

# Environmental Emergencies: EUCPM support to JEU

**20** times  
the EU Civil Protection Mechanism (**EUCPM**)  
provided environmental expertise to  
the UN Environment/OCHA Joint Unit (**JEU**)  
since 2014.

**Type of disaster**

- Dam stability
- Preparedness
- Contamination
- Fire / explosion
- Drought
- Earthquake
- Flood
- Tropical cyclone

Country that received assistance

Other countries

- EUCPM **prepares and responds** to environmental emergencies, including incidents that arise as secondary effects of disasters.
- DG ECHO, operating through the EUCPM, is among **JEU's most important partners**.
- DG ECHO's collaboration with the JEU has been constantly increasing during the past years, raising at a level of **80% of all JEU missions in 2018**
- DG ECHO supports the organisation and roll-out of **4 Environment and Emergencies Trainings (EET)** from 2017 to 2020.
