## "Time to nuclear Armageddon"

Daniel Kahneman

1. Everyone makes most decisions based on what comes most readily to mind.

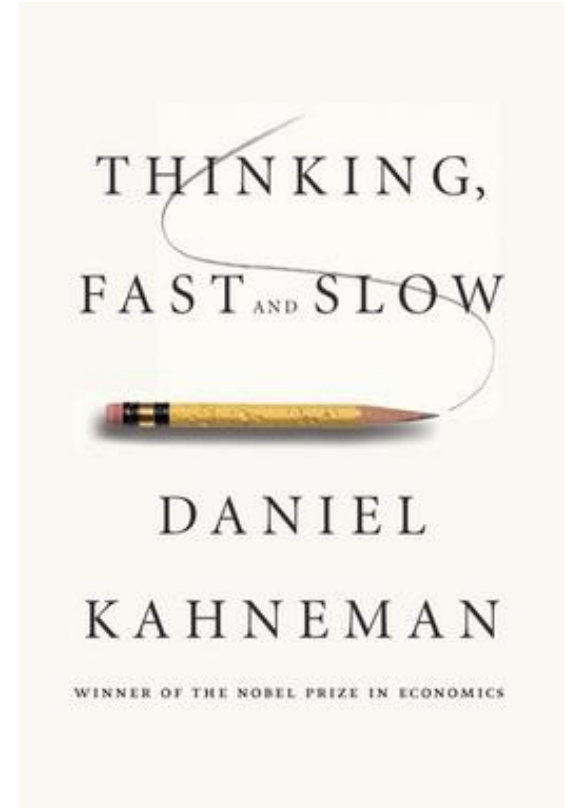

Daniel Kahneman

1. Everyone makes most decisions based on what comes most readily to mind.

1. Everyone makes most decisions based on what comes most readily to mind.

2. We are NOT good at deciding when we need "slow thinking".

THINKING, FAST AND SLOW

DANIEL KAHNEMAN

WINNER OF THE NOBEL PRIZE IN ECONOMICS

1. Everyone makes most decisions based on what comes most readily to mind.

2. We are NOT good at deciding when we need "slow thinking".

3. People judge information based on how it matches their preconceptions.

1. Everyone makes most decisions based on what comes most readily to mind.

2. We are NOT good at deciding when we need "slow thinking".

3. People judge information based on how it matches their preconceptions.

4. Media exploit this to "segment" their markets.
