## Off With The Uniform

After school closes---what an agreeable change from the disciplined, tight-fitting, uncomfortable and monotonous regulation uniform.

Three months of vacation in a loose, easy, graceful suit of a novelty weave, pattern and shade---

Eiseman Bro's. models in Young Men's Suits are peculiarly adapted to the young men's tastes and ideas---full of snap, life and vigor.

In discarding your uniform for the summer --- remember Eiseman Bros., Atlanta, as the "Young Man's Store." Suits, Furnishings, Shoes, Hats.

## Successful Men Buy for the Future

The men who have made great and lasting successes in life have used the present as a means for laying a sure foundation for success in the future. The schools which stand out as shining lights to guide the footsteps of searchers after knowledge are those whose faculties realize the need of a durable attractive and comfortable equipment and who if necessary, make a temporary sacrifice or a better future.

Equipping schools in this manner is a specialty with us. We are always pleased to give young teachers the value of our long experience in this work. Our catalogues are handy reference books for those who wish anything for classroom and auditorium seating, blackboard, maps, globes, erasers, crayons, record books, dictionaries, book cases material for work in Mathematics, Physics, Chemistry, Biology, Botany and other subjects.

These catalogues will be mailed promptly to the faculty and students of **Riverside Military Academy** who request them.
