SOCIAL ACTIVITIES MANY AMONG OUR NEIGHBORS TO THE SOUTH

Fragrant roses and graceful ferns were most effectively used in the pretty decorations Wednesday when Mrs. James Brown entertained with dainty luncheon at her home on Glendale avenue, complimentary to Miss Fannie Schrock of Indiana, niece of Mrs. James Bryson and Mrs. Will Orhner, who has been visiting in California the past few weeks.

Seated with the hostess and honoree were Mrs. Will Orhner of Los Angeles, Mrs. James Bryson, Mrs. George Ragland, Mrs. Ella Winters and Mrs. Hal H. Davenport. Miss Schrock sailed for San Francisco Friday, where she will continue her visit before returning to Indiana.

Mrs. John A. Logan entertained with a very charming dancing party at her home on Central avenue Friday evening, when she and her daughter, Miss Mary, assisted by Mr. Logan, entertained the merry coterie of young society folks whom Mrs. Logan chaperoned last month, when a week was enjoyed at a jolly house party at Balboa beach.

To commemorate the seventy-seventh anniversary of Edward Ayers, his wife most charmingly celebrated Wednesday evening with a stag dinner party at their home on Palmer street. One of the savory and palatable dishes served was fine chicken pie, for which Mrs. Ayers is noted.

The guests who assembled around the festal board and aided Mr. Ayers in his natal celebration as well as enjoyed the delicious dinner, replete in all of its appointments, were Col. W. H. Hopkins, Messrs. M. R. Nobis, Charles Brace, J. Van Buren, Charles H. Cushing, J. R. Sayre and Percy De Gaston.

Mr. and Mrs. Norman Bahrenberg and daughter Rea arrived from Redlands this evening and will enjoy a fortnight as the guests of their parents, Mr. and Mrs. J. E. Bahrenberg of "Twin Pines," West Park avenue.

Miss Anna Anderson and sister, Miss Elsie Anderson, returned last evening from a two weeks' visit at San Diego and Coronado Beach.

Mr. and Mrs. Joseph H. Webster motored to Griffith park last evening, accompanied by their daughters, Misses Lila and Leola Webster, and Mr. and Mrs. Ernest J. Morgan and son Eric, where they enjoyed a picnic supper.

Mrs. O. M. Carpenter of Central avenue left for Santa Barbara Thursday to join Mr. Carpenter who is spending a week at Santa Barbara.

Miss Evangeline Newell of Los Angeles is the week-end guest of her uncle and aunt, Mr. and Mrs. John A. Logan of Central avenue.

GERMAN ARMY IN NORTHERN BELGIUM

Fifty thousand Germans have marched through Brussels and are now overrunning northern Belgium. It is believed that the Belgian army is within or near the heavily fortified city of Antwerp, where supplies are being collected to withstand a long siege. Many are taking refuge within the walls of Antwerp. No information is available as to whether or not the Germans will attack Antwerp, but men versed in military lore think that the German war office is too well informed as to the immense strength of the fortifications of Antwerp to waste time in besieging the city.

It is estimated that an army of 500,000 could not capture Antwerp in six months. In case of necessity, French and British battleships could be brought up the Scheldt river to contribute to the city's defense.

The German army is said to occupy Alost, fifteen miles northwest of Brussels and Weteren near Ghent. The German general has imposed a tax of \$40,000,000 on the city of Brussels.

Local union No. 46, painters and paper hangers of Glendale, was recently honored by having chosen from its membership two of its members who were placed in the responsible position of president and vice president of District Council of Painters and Paper Hangers of Los Angeles. This body is composed of delegates from each of the numerous locals within a radius of twenty-five miles of Labor Temple and is next in authority to the supreme body of the United States. The council has jurisdiction over more than nine hundred men. The Glendale brothers elected were: J. F. Tatlow, president; W. O. Hammaker, vice president.

TO VOTERS OF BURBANK TOWNSHIP

As the date of the primary election is so near at hand I wish to place myself before you in the proper light for your honest consideration. As I am a firm believer in the old adage that self praise is half scandal, I will simply refer to my record during six years' residence in Glendale and having always been active in matters of public interest, and if it proves me to have been found upon the right side of the question at all times that will be sufficient evidence as to my ability and judgment in filling the office to which I aspire. As to my reasons for seeking the office of Justice of the Peace they are purely personal. Simply a straightforward business proposition. If elected I expect to give to the public just and intelligent services in return for the salary which I will need and appreciate. As I am receiving such favorable reports from my friends in all parts of the township, I have every reason to believe that my name will be on the ballot for the November election. Assuring my friends that the most appreciated favor on their part will be the casting of their ballots and the soliciting of those of their friends for the third name in the upper right hand corner of the official ballot, I take this means of thanking you in advance for the support I hope to receive Tuesday, Aug. 25, 1914.

FRANK J. SHOWALTER.
Candidate for Justice of the Peace of Burbank Township.

MASS MEETING

At the mass meeting which is to be held in the high school auditorium tonight Thomas Lee Woolwine, candidate for district attorney, will speak on "Equal Enforcements of the Law." Col. T. C. Thornton will preside and introduce the speaker.

A unique feature of this meeting will be the singing of original campaign songs written and sung by a number of prominent local citizens.

Every one is welcome and especially urged to attend.

CHAMBER OF COMMERCE FOLDER

The Chamber of Commerce art folders are here ready for delivery. The folder comprises 16 views of streets and residences in Glendale and six pages of descriptive reading matter. They are being sold one for 10 cents or one dozen \$1.00. They are worth the money.

FALSE REPORT CIRCULATED

It has been reported in Glendale and vicinity that one day last week Dr. T. C. Young of 570 West Broadway shot a doe while hunting in the Big Tejuanga. This report is bitterly denied by Dr. Young, who states: "Anyone wishing proof of this may obtain same from Mr. H. L. Silkwood, forest ranger of the Tejuanga district who examined the deer and pronounced it O. K." Signed, DR. T. C. YOUNG.

The Glendale Evening News office was presented this afternoon with a bouquet of beautiful silver daisies and fern that far surpass any flower of their kind. These tributes are the products of Mr. R. Roberts' garden, which is one of the most attractive spots in the near vicinity of 1506 Penn street.

Mr. J. P. McGowan of Cedar street, accompanied by Mr. Gus H. Pulliam, returned yesterday from a hasty motor trip to Oceanside, the trip having been made in Mr. McGowan's car.

"OLD FAMILY ALBUM" TO BE REPEATED BY REQUEST

Members of the Epworth League of West Glendale church, who appeared in "The Old Family Album" at the church not long ago, have been requested to repeat it, so Tuesday evening, August 25th, the doors of the West Glendale church, corner Oak street and Pacific avenue, will be open to everybody and at 8 o'clock sharp this very interesting little program will begin.

DRY MEETING

The address delivered by Rev. F. G. H. Stevens at the West Glendale Methodist church last night was well received. Mr. Stevens took as a basis of his address the 19th chapter of the Acts of the Apostles and showed how Paul in preaching the gospel in Ephesus put Demetrius, a silversmith, out of business. Demetrius was making his wealth by selling silver shrines made for Diana, the goddess of the Ephesians. Now Demetrius went before the people with the complaint that their temple would be destroyed by this preaching, when in fact the real reason was that his own personal gain from the sale of these shrines was being cut off.

Dr. Stevens took this to show that the liquor interests are not discussing the merits of the saloon, the good of the grape growing people and tourists, when they bring these things into the present California dry question, but are using these things to divert the people from the real question—the curse of the liquor business.

He showed convincingly that the wet advocates are in it as emetrius was, who said "by this craft we have our wealth."

The men's chorus will sing and Mrs. Lillian A. Johnston will give a solo. The Epworth League will hold an entertainment of unusual merit next Tuesday evening at 8 o'clock.

At the fourth quarterly conference held last Wednesday night the reports from every department of the work indicate that the West Glendale church will close the present conference year September 30th with the best record made in the history of the church. Dr. Mather, the district superintendent, expressed much delight in the progress of the work.

FIRST METHODIST EPISCOPAL CHURCH

CHRISTIAN CHURCH.

The pastor will preach tomorrow morning and will have for a subject, "God's Power to Use the Believer." The Endeavor society has arranged for a series of lectures, the first of which will be given tomorrow evening, and the others in the three succeeding evenings. These will be given by Rev. Henry A. Sullivan, an ex-Roman Catholic monk, and their general subjects will be "Romanism." The specific subjects will be: Sunday, "From Romanism to Christianity." Monday, "Life in a Monastery." Tuesday, "How Girls Become the Brides of Christ," or "A Peep Into the Convent." Wednesday, "Life of a Carmelite Nun."

These lectures will be most interesting and will contain information which the public should have at first hands. It is expected that large audiences will be present at every lecture, as they are free to everybody. Mr. Sullivan has written a number of books on these subjects, and is now in charge of a mission of Los Angeles, which is sustained by the Christian Endeavorers.

The lecture by Prof. Dungan on "California Dry" last Wednesday evening was listened to by a good audience. The church was decorated for the occasion and looked beautiful. The professor and his wife leave soon for Eureka Springs, Arkansas, in the hope of benefiting his health and as his stay will be indefinite a number of friends presented him with a large Thermos bottle in a case, which it is thought will be of good service to him in travel and at the springs. Both the professor and his wife are greatly beloved by all who know them, and have been of great service to this church, and will be sadly missed. Mrs. Dungan has a class of twenty boys, which she regrets so much to give up. But we hope they won't be away long.

Bible school is at 9:30 and Endeavor is at 6:45. Be on time.

A BROKEN HEART.

Pathos and stirring eloquence are suggested by Pastor Troy's Sunday morning theme, "A Broken Heart." The world is full of sorrow and sympathy is always helpful. Some who suffer most endure in silence and it is certain that bravery is shown in a (Continued on Page 4)

BUSINESS IS IMPROVING

BUSINESS IN ALL LINES IS IMPROVING IN JEWEL CITY

A realty man of Glendale who looks at business conditions just as they are says business is picking up. Strangers are coming to Glendale inquiring about property and some of them are making arrangements to reside here with the intention of buying soon.

The time is drawing near when people from the east will come to Southern California to spend the winter, and it is the purpose of many of these visitors to spend the spring and summer of 1915 here on account of the Panama exposition. Be in readiness to receive and entertain these strangers, clear the weeds from the vacant lots and tidy up things in general. Install drinking fountains at suitable places and provide necessary conveniences for the benefit of the traveling public. The time to make all of these needful preparations is now, and not after the throng of people are upon us.

AFTERNOON KENSINGTON

Informal, though delightfully pleasant, was the afternoon thimble party with which Miss George Duffet of 1008 Chestnut street entertained a few friends in her home yesterday afternoon.

Beside needlework, music and songs were enjoyed and a number of snap shots were taken in the lovely garden surrounding the home. Refreshments were served at a late hour and in their cleverness a general characteristic of the hostess was denoted.

Those who enjoyed the merry afternoon and Miss Duffet's genial hospitality were Mrs. William S. Althouse, Mrs. William Livingston, Mrs. W. L. Wheeler, Mrs. Gus H. Pulliam, Mrs. Charles U. Wells, Mrs. Glen Craig, Mrs. W. Stone, Mrs. John Allan Legge, Miss Hazel Wheatley, Miss Alta Browning, Miss Dorothy Hobbs, Miss Katherine Hobbs of Glendale and Tropico and Miss Helen Robinson of Los Angeles.

THE DARK WAR CLOUD AND ITS SILVER LINING

Mr. F. P. Sherman of New York Lecture Bureau will deliver a lecture on Sunday evening at 7:30 o'clock in New Masonic hall, Sixth and Brand boulevard. He will speak of "The Dark War Cloud and Its Silver Lining." The speaker is quoted as saying, "There are few subjects that are of more vital interest than this." It is a question asked by many intelligent, thoughtful minds, a question very pregnant with interest, and the correct answer has much to do with satisfaction of heart and mind.

"All see that we are living in days of grave unrest—days of anxious inquiry as to what the morrow holds in store for us—days of special trouble and apprehension to both individuals and nations—wars, rumors of war,

Mr. F. P. Sherman

revolutions, strikes, suspensions and what not. What will be the outcome of present unprecedented conditions—private, national, international? The question is does God take note of these things so vital to us, or are we mere creatures of chance—of blind force?"

It is said that in this lecture the speaker treats these perplexing questions in a manner that appeals to the thoughtful mind. The lecture is free, no charge of any kind is to be made. All seats free and no collections. The public has been cordially invited. (Advertisement.)

A Hurry Call is made for all copy being prepared for the Evening News anniversary number. The pressman begins his work Monday.

NOTICE TO VOTERS

SOME NEEDED INSTRUCTIONS FOR THOSE WHO PERHAPS HAVE NEVER VOTED AT A PRIMARY

The primary election law eliminates politics from the election of judicial and county officers. The impression that some persons have, that a voter is disqualified from taking part in the primary election unless he has stated a party affiliation is wrong.

In this county 30,000 registered N. S. (not stated) or non-partisan. This is the first year such have had the privilege of nominating candidates at the primaries (but only those who were registered up to and including July 25th can vote August 25th) and will be furnished a non-partisan ballot at the election and can vote for all county officers, state superintendent of public instruction, also judges, but cannot vote for state officers. All party tickets are for those who stated their party affiliations. For instance, a Republican receives a sample ballot with candidates for state officers on that ticket. If they do not want to vote for those candidates to run on the November election ballot, write the name from another ticket that will serve your principles better in the vacant place for governor allotted for that place or U. S. S. and stamp a cross against it, and leave the one on the ticket alone. Do not put a cross against that name. The same thing is true of a Progressive, Democrat, Prohibitionist or Socialist. Prepare your sample ballot just as you want your ballot to go into the ballot box before you leave home. Carry it with you for a guide into the booth, there you can very quickly copy it and not be frustrated or confused. Be sure not to use a pencil on the ballot. A rubber stamp is provided to stamp with and pen and ink for writing in names. A pencil cross (X) would throw your vote out. We need to be very careful with the ballot God has given us. For further information phone me, 307J or call at 134 E. First street, Glendale.

MRS. HATTIE GAYLORD.

JOLLY HOUSE PARTY

The residence of Mr. and Mrs. J. T. Crampton of 1011 Chestnut street was the scene of a jolly house party given by their daughter, Miss Grace Crampton, for five of her Los Angeles and Hollywood friends.

From the time of their arrival on Wednesday until fond farewells had been said on Friday afternoon this happy sextette spent their time in mischief making of all sorts. Delicious odors arose hourly from the culinary department, whence candies of all sorts were continually in the making; meals were served at unheard of hours; weird tales are told of nightly pranks on innocent slumberers; and indeed this happy group was ready for any lark presented to them, and with motor rides, the picture shows and ice cream parlors to visit on the side, there was not a single moment left to spare.

The guests were: Miss Morris Fehlig, Miss Jessie Gill, Miss Dessie Gill, Miss Margaret Simons of Los Angeles, and Miss Ethel McAllister of Hollywood.

FOOTBALL CLUB ENJOY AFTERNOON WITH MRS. ELLIOTT

Mrs. J. Walter Elliott proved herself a most gracious and hospitable hostess Friday afternoon when she entertained the Football club in her home, 1005 North Central avenue.

Unlike any of the previous gatherings, the afternoon was spent at cards, Five Hundred having been chosen by the charming little hostess as a source of entertainment. The attractive tallies used for score were flower adorned cards, water colored and done in the daintiest shade of pink to harmonize with the variegated dahlias that were abundantly displayed throughout the house.

There were four tables and at the close of the afternoon handsome victory and consolation prizes were awarded Mrs. Andrew Robertson and Mrs. Richard L. Pfister, respectively, prior to the serving of a delicious collation, the ices and cakes of which furthered the chosen pink motif.

Assisting Mrs. Elliott were Mrs. Andrew Robertson and Mrs. W. S. Potter, both of whom, together with other members of the club, will be entertained Friday afternoon, September 18th, by Mrs. Charles F. S. Richter in her beautiful home on Brand boulevard and Mountain street, Casa Verdugo.

Mr. John Allan Legge will make a business trip to Antelope valley tonight to be gone until the first of the week.

PROGRAM MOST ENJOYABLE

The musical program as given last evening at the First M. E. church by Mrs. Leora Cammack, the church choir and Miss Catherine Lennox, Mr. Cecil Crandal and Mr. Dana Burket, was an unusual treat and well received by the large and highly appreciative audience who more than enjoyed the numbers given. Each participant scored individually and proved themselves most capable and talented in their particular line of art.

Mrs. H. L. Legrand of 1442 West Third street and Miss Frances Miller of West Tenth street were luncheon guests one day this week of Mrs. Leon A. Davis, formerly of Glendale, now of Los Angeles.

WHY JOHN C. CLINE SHOULD BE SHERIFF

He has lived in Los Angeles 45 years and everybody is familiar with his clean public record.

In 1894 as sheriff he handled the great American Railway Union strike without the aid of the militia, by appointing special deputies from the ranks of labor, to prevent disorder and the destruction of property. Thus in his wisdom demonstrating that men in any walk of life, put upon their honor, will observe their trust.

Committee reserves right to reject any or all bids.

The regular bi-monthly meeting of the Glendale Central Labor Council will be held Monday evening, August 24th. Members of all affiliated locals are urged to be present. Business of importance to be transacted.

J. F. TATLOW, Secretary.

VOTERS, ATTENTION.

To the voters of Burbank township: As Justice of the Peace of Burbank township I am a candidate for reelection to that office.

I have been your justice for nine years. Through all this time I have striven to earn my reputation as judge and not as a politician. Reputable attorneys who have had business in my court, "of which there are many," are the men of whom you should inquire as to my fitness in administering justice. After having satisfied yourself that I deserve to be continued in my judicial life, I would be greatly pleased to have your active support at the primary election.

Sincerely yours,
GEORGE C. MELROSE.

BIRTHDAY PARTY FOR LITTLE CHAP

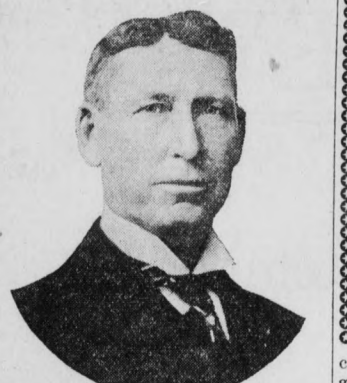

Master Gerald Dow, young son of Mr. and Mrs. Frank W. H. Dow, 223 East First street, celebrated his sixth birthday Friday, August 21st, and it was a real celebration too, for he had a merry party and a great big chocolate coated cake without any nuts but candles, just like he wanted to have.

The early hours of the afternoon were devoted to out of door games and frolic; then all the guests filled into the house and gathered about a large table that simply groaned with goodies, the aforementioned cake reposing in the center and a shower of pink roses, candles, cakes, and last but not least a bevy of happy faces, clustered about it. Carnations and ferns were also used, but these nodded forth their spicy fragrance in the living room where the many lovely gifts were left and the grown people assembled.

Those present upon this happy occasion were, first Master Gerald and his guests, Stuart McMullin, Donald McMullin, Chester Allen, Edgar Colvin, Lewis Fitzgerald, John Fitzgerald, Sherman Quick, and Mrs. L. W. Sinclair, Mrs. J. Fitzgerald, Mrs. D. McMullin, Mrs. Squein, Mrs. C. Allen, Mrs. Gibson Kelley, Mrs. B. S. Quick, Mr. and Mrs. Fitzgerald, Miss Fielding, Miss Olive Quick and Genevieve Allen.

A Dairy that Needs No Sanitary Legislation

Long before laws and ordinances were passed in regard to sanitary conditions of dairies and the handling of milk, MacMullin's had a sanitary dairy in every sense of the word, and all sanitary requirements were courted.

MacMullin's dairy not only complies with all laws and ordinances, but meets more sanitary conditions than are required, and has justly won the reputation of being "the Most Sanitary Dairy in the San Fernando Valley."

WILLIAM H. JOYCE

NON-PARTISAN CANDIDATE FOR SHERIFF ANNOUNCES HIS PLATFORM

At a large and enthusiastic meeting held in Symphony hall, 232 South Hill street, Los Angeles, Monday afternoon, August 3, Mr. Joyce pledged himself to the above platform, if elected.

Mr. Joyce is a native of Texas, 46 years of age, married and has five

HIS PLATFORM

To conduct the office of sheriff in a strictly business-like manner.

To surrender to the county treasurer all fees collected by the office and to expect no compensation except the salary provided by law.

To recommend and urge that all prisoners be fed by the county at cost and without extra profit to the sheriff or his office.

To exercise the greatest care in the selection and appointment of deputies, constables and special deputies.

Children. He has lived in Los Angeles county twenty years, and through his active interest in various civic and commercial organizations, has done his full share towards the upbuilding of Los Angeles county and Southern California.

For many years he was manager of the Globe Grain & Milling Company and afterwards was vice-president and manager of the All Night & Day Bank, which was subsequently merged with the Hellman Commercial Trust & Savings Bank.

Since that time he has been in the investment business principally, handling his own properties, with offices at 611-612 Security building, which are his present campaign headquarters.

The office of sheriff is strictly non-partisan and regardless of how you are registered, you can vote for Mr. Joyce at the primaries. Adv.

ENCAMPMENT AT AN END

The annual encampment of the Southern California Veterans' association held at Huntington Beach came to an end Thursday night and the closing scene will long be remembered by the comrades present. The encampment was a success in every way and all present enjoyed a most delightful time. During the entire ten days the entertainments given by the various organizations were of a high order and very enjoyable. The saddest feature was the memorial service on Sunday when the roll was called and 185 comrades who had gone to the great beyond during the year failed to respond.

During the election of officers for the ensuing year a surprise was sprung upon our fellow townsman and comrade, Rev. C. R. Norton of N. P. Banks Post, who received the unanimous vote of those present for chaplain of the association. N. P. Banks Post feels highly honored in this recognition that has come to one of their number.

After the newly elected officers were installed all present joined hands, forming a circle around the great auditorium and closed by singing "God Be With You Till We Meet Again."

paraging the candidacy of any other aspirant to that office, to do what we can toward the election of Mr. Hannon for one of these places. There are ten judges for the superior bench to be elected in this county at the coming election and already the names of many men, fully qualified, have been suggested or announced, but with due respect to any and all of them, we believe that Mr. Hannon is as fully equipped and well qualified for that place as any man whose name has yet come before the people.

We take this means in making our position public in the hopes that those of our friends who have confidence in our knowledge of the fitness of men for the bench will do what they can to assist Mr. Hannon in this election. Very truly yours,

PARADISE IS UNKNOWN AS PARADISE TO SOME

W. W. Ogier is vexed. He is vexed because the Butte county recorder sent an official document to him addressed "W. W. Ogier, Paradise, California," and the postoffice authorities were so dense they did not know that the Paradise of California is Pasadena and forward the document accordingly. Instead, the document only got as far as Chico. To mistake Chico for California's paradise while Pasadena exists, Mr. Ogier believes is adding insult to injury.

However, there is one feature which makes Mr. Ogier feel better. When the misdirected envelope was returned to the Butte county recorder the clerk sending it quickly grasped the mistake and inclosed the old envelope in a new one addressed to Pasadena.

"That clerk at least knows where Paradise is," commented the Pasadena realty man, with considerable satisfaction.—Pasadena Star.

When a draftsman in the coast survey from November, 1854, to February, 1855, Whistler, the artist, boarded at the northeast corner of E and Twelfth streets, Washington. He is remembered as being unusually late for breakfast and always making sketches on the walls. To the remonstrating landlord he replied: "Now, now, never mind! I'll not charge you anything for the decorations."

Perhaps the best that can be hoped is that the war will be short and decisive—that the nations that are drawing the sword will speedily see their advantage in sheathing it again. When that time comes the peace-makers may have an opportunity.—San Diego Union.
