USHERS' ASSOCIATION DANCE A BIG SUCCESS

Largely Attended

The Ushers' Association Banquet last Monday night at the Community Rooms of the Y. M. C. A. proved to be a most enjoyable affair. About sixty were present and sat down at seven o'clock to partake of an excellent and well-served menu.

Rev. Emerson L. Swift presided as toastmaster and first announced the election of officers for the coming year. An unanimous ballot was cast for Mr. T. Noel Butler for president, and Mr. J. C. Simpson for secretary and treasurer. Mr. H. R. Hanks, retiring president, introduced Mr. Butler, who responded happily asking for the co-operation of the entire organization to make this year the most successful one the Ushers' Association has ever had.

Mr. Fletcher W. Stites, representing the Narberth Methodist Church, was the next speaker. His subject was "Getting Together." Mr. Stites was at his best and his stories kept the audience in a continual round of laughter and applause. He mentioned the change in religious sentiment nowadays over previous times and endorsed the getting-together movement of the churches in Narberth and other communities.

Mr. S. W. Foster, representing the Narberth Presbyterian Church, followed Mr. Stites. Mr. Foster's topic was "Wisdom," but he dealt with it lightly and in a non-serious manner. He, too, proved an apt raconteur and was followed with eagerness throughout. Narberth should be proud of having two such excellent after-dinner speakers as Mr. Foster and Mr. Stites.

Rev. William H. Main, D. D., of the Memorial Baptist Church, Philadelphia, was scheduled as the principal speaker. His subject was to be "The School of Character," but as the hour was getting late and it was necessary for him to return to Philadelphia, he spoke briefly along general lines. Dr. Main has the reputation of being one of Philadelphia's brightest and wittiest public speakers and he certainly lived up to his reputation. His good-natured thrusts as "a gentleman of the cloth" at the "members of the bar," who had preceded him on the program were clever and amusing. He showed himself to be a man who could hold his audience equally well in either serious or facetious mood.

The musical portion of the evening was ably furnished by Mrs. T. Noel Butler, Mrs. R. S. Dull, Mr. H. C. Keim and Mr. George B. Abele.

Those present were: Mr. C. O. St. John, Mr. R. W. Case, Mr. and Mrs. David Stickney, Mr. and Mrs. Arthur A. Chalker, Mr. and Mrs. Clarence Speakman, Mr. and Mrs. T. Noel Butler, Mrs. R. S. Dull, Mr. and Mrs. H. N. Hanks, Mr. Fletcher W. Stites, Mr. and Mrs. S. W. Foster, Rev. and Mrs. Emerson L. Swift, Rev. W. H. Main, D. D., Mr. and Mrs. J. C. Simpson, Miss Maizie Simpson, Mr. Harry Simpson, Mr. and Mrs. H. C. Keim, Mr. and Mrs. W. D. Smedley, Mr. and Mrs. Edgar S. Taylor, Mr. and Mrs. William Curtis Pollock, Jr., Mr. and Mrs. George B. Abele, Mr. and Mrs. Roy E. Clark, Mr. J. P. Rowbotham, Miss Mabel Seymour, Mrs. R. G. Seymour, Mr. Herbert Seymour, Mr. and Mrs. Albert Needham, Mr. Charles E. Felten, Mr. and Mrs. H. C. Gara, Mr. W. C. Poor, Mr. Charles H. McCarter, Mr. Charles H. McCarter, Jr., Mr. and Mrs. W. Arthur Cole, Mr. and Mrs. T. C. Trotter, Mrs. William J. Jones, Miss Helen P. Jones, Mr. and Mrs. W. J. Clark, Mr. Galen Clay, Mr. and Mrs. William S. Horner, Mr. J. W. Shinn.

SPECIAL MEETING IN THE PRESBYTERIAN CHURCH ON GOOD FRIDAY EVENING.

In accordance with the custom of previous years, there will be a service in the Presbyterian Church on the evening of Good Friday. The sermon will be delivered by Rev. John B. Laird, D. D., pastor of the Frankford Presbyterian Church of Philadelphia, and moderator of the Synod of Pennsylvania. Special music will be rendered by the church quartette.

IMPORTANT MEETING.

A meeting of the officers and directors of the Narberth Civic Association has been called for Tuesday evening, April 25, 8 o'clock, at the Y. M. C. A. Among other important matters to be discussed is the representation of Lower Merion township by counsel in the necessary court proceedings looking toward the purchase of Montgomery pike by the county.

Mr. Edward W. Bok, president of the Merion Civic Association, in a communication recently received by Mr. A. J. Loos, president of Narberth Civic Association, states, that owing to the fact that the township commissioners have no authority to appropriate moneys for such a purpose, Mr. George Sullivan, president of the Lower Merion Township Commission, has suggested that the different civic clubs in the township join in meeting the necessary fee and expenses, amounting to \$500.

Mr. Bok adds that he will recommend to the Merion Civic Association the appropriation of \$100 towards this amount.

It is hoped that every member of the new board will attend this and all subsequent meetings, showing by their presence and suggestions, an active interest in all matters of community interest.

Frank J. Wisse,

Secretary Narberth Civic Association.

PARENTS

Those who are wondering if their children are making the most of their time in school, those who have difficulty in assisting their children with home-work either through lack of time or on account of the changes in the modern system, those who are anxious to make the school work and home-work harmonize and to make both pleasant and interesting to the young folks will profit by a call from Mr. Walter J. Meyer.

He is able to explain the situation in a clear and simple manner. Just drop him a card for an appointment. P. O. Box 590, Narberth Post Office.—(Adv.)

A FAMOUS PIANO VIRTUOSO

Coming To The Arcade

Narberth will be given a rare treat on Tuesday evening, April 25, when Ferdinand Himmelreich, the famous pianist, will give a recital at the Arcade Theatre. So versatile and so brilliant is this artist, so remarkable his interpretations, transcriptions and improvisations, that he holds his audience spellbound—seeming to bring smiles and tears at will. Mr. A. J. Drexel Biddle once declared him to be "the most wonderful pianist in the world." The scholarly musical critic might not agree with this, of course; but Himmelreich is unquestionably a genius. He "tells stories in music"—thrilling, delighting the senses or gripping the heart. None can surpass him in his appeal to an audience. His is music that is understood, and that "goes home."

Himmelreich studied with noted teachers, including Hoffman, when a small child, and at five could play Bach fugues; and also at five he began to grow blind! Several operations for cataract were performed, and for many years it was alternate darkness and light, sadness and gladness. At present he sees as through a heavy veil—seeing his audience, but recognizing no individual, even close at hand. Years of constant practice and his marvelous sense of harmony and absolute pitch have given him perfect mastery of the piano.

Remember, next Tuesday evening at the Arcade. Advance sale of seats at Davis' store, Narberth.

ARRIVED FROM JAPAN.

The shipment of double flowering pink Japanese cherries arrived direct from Yokohama, Japan, at the Garden Nurseries, and upon unpacking them, it was found that almost without exception, the trees were in excellent condition. Inasmuch as they have traveled thousands of miles across the Pacific and the continent, it is sufficient proof that the Japanese people have expert packers.

There are some sixteen varieties, differing in the color of flowers chiefly; but there are two weeping forms. The long slender pendulous branches when covered in bloom make a beautiful floral fountain; hence this is called the fountain form.

The trees ordered from Mr. Wohler by our residents will, we are told, be delivered this week, so that we may expect to see Narberth ablaze with these wonderful flowering cherries. Mr. Wohler has promised any information regarding these or other horticultural matters, and we are sure that with co-operation, our town will become one of the most beautiful and noted along the Main Line.

Flick Stites Pitches—Score 10-6

In their first game of the season, Narberth, the champions of the Main Line League, trounced the railroaders by the score of 10-6. Flick Stites, the veteran of the Main Line League, twirled for the champions, and still looks to be able to toss them up. Nig Koons was on the receiving end, and held the former Pennsylvanian to perfection.

Charles Barker seems to have regained his batting eye, for Charles clouted out two hits, one for a home run. Stuart McClellan also had two hits, both being two-baggers. Koons and Durbin each had two hits of the better kind.

The railroaders started off with a punch by scoring three runs in the first inning, but the champions soon began to solve Sturtevant's delivery and in the second inning evened up matters, and slowly pulled away, never to be headed. The score:

While Our Town is in no sense a partisan paper, representing as it does the Narberth Civic Association, which includes all citizens, irrespective of political affiliations, we feel at liberty to comment on any candidate for office whose election would have a bearing on the welfare of this community.

It is with pleasure, therefore, that we learn of the candidacy of our highly esteemed fellow citizen, Mr. Fletcher W. Stites, for membership in the Pennsylvania State Legislature. Mr. Stites is the type of man of whom any party might be proud. In the profession of the law, his reputation is unblemished, and his record as a private citizen of Narberth, as well as his official record as burgess, and later as borough counsel, entitle him to the highest consideration.

Mr. Stites is equipped with a splendid natural endowment, supplemented by a thorough general and legal education. As a speaker, he is eloquent, logical and forceful, and there is no doubt that, if elected, he would represent his constituency in a most satisfactory manner, standing, as he does, for the highest ideals in public life.

The population of our borough is increasing so fast, that the time has come when we should be represented in the legislature. It is highly gratifying that so strong a candidate should enter the lists.

OUR GARDENS AND OUR POTENTIAL GARDENS

The sap is running, the grass has long seen the bright green of early spring. You've noticed that many of the shrubs are putting forth tender shoots and that the willow has heard the clamor of the new season and its leaves are peeping out into the sunlight. All this you know very well and if you had been along last Saturday, you might have seen my neighbor and myself in our gardens doing the preparedness-for-growing act despite the tempting yells and cheers which came from the direction of the ball field.

While swapping advice with the fellow in the other yard (you know how every amateur loves to air the little knowledge he has), I wondered why Our Town has never started an "our gardens" column where we who know it all might air our views on how to grow sweet peas and what hour morning glories open up their blue and white blossoms and any other garden topics that might be chosen.

In this column, too, those of us who are still rather "green" might ask questions. Learning by experience is a long road and as there are many who've already traveled it, I'm sure they'd be neighborly enough to answer any questions which the editors would print. Who will be the first contributor to "Our Gardens?"

At the meeting of the Narberth Civic Association many of us heard the speaker of the evening, who took as his subject "Cultivation of Vacant Lots." Perhaps his talk made less impression upon us because most of us have gardens, if not small farms of our own. But, too, there are vacant lots in our town—some in

weeds, some in reeds and some in old tin cans. Now perhaps I shall have bricks and things shied at me for this suggestion, but I wonder whether, when the vacation days begin, our Boy Scout Troop couldn't be broken up into two or three small squads which would have their headquarters in some of these vacant places, between their regular hikes and camping trips. These lots they could maintain for their purposes and beneath the tents that might be erected here there would be excellent opportunities to practice the scout lore. By keeping these spots trim and neat, they would be doing a good deed for their community and keeping up the best scout traditions, as I understand them.

That would only dispose of a few of our vacant places, but the example set of putting them to some useful work might inspire others to suggest methods of utilizing the other spaces. I presume that the Narberth branch of the new Main Line Rifle Club will require a space for its range, but of necessity this will need to be on the outskirts.

By the way, wouldn't it be a magnificent thing if all of the unoccupied and unproductive spaces throughout the land were put into cultivation for growing wheat, beans, peas, corn and other products which could be manufactured into foodstuffs and sent to Belgium and Poland and other such poor countries where misery will reign more than ever next winter, unless all signs fail? But that would be a great task for someone and many would have to be called on to help with means and brawn to complete the work from ploughing to harvesting.

The Observer.

Narberth, Pa., April 15, 1916.

To the Editor of Our Town:
In your issue of the 13th inst., you stated "that the best arrangement that could be made to float the \$30,000 road loan was to sell the bonds so that the investor would net 4 per cent., which means that the cost of marketing the bonds must be added—estimated at 1/4 per cent. more."

The report of the Finance Committee was that arrangement had been made to sell the bonds on a 4 per cent. basis at par and expenses. The bonds will therefore cost the purchasers something over par and the borough will receive \$30,000 net. This indicates that the financial condition of the borough is good and that its bonds are considered a desirable investment at the low rate of 4 per cent.

Compared with the 4 1/4 per cent. rate the saving in interest charges is \$1312.50. If the bonds had been issued at the time they were authorized, November, 1913, the best rate obtainable would probably have been 4 1/2 per cent., in which case the interest charges would have been \$2625 more than on the issue for which arrangements have just been made.

It will thus be seen that the delay in the issue of the bonds was quite advantageous to the taxpayers.

Yours truly,
A. P. Redffer,
Chairman, Finance Committee.

To the Editor of Our Town:
The writer would like to know why the Borough Council objects to the new post office being built or enlarged of anything but fireproof material, when there has been erected in our borough within the last fourteen months other frame buildings.

A Taxpayer.

The borough has been practically free from contagious diseases during the past winter, but recently there have been a half dozen cases of measles reported. Parents are therefore warned to keep their children away from houses which bear "measles" placards and from children residing in those houses, and are urged to secure prompt treatment for children exhibiting symptoms of measles. This disease should not be lightly regarded, for the after effects are often serious.

The State law requires all cases of communicable disease to be immediately reported to the local Board of Health. In cases where a physician is not called in, the responsibility for reporting the existence of the disease rests with the head of the household. Failure to report promptly renders the person so offending liable to a penalty not exceeding \$100.

The exercise of a little care and caution will prevent further spread of the disease. The co-operation of parents is requested.

A. P. Redffer,
Narberth Board of Health.

To the Editor of Our Town:

Permit me to congratulate you upon the excellent paper which you are getting out and to tell you how much I enjoy reading it.

In your last issue, however I find one inadvertent mis-statement which I feel should be corrected. In your "story" (Ed. Muschamp will tell you that this is a technical term and not a reflection on the veracity of the article) of the meeting of Borough Council the following paragraph occurs:

Councilman Narrigan, chairman of the Highway Committee, reported that the contractor who is to lay the concrete on Wynnewood avenue promises to have the work completed by May 1.

Either Councilman Narrigan has been misquoted or the contractor has misinformed him. Pugh and Hubbard Company, to whom this contract was awarded by the State Highway Department, cannot begin work on Wynnewood avenue until ordered to do so by the Assistant Engineer of the State Highway Department in charge of this district and he, in turn, cannot authorize them to go ahead until he is told to do so by the Chief Engineer. These orders have not been issued as yet. The laying of a reinforced concrete pavement cannot be undertaken at an early date because it is necessary that weather conditions be right before it is attempted. It is likely, given settled weather conditions, that work on this contract will be ordered commenced about May 1. It should be completed within a month from that time.

I wish to take this opportunity to congratulate Our Town and the Borough of Narberth on the candidacy of Mr. Fletcher W. Stites for the State Legislature. I believe that Mr. Stites is the type of man that we should have to represent us.

While on the subject of Councils, would it be appropriate to ask what is being done regarding the dedication and paving of Dudley avenue, north from Winsor?

Also, what treatment do you recommend for persons who persist in walking over your freshly-rolled lawn? The old stand-bys—hanging, drawing-and-quartering, boiling-in-oil, etc.—seem pitifully inadequate.

I have read your editorial animadversions about delivery men and boys who are addicted to this favorite pastime, but I have to complain about still another form of pest: the one who uses your town as a short-cut to another street. Personally I maintain that homicide would be justifiable, but I should like advice.

W. R. D. Hall.

GETHESEMENE AND CALVARY.

There is a place so dear and sacred to me,

It is the Garden of Gethsemane;
'Tis where our Saviour often went to pray:

One night in some inconceivable way,

The weight of the whole world's sin He felt—

In that garden as in prayer He knelt,

And Luke tells us His sweat was falling down

As if it were great drops of blood to the ground;

No pen can describe how He felt that night,

When Judas' soldiers did appear in sight;

Oh! it was for you, and it was for me! The agony there in Gethsemane.

There's another place dear and sacred to me,

It is the place called Calvary;

It was there our dear Lord they crucified

With a malefactor close by each side;

Worn out from the trials of the Judgment Hall,

Beneath the weight of His cross He did fall;

When His hands and feet to the cross were nailed,

One of the malefactors on Him rallied,

While in those hours of agony and pain,

The veil in the temple was rent in twain;

Oh, it was for you and it was for me! All the suffering there on Calvary.

ST. MARGARET'S CHURCH.

The solemn ceremonies of Holy Week, customary in all Roman Catholic churches, will be observed in St. Margaret's Church this week as usual, together with the regular Lenten devotions on Wednesday and Friday evenings.

The ceremonies on Holy Thursday which commemorate the Last Supper and the institution of the Most Blessed Sacrament will begin with High Mass at 8 A. M., and will be followed by solemn procession of the Sacred Host led by the little girls of the parish, under the direction of the Sisters of Mercy, the little ones strewing the way with roses and freshest flowers of the field and garden. The church will be open all day and evening for continuous adoration.

On Good Friday the ceremonies of the Adoration of the Cross will commence at 7.30 A. M., to be followed by the Mass of the Presanctified at 8 o'clock. Regular Lenten devotions will be held in the evening at 8 o'clock and will include the History of the Passion of Our Lord, the Stations of the Way to Calvary and the public veneration of the cross.

The ceremonies of Holy Saturday will commence at 7.30 A. M. and will be followed by Mass at 8.

The usual ceremony of the Blessing and Distribution of the Palms which took place at the late Mass last Sunday thronged the church with worshippers. Both the early and late services, however, brought larger congregations than usual, due, no doubt, to the increase in population of the town.

AN INTERESTING REPORT.

We have in the borough an institution which deserves the liberal support of all who have to spare for the worthy cause of helping the mothers and little children from the poor sections of the big city, to secure the benefits of a short stay in the country during the hot summer months. This is what the King's Daughters' Holiday House has been doing for several years. The special Holiday House text is the words of Christ, "Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto Me." The report which has been printed for distribution shows how very many of our people have been aiding this good work by gifts of money and clothing and things for the table. In a home such as this use can be made of many kinds of supplies. The report shows cash contributions amounting to \$1,327.91, and other gifts which comprise articles of food and clothing, amounting approximately to \$500. The Holiday House itself is a modern splendid stone and plaster dwelling, ideally located, and is given free of charge each year for the purpose by Miss Mary K. Gibson, of Wynnwood. The officers of the association are: President, Mrs. Fred E. Derby; first vice-president, Mrs. George B. Sheldon; second vice-president, Mrs. S. J. Dallas; third vice-president, Mrs. George W. Long; treasurer, Mrs. Francis H. Baker; assistant treasurer, Mrs. William Fischer; corresponding secretaries, Miss Lindsay Jacoby and Miss Maude Wipf; recording secretary, Miss Laura S. Hopper.

THE FIRESIDE

Betty Baxter's Gossip.

All that's best remains, the rest's but dust of withered leaves; Memories of a thousand Aprils haunt the lilac close, This year's harvest holds the wealth of centuries' garnered sheaves, All the fragrance of the past breathes in this year's rose.

Mr. and Mrs. Norman Jefferies entertained at dinner on Saturday evening, in honor of their son Lester; the occasion being his twenty-first birthday. The guests were Miss Evelyn Harris, Miss Isabella Martin, Miss Helen Wingate, Miss Adah Durbin, Mr. Magarge Walsh, Mr. Robert Durbin and Mr. Louis Winne.

Miss Mildred Harris, of Price avenue, spent the week-end at Northwood as the guest of Miss Margaret Mayes.

Ferdinand Himmelreich, the noted pianist, will give a recital at the Arcade next Tuesday evening. Tickets may be secured at Davis'.

Mr. Edwin S. Thompson, of Philadelphia, has been the guest of Mr. and Mrs. Robert E. Pattison, Jr.

Mrs. Horace Biles and daughter Lois, of Richmond Hill, N. Y., will spend the Easter holidays with Mr. and Mrs. C. P. Fowler, of Windsor avenue.

Mr. and Mrs. William Livingston are entertaining Mrs. Woodford D. Anderson and daughter Helen, of Brooklyn.

The Misses Linda and Florence Jacoby entertained their bridge club on Monday afternoon. The members present included Mrs. Horace Moore, Mrs. Hunter McDowell, Miss Mary McCarter, Miss Mary Peebles, Miss Emily Ellison, Miss Maude Wipf, Mrs. A. Thornton Grugan, Mrs. William Bartlett, Mrs. Watts, Mrs. Raymond Jones and Miss Edna Selfridge.

Mrs. Homer E. McKee's two children, Anna and Henry, are convalescing from an attack of the measles.

Mrs. H. T. Immel, of Mountville, Pa., spent several days last week with her daughter, Mrs. Homer E. McKee, 43 Montgomery avenue.

The little girl that arrived in the home of Mr. and Mrs. James Connor on Wednesday, April 12, weighed 10 1/2 pounds; she has been named Dorothy.

Postmaster Haws attended a convention of postmasters at Easton, Pa., on Saturday.

Important changes are being made to the store of Howard E. Davis, one of the features of which is to be an up-to-date soda fountain.

If the Narberth Post Office is advanced to the second-class and it now appears to be assured of this, it will be due in a great measure to very many loyal Narberth citizens who have diligently patronized their home office when in need of stamps and stamped paper. In a suburban town, such as Narberth, where so many of our citizens are employed or have their business in the city, they very frequently get their stamps for home use while in town, to the detriment of the home post office. Along with the second-class privileges will likely come a lot of new post office equipment, and a more modern building in which to transact the business. A committee from the Borough Council is now diligently working in conjunction with a U. S. Postal Inspector of this section to this end.

The Democratic candidate for nomination for the legislature at the primary election on May 18, in the First District of Montgomery county, will be Francis R. Taylor, of Cheltenham. Mr. Taylor is an attorney-at-law, and comes of an old and respected family of Cheltenham township.

COMMUNITY CLUB.
On Tuesday, April 25th, at 3
o'clock, there will be a reception of
the retiring board of managers to the
new board in the Community Club
room in the Y. M. C. A.
The members and their friends are
cordially invited to be present.
The following is the new board of
managers of the Community Club:
Chairman—Mrs. W. M. Cameron.
Financial manager—Mrs. William
C. Pollock, Jr.
Library manager—Miss Fanny Loos.
House manager—Mrs. I. S. Hepler.
Social manager—Mrs. C. P. Fowler.
Membership manager—Mrs. Harry
Hartley.
Athletic manager—Mrs. E. Hurth.

COMFORT FOR THE LADIES.

The many patrons of the LeFrance
Beauty Shop on Haverford avenue,
conducted by Mrs. R. W. Case, will
be pleased to learn that a new large
chair has been installed. Mrs. Case
aims to please, and has spared no ex-
pense or trouble to make her shop
neat, comfortable and above all sani-
tary. Those having this sort of
work done appreciate the positive as-
surance of absolutely sanitary condi-
tions. This little shop should have
the support of the Narberth ladies as
well as Wynnewood and Merion. Sev-
eral from the latter place are now
regular customers of Mrs. Case.

School motto:
Without halting, without rest,
Lifting better up to best.

Easter exercises will be held on
Thursday morning, April 20th, at 8.45
o'clock. Rev. Anderson will be the
speaker. We cordially invite every
one to come and enjoy the exercises
with us.

School vacation for Easter will
start Thursday at 10.30 and will end
Tuesday morning at 8.45.

Last Monday the school was closed
on account of a case of scarlet fever,
and at which time it was thoroughly
fumigated.

On Friday last the girls elected
their captains and managers of the
tennis team and of next year's basket
ball team. Edith Humphries carried
off the honors for both captains. Hilda
Smedley, the manager for the tennis
team and Margaret Eyre, the manager
for the basket ball team.

The following pupils have been
neither absent nor tardy during the
entire school year:
Second grade—Esther Keim, Harriet
Nielson, Alfred Haire, Charles Young.
Third grade—Annette Melchior.
Fourth grade—Wm. Funk, Robert
Saville, Clinton Shaw.
Fifth grade—Ralph Sauder.
Sixth grade—Roy Smith.
Seventh grade—Benjamin Yowell,
Adeline Smith, Rose Ricklin.
Eighth grade freshmen—Ava Mul-
holland, Elizabeth Miesen, George
Rose; sophomore class, Quincy
Yowell.

In justice to the large majority of
the pupils we wish to state that had
it not been for sickness, the above list
would have included about four-fifths
of the students. Parents and pupils
have been very helpful to the admin-
istration in eliminating tardiness, ear-
ly dismissals and absence.

Our base ball season opens on
April 28th with Germantown Friends'
School on their grounds. The candi-
dates are out every day. We hope
to have a winning team. This year's
schedule is as follows:

- April 28th, Germantown Friends,
away.
- May 5th, Ambler H. S., home.
- May 12th, Jenkintown H. S., away.
- May 19th, Conshohocken H. S., home.
- May 26th, Villa Nova Reserves,
home.
- June 2nd, Ambler, away.
- June 9th, Upper Darby, home.

Men's Meeting.

Reserve Sunday afternoon, April
30th—our next big meeting for men.
We are very fortunate in having se-
cured as our speaker for this meet-
ing Dr. F. H. Green, of West Ches-
ter State Normal School. His sub-
ject will be "Sacred Spots." Dr.
Green is always a popular speaker
with men and those who have heard
him will not fail to hear him this
time. To those who have not heard
him we want to say this: You can't
afford to miss this opportunity of
hearing one of the most popular
speakers of the day. Don't forget
the date, Sunday, 3.30, April 30th.

Community Night.

Thursday, April 27th. It is not
necessary for us to enlarge on this
announcement. This feature is al-
ways a most attractive one to the
community. It appeals to all Nar-
berthites, whether new or old. Come
and get acquainted. Don't forget the
date.

Bowling and Pocket Billiards.

It may not be generally known that
arrangements have been made en-
abling the public as well as members
to use the Y. M. C. A. tables and al-
leys. We have an attractive and well
equipped men's game room. Come in
and see for yourself.

Tennis.

If you are interested in this game,
say so. Prospects look good. See
J. G. Scanlin for details.

Did you read that article in our
last week's notes entitled "Your
Boy?" No? Well look it up and it will
give you something to think about.

Bowling.

Last Monday evening Narberth rolled
a post schedule game with Rose-
mont. We had the honor of taking
two of the three games. The score
is as follows:

Boys.

Don't forget the gym class Satur-
day mornings. We will soon be hav-

ing fine weather and then for some
cross country runs. They will get
you in good shape for base ball.

Our Boy Scout organization is quite
visible now on Saturdays. They go
for a long hike every Saturday af-
ternoon. Is your boy a scout? Why
not?

Alcohol Kills More Than War.

In statistics cited by one of our
Congressmen, it is declared that "al-
cohol is killing off as many Americans
every year as all the wars of the
world have killed in 2300 years."

Alcohol is killing our people at the
rate of nearly 2,000 every day in the
year. It is estimated that the cost of
providing for the added crimes, pau-
perism, idiocy and insanity produced
by alcohol in the United States ex-
ceeds \$2,000,000,000 per annum. In
the face of indisputable facts show-
ing that alcohol is the one great
menace of the race, and that its use
results in the appalling loss of hu-
man life and worse, that wasting of
billions of dollars, is it not passing
strange that there can be found those
who insist that the traffic must con-
tinue?

DR. POHLMAN COMING.

The Men's Club of the Presbyterian
Church take pleasure in announcing
that Dr. Pohlman will address them
Friday evening, April 28, 1916. This
announcement should be of interest to
a great many Narberthites because a
large number of former church mem-
bers of Dr. Pohlman's are living here.
The Men's Club wants you to come
and hear this most successful religious
worker and looks to you to tell an-
other man about it, and in that way
show what a good reception Narberth
can give and at the same time show
the interest we take in church work.
Men only.
