Notice of Proposed Rulemaking

**DEPARTMENT OF HOUSING AND
URBAN DEVELOPMENT**

**Office of the Secretary
[24 CFR Part 82]**

[Docket No. R-75-318]

**REAL ESTATE SETTLEMENT
PROCEDURES**

Notice of Proposed Rulemaking

The Real Estate Settlement Procedures Act of 1974 requires the advance disclosure of settlement costs and the use of a uniform settlement statement in all transactions which involve federally related mortgage loans, the disclosure of the previous selling price of existing real property and it prohibits kickbacks and unearned fees, requirements by sellers that buyers purchase title insurance from any particular title company and fees for preparation of truth-in-lending and uniform settlement statements. The effective date of the Act is June 20, 1975. The Act directs the Secretary of Housing and Urban Development to develop and prescribe the uniform settlement statement and advance disclosure of settlement costs and authorizes him to prescribe regulations relating to advance disclosure of settlement costs.

Notice is hereby given that the Secretary proposes to amend Subtitle A of Title 24 of the Code of Federal Regulations by adding a new Part 82 to implement section 4 and section 6 of the Real Estate Settlement Procedures Act of 1974.

The Federal Reserve Board will soon publish separately in the FEDERAL REGISTER for comment, the Truth-in-Lending portion of the Uniform Disclosure/Settlement Statement.

Interested persons are invited to participate in this proposed rulemaking by submitting written data, views and arguments with respect to this proposal. Communications should be identified by the above docket number and title, and should be filed with the Rules Docket Clerk, Office of General Counsel, Room 10245, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, D.C. 20410. All relevant material received on or before March 20, 1975, will be considered before adoption of the final rule. Copies of comments submitted will be available for public inspection during normal business hours at the above address.

In consideration of the foregoing, and pursuant to the authority contained in section 4 and section 6 of the Real Estate Settlement Procedures Act of 1974, it is proposed to amend Subtitle A of Title 24 of the code of Federal Regulations by adding a new Part 82, as set forth below.

1. A new Part 82 is added to 24 CFR Subtitle A as set forth below.

§ 82.1 Definitions.

As used in this part the following terms shall have the meaning indicated:

(a) "Federally related mortgage loan" means any loan which—

(1) Is secured by residential real property (including individual units of condominiums and cooperatives) designed principally for the occupancy of from one to four families; and

(2) (i) Is made in whole or in part by any lender the deposits or accounts of which are insured by any agency of the Federal Government, or is made in whole or in part by any lender which is regulated by any agency of the Federal Government; or

(ii) Is made in whole or in part, or insured, guaranteed, supplemented, or assisted in any way, by the Secretary or any other officer or agency of the Federal Government or under or in connection with a housing or urban development program administered by the Secretary or a housing or related program administered by any other such officer or agency; or

(iii) Is eligible for purchase by the Federal National Mortgage Association, the Government National Mortgage Association, or the Federal Home Loan Mortgage Corporation, or from any financial institution from which it could be purchased by the Federal Home Loan Mortgage Corporation; or

(iv) Is made in whole or in part by any "creditor", as defined in section 103(f) of the Consumer Credit Protection Act (15 U.S.C. 1602(f)), who makes or invests in residential real estate loans aggregating more than \$1,000,000 per year;

(b) "Loan Commitment" means any agreement of a lender to make a federally related mortgage loan or any statement made by a lender, directly or indirectly, to a prospective borrower expressing its intention and willingness to make such a loan.

(c) "Services in connection with settlement" includes, but is not limited to the following: title searches, title examinations, the provision of title certificates, title insurance, services rendered by an attorney, the preparation of documents, property surveys, the rendering of credit reports or appraisals, pest and fungus inspections, services rendered by a real estate agent or broker, and the handling of the processing, and closing or settlement;

(d) "Borrower" means any individual, corporation, association, partnership or trust receiving a federally related mortgage loan in connection with the pur-

chase of real property or for any other purpose.

§ 82.2 Uniform Disclosure/Settlement Statement.

The Uniform Disclosure/Settlement Statement which appears in the Appendix to this part shall be used as the form for advance disclosure of settlement costs and the standard real estate settlement form in all transactions in the United States in which a lender makes or agrees to make a federally related mortgage loan.

§ 82.3 Advance disclosure of settlement costs.

(a) Any lender agreeing to make a federally related mortgage loan shall provide or cause to be provided to the prospective borrower, to the prospective seller, if any, and to any officer or agency of the Federal Government proposing to insure, guarantee, supplement, or assist such loan, an itemized disclosure of each charge arising in connection with the settlement.

(b) The disclosure shall be made on the Uniform Disclosure/Settlement Statement.

(c) The disclosure shall be made at the time of loan commitment, but in no case later than 12 calendar days prior to settlement.

(d) For the purposes of complying with this section it shall be the duty of the lender to obtain from persons who provide or will provide services in connection with the settlement the amount of each charge they intend to make. In the event the exact amount of any such charge is not available, a good faith estimate of such charge may be provided. In such case the disclosure shall indicate those items which are an estimate of the charges to be made.

(e) The lender shall retain in its files for 1 year from the date of settlement a copy of the advance disclosure, executed and dated on the date of disclosure by the prospective borrower, the prospective seller, if any, and the lender. Such copy shall be made available for inspection and reproduction by the parties identified in paragraph (a) of this section.

(f) The officer or agency of the Federal Government proposing to insure, guarantee, supplement, or assist the loan may determine the time and manner of delivery of the advance disclosure to such officer or agency.

(g) The advance disclosure made pursuant to this section may be used in satisfaction of the requirements of section 121(c) of the Consumer Credit Protection Act insofar as it applies to federally related mortgage loans.

§ 82.4 Waiver of advance disclosure.

A borrower or seller may waive the requirement that advance disclosure of settlement costs be provided at least 12 calendar days prior to settlement when:

(a) Settlement occurs, with the consent of the borrower and the seller, not more than 18 days after the lender receives the application for the loan, and

(b) On the date either party is notified of the loan commitment the Uni-

form Disclosure/Settlement Statement is delivered to the party waiving the requirement or such statement is available for delivery to such party at the office at which the application for the loan was made, and

(c) The party waiving the requirement receives the Uniform Disclosure/Settlement Statement at least 3 days prior to settlement, and

(d) The party waiving the requirement and the lender execute, on the date of settlement, a waiver in the following form:

WAIVER OF RIGHTS TO RECEIVE ADVANCE SETTLEMENT DISCLOSURES

I/We hereby acknowledge and affirm that I/we know that the Real Estate Settlement Procedures Act of 1974 entitles me/us to advance itemized disclosure in writing of each charge arising in connection with the captioned settlement at the time of loan commitment, but in no case later than 12 calendar days prior to settlement, and that if the lender fails to provide such disclosure I/we may recover from it at least \$500 plus reasonable attorneys fees.

Notwithstanding the above I/we hereby waive the right to receive such disclosure 12 days prior to settlement and I/we further certify that:

1. Application for this loan was made not more than 18 days prior to this date and I/we have consented to settlement on this date.

§ 32.5 Delivery of disclosure.

The provisions of paragraph (c) of § 82.3 and paragraph (b) of § 82.4 shall be deemed to be satisfied by delivery of the disclosure to the party entitled to its receipt or by mailing the disclosure to such party at his last known address at least 3 days prior to the time specified in such paragraphs.

§ 32.6 Relation to State laws.

These regulations do not annul, alter, or affect, or exempt any person from complying with the laws of any State with respect to settlement practices, except to the extent that those laws are inconsistent with any provision of the regulations. A State law shall not be determined inconsistent with these regulations if such State law gives greater protection to the consumer than the provisions of the regulations.

§ 32.7 Disclosure of previous selling price of existing real property.

Section 7 of the Real Estate Settlement Procedures Act of 1974 provides:

Section 7.(a) No lender shall make any commitment for a federally related mortgage loan on a residence on which construction has been completed more than twelve months prior to the date of such commitment unless it has confirmed that the following information has been disclosed in writing by the seller or his agent to the buyer—

(1) The name and address of the present owner of the property being sold;

(2) The date the property was acquired by the present owner (the year only if the property was acquired more than 2 years previously); and

(b) The obligations imposed upon a lender by this section shall be deemed satisfied and a commitment for a federally related mortgage loan may thereafter be made if the lender receives a copy of the written statement provided by the seller to the buyer supplying the information required by subsection (a).

(c) Whoever knowingly and willfully provides false information under this section or otherwise willfully fails to comply with its requirements shall be fined not more than \$10,000 or imprisoned for not more than one year, or both.

§ 32.8 Prohibition against kickbacks and unearned fees.

Section 8 of the RESPA of 1974 provides:

Section 8. (a) No person shall give and no person shall accept any fee, kickback, or thing of value pursuant to any agreement or understanding, oral or otherwise, that business incident to or a part of a real estate settlement service involving a federally related mortgage loan shall be referred to any person.

(b) No person shall give and no person shall accept any portion, split, or percentage of any charge made or received for the rendering of a real estate settlement service in connection with a transaction involving a federally related mortgage loan other than for services actually performed.

(c) Nothing in this section shall be construed as prohibiting (1) the payment of a fee (A) to attorneys at law for services actually rendered or (B) by a title company to its duly appointed agent for services actually performed in the issuance of a policy of title insurance or (C) by a lender to its duly appointed agent for services actually performed in the making of a loan, or (2) the payment to any person of a bona fide salary or compensation or other payment for goods or facilities actually furnished or for services actually performed.

(d) (1) Any person or persons who violate the provisions of this section shall be fined not more than \$10,000 or imprisoned for not more than 1 year, or both.

(2) In addition to the penalties provided by paragraph (1) of this subsection, any person or persons who violate the provisions of subsection (a) shall be jointly and severally liable to the person or persons whose business has been referred in an amount equal to three times the value or amount of the fee or thing of value, and any person or persons who violate the provisions of subsection (b) shall be jointly and severally liable to the person or persons charged for the settlement services involved in an amount equal to three times the amount of the portion, split, or percentage. (b) Any seller who violates the provisions of subsection (a) shall be liable to the buyer in an amount equal to three times all charges made for such title insurance.

§ 32.10 Fee for preparation of Truth-in-Lending and Uniform Settlement Statements.

Section 12 of the RESPA of 1974 provides:

INSTRUCTIONS FOR COMPLETING UNIFORM DISCLOSURE/SETTLEMENT STATEMENT

The following are procedures and instructions for completing the Uniform Disclosure/Settlement and Truth in Lending Statement prescribed by the Real Estate Settlement Procedures Act of 1974. The lender is required to make in advance of settlement an itemized disclosure on this form of each charge arising in connection with settlement. It is recognized in the Real Estate Settlement Procedures Act of 1974 that the precise amount of every individual charge to be assessed at settlement will not in all cases be known at the time of advance disclosure. The Act provides: "In the event the exact amount of any such charge is not available, a good faith estimate of such charge may be provided."

It is the responsibility of the settlement or closing agent ("Closer") to complete the Settlement Statement and to submit copies to parties at the settlement showing all charges actually incurred. The body of the form is to be used for entry of charges, credits, and disbursements. The Uniform Disclosure/Settlement Statement will set forth each settlement service as a charge to the Buyer or to the Seller (or a split between the two) in accordance with the agreement between the

parties. In the case of certain settlement items, FHA or VA Regulations forbid charges to a Buyer using FHA or VA financing, and such charges therefore become the Seller's obligation.

Since this form is used nationwide, it is important that all Closers follow the standard procedures.

The Act requires that this form be used in the following transactions: property sale financed by origination of a first mortgage, refinancing of existing mortgage indebtedness, origination of a junior mortgage to help finance a property sale, the giving of a purchase money mortgage by a federally related lending institution, and any borrowing secured by the borrower's principal residence.

SECTIONS A AND B

Section A: Type of Loan. Check appropriate loan type and complete items 6, 7, 8, 9, 10, and 11 as applicable. In item 6, state the purpose of the loan, i.e., home sale, refinancing, junior mortgage, etc.

Section B: Names and Addresses. In completing each box, provide as a part of the address the city, postal abbrevia-

tion of State, and zip code. Fill in item 6, Beneficial Owner, only in the event that title will be held in trust for a person other than the Buyer/Borrower.
