VETERANS ADMINISTRATION

38 CFR Part 3

Increase in Pension Rates and Income Limitations

AGENCY: Veterans Administration.

ACTION: Final regulation change.

SUMMARY: The Veterans Administration has amended its regulations setting forth the annual rates of improved pension and parents' dependency and indemnity compensation (DIC), the annual income limitations applicable to receipt of section 306 pension, old-law pension and parents' DIC, and the annual amount of a spouse's income that is excludable from a veteran's annual income under the section 306 pension program. The need for this action results from the forthcoming social security cost-of-living increase. The effect of this action is to increase the rates and income limitations by the same percentage as social security benefits.

DATES: These regulation changes are effective June 1, 1981, the effective date of the social security cost-of-living increase.

FOR FURTHER INFORMATION CONTACT: T. H. Spindle, Jr. (202) 389-3005

SUPPLEMENTARY INFORMATION: Under 38 U.S.C. 3112 the Veterans Administration is required to increase the rates of improved pension and parents' dependency and indemnity compensation (DIC), the income limitations applicable to section 306 pension, old-law pension and parents' DIC, and the amount of a spouse's income that is excludable from the amount of a veteran's annual income under the section 306 pension program whenever there is a social security cost-of-living increase. The benefits are to be increased by the same percentage as social security benefits are increased and at the same time.

The Social Security Administration reports that there will be a cost-of-living increase of 11.2 percent in social security benefits effective June 1, 1981. Accordingly, we are amending §§ 3.23, 3.24, 3.25, 3.26 and 3.262(b)(2) to implement this increase.

We are not providing for public participation since no useful purpose would be served by doing so. The Veterans Administration has no discretion in this matter. The statute requires that we increase our benefits by the percentage amount determined by the Social Security Administration

and at the same time as the social security increase is effective.

The agency has determined that this regulation is nonmajor in accordance with Executive Order 12291, Federal Regulation. The agency has also determined as required by Pub. L. 96-354, the Regulatory Flexibility Act, that it imposes no compliance costs or reporting burdens on the public and has no effect on businesses or State and local governments.

Approved: May 6, 1981.

Rufus H. Wilson,
Acting Administrator.

The combined amount payable, however, may not exceed the amount by which \$840 times the number of eligible children exceeds the sum of the children countable annual income.

(38 U.S.C. 542)

3. In § 3.25, paragraphs (a), (c), (d) and (e) are revised to read as follows:

§ 3.25 Parent's dependency and indemnity compensation rates.

(a) *One parent.* Except as provided in paragraph (b) of this section, if there is only one parent the monthly rate of DIC paid to such parent shall be \$230 reduced on the basis of the parent's annual income according to the following formula:

For each \$1 of annual income		
The \$230 monthly rate shall be reduced by	Which is more than	But not more than
\$0.00		\$800
.05	\$800	900
.07	900	1,100
.08	1,100	5,642

No DIC is payable under this paragraph if annual income exceeds \$5,642.

* * * * *

(c) *Two parents not living together.* The rates in this paragraph apply to (1) two parents who are not living together, or (2) an unremarried parent when both parents are living and the other parent has remarried. The monthly rate of DIC paid to each such parent shall be \$163, reduced on the basis of each parent's annual income, according to the following formula:

For each \$1 of annual income of each parent		
The \$163 monthly rate shall be reduced by	Which is more than	But not more than

The monthly rate of DIC paid to such parents will be \$154, reduced on the basis of the combined annual income of the two parents living together or the remarried parent or parents and spouse or spouses, as computed under the following formula:

For each \$1 of combined annual income		
The \$154 monthly rate shall be reduced by	Which is more than	But not more than
\$0.00	0	\$1,000
.02	\$1,000	1,400
.03	1,400	2,000

(e) *Aid and attendance.* The monthly rate of DIC payable to a parent under this section shall be increased by \$121 if such parent is (1) a patient in a nursing home, or (2) helpless or blind, or so nearly helpless or blind as to need or require the regular aid and attendance of another person.

(2) Veteran or surviving spouse with one or more dependents, \$7,123.

5. In § 3.262, paragraph (b)(2) is revised to read as follows:

§ 3.262 Evaluation of income.

* * * * *

(b) *Income of spouse.* Income of the spouse will be determined under the rules applicable to income of the claimant.

* * * * *

(2) *Veterans.* The separate income of the spouse of a disabled veteran who is entitled to pension under laws in effect on June 30, 1960, will not be considered. Where pension is payable under section 306(a) of Pub. L. 95-588, to a veteran who is living with a spouse there will be included as income of the veteran all income of the spouse in excess of whichever is the greater, \$1,797 (\$1,616 after May 31, 1980 and prior to June 1, 1981) or the total earned income of the spouse, which is reasonably available to or for the veteran, unless hardship to the veteran would result. The presumption that inclusion of such income is available to the veteran and would not work a hardship on him or her may be rebutted by evidence of unavailability or of expenses beyond the usual family requirements.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the Secretary

Social Security Benefit Increases; Notice of Cost-of-Living Increase in Benefits Under Titles II and XVI of the Social Security Act and in Income Limitations for Beneficiaries Under the Supplemental Security Income Program

I hereby determine and announce a cost-of-living increase of 11.2 percent in benefits under titles II and XVI of the Social Security Act.

Under title II, old-age, survivors, and disability insurance benefits will increase by 11.2 percent beginning with the June 1981 benefits which are payable on July 3, 1981. This increase is based on the authority contained in section 215(i) of the Social Security Act (42 U.S.C. 415(i)), as amended by section 201 of Pub. L. 95-216 enacted December 20, 1977.

Under title XVI, supplemental security income payment levels will increase by 11.2 percent effective for payments made on July 1, 1981. This is based on the authority contained in section 1617 of the Social Security Act (42 U.S.C. 1382f).

Title II Benefits

Title II benefits are payable under the Federal old-age, survivors, and disability insurance program. Individuals entitled under this program include insured workers, wives, husbands, children, widows, widowers, mothers, fathers, and parents.

In accordance with section 215(i)(4) of the Social Security Act (the Act), the primary insurance amounts and the maximum family benefits shown in columns IV and V of the revised benefit table (table 1) set forth below were obtained by increasing by 11.2 percent the corresponding amounts established by: (1) The last cost-of-living increase; and (2) the extension of the benefit table made under section 215(i)(4) and published on November 18, 1980 at 45 FR 76252. The table applies only to those persons who attained age 62, became disabled or died before January 1979 and is deemed to appear in section 215(a) of the Act. Note that this table does not apply to those individuals who reach age 62, become disabled, or die after 1978; their benefits will generally be determined by a new benefit formula provided by the Social Security Amendments of 1977 (Pub. L. 95-216). For such persons first eligible for benefits in the period 1979-1981, the 11.2 percent increase will apply beginning

June 1981; but the 11.2 percent increase will not apply for persons first becoming eligible for benefits after 1981.

Section 215(i)(2)(D) of the Act also requires that, when the Secretary determines a cost-of-living increase in social security benefits, the Secretary shall publish in the Federal Register a revision of the range of the primary insurance amounts and corresponding maximum family benefits based on the dollar amount and other provisions described in section 215(a)(1)(C)(i)(II). These benefits are referred to as "special minimum benefits" and are payable to certain individuals with long periods of relatively low earnings. In accordance with section 215(a)(1)(C)(i)(II), the attached table 2 shows the revised range of primary insurance amounts and corresponding maximum family benefit amounts after the 11.2 percent benefit increase.

Section 227 of the Act provides limited benefits to a worker who became age 72 before 1969 and was not insured under the usual requirements, and to his wife or widow. Section 228 of the Act provides similar benefits at age 72 for certain uninsured persons. The current monthly benefit amounts of \$105.20 for an individual and \$52.70 for a wife established under sections 227 and 228 of the Act are increased by 11.2 percent to obtain the new amounts of \$117.00 and \$58.70.

Title XVI Benefits

Section 1617 of the Act provides that whenever title II benefits are increased under section 215(i), the amounts in sections 1611(a)(1)(A), 1611(a)(2)(A), 1611(b)(1) and 1611(b)(2) of the Act and in section 211(a)(1)(A) of Pub. L. 93-66 shall be increased. The new amounts are effective for months after the month in which the title II increase is effective. The percentage increase is the same as the title II benefit increase and the annual payment amount is rounded, when not a multiple of \$1.20, to the next higher multiple of \$1.20.

In accordance with section 1617, Federal Supplemental Security Income (SSI) guarantees for the aged, blind, and disabled are increased effective with July 1981 by 11.2 percent. The current yearly Federal SSI guarantees of \$2,856.00 for an eligible individual and \$4,284.00 for an eligible individual with an eligible spouse are thereby increased to \$3,176.40 and \$4,764.00 respectively. The monthly payment is determined by dividing the yearly guarantee by 4, subtracting quarterly countable income, and dividing the remainder by 3. In the case of an eligible individual with an eligible spouse, the amount payable is further divided equally between the two

spouses. The amount by which the Federal SSI guarantee amount is increased because of the presence of an essential person in the home, currently \$1,430.40 per year for each essential person under section 211(a)(1)(A) of Pub. L. 93-66, is also increased by 11.2 percent to obtain a new amount of \$1,591.20.

Automatic Benefit Increase Determination

Section 215(i) of the Act requires that when certain conditions are met in the first calendar quarter of a year, the Secretary shall determine that a cost-of-living increase in benefits is due. Section 215(i) of the Act also specifies the formula for determining the amount of any cost-of-living increase in benefits. This formula utilizes the Consumer Price Index for urban wage earners and clerical workers reported by the Department of Labor.

Section 215(i)(2)(A) of the Act requires the Secretary to determine each year whether there is a cost-of-living computation quarter in that year. If the Secretary so determines, the Secretary shall, effective with June of that year, increase benefits for individuals entitled under section 227 or 228 of the Act, shall increase the primary insurance amounts of all other individuals entitled under title II of the Act, and shall also increase the maximum benefits payable to a family. Section 1617 of the Act requires that SSI benefits be increased by the same percentage increase as title II benefits, whenever title II benefits are increased under section 215(i). The percentage increase is equal to the percentage increase in the Consumer Price Index for the cost-of-living computation quarter over the index for the most recent cost-of-living computation quarter.

Section 215(i)(1) of the Act defines a base quarter as a calendar quarter ending on March 31 in each year after 1974, or any other calendar quarter in which occurs the effective month of a general benefit increase. Section 215(i)(1) also defines a cost-of-living computation quarter as a base quarter in which the Consumer Price Index prepared by the Department of Labor exceeds by not less than 3 percent the index in the later of (1) the last prior cost-of-living computation quarter or (2) the most recent calendar quarter in which a general benefit increase was effective. However, there shall be no cost-of-living computation quarter in any calendar year if in the prior year a general benefit increase was enacted or became effective. Section 215(i)(1) of the Act also provides that the Consumer

Price Index for a cost-of-living computation quarter shall be the arithmetical mean of such index for the 3 months in that quarter.

The Department of Labor's revised Consumer Price Index for urban wage earners and clerical workers for each month in the quarter ending March 31, 1980 was: For January 1980, 233.3; for February 1980, 236.5; and for March 1980, 239.9. The arithmetical mean for the calendar quarter was 236.6. The

corresponding Consumer Price Index for each month in the quarter ending March 31, 1981 was: For January 1981, 260.7; for February 1981, 263.5; and for March 1981, 265.2. The arithmetical mean for this calendar quarter is 263.1. The increase for the calendar quarter ending March 31, 1981 is 11.2 percent. Thus, since the percentage of increase in the Consumer Price Index from the calendar quarter ending March 31, 1980 to the calendar quarter ending March 31, 1981 is not less than 3 percent, the quarter

ending March 31, 1981 is a cost-of-living computation quarter. Consequently, a cost-of-living benefit increase of 11.2 percent is effective for benefits under title II of the Act beginning June 1981.
