attractive. Its flowers average three inches and over in diameter. In length and strength of stem it is everything that can be desired. Price, 15 cents each.

The set of 7 carnations for 65 cents.

Cyclamen Persicum.

There are few plants more showy than the Cyclamen, blooming in the winter and spring. Flowers of peculiar shape, of various colors; on long stems; beautiful foliage. Price, 25 cents.

CHRYSANTHEMUMS

(The Queen of Autumn.)

Fisher's Torch (Mid-season)—Bright, large, fiery red. Price, 10 cents.

The Queen (Mid-season)—One of the very finest whites to date. It excels all in purity, globular form, with broad, incurved shapely petals of great substance; growth robust and large; smooth, heavy, deep foliage; carries flowers erect on stiff stem. Price, 10 cents.

Mrs. Jerome Jones (Late)—Creamy white, incurved, high rounded flower; large and fine form; one of the best of all whites. Price, 10 cents.

Elane (Early)—Pure white, tinged to pink with age; bushy habit; one of the very best whites. Price, 10 cents each.

Ivory (Second early)—An exquisite white, absolutely pure. The flower is quite regular in form, very large and

flat, the length of petals graduating to the center. Price, 10 cents.

Major Bonaffon (Mid-season)—Grand incurved yellow, of largest size, full to the center, stem dwarf and erect. Price, 10 cents.

G. W. Childs—The best early crimson in commerce. Flowers large, reflexed; color, deep, rich velvety crimson; borne on strong stiff stems. Price, 10 cents each.

New Varieties.

Xeno—Very late; bright pink, of the Japanese incurved type. Similar to Mrs. Perrin, but larger and perfectly double. Price, 10 cents.

Solar Queen (Mid-season)—Entirely distinct from all other yellow varieties. Extra large flowers of rich, golden yellow, shading to pure yellow. If well grown, the flowers often measure eight to ten inches in diameter. Price, 15 cents.

Mrs. H. Robinson (Mid-season)—Grandest white extant. Has no rival among whites for single stem in pots. Grand for exhibition; best commercial white. Price, 10 cents.

Mrs. O. P. Bassett (Mid-season)—Color, straw. What Robinson is among whites, its yellow sport, Mrs. Bassett is among yellows. Every other early yellow will have to hustle out of the way when this grand sort comes in. Large and round, and a beautiful color, with elegant foliage. Price, 10 cents.

Lavender Queen (Early)—A new color, entirely distinct from any in commerce, being a soft shade of lavender. Price, 10 cents.

Superba—The latest Japanese incurved pink that has come to our notice, being in perfection December 10th to 20th. A very double flower, 5½ to 6 inches in diameter, with high, rounded center. Color, bright pink. Price, 10 cents each.

Glory of Pacific—The very best early pink to date. Dwarf, sturdy habit and of easy culture. Price, 10 cents.

Wm. H. Chadwick (Late)—The grandest Chrysanthemum of them all. An immense graceful bloom, measuring 10 to 12 inches in diameter, center incurving and outer petals reflexed. Color, waxy-white, occasionally tinted pink. Growth, habit, stem and foliage simply perfect. Each, 20 cents.

Timothy Eaton—Sensational novelty and the greatest introduction for many years. This variety has been extensively exhibited the past fall and captured every prize for which it was entered. It is the largest, white, globular, Japanese incurved variety yet raised. The form is perfect, the stem stiff, with healthy foliage. *Flowers were shown at the Kansas City Flower Show which measured 30 inches in circumference.* Price, 25 cents each.

Mrs. Elmer D. Smith (Late)—A bright yellow Japanese incurved, of perfect form, full double, high, rounded centre. The introducers claim that this variety has more good points than any variety sent out by them the past ten years. Price, each, 25 cents.

Chrysanthemum Frutescens.

(Paris Daisy or Marguerite.)

It is a fine flower; a good winter as well as summer bloomer. Price, 10 cents.

Mad. Ferfaeillon—The foliage of this variety is very finely cut. The flowers are the same as found in the old variety, single, white with yellow disc. The prettiest Paris Daisy in existence. Price, 10 cents each.

Etoile De Orr—Heavy dark green foliage, yellow flower. Price, each, 10 cents.

One each of above three Marguerites for 25 cents.

Dahlias.

Within the last year or two wonderful interest has been revived in the Dahlias, making them a strong rival of the popular bedding plants, the Geranium and Canna. We have a fine collection of popular colors.

Cochineal—Rich crimson scarlet.

Exquisite—Orange, shaded scarlet.
Price, 20 cents each.

Dicentra Spectabilis.

(Bleeding Heart.)

Has heart-shaped, deep pink flowers, a dozen or more being borne on a long, drooping raceme, a foot or more in length, perfectly hardy. Must be taken in April. Strong clumps, 25 cents.

Euphorbia Splendens.

(Crown of Thorns.)

A curious plant with few leaves, and closely covered with long spines; bright scarlet flowers, borne very freely. Price, 15 to 25 cents.

Echeveria.

A genus of succulent plants, both novel and interesting. They are useful either as pot plants, for decorating purposes or for bedding out in summer. Being a native of arid countries, they thrive best if planted in a dry situation. Price, 10 and 15 cents.

Fuchsias.

Phenomenal—Largest Fuchsia that has yet come to our notice; short tubes and sepals of a bright, rich, reddish crimson color; corolla very full and double; of a beautiful azure violet flaked with red. Price, 15 cents.

Speeiosa—Very hardy, easy to grow; a free bloomer; pale salmon pink. An

old variety, but one of the best. Price, 10 cents.

Black Prince—Large, expanded, bell-shaped corolla, of a reddish color; tube and sepals crimson; one of the best bloomers; single. Price, 10 cents.

Charles Blanc—Corolla rich amaranth, tube and sepals light rosy pink; a splendid, robust grower. Price, 10 cents each.

Mad. Vanderstraus—Tube and sepals coral red, corolla large, double and pure white; one of the best Fuchsias in our collection. Price, 10 cents.

Lovely—Single; crimson corolla, white tube and sepals. Price, 10 cents.

Feverfew.

(New Dwarf.)

Little Gem—One of the best continuous white flowering plants ever introduced. It rarely ever exceeds 20 inches in height, and flowers from June until frost. One of the best plants for cemetery use or for cut flower work. Price, 10 and 15 cents.

Farfugium Grande.

(Leopard Plant.)

Showy leaves of dark, glossy green, with numerous blotches of yellow; very ornamental; excellent plant for ferneries or pots. Price, strong plants, 25 cents; 2nd size, 15 cents.

Ficus Elastica.

(India Rubber Plant.)

Fine old plant which is becoming very popular, not only in the greenhouses, but as a decorative plant for the drawing room or flower garden. Its thick, leathery leaves make it specially valuable, in consequence of it doing perfectly well in the dry air of dwelling rooms. Price, 25 cents to \$2.00.

Mikado Fern Balls.

The best house plant novelty in ten years. This ball consists of Fern roots about the size of a pencil, woven outside and around a ball of moss. These roots produce beautiful sprays of Ferns from eyes or buds at nearly every inch of their length. Thus the whole surface of the

ball soon becomes covered with Fern sprays. They may be suspended in any part of the room or grows on a stand or table.

Directions for Starting—Place ball in water for 15 minutes and then suspend in any desired position; repeat every two days until growth is started, after which sprinkle occasionally as required. To use in Fern dish, cut ball in halves, placing cut side down, thus getting two dishes of beautiful Ferns. The Fern Ball may be allowed to dry up at any time

and set away, and started again by watering as before.

Gladiolus.

These beautiful flowers are indispensable in every garden, for they are in full bloom from the middle of summer until frost; mixed; extra fine; all new. Price, large, select bulbs, 5 cents each. 6 for 25 cents.

GERANIUMS

Helena (Seeding of 1900)—Strong, thirty growing plant, large, heavy, deep green foliage, dark zone; florets very large, of rich crimson scarlet deeply veined crimson, the largest red we have ever seen. Price, each, 35 cents.

Jean Vind (Bruant)—Admirable plant of stocky growth, incessant bloomer; flower of largest size, in immense trusses. Flowers are semi-double, light rose. The upper petals are marked with two beautiful white blotches. Its habit of growth, uninterrupted blooming and hardness will attract attention at once and it will be grown in large quantities when better known. Each, 15 cents.

Majestic—The thriftiest grower and most profuse bloomer on the market, also the only Geranium of this color; flowers of striking soft sub-scarlet veined red, overcast by a peculiar silvery sheen, which adds greatly to its beauty; trusses are 5 to 7 inches across, florets being considerably larger than a silver dollar, and borne on long foot stalks well above the foliage. The foliage is very heavy and glossy, deep green, serrated edge, and very dark zone; a very beautiful plant. Each, 15 cents; strong specimen plants, 50 and 75 cents.

Vera Vend (Double)—Plant of finest habit, large trusses; flowers semi-double, very open with large petals, the borders of which are rosy orange; large center striped with white, and delicately marbled and striped with rosy orange. One of the finest and most beautiful in the

Aureole section and will be grown by all when known. Each, 15 cents.

Mad. St. Pol. Bridoux (Single)—Plant free blooming, large trusses well raised from the foliage; flowers large, center white, covered with veins and marblings of rosy orange carmine. A very distinct and charming variety. Each, 15 cents.

One each of the above five Geraniums for 80 cents.

STANDARD BRUANTS

Best Single Bruants.

(Each, 10 cents, except where noted.)

Protee—Flowers very large and freely produced in immense trusses. Color, silvery lilac, white shadings changing to silvery pink. A splendid sort.

Mme. Chas. Molin—Trusses and florets enormous; color clear, bright salmon, white eye. Remarkable for the beauty of the trusses, also for its lovely color. Plant semi-dwarf, zoned in black and very fine in bloom.

Madame Alfred Marn—The largest flowered of all Geraniums. This is not only the largest flowered, but a sturdy grower. A magnificent bedding variety. The trusses are of extraordinary size, two and one-half inches long by two inches wide, of almost pansy form. The color is a soft sub-scarlet, lower petals changing to salmon in the center, which

is deeply veined crimson. Price, 15 cents each.

Hecla—Carmine, of the loveliest shade; flowers very large and finely formed. One of the finest of fancy reds. Price, 15 cents.

Gustave Moreau—Trusses exceptionally large, florets of fine size; color soft, silvery lilac, lighter at the center. A fine French variety, of unusual merit in this color. Price, 10 and 15 cents.

Best Double Bruants.

(Price 10 cents, except where noted)

Alpine Beauty—Very dwarf, with stiff, neat foliage, the flower stems long and stiff. Both floret and truss are of unusual size, and it has stood the sun finely, proving a good bedder. We consider this the finest double white up to date. Price, 15 cents each.

Beauty Poitevine—Very large, semi-double flowers borne on immense trusses. Free bloomer, either as a pot plant or a bedder. It has no equal of the color, which is a brilliant salmon, very clear at the borders. This might well have been called "Salmon Bruant." Price, 15 cents each.

Bruantii (Semi-double)—Color of the flower a vermillion red, of a most pleasing shade. The flowers are absolutely perfect in shape, contour and make-up; trusses exceptionally large and borne on immense spherical balls, often measuring eight inches in diameter. The best scarlet bedder extant.

Madame Jouis—A very beautiful variety; color, bright rose at the center, with a wide border of flesh color or white, florets of the largest size, semi-double and flat in form. A grand addition to the doubles.

Ville de Poitiers—There is nothing finer than this in the Bruant race. Color, rosy scarlet, very clear and bright, trusses very large, composed of enormous florets, nearly three inches across, and of the peculiarly beautiful form of *Beauty Poitevine*. Very free, producing an elegant effect when massed.

One each of the above ten single and double Bruants for \$1.00.

General Collection of the Very Best Old and New Varieties.

The following double and single Geraniums are 10 cents each, or \$1.00 per dozen:

Benjamin Schroder—Light green foliage that is very bright in color; flower extremely large; of soft, rosy pink color,

ALPINE BEAUTY.

with distinct white blotches on the upper petal; of satiny texture; petals slightly recurving.

Hetheranthe—Quite similar to Bruant save that it is softer shade of color, while still very brilliant. Another grand variety.

Glorie de France—Large, round, individual flower; color, white, with a dark, distinct salmon red center.

Asa Gray—Light salmon orange; one of the best old varieties.

White Swan—A perfectly double, pure white variety, the best of its class. It is remarkably free flowering, and in its season a perfect ball of snow white flowers.

Double Grant—Brilliant scarlet; immense size; strong grower.

Peter Crozy—A cross between the Ivy Geraniums and the Zonals. The foliage shows the blending of the two races,

having the form of the Ivy and the substance and size of the Zonals. The flowers are brilliant scarlet, borne in the greatest profusion. The habit is dwarf and compact; the flowers are semi-double and last a long time.

John Heron—Plum purple flower. The best bloomer and most showy of all bedding Geraniums.

Bastien la Page—Bright salmon, tinted with orange; beautiful.

Negro—Darkest of all; trusses well formed, of a dark, velvety red color of a very rich tint; undoubtedly the darkest red out.

A. Grinnager—Large trusses of brilliant red; plant free blooming and good habit.

Contrast—Maroon shaded violet; dwarf, compact growth; good foliage; fine bloomer.

Single Geraniums.

Souvenir de Mirande (Aurole)—It has round florets; upper petals cream white with a distinct rosy pink border; lower petals salmon rose, streaked with pure white; a most novel color.

Queen of Belgium—Without doubt the finest single white ever produced; pure snow white, enormous truss; a beautiful plant.

Dazzler—Scarlet; white eye.

Beauty of Louisville—Rich, dark velvety crimson; sure to please.

Glorie de Poitevine—Large trusses of immense size. Rich red, shaded orange, with white eye. Very vigorous and free.

Chaplin—Habit semi-dwarf; small foliage nicely zoned; large florets, semi-double; of brilliant red, shading to white center.

Reinsense—Habit semi-dwarf, good foliage deeply zoned; flower a light pink color; marbled white, veined red, with pure white border.

Brutus—Very large; carmine purple.

Lyda—Fine scarlet; one of the best plants for bedding we have; very bushy.

Grant—Single; brilliant scarlet; most profuse bloomer among the single scarlets.

Fancy Tri-Colors.

Happy Thought—Deep green, large, creamy yellow blotch in the center. Price, 10 cents.

Mountain of Snow—Deep green, margined white, strong grower. Price, 10 cents.

Mad. Salleroi—This is an entirely distinct variety, with leaves from one to two inches in diameter. The center of each is deep olive green, with broad margins of pure white. Price, 10 cents each.

Mrs. Pollock (Golden Tri-color)—The ground color, or rather the disc of the leaf is green; next comes a zone of bronze-crimson margined scarlet, then a belt of lighter green, the margin of the leaves being a clear yellow. Price, 15 cents.

Cloth of Gold—Golden yellow leaves with green ground. Price, 10 cents each.

Ivy Leaf Geraniums.

(Double Flowering.)

Congo—Large and compact truss; flower round and very double; good form, beautiful rosy lilac. Price, 10 cents.

Glory of the Garden—One of the finest. Flower a beautiful shade of crimson pink; full, roseate shape; a very rank grower. Price, 10 cents each.

Scented Geraniums.

Rose Scented—Large leaf. Price, 10 cents.

Rose Scented—Cut leaf. Price, 10 cents.

Mrs. Taylor—A very fine rose scented variety with bright scarlet flowers; a very free bloomer. Price, 10 cents.

Nutmeg Scented—Price, 10 cents.

Pansy Geraniums.

Vibert—Large flower, of easy culture; rich pink; two upper petals shaded dark brown. Price, 15 cents.

Victoria T. La Bertha—Sub-scarlet, with maroon blotches. Overcast in throat by velvety luster. Price, 15 cents each.

John Cuti—Blush white, medium size bloom. Price, 10 cents each.

Beauty of Oston—Splendid bloomer. Colors, rich cherry red under color, white on throat of two upper petals; veined purple, overcast by silver luster. Price, 15 cents each.

Mad. Thibaut—Pink and white; seven petals; one of the largest and best. Price, 15 cents.

Queen Victoria (semi-double)—One of the finest. Purple madder brown, edged clear white, with white throat, rich pink shadings; two upper petals; all overcast by rich pearly sheen. Price, 15 cents.

Gen. Aviner—Light shell pink, upper petals veined and shaded velvety purple. Very handsome. Price, 15 cents.

Mrs. G. W. Childs—Salmon pink, shading to lighter pink at outer edge, velvety red maroon splotches. Price, 15 cents each.

Dr. Masters—Pure pink, white throat, shaded velvety crimson on two upper petals. Very fine. Price, 15 cents each.

One each of the above nine Pansy Geraniums for \$1.00.

Hydrangeas.

Otaska—Having tried all the Hydrangeas in commerce we find that *Otaska* is the best. It is a splendid variety from Japan. Flowers, bright pink, enormous clusters; of easy culture. Price, 15 to 25 cents.

Hydrangea Paniculata Grandiflora—This is the most valuable hardy shrub in cultivation. It attains the height of three or four feet and is perfectly hardy in all parts of the country. The flowers are white, borne in immense pyramidal

panicles nearly a foot in length. It commences flowering in July and continues until November. This is very desirable for cemetery planting. Price, strong plants, 25 cents each.

Heliotrope.

A favorite and free flowering tribe of plants, equally good as summer bedding plants, or for pots in the house during winter.

Snow Wreath—A very fine variety, being the nearest approach to white. Price, 10 cents.

Garfield—Purple. Price, 10 cents.

Hibiscus.

Carminatus Perfectus—Large, single flowers in great abundance; scarlet, shaded to rose. Price, 10 and 25 cents each.

Carminatus—Double, high, full center, round as a ball; color, scarlet. Price, 10 cents.

New Pink Hibiscus "Peachblow"—This is one of the finest free flowering plant novelties offered in recent years. The flowers are double and from 4 to 5 inches in diameter; of a charming, rich, clear pink color, with a small deep crimson center; an entirely new and most beautiful shade; it blooms abundantly and continuously even on small plants during the entire summer and winter months. Large plants, two or three years old, make a magnificent show. It will give great satisfaction to all who grow it, either in pots or plants out in the garden. We offer two sizes: First size, strong plants, each, 10 cents; second size, each, 25 cents.

Hollyhocks.

One of the grandest summer and autumn flowering plants. For a background to a flower garden, perhaps no plant is so useful. The flowers are as double as a rose, of many shades of color, from deep yellow, red, purple to pure white.

Chartiers Prize—Pink, white, yellow, crimson. Strong field grown plants, 25 cents each.

Mammoth Double-Fringed Hollyhock
 "Allegheny."

An early new departure which has much to commend it. The mammoth flowers are wonderfully formed of loosely arranged fringed petals, which look as if made from the finest China silk, and when cut are hardly recognizable as a Hollyhock, having none of the formality of the ordinary type. The color varies from the palest shrimp pink to deep red. The plants are of majestic growth, sending up spikes 6 to 7 feet high, and are of a strong constitution. Strong field grown plants, 25 cents.

Ivies.

Helix—The well known English Ivy. Price, 10 cents.

German—Smooth, glossy, light green leaves, a very rapid grower. Price, 10 cents.

Kenilworth—A pretty, drooping plant, with small lilac flowers; fine for baskets or vases. Price, 10 cents.

Grave Ivy (or Myrtle)—The well known hardy Ivy for cemetery planting; leaves a smooth, dark, glossy green. Price, 10 cents; 3 for 25 cents.

Impomoea Nictiphyton.

(Moon Flower.)

A handsome and useful vine of very rapid growth. Leaves, large, smooth, dark green, heart-shaped and pointed; flowers large, color white, with five pointed stars extending through the petals; a strong grower. Price, 10 to 15 cents each.

Impatiens Sultani.

The prettiest and most distinct flowering plant that has been introduced for a long time, always in bloom and a perfect mass of glistening, rose scarlet flowers. For table and house decoration, and for bedding, it is magnificent.

Two varieties, rose scarlet and shell pink. Price, 2 in. pot, 10 cents; 3 in. pot, 25 cents each.

Jasmine.

Grandeflorum (Star Jasmine)—Pure white, star-shaped flowers; trailing habit;

free flowering; very fragrant. Price, 10 cents.

Revolution—A half climbing variety, with thick evergreen foliage; flowers bright yellow; very fragrant. Price, 10 cents.

Lantana.

Mrs. Host—Lilac; a very strong grower. Price, 10 cents.

Snow Ball—This is the very best white variety. Price, 10 cents.

Jacques Minot—The beautiful red flowering sort, fading to a beautiful deep orange yellow. Price, 10 cents each.

Manettia Vine.

Manettia Bicolor—A very pretty, rapid growing, twining plant, producing tubular flowers from one to two inches in length, being a flame color, tinted with bright yellow, making a plant of great beauty; fine plants. Price, 2 in. pot, 10 cents.

Musa Ensete.

(Abyssinian Banana.)

Large, ornamental foliage; the leaves on well grown plants are two feet wide by six feet long. Give rich soil deeply dug, and water freely; take up before frost and store in a frost proof cellar. Strong plants, 25 and 50 cents.

Maurandia.

Graceful climbers for greenhouse, parlor, basket or outdoor purposes, with rich purple, white and rose, fox-glove shaped blossoms. Each, 10 cents.

Oxalis.

The plants are of the easiest possible culture and are fine for baskets.

Bermuda Buttercup—Single yellow.

Bowei—Clear red.

Rosae—Pink.

Alba—White.

Each, 10 cents; 3 for 25 cents.

Pansies.

There is no flower that gives as much pleasure with as little trouble as the Pansy. Plant them, if possible, in a

partial shade and see that they do not suffer for water. We have a splendid collection of Pansies in all the different shades of color. Order early. The months of April and May are the best, the former being preferable. Price, 5 cents each, or 50 cents per dozen.

Petunias.

Snow Flake—This is the finest double white. Each, 10 cents.

Ethel—White, blotched purple. Price, 10 cents.

Dawn—Pure pink; Price, 10 cents each.

Passion Flower.

Pfordei—The best for pot culture, as it blooms when but a foot high. Large, handsome, fringed flowers, exhibiting a mingling of white, pink, brown and blue in its coloring, making a flower of the most fascinating beauty. Price, 10 cents each.

Pilea, Artillery Plant.

Arborea—A pretty little plant growing from 6 to 8 inches high, resembling some of the ferns in general appearance; its graceful, drooping habit makes it desirable for vases or baskets. Price, 10 cents.

Pink (Hardy).

Her Majesty—A perfectly hardy plant, producing immense quantities of pure white flowers, resembling the finest Carnations; a good plant for cemetery planting. Clumps from field, 25 cents; 2 in. pot plants, 10 cents.

Paeonies.

The Paeonies are among the showiest and most useful of all hardy plants. They succeed well in almost any situation, but flowers will be brighter and finer if planted in deep, rich loam, well manured.

Superba—An elegant double white of the purest color. Of immense size and queenly splendor. Price, 25 cents.

Magnifica—A delicate, soft pink of exquisite shade and great beauty. Free bloomer of excellent merit. Price, 25 cents.

Plant in April.

Rudbeckia.

Golden Glow—A glorious plant, and one that should find a place in every garden. Without question the best hardy plant introduced in many years. It is of fine habit and vigorous growth, attaining a height of from 4 to 6 feet and begins to

flower early in the season, and continues until late in the fall. The flowers are produced in enormous quantities on long stems, and resemble a fine double golden yellow cactus dahlia; and as a cut flower for vases, etc., it has no equal.

Price, field grown clumps, 15 to 25 cents.

Rosemary.

A low growing half hardy evergreen; very pungent color. Price, 10 cents.

ROSE DEPARTMENT

Crimson Rambler.

Magnificent pyramidal cluster of rich crimson roses. Every cluster a bouquet of itself. This grand rose improves upon acquaintance. Price, 2 in. pot, 10 cents; 3 in., 15 cents; field grown plants, 25 to 35 cents.

The White Rambler (Thalia).

Pure white; in other characteristics like Crimson Rambler; perfectly hardy. Field grown plants, 25 cents.

Yellow Rambler (Aglaia).

This promises to fill that long felt want. A hardy yellow climbing rose. It is fragrant and perfectly hardy. It is related to the Crimson Rambler and, like it, blooms in clusters. Price, 3 year old field grown plants, 25 cents.

Tea Roses.

Bridesmaid—This exquisite new Rose is a sport from the old favorite, Catherine Mermet. The Bridesmaid retains all the good qualities of the parent, and is very similar in every respect, save color, which is about two shades darker, being a bright, soft pink, which is not affected in color by the weather. Price, 10 to 25 cents.

The Bride—This is decidedly the most beautiful white Tea Rose. The flowers are very large and double, on long, stiff stems. Price, 10 to 25 cents.

Perle Des Jardins—This magnificent Rose still retains its position as the finest of its color yet introduced, and grows into perfect favor year after year. The color varies from canary to golden yellow flowers, large and beautifully formed, handsome in every stage of development. Price, 10 and 15 cents.

Bon Silene—One of the best Roses ever introduced, and few can equal in freedom of flowering, fragrance or vigor of growth. The flowers are soft crimson fading to pink. It grows rapidly and is highly perfumed. Price, 10 and 25 cents.

Meteor—This splendid Rose is admitted one of the brightest colored and most brilliant Roses we have, and is highly recommended for bedding and general planting, as well as for growing in pots and conservatory. The color is rich velvety crimson. Price, 10 to 25 cents.

Golden Gate—This is a beautiful free blooming and healthy Tea Rose that we can recommend to everyone desiring large flowers, long stems and continuous bloom. The buds are long and pointed, opening out into a well-shaped flower of creamy white, delicately tinted with rose. Each, 10 cents.

Hybrid Teas.

American Beauty—As a national Rose this undoubtedly stands at the head as a free bloomer and a strong grower. The first attraction is its fragrance, delicious

beyond comparison; second, its great size; third, the profusion of rich foliage that can always be found with every bloom; color, rich carmine crimson. This Rose is undoubtedly the most prolific bloomer out. Price, 15 to 25 cents.

La France—Delicate silvery rose shaded with crimson pink, often silvery pink with peach shading. It flowers continually throughout the season. Price, 15 cents.

Duchess of Albany (Red La France)—Its color is a deep, rich rose, under color carmine. Price, 10 to 25 cents.

Striped La France—Same as La France except it has white stripes running down through the buds. Price, 10 to 25 cents.

Kaiserin Augusta Victoria—Color, soft, pearly white, fragrant. It is valuable for cut flowers; so free that every shoot is invariably crowned with a magnificent flower; the finest of its class, and succeeds splendidly out of doors. Price, 10 to 15 cents.

These Roses may be left in the open ground all winter if covered with straw or leaves, or it may be potted, and will bloom all winter in a sunny window or greenhouse.

Polyanthus Roses.

Clothilde Soupert (Polyantha Tea)—The plant grows from 16 to 18 inches high; and is an excellent sort for bedding. The flower is large, very full and finely imbricated; the outer petals are pearly white, shading to a fine rosy pink center. Very free flowering and nicely scented. The best Rose we know of for cemetery planting. Price, 10, 15 and 25 cents.

Miniature—This is the smallest of all Roses, but perfect in form; regular, compact, fairy-like flowers, fully double and very fragrant; color, white. Price, field grown plants, 15 to 25 cents.

Little Pet—A very charming fairy Rose; flowers of perfect form, very double and full; pure creamy white, sometimes delicately tinged with salmon rose. Price, 10 to 15 cents.

Hermosa—A beautiful and useful Rose; blooms in fine clusters; medium size; very double; beautiful clear rose; constant bloomer; early. Price, field grown, 25 cents.

FIELD GROWN ROSES

The Memorial Rose.

Rosa Wichuriana—A beautiful single Rose from Japan. Blooms in clusters on the ends of short branches during July and August; flowers fragrant, single, pure white, with yellow stamens, followed in fall and winter with bright red fruit. Foliage dark shining green, almost evergreen; prostrate, trailing habit, and soon forms a dense mat or covering. Plants, 25 cents each.

White Pillar Rose.

Mary Washington—Its flowers are of medium size, pure white, perfectly double to the center, sweet and borne in endless numbers all summer. It is a vigorous and rapid grower, and must at once become a general favorite. Should have slight protection in winter. Each, 25 cents.

Prairie Roses.

(Climbing.)

Baltimore Belle—Small, but compact, and perfect flowers; borne in very large clusters; blush white.

Hybrid Perpetual Roses.

Gen. Jacqueminot—This is without doubt the best hardy, dark red Rose grown; strong; field grown.

Paul Neyron—A grand Rose with immense double flowers, probably the largest grown; bright shining pink.

Anna de Diesbach—Dark rich pink; immense size; one of the finest hardy Roses.

John Hopper—Bright rose with carmine center, large and full; esteemed by all who know it as of the highest order.

Madam Mason—Brilliant pink, shading to carmine crimson; very fragrant.

Extra strong two year old plants, each, 25 cents; set of five for \$1.00.

Salvias.

(Scarlet Sage.)

S. Compacti—A dwarf scarlet variety, forming a compact bush about 15 inches high and 24 inches across. One of the finest varieties yet introduced, for either summer or winter bloom. Price, 10 cents.

Smilax.

A fine decorative plant, largely used for that purpose. Price, 10 cents.

Sanseveria Zealanica.

A beautiful plant, splendidly adapted for the decoration of the drawing rooms and halls, as it stands drought and dust with impunity. The leaves grow to a length of 2 to 3 feet, and are beautifully striped crosswise with broad, white variegation on a dark green ground. It is a rare and beautiful plant which should be abundantly grown for positions out of the reach of sunlight, where other plants will not thrive. Price, 15 to 50 cents.

Swainsonia Galegifolia Alba.

A plant which is becoming very popular for house culture. Foliage as graceful as an Acacia; flowers pure white, produced in sprays of 12 to 20 flowers each, and resemble Sweet Peas. It is of the easiest culture and ever blooming. Price, 10 to 25 cents.

Tube Rose.

The Tube Rose is a beautiful pure white, wax-like, very sweet scented, double flowers, growing on tall stems, each stem bearing a dozen or more beautiful flowers. Select bulbs, 5 cents each, or 50 cents per dozen.

Violets.

Marie Louise—Deep violet hue; very fragrant and free flowering. Price, 10 cents each.

The California Violet—Plant vigorous and absolutely free from disease; flowers single, immense in size; color, velvet purple. Price, 10 cents.

MARIE LOUISE

Swanly White—The best white violet yet attained. Price, 10 cents each.

Vincas (Trailing).

Major—A beautiful variegated trailing plant, well adapted for baskets and vases, leaves glossy green, broadly margined with pure white. Price, 10 cents.

Harrisonii—Very strong growing variety, similar to the above in habit; margin of leaves a rich dark green. Price, 10 cents.

Verbenas.

Verbenas love plenty of sunshine, moisture and rich soil; in fact the ground can hardly be made too rich for them; assorted colors. Each, 5 cents; per dozen, 50 cents.

Blue-Boy—Fine deep blue.

Climaxer—Extra large, scarlet.

La Cygne—Pure white, free grower.

Mrs. James—Very large, light pink, striped white.

W. Rosea—A beautiful shrub with rose-colored flowers in May and June. Price, each, 25 cents.

Wandering Jew.

A beautiful basket plant of vining habit. Plain green and variegated. Each, 10 cents.

Yucca Filamentosa.

Perfectly hardy and easy grown; very odd and beautiful. The stem on which the flowers are borne is thrown up in July, and forms a perfect pyramid of creamy white, bell-shaped flowers. Very picturesque effects are produced when planted in groups on the lawn. Price, 25 cents.

Bulbs.

We always carry a full line for spring

and fall planting. Prices on application.

PALMS

We carry quite a line of Palms. Price and size upon application.

FERNS

Sword Fern—10, 25 and 50 cents each.

Boston Fern—The Boston Fern now equals in popularity the finest Palm. It is a rapid grower, notwithstanding furnace heat and gas and is unaffected by ordinary changes of temperature. It increases rapidly, a 4-inch plant increasing to 10-inch size in a year, besides making many new off-shoots. A good sized plant contains from 20 to 40 fronds and the fresh ones continually coming out with new growth are very beautiful. It gives universal satisfaction. Price, 10, 15 and 25 cents. Large plants, 75 cents to \$1.00.

Nephrolepis Cordata Compacta—A more compact and erect variety than the "Boston Fern," gracefully arching and very useful for decoration. Price, 10, 15 and 25 cents each.

Vegetable Plants

We have twenty acres in garden, therefore we make a specialty of raising vegetable plants, raising, setting and shipping hundreds of thousands of plants annually. We ship large quantities of plants to distant states and territories. Our system of packing is so complete that we rarely ever have any plants damaged. All vegetable plants sent out by us are raised from the same seed that we use ourselves; in fact we do not offer any plants for sale that we do not set out large quantities from the same beds in our own garden. All plants are raised from the best of seeds, regardless of cost of seeds. Early cabbage should be set out in April—the sooner the better; second early, about May 1st; late cabbage from May to the last of July.

Cabbage Plants.

Early Jersey Wakefield—This is, without doubt, the best early cabbage grown. The variety we use for early planting, every plant forming a large, solid head. Strong, stalky plants ready April 1st. Per 100, 50 cents; per 1000, \$4.00; after May 1st, at 25 cents per 100; per 1000, \$2.00.

All Season—This excellent strain of early Drum Head cabbage is as early and

good as the Early Summer, and growing a third to half as large again. As the name indicates, it can be planted at all season, and makes both a splendid early and late variety. It forms a fine, large head of superior variety, not bursting after heading. Strong plants ready April 1st; per 100, 50 cents; per 1000, \$4.00; after May 1st, per 100, 25 cents; per 1000, \$2.00.

Henderson's Summer—For second planting we have never found any superior to this. It stands the hot sun well and usually forms large, solid heads of fine flavor. Good, stalky plants on and after May 1st, 25 cents per 100; per 1000, \$2.00.

Premium Late Flat Dutch (Late)—There may be other varieties of late cabbage just as good as this; still, in our fifteen years' experience in market gardening, we have found none that we considered any better. Plants ready from May 1st to July 10th; per 100, 25 cents; per 1000, \$2.00.

The Plant Seed Company's St. Louis Late Market Cabbage—Is the finest and best late cabbage ever put on the market; it is different from all other varieties we know of; it is a special strain, entirely distinct and an excellent keeper. It was the only cabbage the past season which stood the drought well. Price, per 100, 25 cents; per 1000, \$2.00.

Cauliflower.

Early Eurfurt—Highly esteemed by market gardeners for its earliness and reliability as a sure header. It grows on a robust stem, and produces magnificent white heads of fine quality. Plants, during April and May (only), per dozen, 10 cents.

Celery.

Giant Pascal—The latest and best variety of celery. It is a selection from the Golden Self-Blanching, and adds to the general good qualities of its parent, good keeping qualities. The stalks are very large, thick, solid, crisp, and of a rich, nutty flavor, free from all trace of bitterness. Price, 40 cents per 100.

White Plume—Each year adds to the popularity and value of this variety. It requires very little earthing up to blanch it. As a celery for fall and early winter use it is unsurpassed. Price, 40 cents per 100.

Pepper.

Large Bell or Bull Nose—A very large sort, of square form, tapering to a point; mild, thick and hard; suitable for filling with cabbage, etc., and for a mixed pickle. Less pungent than most other sorts, and one of the earliest varieties. Price, per dozen, 10 cents.

Long Red Cayenne—Long, red, hot and pungent; dwarf growth. Price, 10 cents per dozen.

Tomato Plants.

We raise large quantities of the leading varieties; can supply them by the thousand if wanted. Ready to set out on and after May 10th. Standard varieties—all too well known to need any description.

Early—Atlantic Prize, Dwarf *Late*—Ponderosa, Matchless, Liv-Champion, Buckeye State, New Magnificent, Livingston's Beauty.
Price per dozen, 10 cents; per 100, 75 cents.

Asparagus.

Palmetto—Two year old roots, \$2.00 per 100.

Rhubarb (Pie Plant).

We have a fine stock of Rhubarb, strong divisions. Price, 10 cents each; 3 for 25 cents; \$1.00 per dozen.

Sweet Potato Plants.

Owing to the drought last season we have been unable to get our usual amount and variety of seed potatoes, hence we are only able to offer you the following kinds, and would advise you to place your orders early.

White Brazilian—We consider this one of the best, both in quality and productiveness, although a poor sprouter. Price, 50 cents per 100.

Yellow Jersey—A universal favorite with everyone; a splendid potato. Per 100, 35 cents; per 1000, \$3.00.

Red Jersey—Same as above, only the potato is red. Per 100, 35 cents; per 1000, \$3.00.

Garden Seeds

Owing to the numerous calls for Garden Seeds, we have added a few of the leading varieties only—in fact only such varieties as we have used ourselves in our own garden, and that have proven to be the best. While we exercise the greatest care to have all the seeds true to name, if any should prove otherwise we will replace them or refund the money paid for them; but in no case are we liable for the crops.
