BROTT & DAVIS's LARDE STOCK OF DAY

NOOS.—Mesers. Brott & Davis elsewhere inties public attention to the immense stock of

17 goods received at their establishment, No

2 Gravier street. The city and country trades,

thich bave heretofore patronized them so lib
nally, are offered continued inducements in

sery kind of dry goods, staple and fancy, at

ry low rates. Among their latest receipts are

special consignment of the most desirable

ving prints and lawns, purchasable only by

estire package, and a fine ascortment of

othing which challenges examination both as

styles and prices.

Expecially has it afforded a school, which could not hot be surpseed, for thorsety deducation in prestical surgery. It is well known that, in the beginning of the war, the armies of both Morth and South were deplorably deficient in surgical skill. This was not see much overilg to the unaccessory appointment, as army surgeous, inferior practitioneer, choogh in some siances that cause may have operated,—as to the fact that practitioneer of a first rate of the state when the fact that practitioneer of a first rate of the state when the surgeous child, like services and the more tested decay from indiguent of the surgeous in civilized fuxuries, the more dentitary flourable, and the more inventive and skillful is comes. Opticians and occlusive progress in skill and knowledge along with the increase of the starting control of the statement of the sta

War seems to be a social necessity. It is in human nature. It has existed ever since the beginning of Creation, and will probably continue to state a long as there are men,—consequently passions, server and projudioss. In spit distant, in spite of all the followphers and morasto mappress it, war will cooper, and Universal Pease remain an atopin. The sword will always be of a mighty weight in the balance of the desiring of nations.

But if ware eannot be avoided, could they not he made at least short and decisive? I so not the sease desired with it, a reflicient argument It would be probably, if every one could bestreak with the horrors, with the somes of suffering and agony, which the military surgeon is daily called to witness.

alled to witness. gatastics of the best organized armice of , where every man is carefully selected azamining surgeous, and where ever provided for the confect of the soldiers, but the number of dearlie in an army at mails friential.

their benefit.
We are informed that this volume will be de-posited for sale on Taceday at the following places: V. Hebert & Co.'s book addrs, Char-tree street, between St. Louis and Toulouse A. Balu's library, No. 50 Chartree street; Dun-can's book-store, No. 126 Camp street. Priot 50 cants.

We learn that Mr. N. C. Yose, a planter on the Plank Boad, fell from his lures on Thursday last, whilst on his way home from this city, and before relief reached him he died.

We subjoin the following from the Chicago Times of the 28th ultimo:

Chicago, November 26.—1t is reported that a
majority of the 73d Pennsylvania are captured.

The Colonel is killed and the Major seriously

s, it produced, in certain branches of an angementation of knowledge and nextent which could not have been otherwise, in many times the mber of years. By no means the least resultant benefits may be mentioned the itions it has rendered to medical sciences. By the street, it is sated, I know not left truly, that Earlies are the street, it is sated, I know not left truly, that Earlies in the resultant benefits may be mentioned the itions it has rendered to medical sciences. By the six afforded a school, which could surpassed, for thorough education in all surgery. It is well known that, in the of the street, it is sated, I know not left truly, that Earlies have been deadly a solid property in a six output of specific products of the country, this like a surgery and the expresses bis "trust is a mass of route; and the expresses bis "trust is a mass of route; if the street is a mass of route; if the street is a mass of route; if the street is a street of specific products of the products of the products of the street in that country, the street is the first of the street in that country, the street is the street in that country, the street is the street in the country, the street is the street, I know not life truly, that Earlies approve his deed.

ME, BESCHER'S WELCOME IN NEW YORK CITY.—Mr. Bescher delivered another speech on his apparience in England at the Academy of Maie, New York, on the 24th ultimo. The occasion was intended as his first public welcome in New York oily after his return from England, and he presended of the affair were to go to the Sanitary Association. The Jewnal of Commerce

says:

Mr. Bescher's welcome at the Academy of Music was but a half snocess. The blame of this should soot be charged to the weather, which was bad, but to the sariff of prices, which was worrs. For cease in the perquente and the two rows of boxes, the charge was \$3, or twice that of an opera tucket, (and some seats were sold at a pressum of \$2 above that; In the family circle \$2, and in the amphitheatre, just one remove from the ceiling, \$0 cents.

THE SUPPLY OF SUGAR AND MOLASSES PO gricultural Department at Washington etober, 1863, it is said : Osober, 1863, it is said:

The five principal States of the West for the preduction of corphum molasses are Missouri, lown, Illsoois, Indiana, and Ohio. Their estimated production has year was 18 302,723 gallons; this year, only 6,979,882 gallons—a decrease of hearly three and a quarter millions of gallons. The amount of ground planted was much greater than in 1803, but the free descriped when years and the said of the control of the con

ising Unider Wester.

[From the London Duly News, Nov. 7.]

Day by day the evidence is accumulating of the perilous position in which we stand because of our want of an efficient rifled gan for use on board the ships which are to cope with the fronded navies of other Powers. Beddes ear inferiority in this respect to the Americans, to which we have already called attention, we now learn that our inferiority is both the Russians and Freech is even more Desirity as now of learn that our inferiority is both the Russians and Freech is even more Desirity and only in the series of the series of the power of the tendency of the series of the seri

charge.

Admiral Halated, in the letter which we published a chort time ago, gives similar intelligence

Pifteen-Inch Shells Conductve to Beligious Improvement. rieston (S. C.) Correspondence London Tis influence of such protracted agony a upon the character of the inhaitan

watching the stegs for the last month writes to line in explanation of this circumstance, in the following terms:

The sharp crecking report of the monitor.

The sharp crecking report of the monitor.

English expression) even when heard at the distance of four miles; but conceive its effect on the nerves when it is heard from a distance of only a few hundred yards, and is accompanied by the explosion of a 15-inch shell, containing within it several smaller shells, which come banging and eracking and snapping shout your ears, and perhaps tearing in pieces a centrade by your side. It must not be forgotten that this hail of projectible has frequently been maintained day and night for weeks together, keeping the garrison always on the strain, and promoting an irritable feverielness and arrows and promoting an irritable feverielness and arrows and the strain, and promoting an irritable feverielness and severiellist, which can be more readily conselved than described.

The Kriscoral Clerkov of The State of

THE MPISCOPAL CLERGY OF THE STATE IN NEW YORK AND THE WAR. As a part of t

sistence, in representation of the state of the 38th of Avenue Length Convention of New York, a report was read from the Trustees of the Parcelain Fund with the unanimous approval of that bedy, in which they said "Stimulated and encouraged by the voice of the Church, as uttered in her late General Cuancil."

proval of that body, in which they sain, "Simulated and encouraged by the voice of the Charch, as utbreed in her late General Council, and by the Pastoral of the House of Sindope, the American people will henceforth regard the Episcopal Church of the United States as having a new claim to their regard as a Nistional Church in its sympathies and otterances." In another column will be found a letter from Mary and the Church in its sympathies and otterances." In another column will be found a letter from Mary and the Church, Sond and the Church, Sond and the Church for the refusal of their Encountry and its defenders. The Rector to read the prayers specially appointed that we abrother in the Confection to Westchester country, also in the Church and the Pastor of Mary land, recently refused to read the prayers in the column, allowing canonical objections, and assuring a dissatisfied partial toner that his conscience would not allow in the content of the Church allowing canonical contents. tim to read them.

The reply was rather emphatic than pieus '— your conscience! you shall read them!' and he did read them from that day!

Hating the emphasis, the good people of the shall be will do walt to exhibit a similar reso

Intion.

THE QUESTION ANSWERED.—Somebody—a woman, of source—inquires why, when Eve was manufactured from the spare-rib, a servant want in made at the same time to wait on her? Somebody size—we imagine—replies in the following strain:

"Because Adam never came whining to Eve "Because Adam never came and the Because Adam never came whining to Eve "Because Adam never came and the Because Adam never came and the Because Adam never came and the Be

Tollowing strain:

"Because Adam never came whining to Eve with a ragged stocking to be darnes, collision riving to be sewed on, or a glove to mend, 'right away, quick now!' Because he never and the newspaper until the cam got down behind the palm trees, and then, stratching himself out, yawaed out, 'dail' supper most ready, my dear!' Not he. He made the fire and hung the kettle over it himself, we il wenter, and palled the radiables, posted the post fire milked the very thing be inchescent and looked after the pigs himself. He never brought bome half a desean friends to dinner whee Kee hadn't any fresh pemegrantes and the mingo season was over. He never stayed out to a ward nevering, hursahing for an out and out candidate, and then seolded because poor Kre was sitting up and crying inside of the gaines. He never played billiards, rolled tee pins and drove face horses; nor choked Eve with edgar smoke. He sever loafed aromad corner groceries while Kre was rocking little Cain's crades at home. In short, he didn't shirk about an expense of waiting out that, sade was working the stay of the propose of waiting out that, and was well of the beginner of the part of the p

Continuity not regret to know that he gives a deciside preference to hospital tenta with plenty of fresh air ever the close and noisone wards of a hospital tenta with plenty of fresh air ever the close and noisone wards of a hospital building. Nor will they be corry to learn that he seek his face of fresh gate the dependence is accumulating of the periods position in which we stand because of wounded and many other cases, and advocates a superross dist as well as generous bevarage as among the most effectual medicines that can be employed.

FROM CHATTAN-HIGA.

blees. Wishington, November 27. — Headquarters have received a dispatch from Geograi Grant, dated Chattanongs, November 27, 100 clock, A. M., stating that the route of the enemy is complete. Abandoued wagons, catesone and artillery are found everywhere. He thinks Bragg's loss of artillery is fully sixty pieces. Large numbers of prisoners we captured. The pursuit will continue to tked Clay in the morning. Grant says he starts for there in a few hours.

New York, November 28.—The morning parers contain nothing additional from Chattaners contain nothing additional from Chattaners.

FROM THE POTUMAC.

Part of New Orleans, Dec. 7, 1563

I have been informed that a plan is now not to disarm the people of Illinois, between

foot to disarm the people of Illinois, betwee now and the first day of January, the time commencing the draft.

The recent military raid in Scott county, s

ster sors. November 21.—We have received fies of the Rasan Gaardan per the steamer Corsios, from which we glean the following: The Turks Island Royal Standard says the Spanish troops at Pearto Pista are said to be nearly 4000 strong. Several hundred Chinese had arrived from Havant to act as laburers to the Spanish troops. A provisional Dominican Government has been formed in Santiago.

Southern blockade ranners are very active no

sen formed in Santiago.

Bouthern blockade runners are very active, no
ees than fourteen steamers having arrived at
Nassan from Wilmington since October 27th.

A new eteamer, evidently intended for block
ade running, had arrived from Greeneck.

deneral Vargos has been obliged to issue

General Vargoe has been obliged to issue a sort of explanatory proclamation, explaining the blockade declared by General Rivero.

A report is flying around that the steamer St. Louis cauk the Georgia, and vice versa, but it thinks we have no certain information here, though so the St. outs and Georgia are both, and the standard listed and the standard listed that the control of the standard listed that the standard listed is the standard listed on the island listed.

New Yerk papers of the 26th ult. have th

A PROJECT FOR PEACE IN AMERICA.

The Londen Times publishes a project for peace in America, by a Northern gentleman writer. He says if the war gene on for a time, from mere somecular, perhaps, it must be it alone, but should be turned as soon as possible from attampted conquest to a war for limits and terms of settlement. He suggests that segon taken to be peaced as one with the Etchmond government for such settlement, and making a more formal recognition of the matters for discussion—the Confederates of course to be recognised de juric—and savigation of the Pales, Etchmond government for the two confederates of course to be the file, it is not to be the compared of juric—and savigation of the planting the flouth, the Sengueshanna and Cheenpacks to be free, with a common tariff for the two confederation.
