

MAIN LINE LEAGUE RACE BEST IN HISTORY— CRUCIAL GAMES WILL BE BIG ATTRACTIONS

Dun & Co., at Narberth, on the 23rd, and Narberth, at Wayne, on the 30th—Dope Sticks for the Fans to Feed on Before Hand

Uncertainty in the grand old national sport of base ball is as productive of the thrills as uncertainty in our lives. This has been most clearly demonstrated this season in the Main Line League and most especially on last Saturday, when the speedy pace-making troopers of Dun & Co. fell before the attack of the Bon Aair Barons; at the same time the league title holders from the Borough of Narberth won from the West Phillies, this placing the champions in the first line of trenches, dropping Dun & Co. into second place.

The schedule this season with eight clubs was what is termed as a 28-game schedule, giving each club four contests with the respective clubs in the league, or four swings around the circuit. Fortunately, indeed, only one playing date (July 22nd) was affected by rain and under the league rules all games of that date are erased from the schedule. This leaves 27 playing games for the season of 1916. At the present writing picking the winner in the Main Line is similar to naming the date of the first snow.

Big Game at Narberth.

History invariably repeats itself, and it has retained its record in the Main Line League. The crucial game of the season will be played next Saturday at Narberth when the Dun & Co. tourists play the champions. This will doubtless be a repetition of the Ardmore-Narberth game of 1912 season, on the same grounds, when the former won out in the closing game and took the championship.

Dun & Co. will then have played out their schedule of 27 games and will have to be content with the result of the game, win or lose; whereas Narberth will be playing its twenty-fifth game; in other words, have the favorable advantage of two games to be played. June 3rd Manager Fred Walzer marshaled his champs to the suburb of Wayne only to be played to a standstill in a gruelling eleven-inning game, score 1 to 1, called on account of darkness. This contest will have to be played off, and Narberth will play at Wayne on Saturday, September 30th. In the event of necessity, in order to cop the pennant, the champions still have a game versus West Philadelphia A. C. to play off. On the morning of July 4th, the champs defeated the West Phillies 4 to 3, but a protest was entered by the team from Philly, and after much discussion, in meetings and principally out of meetings, pro and con, the game was finally voted out and the victory deducted from the Narberth percentage.

Pinches of Dope.

By the above reference to repetition of the 1912 game, I place it as to crowds and a banner exhibition of the game. Apparently all the other Main Line games will be called off Saturday, as the other clubs would have small attendance with an attraction of this nature on the line. Furthermore, the players of the other six teams are just as anxious as the fans to witness a crucial game of this kind. Good weather will without a doubt

bring several thousand fans into the Borough of Narberth and ground rules calling for two bases on a hit into the crowd will prevail. This is unfortunate, indeed, as it eliminates all the opportunity of fast and spectacular work in the outfield and a possibility of hits going for two bases that with a clear field would be easy outs. However, the fans must be accommodated.

Dun & Co. won the opening game of the season from Narberth, score 2 to 1; the champs winning July 4th and July 8th, scores 4 to 3 and 5 to 4 respectively, leaving the series stand 2 to 1 in favor of the champs and showing how evenly matched the two rivals are.

Giving a victor to Dun & Co. would make their standing 21 won and 6 lost with .776 percentage, leaving Narberth with 19 won and 6 lost and .760 percentage.

With a reverse, Narberth to win, making them 20 won and 5 lost, .800 percentage. Dun & Co. 20 won and 7 lost, .741 percentage.

In the event of Dun & Co. winning Saturday, the champs will have to play and win both games from Wayne and West Philadelphia, making the outcome a deadlock with 21 won and 6 lost. A victory for Narberth means that they have only to win from Wayne the following Saturday to cop the championship, whereas a defeat would mean playing off with the West Phillies, and should this also result in defeat bring about a deadlock with the two clubs standing 20 won and 7 lost.

Players.

Under the league rules each club carries an eligible roster of 18 players, which closes with the list handed to the secretary on August 15th, and only such players as named therein can participate in the games. The lists follow:

Narberth—Stites, Koons, Wallace, Cowen Humphreys, Walter Humphreys, W. Simpson, Mellon, Fleck, Howes, Mayer, Haviland, McClellan, Groff, Gibson, Davis, Durbin, Ogden, Walzer (Manager).

Dun & Co.—J. Fahey, W. Fahey, Biggs, Markley, Reed, Deegan, Whitney, Gilbert, H. Barnitz and R. Barnitz, Lahner, Mudie, Schwartz, Hevener, Collins, Algie, Magrann, Moore.

"Nig" Koons will handle the big mit for Narberth with the reliable Bob Gibson as a possible first choice for pitching, leaving Mayer, Groff and the big ace, Ogden, of Swarthmore College and the S. & C. team on the register.

Jack Fahey, the peppery magnet of Dun & Co., will catch, and Marley as a first selection, and Captain Deegan a close second for the pitching duties. Lefty Whitney and Hevener are also twirlers and the fans may have the opportunity to lamping the curves of Reed, none other than Reed, of Brill's Delaware County League staff.

Mr. Fan, you have the dope, and it remains now for you to attend the game, root hard for your favorites, and by all means be a good sport and congratulate the winners. Some teams. Some game.

MAIN LINE BOWLING LEAGUE

Circuit to Increase to Six Clubs
—Meeting on Friday, 22nd, at
Rosemont M. C.

Preliminary steps have already been taken for the reorganization of the Main Line Bowling League. President Frank Harmon, who officiated in that capacity in such commendable manner last season, has issued the call for the knights of the alleys to get into line again.

Manager Walt, of the Wayne Champions, has marshalled his title holders and they will play this season under the Wayne Men's Club, using their alleys for the home matches.

Ardmore Y. M. C. A., who finished a strong second last season, will again be in the race, as will also Narberth Y. M. C. A., and the Rosemont Men's Club.

Two new clubs have sprung up and filed application with the league secretary, Chas. A. McCrea, for membership, thus increasing the circuit to six clubs, with a possibility of advancing to eight clubs.

Meeting Friday.

The reorganization meeting will be held this Friday evening, the 22nd inst., at the Rosemont Men's Club, and this will give the opportunity of all clubs and devotees of the healthful indoor sport to get registered and participate the coming winter evenings in the race for bowling supremacy of the Main Line.

THE ISOLATION HOSPITAL

Was Opened Monday For Infantile Paralysis Cases.

The new hospital on the estate of Samuel Vauclain, at Garrett Hill, Radnor township, was opened on Monday for the reception and treatment of infantile paralysis victims. The buildings have been erected by the Bryn Mawr Hospital officials to take care of cases of the disease developing along the Main Line. The hospital ward has accommodations for fifteen patients and will be under the direct supervision of Dr. George S. Gerhard, chief of staff of the Bryn Mawr Hospital. A resident physician and two nurses will be stationed at the hospital continually.

The underground agitation against the erection of the buildings and their use for the treatment of paralysis victims has died down and the hospital authorities do not anticipate any trouble from the unknown trouble-makers.

The site for the hospital is in an isolated spot near the Philadelphia & Western Railway, on the farm of Samuel M. Vauclain. The nearest houses are hundreds of yards away.

The buildings will house fifteen cases, with sleeping quarters for two nurses, two baths, sleeping quarters for a doctor, a kitchen and pantry, laundry, extra sleeping rooms and other outbuildings. The uniform method of construction adopted has been to build the houses well off the ground and strongly supported. The board sheathing of each building has been covered outside with a weather-proof patent building paper and the interior finish is wall board.

The Bryn Mawr Hospital officials have the support of the health officers of Lower Merion, Radnor and Haverford townships and of the State Health Department in their plans, and are also being aided by the contributions of public-spirited men and women of the Main Line district.

BEATEN AND ROBBED

W. Atlee Potter, of Berwyn, tax collector of that borough, was probably fatally injured by a hold-up man Monday night and is in a critical condition. Entering his barn Monday evening, Potter was confronted by a man who struck him with a hay fork, fracturing his skull and afterward rifled his pockets of \$80 and other valuables.

Evangelist to Give "Confidential Talk" to Men

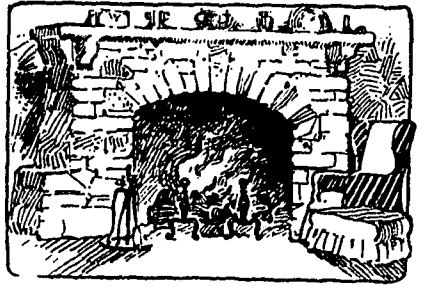

Dr. L. W. Munhall, the evangelist, is coming to Narberth, Sunday afternoon, October 1st, to address a meeting for men and boys only in the Methodist Episcopal Church, under the auspices of the Men's Bible Class.

The evangelist has had many years experience in dealing with men upon the great problems of the religious and physical life, and has rendered valuable service to the church and Y. M. C. A. in theatre services throughout the country. His "Confidential Talk" is a stirring appeal to what is best in manhood. He handles his subject in Billy Sunday style without gloves and the men of the community will have their blood stirred.

Admission will be by ticket to be secured from the men of the church and at the Y. M. C. A. Youths under fourteen will not be admitted, and it is hoped every young man above fourteen hears the evangelist. The service begins promptly at 3.30.

Those who heard Dr. Munhall give his famous lecture in "The Little Church On The Hill" last winter, will be glad to learn that Mr. Koppel has also secured the evangelist to remain over for the evening service, which will be open to both men and women.

This is the first of the Happy Sunday evening services that proved so attractive to the large congregations that attended them last year. A number of other noted speakers have already been secured, and with the special music and church chorus choir the community is assured of interesting services. If you do not attend any other church in Narberth pay us a visit.

NARBERTH MOVES INTO FIRST PLACE

Defeats West Phila., 12-7, While Bon Air Hands the R. G. Dun & Co. a Stinging Defeat—Catches by Vernon Fleck and Coughlan Featured the Home Game; Also the Hitting of Dick Wallace

For the second time this season the Barons of Bon Air defeated the Commercial Raters and Narberth won, going into first place. Heretofore the champions have lost their lead the following week, but it is hoped that such will not be the case this coming Saturday when the two leaders battle on Narberth's diamond.

The Narberth boys had a rather easy time beating Bob. Black's West Philadelphia travelers. The visitors were the first to score in the second inning when Keeley was hit by a pitched ball. Errors by Davis and Simpson, mixed in with a fielder's choice, enabled Keeley to score their first run of the game.

Champions Came Back in Their Half, Scoring Five.

The boroughites not discouraged by the fact that they were one run behind, came back in their half of the second and scored five runs when the whole nine batted around once. Fleck started the inning, being thrown out by the pitcher. Durbin singled to center and stole second. Koons was safe on McCann's error. Simpson fanned, and then Bobby Gibson singled, scoring two runs. Howes was passed, advancing Gibson to second, and Gibson and Howes both scored on Dick Wallace's double. Davis singled, scoring Wallace with the fifth run and stole second, but Flick Stites ended the inning by fanning.

West Philadelphia could not do anything in their half of the third inning, but Narberth added one more when Bill Durbin was passed and stole second and was advanced to third base on a passed ball. Koons was also passed and then Durbin and Koons worked the delayed steal, Durbin scoring on the play.

Narberth scored again in the fourth inning when Wallace singled and stole second, advanced to third on Davis' out and scored on a wild pitch.

Narberth scored four more runs in the sixth inning when Bill Simpson led off with a triple to center field, and scored on Gibson's double. Howes was then passed, and Wallace singled scoring Gibson and Howes. Stites doubled, putting Wallace on third, and when Miskit threw to third to catch him napping, he threw wild, Wallace scoring.

In the meantime, the visitors scored two runs in the fourth inning, but came back in the eighth inning and scored four runs, making their total seven, which was as far as they got.

Simpson Again Triples.

Bill Simpson also tripled in the seventh inning and scored when Wallace was safe on Strauser's error.

The fielding features of the game were the catches in the field by Fleck for Narberth and Coughlan for the visitors.

Mr. Wallace Led the Onslaught.

BASE BALL—BIG GAME NEXT SAT. WITH THE R. G. DUN & CO. TEAM

The crucial game of the Main Line League season will be staged next Saturday afternoon on Narberth's grounds, when the Dun & Co. team meet the champions. Narberth's victory last Saturday, coupled with the unexpected defeat of the Dun team by Bon Air, upset the dope of the Main Liners. It is understood from a good source that all the other Main Line League games will not be played, owing to the fact that the players all want to see the leaders clash.

A Word to the Wise is Sufficient.
It is said "that a stitch in time saves nine." It may also be said that the boroughites in order to make the work of the collectors easier, secure their tickets from Collector Raymond Jones or his many assistants before the game. It is expected that three or possibly four thousand fans will come to the borough to see the game.

The winner of this game will carry away the banner for 1916, and we all voice the opinion of the writer, that "we will not be the goat," but bring "home the bacon."

It is reported that Captain Deegan and his warriors will be on edge for this game, and it is not reported, but is so that Narberth will surely be on their tiptoes from the very start of the game, and try to win their fourth championship of the Main Line League.

If I recall the situation correctly, it was in 1910 when Manager Fred Walzer led the first Narberth team to the championship in the Main Line, and the boroughites were the leaders in 1913, when Charlie Coryell had the team in charge. In 1915, Fred Walzer was again at the helm, and brought home a victorious nine, and it is hoped Manager Walzer's team will also carry the flag this year.

"Scoop."

As Seen from the Press Box.

Simpson had two hits, both triples.

Wallace had three hits and three runs.

Now for the big game. Who with? Dun & Co.

Next Saturday at the diamond. Come early.

Coughlan turned completely over when making his star catch.

Durbin shoots them over to first like a big leaguer.

The lone transportation bus of the visitors broke down, delaying the game.

Bobby Gibson is a hitter as well as a pitcher.

Keeley was the visitors' star clouter, with three hits.

Quite a large attendance.

It was rather chilly at the game. Many robes being seen in the grandstand.

Mr. Deegan and his band visits us next Saturday. Come early.

FIR STRONGER THAN OAK.

It is generally supposed that oak is much stronger than fir, but a series of tests, made recently at the carshops of the Northern Pacific Railroad, in Tacoma, Washington State, show that the reverse is actually the case.

The tests were made by actual breaking strain on sticks two by four inches and four feet long, the weight being applied in the middle of a span three feet nine inches.

The results of five tests were as follows:

First, an old piece of yellow fir, six years exposed to the weather, broke at 3062 pounds; second, a new soft piece of fine-grain yellow fir broke at 3062 pounds; third, an old piece of yellow fir, coarse grain and hard, broke short at 4320 pounds; fourth, a new piece of fir from the butt of a tree, coarse grain, broke with a stringy fracture at 3635 pounds; fifth, a new piece of Michigan oak broke nearly short off at a weight of 2428 pounds.

The deflections before breaking were as follows: The first and second pieces, half an inch; third, three-eighths of an inch; fourth, five eighths of an inch; fifth, the oak piece, one inch and an eighth.

"And what did you learn at school to-day?"

"Oh, all about the myths and goddesses and things."

"And what about them?"

"I forgot them—all but Ceres."

"And who was she?"

"Oh, she was the goddess of dress-making."

"Why, how in the world—"

"Well, teacher said she was the goddess of ripping and sewing."

GIVEN MEDAL FOR BRAVERY.

Montgomery County Trooper Describes Battle in Mexico.

Readers of Our Town will be interested in the heroic experiences of a Montgomery county man, resident of Norristown, the county seat, and member of Troop D, United States Cavalry, stationed at Corrizal, Mexico. His letter written to his sister, who resides in Norristown, follows:

Somewhere in Mexico,
August 15, 1916.

My Dear Sister Bertha:
I received your most kind and welcome letter which found me well and hoping when these few lines reach you, they will find you the same. Tell Bill and Sister Katie that I am doing fine and have been given a raise. I am now a Corporal. In my troop, a non-commissioned officer. All I have to do now is to give orders.

Yes, Bertha, I was in the Battle of Corrizal on the 21st of June. We started to fight at six o'clock in the morning and fought until eleven o'clock. We killed about eighty Mexicans and we had eight of our men killed with Captain Boyd and Lieutenant Adair. Capt. Boyd was my Troop Commander and Lieut. Adair was my First Lieutenant. My First Sergeant was killed also. With some of my best comrades, I was taken a prisoner by the Mexicans, on the battlefield, with twenty-three others and taken to Chihuahua City, Mex., as prisoners of war, and they would have executed us if it had not been for President Wilson. He demanded our release within twenty-four hours or he would declare war against Mexico, so they turned us over on the 29th of June at El Paso, Texas, although they wanted to kill us for killing so many of their people. It was the most horrible thing anyone could ever witness, although I am safe with my troop again and you dear friends must not worry over me, for I am a soldier and may be called into battle any time to protect my country and you dear ones. I don't mind giving up my life to protect my people and you loved ones at home. However, if any thing happens to me, the United States Government will notify you all so as long as you do not receive any warnings from them never fear. We are still in Mexico waiting for them to make some kind of a government and can't tell how long we will be over here, although when we come back to the United States again, I will get a furlough and come home to see you all.

Please kiss all the children for me and tell them Uncle George may come home some day to see them and tell them to go to school and be good children.

I wrote a letter to Daisy a few days ago and tell Katie I will write to her soon. Tell Bill to play his accordion and think of me away down in Mexico. I often think of you all.

I was given great honors by the government for bravery in that fight and will show you all my medal when I come home. I think I will close my letter now, so hoping to hear from you at your earliest possible date, I remain, yours sincerely until death.

GEORGE M. CHAPLAIN,
Corporal, Troop C, 10th Cavalry,
Columbus, New Mexico.

P. S.—Please excuse bad writing as I have to write by candle light. Love to all, from

GEORGE.

A POEM.

Do you love me? asked the Master, and it came as a reproach, While He tenderly desired once the vital subject broach.

Do you love me more than these? came the question once again, And we hear its repetition sweet and sad in its refrain.

Do you love me? asked the Saviour, only this I care to know, Love is precious, love is tender, hence I did it all bestow;

All my glory was to suffer and my Father's work complete Just because it is His pleasure, sons of men in mercy meet.

Thus He spoke, the greatest teacher, by the Galilean Sea, When the work of man's redemption He had wrought for you and me.

Have you rested on His bosom? Have you felt His heart-beat near? Have you felt that love from heaven, love that banished your fear?

Then I know that you can answer: Jesus, all is known to thee; I was held in sinful bondage, by thy grace I am now free,

Love to me hath changed conditions, Jesus Christ, thy love alone, Would to me be all sufficient could for all my guilt atone.

Let me hide in thee, my Saviour, while the moments hasty race, That my longings may grow stronger, after Thee to see Thy face.

In the ever-changing "vista," this let be my joy and rest, That in fervent service I may find renewed strength and zest.

4.—Be sure your bowels move at least once each day.

5.—Keep clean—body, clothes and mind. Wash your hands always before eating. Take a warm bath with soap once or twice a week; a cool sponge (or shower) bath each morning before breakfast and rub body to a glow with a rough towel.

6.—Try to keep your companions, especially young children, away from those who have contagious diseases.

7.—Use your handkerchief to cover a sneeze or cough and try to avoid coughing, sneezing or blowing your nose in front of others.

8.—Study hard. In study, work or play, do your best.

9.—Play hard and fair. Be loyal to your teammates and generous to your opponents.

10.—Be cheerful and do your best to keep your school and your home clean and attractive and to make the world a better place to live in. During vacation is a splendid time to practice these rules. By September they may be a part of your daily life.

POST OFFICE NOTES

More than three thousand persons receive mail through the Narberth post office. It is difficult to remember them all. By having your box number placed on your mail you will aid in having the mail cased up without delay.

Printed stamped envelopes may be secured at the post office at the following prices:

500 1-cent envelopes.....\$5.62
500 2-cent envelopes.....\$10.62

These envelopes are of first quality. The name and address of purchaser neatly printed in upper left hand corner, with request to return in days. Note the price.

Edward S. Haws, Postmaster.

Private correspondence as well as that for business purposes should be marked showing to where it should be returned, if undelivered at post office of address. If this precautionary measure could be generally observed it would greatly assist post office officials in the handling of mail matter.

COMMUNITY CLUB OPENS INTERESTING SEASON ON OCTOBER 3

The regular meetings of the Community Club will be resumed Tuesday afternoon, October 3, in the Community room of the Y. M. C. A.

The arrangements under the present plan call for meetings to be held on the first and third Tuesday of each month instead of on Tuesday of each week as has been the custom heretofore.

A program of decided interest has been painstakingly arranged by Mrs. W. M. Cameron, the chairman of the club, and particularly because of its practical value, it is believed that each meeting will be attended with increasing appreciation. Included in the program are the following speakers and the topics they will discuss:

Miss M. Christman, formerly gymnasium teacher of the women's class at the Y. M. C. A., "Physical Culture."
Mrs. Anna B. Scott, of the North American, "Cooking."

Miss Mary Blakeston, chairman of the Committee on Conservation of the National Federation of Women's Clubs, "Playgrounds and Social Centers."

Mrs. W. S. Lee, of the Civic Club of Philadelphia, and an authority in home economics, "Food Conditions Past and Present."

Mrs. Rudolph Blankenburg, "Equal Suffrage."

At the opening meeting an appetizing luncheon will be served, following which the club's plans for the current season will be amplified by the chairman.

To establish the fact that the club is thoroughly modern—if such a fact needs to be established—it has applied for membership in the State Federation of Women's Clubs.

HAVE YOUR MAIL ADDRESSED TO YOUR BOX NUMBERS

Patrons of the post office should endeavor to have their mail addressed to their box numbers, as delays are frequently caused in the delivery of letters due to the address being simply given as Narberth, even when street and number is given it is frequently necessary to look up the name in directory before the mail can be cased up, causing extra work as well as necessary delay.

PARCELS POST CONVENTION BETWEEN THE UNITED STATES AND CHINA.

A parcels post convention having been concluded between the United States and China to take effect August 1st, 1916, parcels post packages will be admitted on and after that date to the parcel post mails for that country made up in and dispatched from this country. Weight of a package must be not more than 11 pounds nor measure more than 3 feet 6 inches in length or 6 feet in length and girth combined. Rate of postage will be twelve cents per pound or fraction thereof. Parcels post packages for China may be registered.

Addressing Parcel Post Packages.

Parcel post packages should be addressed plainly. The sender's name should be written inconspicuously on the upper left hand corner of the parcel. The address and return card on a parcel should appear but once, and that in the same relative position as a letter with return card would be prepared for mailing.

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy"—manuscripts—must reach the editor by 6 P. M. Monday each week.

MEETING OF BOARD OF MANAGERS OF NARBERTH Y. M. C. A.

A very interesting and successful meeting of the Board of Managers was held at the Y. M. C. A. Monday evening. Every manager was present.

Secretary Hampton submitted the schedule for the fall and winter work. Special emphasis will be placed on some of the old features and new ones will be added. In the columns of Our Town each week you will see the current events.

Last year was our biggest year and unless all signs fail, this year will surpass last. Watch for announcements.

VACANCY ON BOARD OF MANAGERS FILLED

We are very glad to report that Mr. S. W. Foster is taking the chairmanship of the Religious Work Department. Mr. Foster has been quite actively identified with the work of the West Branch Y. M. C. A., and we are extremely fortunate in having him volunteer his services to the local Young Men's Christian Association.

We will soon be announcing our plans for the season's work. Watch these columns.

We will have to continue, till further notice, prohibiting children under sixteen years of age, using the Y. M. C. A. Building.

WANTED—A VICTROLA

We are hoping that this head line will strike the right party. If you have a good Victrola stored away, covered with dust rendering no service, here is your opportunity. We need a musical instrument of this kind and would make good use of one. The lobby on a winter's night will be more attractive. Numerous events will be much more interesting because of the presence of such an instrument.

Here's your chance. Don't all speak at once.

BUSINESS MEN—N. B.

Gym Class, Friday, October 6th

Don't forget the time. Everybody out. Hunt up those old "sneakers" and be ready. See Secretary Hampton for details.

MAGAZINES

It's not too late yet.

If you have any magazines you want to send to the "Boys on the Border," send them to the Y. M. C. A. as soon as you read this. We are packing them this week. Will send next Monday.

POOL AND BOWLING

Our men's game room is already the center of attraction for a number of our young men. They're getting lots of practice now and when you come in you'll think you've forgotten how to play the game. Better come early and get some practice.

CLEVER CLARENCE.

J. Clarence Hick's a brainy guy—he always knows a reason why he shouldn't do as he is told—you'll never find him in the cold. He's always looking for a way to dodge the toil and draw the pay. I wouldn't say he is a shirk—he's simply far too smart to work.

When clever Clarence makes mistakes, a slick excuse he quickly fakes; and when he's late or skips a day, he lightly lies the fact away. Some whooping yarns he puts across upon his unsuspecting boss—because he's such a brainy youth, he simply hates to tell the truth.

J. Clarence Hick's a witty boy, and kidding people gives him joy. You ought to hear him joshing folks with all the latest slang and jokes. Why, sometimes people get so sore they never deal here any more, for Clarence Hick is so darned bright to bore him stiff to be polite.

And Clarence often says to me, his nature needs variety. He hates like sin to peg away on one old job day after day, and likes to change and shift a bit—I wouldn't say he liked to quit. You see, a guy as smart as Hick is bound to be too smart to stick.

No one that knows him will deny that Clarence Hick's a clever guy—too smart to work like me and you, too smart to stick to what is true, too ready with his tongue and bright to take the pains to be polite, and much too wise to plug away—that's why I fired him to-day.—Hugh Kaler.

THE DIFFERENCE.

"This paper," said Languid Lewis, "tells about a horse running away with a woman, and she was laid up for six weeks."

"That ain't so worse," rejoined Boastful Benjamin; "a friend of mine once ran away with a horse, and he was laid up for six years."

SHERIFF BILL NYE OF LARAMIE.

To nearly everyone the name of Bill Nye brings the picture of a genial, fun-loving man whose jokes were once famous all over the country; but to those who lived in Wyoming some thirty years ago Bill Nye means something else, too.

At that time Nye had begun to be famous throughout the United States as editor of the Laramie Boomerang, but he was chiefly known—and feared—nearer home as sheriff of Laramie County.

Sheriff Nye was absolutely fearless. He was resolute, decisive, quick to act and tireless in pursuing offenders. He failed to get his man on only one occasion, and that failure was due to the tenderness of heart that was always a part of his character.

Nye started out once after a typical bad man who had shot or stabbed some one, and quickly learned that he had fled to the mountains Wyoming was a pretty wild territory back in the early eighties, and it was difficult and dangerous to follow the trail of that criminal and attempt to arrest him, but Nye never hesitated. Summoning a deputy, the sheriff sprang on his horse and the two started off. After riding nearly two hundred miles into the wilderness they learned that their man was hiding in an abandoned miner's cabin, whither he had brought his young wife.

Soon after darkness fell Nye quietly rode up to the cabin and dismounted before the door. He sent his deputy round to guard the rear of the little shack. Then Nye threw open the door and dashed inside, with his revolver cocked and ready for instant action. The criminal was asleep on the bed, and his wife, who sat close by, was stroking his forehead. Nye covered them both with his gun and told them to throw up their hands.

"I've got you," he said grimly. "Now you get up quietly and come along—the lady can stay here if she chooses."

The bad man admitted that the game was up, and began to roll his blanket into a bundle. "Never mind that," said Nye; "we've got plenty of blankets in the place you're going to." The desperado then asked if he couldn't say good-bye to his wife.

"I reckon it's the last time I'll ever see her," he continued. "You've got the goods on me this time, sheriff—and I reckon I'll swing for it."

He appeared so cast down that Nye's warm heart prompted him to said. "I'll give you two minutes." grant the request. "All right," he

The criminal rose from the bed. The next instant those tightly rolled blankets came whirling through the air and struck Nye in the face so heavily that he reeled back against the wall. Before he could recover his balance and throw off the blankets the criminal had dashed out of the cabin, leaped on Nye's pony, and was galloping down a mountain trail in the darkness.

Of course Nye's deputy came rushing round from the rear of the cabin and started in pursuit, but the bad man was never heard from afterwards.—Youth's Companion.
