A THANKSGIVING STORY

Thanksgiving day blessings had all been said, But still Bess bowed her curly head And murmured low in a voice so sweet: “Give the poor oh, Lord, a plenty to eat, For Thanksgiving comes only once a year, And if anyone's hungry oh, please send them here; We have such a plenty and so much to spare, I thank you for some one with whom to share.”

Then lifting her head she said to me: “Dear God is so kind and so good, you see; He will surely send someone, and don't you know, He will show each one just the right place to go?”

“And how many, dear child, do you think will come?” “Oh, I think there will surely be more than one, And so, if you please, I will just put away A good half of all that you give me today.”

A rap at the door and Bess sprang with haste, And opening it wide, a surprise she now faced, For there stood her teacher and friends by the score, With baskets and boxes and bundles galore.

“We have come,” they all cried in tones of glee, “To take you with us, for don't you see It is Thanksgiving time and before noon today We want to leave these for dear Mrs. Ray, For she has a number of children, you know, Whose father was killed a short time ago, So we thought we would bring them a Thanksgiving cheer, Now hurry and get something, too, my dear.”

“I knew God would surely send some one to me,” Bess murmured, and happy as happy could be, She got a big basket and heaped it high With everything good, from a doll to a pie, And then, not stopping her breakfast to taste, She put on her things in the greatest haste, And as they all started again on their way, I thanked God he gave us a Thanksgiving day.

GENEROUS CHILDREN

GAVE LARGE DONATIONS FOR RELIEF OF WOMEN AND CHILDREN

The children of the Glendale schools proved their large-heartedness and generosity Tuesday when they brought so bountifully of food-stuffs for the Christmas ship which is to sail on Dec. 1st from Southern California for Belgium. An invitation was extended on Monday for contributions for this cargo, by the teachers of the schools, with the permission of the board of education. In response, large quantities of non-perishable articles were brought to the five grammar schools, from which they were Tuesday evening collected and taken to Belgium relief quarters at Second and Brand boulevard. There were several touching instances of generosity on the part of the children, who through self-denial, are learning that fine lesson, “It is more blessed to give than to receive.”

It is doubtful if any people have, in this century, appealed to the sympathy of humanity more than this unfortunate nation of Belgians, who, through their geographical position, have been, so to speak, “between the upper and the nether millstone,” and have become disintegrated through the fortunes of war. That sympathy for their misfortunes is general, is proved by this response from the children of Glendale, so far removed from their country; and the hand of brotherly help extended by these, “God's little ones,” is a fine augury for the future of the sentiment of the brotherhood of man, which seems to have been temporarily forgotten by the warring nations of Europe.

MRS. CHARLES H. TOLL.

LARGE AND INTERESTING CLUB MEETING

One of the most pleasing programs of the year was enjoyed by the members of the Tuesday Afternoon club and guests at the regular meeting Tuesday afternoon. The literary section was in charge and Mrs. E. H. Willisford, curator, presided in her usual happy way, speaking of this branch of the club's work and of the wide number of subjects covered during the year. In a few gracious words she introduced Miss Bertha Lee Jackson and sister, Miss Elizabeth Jackson, who in turn presented “Enoch Arden,” by Tennyson, with music by Richard Strauss.

Miss Bertha Jackson held the large audience by the magic of her voice and the pathos of her story. She afterwards graciously responded with one of her humorous dialect stories. The section presented Miss Jackson with a large shower bouquet of carnations.

Refreshments of home-made cake and coffee were served to about two hundred and fifty club members and their guests, Mrs. White and Mrs. Joseph pouring at a beautifully decorated table.

FAMILY REUNION

Mr. and Mrs. V. E. Philp of 225 Orange street were host and hostess at a most happy family reunion Sunday, when the brother and sisters of Mrs. Philp met for their fourth annual reunion. This family consists of Mr. David Mitchell, Miss Agnes Mitchell, Mrs. Joseph Kee and Mrs. Philp.

The living-room and den were decorated with many beautiful and fragrant bouquets of many hued roses, while the dining-room, in which a sumptuous dinner was served at two long tables, was brightened by the glowing happy faces as well as by the ferns and scarlet geraniums that adorned the room.

The place cards were clever arrangements protruding from the shell of an English walnut. On the reverse were conundrums which caused much merriment, the answers being safely concealed within the shells.

This happy family enjoyed a jolly time. In the afternoon many kodak pictures were taken on the lawn and merry chatter passed the day all too quickly. It was decided to hold the next reunion at the home of Mrs. Joseph Kee and Mrs. Brown of Buena Park.

Those who celebrated this annual event were Mr. and Mrs. David Mitchell, Sr., Mr. and Mrs. David Mitchell, Jr., daughter Phyllis and baby David, Miss Annabelle Mitchell, Messrs. Van and Emmitt Mitchell of Boyle Heights, Mr. and Mrs. Joseph Kee, Miss Charlotte Kee, Miss Agnes Mitchell of Buena Park, Mr. and Mrs. Robert I. Brown and daughter Isabel of Santa Ana, Mr. and Mrs. James G. Philp of Los Angeles, Messrs. R. T. and T. V. Philp and the host and hostess, Mr. and Mrs. V. E. Philp.

Mrs. Frank Williams of Los Angeles spent Tuesday with Mrs. M. G. Taylor of 1501 Patterson street.

SYMPHONY ORCHESTRA

FINE FEATURE FOR THE NEW BRAND BOULEVARD PLAYHOUSE

That much of the success of a motion picture theater depends upon the music played during the exhibition of the films, is the belief of all up-to-date managers today. “Music is as important as the screen,” says one manager, and it is quite true. The entire atmosphere of the theater depends upon the music. If that is high class and appropriate, a feeling of enthusiasm and sympathy is at once created in the audience. Appropriate music in the photo playhouse tends more and more toward the appreciation of good pictures.

Realizing the importance of this great factor in the success of a picture house, the manager, Mr. Jensen, has engaged the well-known May Orchid Brooke to be the leader of the splendid orchestra that is to furnish the music at his new theater. Miss Brooke was for many years in concert work on the philharmonic course under Mr. L. E. Behymer. She is a member of the philharmonic quintet and she, as well as all the members of her orchestra, are members of the Los Angeles symphony orchestra.

May Orchid Brooke is so widely known as an accompanist, pianist and orchestra leader that she will need no introduction to lovers of music in Glendale.

DISCUSS PURCHASING OF GAS COMPANY'S PLANT

TRUSTEES AT MONDAY'S MEETING DECIDED TO CALL MASS MEETING TO LEARN THE SENTIMENT OF THE PEOPLE ON THE GAS QUESTION—VERDUGO SPRINGS WATER COMPANY WILL TURN OVER ITS PLANT AND TAKE PAYMENT FOR SAME IN GLENDALE MUNICIPAL WATER BONDS

Minutes of meeting of Nov. 23, 1914. Present at rollcall: Grist, Lane, Thompson, Tower, Williams. Absent, none.

The minutes of the meeting of Nov. 16th were approved as read.

The following applications for permits to do street work by private contract were read and referred to the city engineer, and upon his recommendation granted, viz: Chas. W. Kent & Son, work on Fifth and Sixth streets.

The city clerk read an application from Johnson & Lyons of 572 West Broadway for a permit to install a Bowser gasoline tank on the curb of street at that number.

On motion the matter was laid over for one week. A petition from property owners on Burchett street for the improvement of that street between Columbus avenue and Central avenue was read and referred to the city engineer to verify the frontage and prepare the necessary proceedings.

A communication from the Merchants' association to the effect that Mr. W. H. Crane has been appointed to act on the committee to locate an industrial district was received and placed on file.

The weekly report of the tax collector shows a collection of \$2552.17 for the past week, and a total of \$10,416.37 to date. Received and placed on file.

On motion the bids for a five-passenger automobile were ordered to be opened, examined and publicly declared.

The bid of Harry E. Hall, the only bidder, in the sum of \$576.50, was referred to the city manager.

On motion the bids for the improvement to be made on Canada boulevard were ordered opened, examined and publicly declared.

The following bid was opened, examined and referred to the city engineer:

Mr. D. F. Hartley of 252 East Broadway addressed the board, asking that the pepper trees in front of his home be inspected for their safety as by the grading of the street their roots have been cut and the trees might be blown down by a heavy windstorm with the softening of the soil.

The city manager reported that three insurance policies covering the city hall require renewals at a total premium of \$45 (as against \$90 cost of the original policies).

On motion of Trustee Grist the insurance was ordered renewed as per the city manager's recommendation.

The city manager reported that, pursuant to the instructions from the board, he had taken up with the president of the Southern California Gas company the question of gas connections in alleys and in rear of lots. He said the company is not willing to make connections except in the streets, not only by reason of expense, but because its engineers seriously object to it. That the company promises to do the refilling of ditches and repave the street under the direction of our city engineer and at its expense. He stated that there would be some applications for permits to make such connections shortly; that if we withhold the permits, certain work will be seriously delayed, and there seems to be no alternative but that the permits be granted, and to see that the pavements be replaced in as good condition as possible.

The question arose as to whether or not the city could ask the gas company for a bond for faithful performance of the conditions of the permits. The city attorney said that this was impracticable as the company is perfectly responsible and the

city would be in no better position with the bondsmen than with the company. However, the city can impose regulations as it may see fit with reference to the replacing of the street pavement.

Chairman Lane recommended that the city take up the question of acquiring the gas company's plants; to ascertain its valuation and then take steps to have the board of public utilities put an appraisal upon it. The city attorney, in this connection, suggested that the city employ an engineer to furnish an estimate of the cost of an artificial gas system, as there might be a possibility of not getting a sufficient amount of natural gas at some time.

The city manager wanted to know whether the railroad commission had jurisdiction to fix the price at which natural gas should be sold at wholesale. The city attorney's reply was that it has that jurisdiction; also the right to fix rates for artificial gas.

On motion of Trustee Grist, resolved that permits for gas connections in streets be granted on condition that the city engineer be placed in charge of the work of cutting and replacing the pavement; however, that the board cannot but express its dissatisfaction with the situation, and that it must look to an early move toward acquiring control of the gas supply within the city of Glendale.

The city attorney suggested that as the first step toward that end, a mass meeting of the people of Glendale be called to get an expression of their sentiments on the subject.

On motion of Trustee Thompson, the city attorney, the city engineer, city manager and the manager of the public service department were instructed to inquire into the advisability of securing the gas system as a municipal public utility, or of fixing the gas rate.

The city manager, in view of an ordinance to establish the grade on a portion of Glendale avenue now to be passed, reported that the Verdugo Canyon Water company is maintaining in the same portion of the street a concrete pipe which should be replaced by something of a more substantial nature before the paving is done.

On motion of Trustee Grist, ordered that the water company be informed that the street will soon be paved and that the company must provide a suitable pipeline before the work is undertaken.

The manager of the public service department reported that the taxes on the water plants purchased would soon have to be paid, and asked authority to do so. On motion of Trustee Grist, ordered that these taxes be paid.

The manager of the public service department presented an offer of the Verdugo Springs Water company to turn over to the city of Glendale its plant at the sum of \$55,962, being \$50,292, the value as per findings of the railroad commission, and \$5400 for subsequent added extensions, and to take payment therefor in Glendale municipal water bonds at par, with accrued interest.

Referred to the committee of the whole. On motion “an ordinance of intention to order the laying out and opening of Chestnut street across the P. E. right-of-way” was taken up for the first reading.

On motion this ordinance was declared read for the first time and was taken up for the second reading.

Whatever you give him for Christmas, wrap it up in good will. Whatever you give her, wreath it in smiles.

Perseverance is a great element of success. If you only knock long enough and loud enough at the gate you are sure to wake up somebody.—Longfellow.

People Judge the Wealth of a Town
 by its banks. If they are located in modern buildings, well equipped to give first-class service to their depositors and well organized to insure safety, people speak of such a city as a rich and prosperous one.
 The First National Bank of Glendale has had a most successful growth and offers its depositors every advantage and convenience of a metropolitan bank, but could be a still greater factor in the upbuilding of Glendale if every Glendale citizen transacted his or her banking business in Glendale, for the reason that the funds of this bank are loaned to Home People on Home Securities and are at all times engaged in the upbuilding of local interests.

Mr. and Mrs. Charles Farnam and little daughter Josephine were entertained at dinner Monday evening by Mr. and Mrs. Warren Roberts of 707 West Seventh street.

Mr. and Mrs. Warren Roberts, Mr. and Mrs. C. S. Archer and Dr. and Mrs. E. F. Archer and son Lyle, will be dinner guests of Dr. Young in Los Angeles tomorrow.

Miss Katherine Hobbs of 600 North Central avenue is giving a slumber party at her home this evening for the girls of the Round Table. Eight guests are expected and their usual good time is anticipated.

W. H. Aiken, wife and daughter Pearl of 916 Lomita avenue moved to Long Beach the first of this week, having rented their home furnished to John B. Price and wife of Michigan, who are here to spend the winter.

Mr. and Mrs. W. M. Marsh of Lankershim are coming to Glendale to attend the benefit concert at the high school auditorium Friday evening. They will stay over Sunday with Mr. and Mrs. G. D. Roach of 1428 Lomita avenue.

Last Friday evening Miss Katherine Hobbs of 600 North Central avenue gave a dinner complimentary to Mrs. Glen Craig of Burbank. The guests present were Mr. and Mrs. Glen Craig, Mr. and Mrs. Spear and Noble Ripley of Tropic.

The First Methodist church of Tropic, under the leadership of their new pastor, Dr. R. T. Smith, are holding protracted meetings now. There is a meeting each night at the church and afternoon prayer meetings at the homes of different members, and a great deal of interest is being shown.

Mrs. M. Cadd, 1601 West Colorado boulevard entertained the West Glendale Embroidery club Tuesday afternoon. Light refreshments were served and needlework and conversation were indulged in. Before going home the guests were treated to a most enjoyable automobile ride around Glendale and vicinity.

Miss Coral E. Griffith of 1471 Salem street entertained the Villa club at her home Tuesday. This being Thanksgiving week, a more elaborate luncheon than usual was served and the afternoon was spent in sewing. The usual guests were present, as well as a special guest, Mrs. C. E. Ingerson. The next meeting of the club will be held at the home of Mrs. G. M. Johnson, 1470 Salem street.

Mr. and Mrs. E. A. Caryl of 1454 Oak street entertained at dinner on Sunday evening. The table was tastefully decorated with carnations and ferns and the excellent dinner was enjoyed by all. The following guests were present besides the host and hostess: Mr. and Mrs. O. E. Clemens and Master Earl Clemens of Tropic, Mr. and Mrs. C. S. Westlake and Mr. and Mrs. Clyde Emde of Muncie, Indiana. It was quite a reunion of old friends, as all four families had formerly lived as neighbors in Muncie, and the evening was spent in talking over old times.

THANKSGIVING

(By Samuel Parker)

In these "free and easy" times one is tempted to wish that the authority to call a day of thanksgiving carried with it the power to enforce its observance. But, alas, all regard for the sanctity of the day is thrown away in a wild rush for parties, balls, races, excursions and even prize-fights. But the president can name the date and recommend its observance only. This, however, is ample authority for the good citizen who after the chapel service of thankfulness will have keener zest for family reunions and tests of stomachic capacities.

NORTH GLENDALE

Miss Ruby F. Wright of 1649 Ruth street was the dinner guest of Mrs. George D. Alston of West Fifth street Tuesday evening.

Mr. and Mrs. E. W. Rich of Burchett street leave today for San Jacinto, where they will spend the Thanksgiving vacation with the parents of Mr. Rich, Mr. and Mrs. C. O. Rich of that place.

Mrs. E. H. Newcomb of 1025 North Louise street is having a fine modern bungalow built on her property, which she will occupy for a home. Mr. George Peters of Glendale is the contractor and builder.

Mrs. George H. Marsh of 1645 Ruth street entertained as her guest at dinner very recently her brother, Mr. Delos Wilbur of Los Angeles.

Mr. and Mrs. S. C. Bierbower of 922 Fairview avenue returned the early part of the week from Azusa, where they were the guests of Mr. Bierbower's parents, Mr. and Mrs. H. B. Bierbower, at their beautiful ranch home for several days.

Mrs. Arthur Smith and two children of North Louise street, with a party of friends, enjoyed the day at one of the popular beaches last Sunday.

ST. MARGARET GIRLS BUSY

Members of the St. Margaret Guild met recently at the home of the Misses Read, 401 North Central avenue, and enjoyed a jolly time in making minicement and in merry gossip. Such a grinding and mixing and tasting there never was before, but the finished product is toothsome and delicious in the extreme, resembling the ambrosia upon which the gods feasted in days gone by. Those who had a finger in the pie were Misses Elizabeth Lang, Olga Purl, Cecelia Wilson, Gertrude Champlain, Eva Black, Harriett Wells, Athena Purl, Lillian Mills and the Misses Read, all of whom enjoyed the gay informality of the occasion.

The Men's club members and friends meet at the home of Mr. and Mrs. H. H. Faries at 104 North Louise street this (Wednesday) evening at a progressive Five Hundred party.
