Ways you can participate in Wikipedia’s 10th anniversary celebration:
a graphic handbook
Start with the basics...
Plus a frame or shape.
Add different shapes to express ideas.
Use the puzzle shapes to localize in your language.
And then mix it up...
Surprise people...
Show the love.
Be proud of what we’ve accomplished.
It’s the biggest team project in history.
Ask people what Wikipedia means to them.
Tell them what it means to you.
Show them who we are.
Carry our message to the world.
