## FORM OF BEQUEST

I, A. B., do give and bequeath to the "NICKERSON HOME FOR CHILDREN," the sum of \_\_\_\_\_ for the use and benefit of said Institution, to be applied by the Board of Managers thereof to the general object of the Home. And I do direct that a receipt, signed by the President and Treasurer shall be a sufficient discharge.

# CONSTITUTION

ARTICLE 1. This Home shall be called the NICKERSON HOME FOR CHILDREN.

ARTICLE 2. Its object shall be to provide a home for destitute children, under fourteen years of age, from every part of New England, especially half orphans, when the home is suddenly broken up by death or other causes, where they can enjoy all the comforts of a well-regulated family, and be instructed, not only physically, but intellectually and religiously. For the privilege of such a home a small board will be required, which, although not enough for the child's support, will serve to give to parents the feeling that he or she is doing what they can for the support of their little ones. A limited number of children, which will be increased as our means permit, will be admitted to the Home free of charge. Parents or friends may visit the children at the Home, or may remove them from it whenever their circumstances will warrant their assuming their children's support.

ARTICLE 3. The payment at one time of twenty-five dollars shall constitute a life membership.

ARTICLE 4. The officers of this Home shall be a President, Vice-Presidents, Secretary, Treasurer and Auditors, and sixteen Managers. Seven shall be chosen as Trustees, of whom the President, Secretary, and Treasurer shall constitute a part. At any regular meeting convened, any number of the officers and Managers present may be competent to proceed with the business in thirty minutes after the appointed hour, and five may constitute a quorum.

ARTICLE 5. It shall be the duty of the President, in concurrence with the Committee, to call all special meetings, and to preside at meetings of the Board of Managers, each of which is to be opened with prayer. In the absence of the President, one of the Vice-Presidents shall preside,

ARTICLE 6. It shall be the duty of the Secretary to keep a record of the meetings of the Board of Managers, and at each meeting for business, the record of the preceding meeting shall be read, and on special occasions the Secretary shall notify the members of the Board and shall assist in any other duties the Board of Managers may assign.

ARTICLE 7. The Treasurer shall keep an account of the money received and expended, and shall present the bills due against the Home at each meeting of the Board, to be approved by them and signed by the President, and the Treasurer shall give a written report to the Managers. Such assistance shall be allowed to the Treasurer in collecting of funds, etc., as the Board of Managers shall deem expedient.

ARTICLE 8. At each meeting it shall be the duty of the Superintendent to report to the Managers the number of children entered and discharged during the month.

ARTICLE 9. There shall be an Annual Meeting held the first Thursday in January, at 3 o'clock, P.M., when the officers shall be chosen. These offices will only be held by the faithful discharge of their official duties. An annual Report of the Secretary and Treasurer shall be presented, the report from the Board of Managers read, vacancies upon the Board filled, and such other business transacted as shall come before them. Meetings of the Managers are held on the first Thursday of every month, at three o'clock, P.M.

ARTICLE 10. At each monthly meeting one Manager for each week during the month shall be appointed to inspect the Home, as regards furnishings, cleanliness, and sanitary conditions, and make a verbal report of such inspection at the following meeting.

ARTICLE 11. Amendments may be made to this Constitution by a majority of the members present at the Annual Meeting.

# SEVENTY-FOURTH ANNUAL REPORT OF SECRETARY

---

The Managers of the Nickerson Home upon the threshold of the year 1910 realize as never before the truth of the words sent forth by the children's friend, the poet, Longfellow —

“ Round about what *is*, lies a whole mysterious world of what might be! ”

As a band of co-laborers in a grand humanitarian cause, they also realize the fact that anywhere and everywhere in very unlikely or unfavorable places, among the hedges or by-ways, in the slums or highways wherever there is work to be done for the Master there they should labor and the opportunity has come through the avenue of the Nickerson Home for Children, this being located at present right in the very heart of this throbbing work-a-day world.

And as for this world “ of what might be ” — that is only the vast region of opportunity which is ever open, not to individuals alone, but to *all representative bodies*, like the Nickerson Home — which stand for the physical, social, educational, and moral uplift of the less favored by heredity, circumstances and environment in our midst.

Now if the conditions for carrying on such a work, as has been undertaken at the Nickerson Home were always favorable, then might the official board of this Home avail itself of the many and varied calls upon its limited resources for aid; but such is not the case. Lack of room, for one thing, keeps many a deserving one from our door; for in this very accommodating “ Buss ” there is not room at times for even “ *one more.* ”

This thought then naturally suggests that the seating, standing and sleeping capacity of this small vehicle, called a “ Home ” had better be enlarged. This change of basal accommodations for the comfort of the inmates of the Home would necessitate more funds in the treasury; hence the lack of money is the chief condition which cramps the working power of the Executive Board of the Nickerson Home as it tries to carry on a two-fold work — that for the little ones within its walls as well as that for a charitably disposed public without.

Hence our appeal for more funds to enable us to get a larger and newer building, as we send out our Annual Report.

That money is also needed for the necessary repairs on an old building is another factor that has to be taken into the account as we send forth this annual message; for until a new building is secured we have to keep the old one in a good condition to insure both the comfort and health of its various inmates.

During the past year we have been called to bear the loss of one of our most devoted, faithful and efficient workers — Miss Carrie L. Boswell, active as one of the Vice-Presidents and Managers of the Official Board of the Nickerson Home for Children. Always at her post we shall not only miss her as a co-laborer in the good work at the Home, but its different inmates who had learned to love and welcome her during her thirty odd years of service will feel the great loss of her kindly presence in their midst equally as much.

Our Superintendent, Mrs. Lola Holway, ever cheerful in the active performance of her work at the Home, perhaps, as much as any one, will miss the kind counsel and loving interest in her various plans, for the well-being of the Domestic department, — which this patient Griselda always showed during her frequent calls at the Home.

### **Its Inmates**

The Home has cared for ninety-nine children during the past year.

Everything has worked as harmoniously as could be expected in this little world of human possibilities, of which each child is a part, and is to be trained possibly through its very environment into the future peace-loving citizen of our Commonwealth.

There has been no serious illness during the year. One of our girls was given special care for a month at the Tyler Street Hospital connected with the Boston Dispensary on Bennett Street. This little girl was later placed on a farm for fresh air treatment.

We owe many thanks both to the physicians and nurses of this Dispensary for their faithful care of the children who have been in attendance there, at any time during the year.

We would also acknowledge with thanks the continued services of Dr. David D. Brough as house physician and those of Dr. James Patterson as dentist.

### **Donations**

We would thankfully acknowledge the annual subscription of twenty dollars by the Old South Guild as well as the

five dollars sent by the Primary Department of the Park Avenue Church, Arlington Heights.

We are also grateful for the still further donation of five dollars from the Woman's Guild of the Park Avenue Church, Arlington Heights.

We were kindly remembered at Easter with cards sent by the Rev. D. W. Waldron of the H. M. S. of Boston.

The money sent for clothing for the children by Mr. William Armstrong of the Bromfield Street Sunday School, was quickly applied to its legitimate purposes and we would thankfully acknowledge the same.

Mr. T. E. Holway and Mrs. Edward B. Wilder have kindly sent in their usual donations of clothing.

We would extend our thanks to the Ladies' Benevolent Society, First Parish, Hingham, for the clothes sent to our little girls.

Many firms at Faneuil Hall Market remembered our Home at Thanksgiving and Christmas with generous donations which we would gratefully acknowledge at this time.

Mr. Isaac T. Locke has also frequently added to the happiness of the little ones by his generous donation of fruit and vegetables.

We are thankful to the Ferguson Bakery, which has so kindly continued their weekly donations of bread and cake. Also to Mr. William N. Jenkins of Weston's Bakery, who has sent many donations of bread, pies and cake, besides making a liberal discount on our bill.

Mr. Aldrich of Cobb, Aldrich & Co. has donated wood and fruit for which thanks are given.

We were also remembered with oranges by Mr. Arthur T. Cumings.

### Outings and Picnics

Mr. Armstrong, Superintendent of the Bromfield Street Sunday School gave the children a most enjoyable picnic at Franklin Park.

Another happy day was spent at Lake Shore Home, Sharon, through the kind invitation of the Rev. M. R. Deming. A three mile ride in a barge, delightful sails on the lake and splendid dinner made this day a memorable one. Mr. Deming also gave one of our girls a week's vacation at this Home.

Twenty-five children were given a two weeks' outing at the Deaconess Fresh Air Home, Haverhill. The Deaconess

Association have given our children this vacation for several summers for which we are very grateful.

Six girls had a very fine vacation at Sea View through the invitation of Sister Vera of the St. Monica's Home.

Three of the boys had three weeks with Mrs. Fielder Converse, East Douglas, Mass., for which we would return thanks.

Two other children had an outing of four weeks at Dudley Farm, the home of Mrs. Ralph E. Dudley, Douglas, Mass., while Miss Emily H. Osborne also invited one of our girls to her home in Somerville for three weeks. Then Mrs. Williams of Dorchester gave a week's vacation to one of the girls. For each and all of these kind favors we are deeply grateful.

### Christmas

Our children were again invited to the Christmas party at the Unitarian Church, Winchester, by the Superintendent, Miss Alice F. Symmes. The children had a splendid time, and received some very fine gifts.

The stockings of the children were filled by Mrs. F. S. Pratt, West Newton.

On Christmas Day we had our tree and party. Presents for the tree were given by the Bromfield Street Sunday School. Many useful gifts were also given by Mr. Howell F. Wilson. Two large, beautiful dolls were sent to the Home — one from the Sunday School class of Miss Florence S. Nickerson and the other from Boston Dispensary.

Others who sent contributions of money for our Christmas party were Mrs. Edward H. Mason, Mr. George H. Van Horn and Mr. William Armstrong.

All of these gifts we would gratefully acknowledge, trusting that the Giver of all gifts will reward in His own good time and way.

Respectfully submitted,

GARAFELIA M. DAWSON, *Secretary*.
