BRITISH COMMONWEALTH OCCUPATION FORCES

MINUTE PAPER SMG.8II.

SUBJECT: Alleged Pre-emption.

The attached case has been investigated and the following report is made:

I) The items procured by I Camerons and WVS were undoubtedly pre-empted. It is suggested that in view of the fact that these units are no longer in Japan no useful purpose would be served by attempting to argue the matter, and that P/Ds to cover the items should be prepared by H. Q. BCOF.

2) The items obtained by F. S. were not pre-empted as attached report shows. This has been notified to Kochi AMG for necessary adjustment.

Subject: PROCURED HOUSE IN KOCHI

Certified that, on taking over the house at 123, 1-Chome, KOCHI-City, KOCHI-Ken, there was NO furniture in it, in spite of the wording of the original procurement, No OKYG 624 of 15 Nov 46. This stated that the house was to be taken over, 'including all tatami, partitions and furniture contained therein.'

When an explanation was demanded, Mr. OGASAWARA of the KOCHI Liaison Office, agreed that furniture would be installed by the Liaison Office, since the furniture had been removed. For the first three weeks of occupation of the house, from about 8 Dec 46 to early Jan 47, there was NO furniture in the house except for the personal belongings of Sgt MADDERN and myself. Then, the following articles were installed by the Liaison Office:

3 desks
2 chests
2 chairs
2 tables

A receipt was signed by myself for these articles, on the request of the a/m Mr. OGASAWARA.

/s/ L. T. N. Ale Sgt

27 Jun 47

Certified that, when this house was handed over to A.M.G. all furniture received from the Liaison Office was left in the house, and NOT removed to the new house.

It is understood that this house, and the furniture referred to, are being handed back to the Japanese on 28 Jun 47.

ATTENTION: Capt. Carson

1. Reference is made to KCNF-158 for ice and SCAP REQ-356 for services of an ice plant.

2. KCNF-158 was sent to us by QM Section, 8th Army to be superseded by a JPNZ. It was forwarded to SCAP for approval as SCAP REQUEST 356 but apparently was misrouted to you. You processed it as a genuine PD and returned 2 signed copies to us.

3. Request you recover ALL copies of SCAP REQ 356 (Suppliers' Liaison Office, etc.) and destroy. No receipts will be issued against this number and any previously issued will be immediately recovered and destroyed. If supplier has already been paid, when correct recepts are issued against the JPNZ, he will NOT be given a copy. Further request you furnish this office with amount of ice already delivered and the amount desired in future (per day or per month).

4. This office will issue a JPNZ covering ice already delivered and future amounts through 31 December 1947, which will be processed through Kochi MG Team.
