1. Attention invited to attached petition of Rev. Alphonse Murata to leave Japan for a visit to the Ryukyus Islands and return to Japan at a later date.

2. It is the understanding of this headquarters that Operational Directive 15, 1949, applies to persons desiring to return to the Ryukyus Islands to take up permanent residence, but the application of Rev. Murata indicates a visit to relatives and friends. Therefore the application is believed to be improperly based on Operational Directive 15, 1949.
