Constitution of the Contoocookville Protective Union Company.

- Art. 1st This association shall be called
the Contoocookville Protective
Union Company.
- Art. 2^d The officers of this Union shall
consist of a President, Vice
President, Secretary, Treasurer,
and a board of Directors of five
who shall be chosen annually by ballot.
- Art. 3^d It shall be the duty of the President
to preside at all meetings of the
Union and perform such other
duties as are usually incumbent
on such an officer.
- Art. 4^d It shall be the duty of the Vice
President to preside in the absence
of the President and in his
absence the Union may appoint
a member to act as President
Pro-tem.

Art. 5th It shall be the duty of the Secretary to keep a true and faithful record of all the doings of the Union give notice of the annual meeting and perform such other duties as the Directors may think proper

Art. 6th It shall be the duty of the Treasurer to receive and pay out all funds of the Union: and make a report to the Union once in three months of the amount on hand received and paid out by him: but in no case shall the Treasurer pay out any of the funds of the Union except by order of the Directors.

He shall also for the faithful performance of his duties give bonds in such sum as the Union may direct

Art. 7th It shall be the duty of the Directors to employ a suitable person as Agent to buy and sell the goods of the Union and shall require the the said Agent to give bonds in such sum as the Union may think proper for the safety of the same

also the directors shall direct the kind quantity and amount of goods to be bought shall assist the Agent to arrange and make all the goods and take account of the stock of the Union once in three months and report the same to the Union

Art. 8th Any person wishing to become a member of the Union shall certify his wish in writing to the Directors and if they think it will be for the prosperity of the Union for such person to become a member he can do so by paying to the ^{or} treasurer the sum of ten Dollars provided he is not either directly or indirectly in trade of the same kind

Art. 9th The funds of the Union shall be appropriated for the purchase of such goods as the Director may think most beneficial to the Union

Art. 10th Any person belonging to the Union who shall fail to pay his subscription to the stock of the same for a longer term than two weeks shall have his name erased from the Union And any person wishing to withdraw from the Union shall give the Directors of the same notice of such his intention and if they think it expedient may pay him the amount of his stock and if not he may sell it to any person acceptable to the Directors

Art. 11th This Constitution may be altered or amended by a two thirds vote at any meeting called for that purpose notice being given of the same at least twelve day prior thereto

Art. 12th Any person putting into the Union more than the sum of ten Dollars shall receive the amount of six per cent interest for all above that sum

By Laws

5

Art. 1st The annual meeting of this Union shall be holden at Contoocookville on the third Tuesday of September in each year for the choice of officers and the transaction of any other business of the Union. The quarterly meetings shall be holden on the third Tuesday of December March and June

Art. 2^d The account of stock shall be taken so that the directors can report at each quarterly meeting

Art. 3^d The business of this Union shall be conducted strictly upon the cash or ready pay system

Art. 4th All members shall be entitled to a certificate of membership which shall be signed by the President and Secretary

6

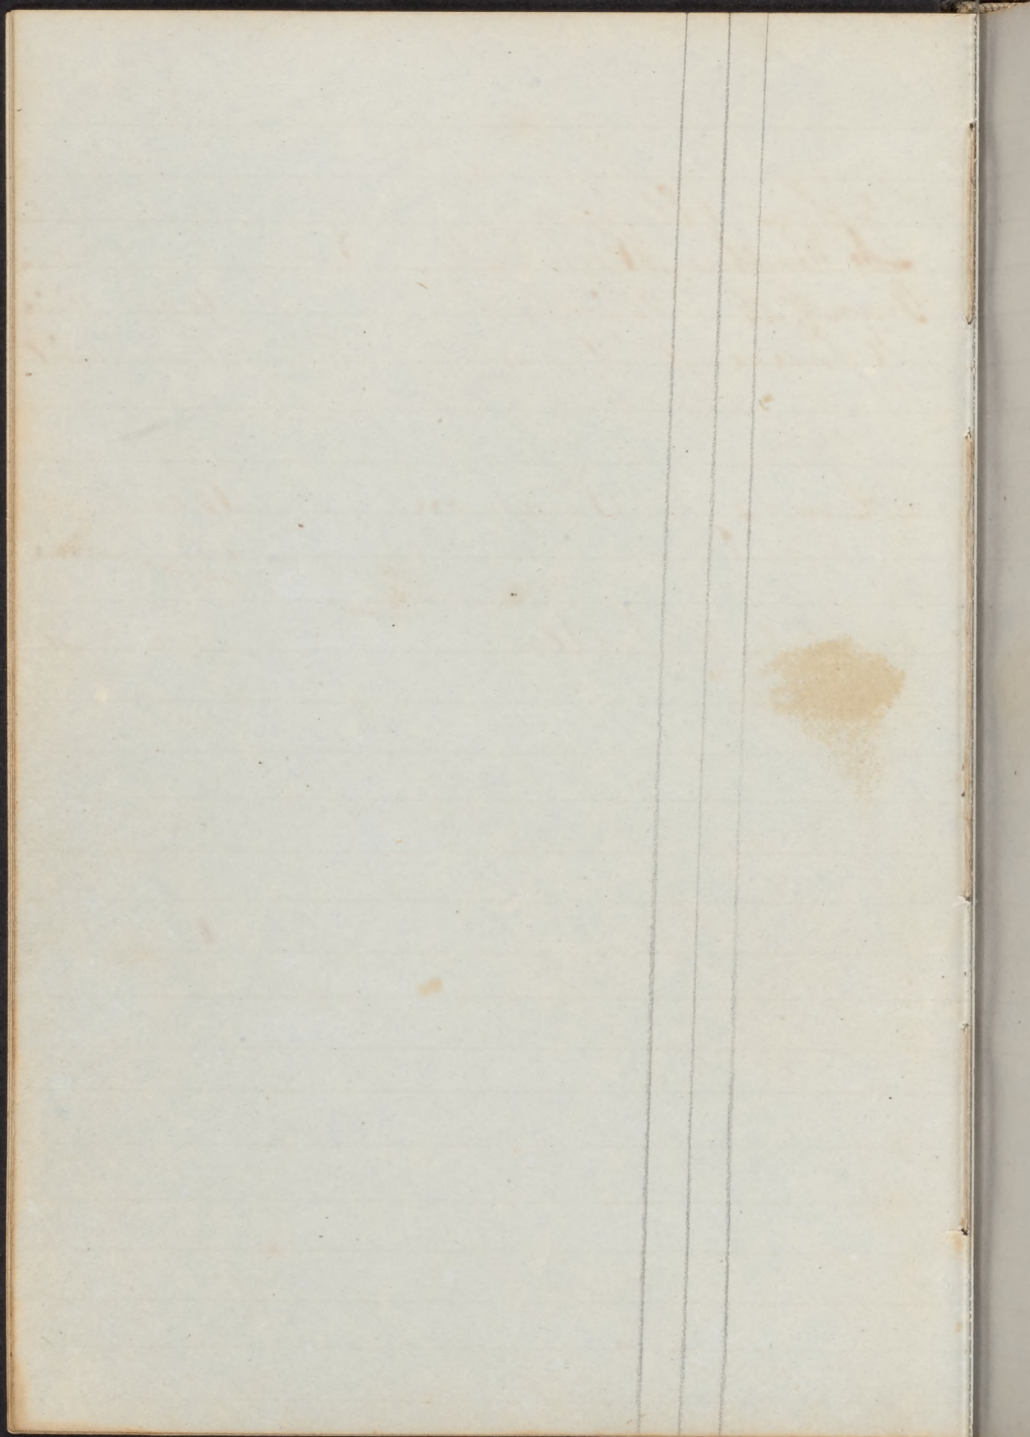

Art. 5th The Directors shall call special meetings when requested by ten members in writing stating the object of such call

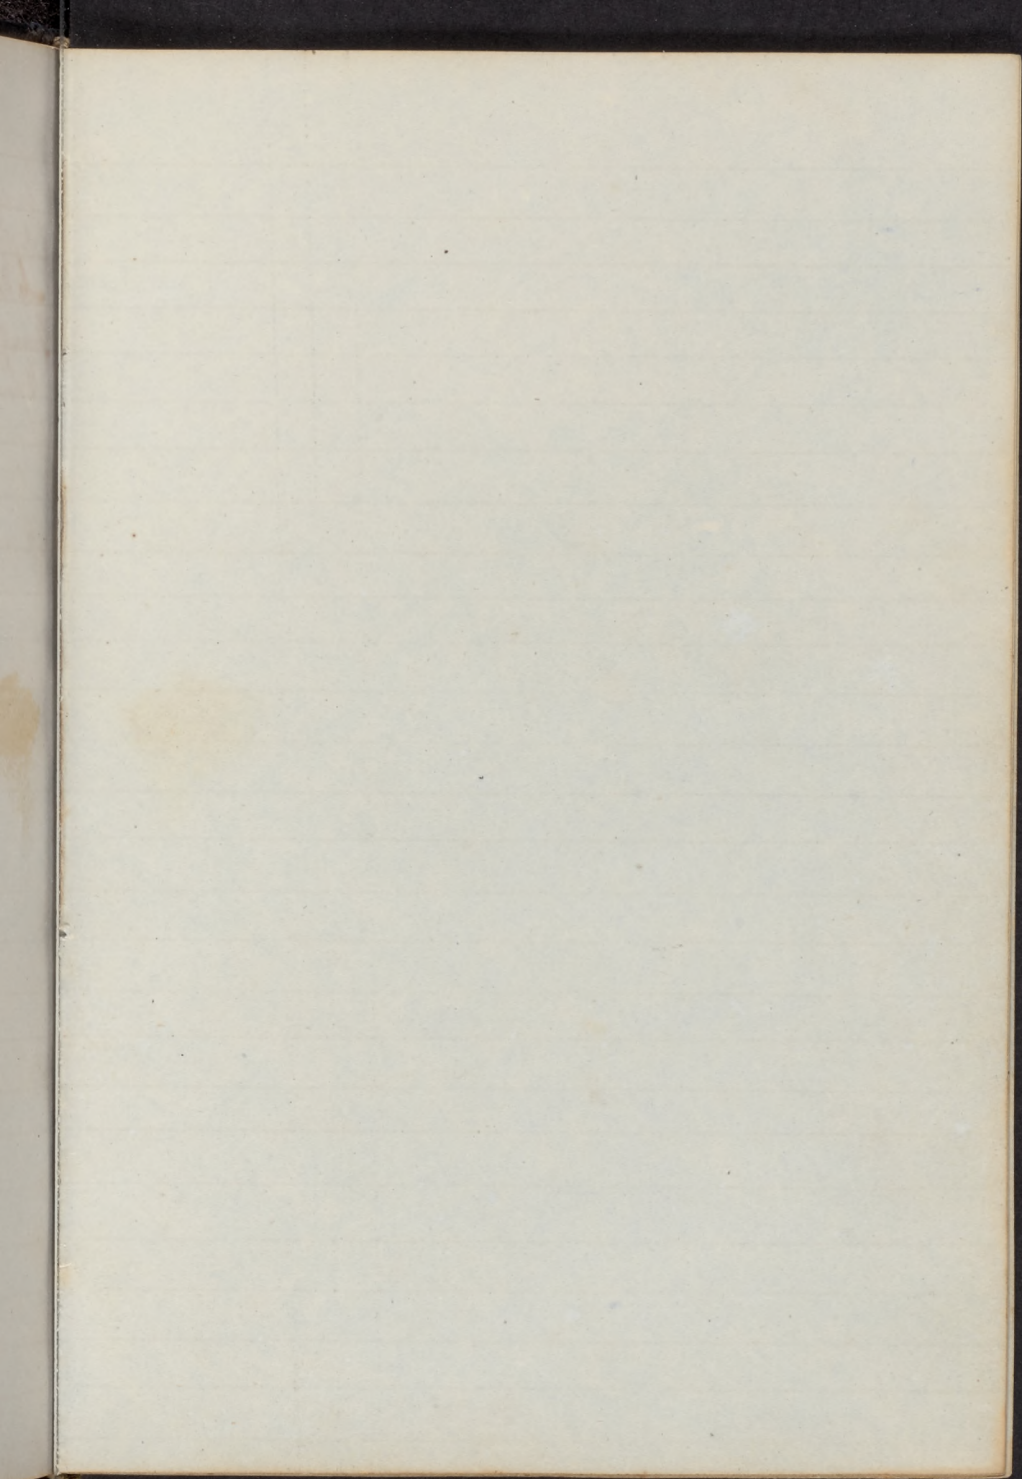

Art. 6th These by laws may be altered or amended by a two thirds vote at any regular meeting when being of such alteration at least seven days prior thereto,

Pallison at work on the hay.

- John R. raking after 3 P.M.

Attended trap in P.M.

- And walked from Warren to
the little lake and found the
water higher than before this
year - brought home samples
of wheat, barley and oats
from my hay fields - found
some nearly ripe full tall

Mr. Rockwood paid bal-
ance on Oliver's cuttings 1.25

pr. i. 4. No.
. 2

Thursday 18. April 1878
Rode to Obino with Harven and
set Theodore Parsons to cutting
hay. Eldredge shut the water
into "Laguna Bonita" - took
most all day.

Obino. set out a lot of olive
cuttings at New Well with Mr.
and spaded around olives
west of house in P.M.

I set out 40 olive cuttings in
5 gal. canes.

John Patterson making hay
on Lower Flat.

Mr. Drake and Geo Parsons
called in evg.

Friday 19th Apr. 1878.

21 Years ago today - in a storm of
rain hail and snow - I rode to the
town of Henninger N. H. from Hopkinton
with Sarah Currier - and we were
married by Revd Mr. Eaton - and
not once in all the time that has passed
have I wished to annul or change my
contract and obligation.

Friday 19. Contd

Rode in town with Warren -

Bought a silver thimble for Sister
to send to Mother -

morning -

Recd. a letter from Com^d
Agricultur. and one from Z.M.K

Ons - spading around Oliver
trees in AM and helping me
set their cuttings in 5 gal. cans
in PM.

John Patterson raking hay
in AM and most of PM.
Oldidge spading around Olives
in AM, and setting their cut-
tings in valley over lot in PM.
Have now 179 olive cuttings in 5 gal.
cans -

Phantomie was to meet
her tonight - but it began to rain
about 5 P.M. and thus hardly
"let up" since 8 P.M. and looks
like a stormy night -

Carried in samples of Oat & wild
wheat & Barley - which I left at
the Horton House - wheat 6-6 1/2 high -

Saturday 20. Apr. 1878

Rode in town and borrowed of
J. A. Fanchild Fourteen Hundred
and fifty dollars - 1450⁰⁰

and paid 90 days interest on it
with the privilege of keeping the money
the next 90 days with interest
payable at the end of that time -

Drove my chuck for 681.25

And paid interest 652.5

Draft to W. K. order 616 - 681.25

Sent draft to L. W. K. with which to pay
himself 46.76 and Security Sa-
vings Bank 569.24 due Apr 29. 78

Eldridge, Burns and Patterson
at work cutting woods west of sta-
ble in A.M., and turning hay
in P.M.

Rain on to Rain just at night

Paid Lamp for C. & Cooper 3.50

Silver thimble to send Mother 75

Sunday 21 Apr. 1878
Rained last night like guns
I should think ~~at~~ at least
an inch and a half -
Walked over to Luntwater with
Burditt in Am. Called at
Mr. Floyds on the way home -
In P.M. rode to the little lake
to see if we could prevent the
water from cutting the road -
found the water too high -

Monday 22 April 1878
Took Johnnie - Eldredge & Davis
to the little lake and with The-
odore Parsons & Thomas Walker
filled in over the culvert to stop
the water in the Lake -
In P.M. all hands curing
hay on town plat -
I have worked in the garden
all of P.M. -
Theodore & Parsons & C
Harrowing in apple orchard

Tuesday 23^d Apr. 1878

Theodore L. Parsons finished
harrowing in my apple trees in
A.M. and then went to mowing in
P.M. on his contract -

Rode to town in A.M. with Warren
and in P.M. went up Sweetwater to
see about mowing on South side
of Sweetwater river -

Water came into the wagon box
when we crossed at Old Be House

Theodore L. Parsons gave us notice
that he should quit on his job of
cutting, curing and stacking our
hay at the price agreed - two dollars
per acre - but will work by
the day -

Patterson cutting and bunching
on town ptal. - Eldredge also bunch-
ing -

April 24th Contd 1878
Mother's Eightieth (80) birthday
- so we all met here this eve-
to celebrate the day - beside Sis-
ter and I, there came Waverly
+ Flora - George + Lucy - and their
children - except Laura (she was
in town), Mary + Ford and all
their children - + L. W. Dimond
in all - nineteen (19) of us - we sang
all the old times which Father
+ Mother used to sing - and
Mary read a poem composed
for the occasion by Miss Anna
Floyd - at 10 o'clock we broke up

Thursday, 25, 1878

At Mr. Hayden's and got a belt
made - took about 3 hours -
- In P.M. at the New well and
went to dinner - came
home and began a "go dirt"
Gave W. B. Kimball Dr
Check on Com'l Bank \$ 300⁰⁰
Theodore L. Parsons Dr
Cash - for Sister 100⁰⁰

Thursday 25. Apr Cont.

Olddug - planting their cuttings
in the valley when they had
died - in AM - In PM
he bunched hay - beyond W. & K
John Patterson - cutting all
day - after 3 PM raked my
piece - south of Floyd -

Saturday 7 Sept 78

Selling out oranges this till 2 P.M.
then went over (Elderidge & Frank)
and began to dig up more of them
I staid and picked tomatoes
Have now about 300 trees set in
nursery -

Sunday 8. Sept 1878

Was so sick that I could not
dressed till late this morning
could not stand up - was so
dizzy - Took a dose of medi-
cine and have felt better
since - so that I helped pick
some figs - and put them
under glass to dry -

Monday 9. Sept. 78

Very foggy in the morning
at the garden - Jims - and
day trees - and Clinton K
hauled two loads - to my
well - after 4 o'clock -

G. L. Kimball Es

Hauling two loads orange trees
after 4 P.M.

Tuesday 10 Sept-78

Sit out orange trees about
100- and worked for two
rows more - Thermometer 100°

Wednesday 11 Sept-78

Sit eight trees and worked
some of the trenches - then
cut wood till noon - and
began to dig orange trees but
found it was too hot - so
cut wood till 3 1/2 P.M.,
then Eldred + Frank dig
trees and I went for wag
on but could get none
till tomorrow -

Thermometer 100°

Thursday 12, Sept-78

G. L. Kimball Co

Hauling load orange trees in Am

" " " 109 =

We set out 40 trees in Am
and dig about 60 in P.M.
and found it the hottest
day of the year or for that
matter the hottest ever
known in the country -

Friday 13, Sept 78
set out over 50 trees and
went to the nursery and
buy up about eight more
- One of the holdest days on
record -

Saturday 14, Sept 78
Went to the nursery before
breakfast and loaded
64 trees and brought them
to new well

\$21.00

Hauling load trees

Have set out the load and
I went with Mr. Roberts
team and brought the 16
which I could not carry on
George's wagon - have in-
gated the 8000 trees already
set out

Sunday 15 Sept 78
At home - wrote Mother, J. F.
Abbott - Sallie B. Morgan - G. B. -
Hinsley - J. E. Ambrose - J. S. Buf-
bu - S. W. Brown - D. M. Berry -

Monday 16 Sept 1878

At the garden, Gymnasium
and trees all day. Eldridge
and Frank also. After dark
drove the band of sheep to down Flat.

Tuesday 17. Sept 78

Frank with the sheep -
Eldridge digging orange trees
till most night when
S. Z. Kimball to
Hauling wood Orange trees.

In town with Warren and
secured loan of Corn \$100
of \$200.00 - for Friday night -

Wednesday 18. Sept 78

At the well land set out
Orange trees till noon
then home and attended
the Grange in P.M. After
grange went back to the
well and worked till
night. Eldridge setting trays

At the Grange nursery and
took up about 60 trees - Eldridge
with me - We did not go over till 11 AM.

Friday 20 Sept 1878
At the well - and then at
Jyons to get orange trees
G. L. Kimball Co
Hauling wood this -

Johnston hauled 11 trees
and I gave him the finest
tree to pay for it -

Elderidge dug trench and set
out 10 trees before 3 1/2 o'clock
at which time I came from
town - and before six o'clock
had set out 44 trees -

With W. L. K at Comd BK and
Corrowell 2,300.00 on our note
for 15 days - and paid our
note of 1,000 \$ and 95.00 \$ inter-
est to J. A. Fairchild - and
got draft to order of L. W.
Kimball for 12.05.00 and sent
it to him with orders to take
up note of 2,000 \$ due at Pacific
Bank on the 26th of this month -
using only 1,060.00 out of draft and
the 1000.00 retained by them when the
note was discounted - ^{attended meeting} of Phatomthe

Saturday 21. Sept 78

At work in garden a little
then collected the sheep &
counted them - found
all told 1700, of which 11
were backs and 335 this years
lambs leaving 1354 old sheep

At the well and watered
our cellings and cultivated
between some rows of orange
trees - Attended called
orange meeting and elected
S. C. Field Lecturer and
E. T. Blackburn delegate to
State Grange - also passed
resolutions in regard to
Texas & Pacific R.R. which
are to be forwarded to E. T. B.
and if possible passed by that
body -

Oldudge + Frank with me at work on Olive cuttings at the well -

Hired a Frenchman - Jas. Bess to herd sheep at twenty (20) dollars per month - or if he stays a full year without leaving us at all - we are to pay thirty dollars for the last month -

Thursday Sept 26. 1878

Sett our note for 2000 to L.W.K. to
be put in Pacific Bank and funds
placed to our credit - date of note
Oct. 4. - due Jan 3.^d 79 - interest
on (1) per cent per M^o

Sister - L.W.D. and Jym. started
for Mr. Shucklers place, on
the road to Camp - to be gone
3 or 4 days - may Providence
— — — — — all these days shall end

Walked to the well - with Eldridge
& Frank - and worked on the stove
patch till 2. P.M. when I walked
home and - from there rode to
town - to get Thomas' tubs for
laying asphaltum pipe - brought
out 15.

Friday 27. Sept 1878

With Frank at the well and
worked till most noon on stove
then went to gym and took up
orange trees (42) gave Johnston
a mule one for hauling lead
With Johnston and carried
stove from Sharp Camp to Holt -
- No sister -

Saturday 28. Sept 1878

At and set out the orange trees
then sent Eldridge to Gyms
to dig trees - then went myself
leading Frank to help - got ready
to water Lemon trees -

J. L. Parsons Cr

Watering Lemon and apple trees
all day -

Johnston drew over wood
trees - 22 - and Eldridge helped
my set them out -

Got wood from Distri. by Mr.
Simpson - said she was all
right - God bless her -

Sunday 29. Sept 78

At home all day - and have
worked in lath house most
of the day - balance of it picked
figs and made "paste" of
them - The 3 or 4 days are gone
and no Sister has come - and
I am so tired -

Monday 30 Sept 1878

At the well and made
basins around all of the el-
ow trees in south 10 acre lot
then went to foot of the Cannon
and to Mr Higgins with W.B.K.
got back to well at 1 P.M.
and made basins around 12
rows of apple trees - then walked
to Gyno's garden and helped
dig up and load 34 orange
trees - W.B.K.'s team hauled
them to the well - and we set
out about 15 of them where the
lemon trees had died -
Eldridge & Frank helping me -
J.L. Parsons or
irrigating apple trees - all
day after the olive cuttings
had been watered -

Sister, Leon & Gyn came
home this P.M.
Am to try for anything
tonight - G.W. Thomas over
to get his agreement -

Tuesday Oct 7, 1878
At the well and made ba-
sins for watering apple trees
also finished setting out
orange trees where the lemon
trees had died -

Y. L. Parsons Co v
Hauling water to lemon or-
ange and apple trees -

John F. Patterson Dr
Orange trees 8 - 4.00

Geo H. Parsons Dr
10 orange trees 10.00

Edudge & Frank finished
digging the orange trees at
Gym - Gym kept trailer
(12) of the best ones -

Wednesday 8 Oct 1878
Rode to Higgins with W. K. & M. Williams
in AM. Attended to Orange in P.M.
Y. L. Parsons Co -

3 Loads water S of House and the balance
of 3/4 day ~~at~~ on apple trees at well

Thursday 3^d Oct. 78
Making sheep corral for Shear-
ing - all day - Frank callioating
around Tremor & Apple trees -
Drew B Bros check on Pacific BK
for (123.53) One hundred twenty three
+ 53/100 dollars favor of C & Bendette
which with note of W. C. Kimball
against A. B. Stedors - will can-
cel and interest 353 + 1050 = 36153
which I owe C. & Bendette -
and which he sent to Coml. BK
for collection -

Note J. & Ambrose (last night)
sent today -

Friday 4th Oct - 78
Began to shear sheep - only
6 Shearers - out of 15 - can
Eldredge & Frank working the
shear and sheep -
Rode to Higgins to sell a col of
wood for sawy trees - could
not - went with Warren - -

Saturday Oct 1878

Have tied wool all day -
Warren in town at 10⁴⁰ and
not back again at all -
Johnston left before any
of the hard work was done
Paid Smith (shearer) \$1.00
Am to find to work -

Sunday 6 Oct 78

Walked to Warrens - then
on the mesa to Paradise
Valley - but did not find a
stray sheep or lamb -
Came home by way of Ashes
& Sheldons - Warren with
me - Rode to Mr. Floyds to
see his lemon trees and
compare them with Mr.
Parsons trees of same age
planted in the valley - found
Floyds trees on the mesa by
far the best as well as the
largest - Mr. Walker was so
sure that the valley trees were
best that he drove me up
and did the measuring
himself -

Monday 6 Oct 1878

At shearing camp - carrying
trunk + Eldridge - but came
right back to get coal tar - then
drove to Carlin house with Mr.
Roberts - Have tied wool all
day - when I had ought to have
been in bed -

Settled with Theodore L. Parsons
and gave him 90 day note for
(253) Two Hundred and eighty three
dollars - which includes work
of hauling for 7

Kimball Bros Dr

Paid T. L. Parsons 90.50

for hauling plank - work on
wharf - with team - hauling wool -
mowing + c - but does not in-
clude anything in regard to the
note for 89.10 in Corn Bank -
but does include 35.00 which
he neglected to pay me at our
last settlement -

Tuesday 7 Oct 78

At camp, also Frank and Eldridge
Paid one shearer 23.84 + 12.5 cts for tobacco ^{of bolting wool} 2.819

Cut my foot with sheepshears. Mr. Boyd hit tonight

Wednesday 8 Oct 1878

Finished shearing sheep -

Total sheep + lambs sheared 16,63

12 large + two small bucks 14

Paid for shearing 6700

Cook 750 - Shearing bucks 180 930

Tying wool on day, 135 - Sacking 120 245

Herding - 50

Or Pr shears W \$79.25

150

77.75

Rode to town and drew

K. Bros. check on Pacific BK

in favor of Hamilton & Co 2000

Recd. cash on K. Bros draft 57.67

which amount is due to
James Currier for Horry
shipped to G. B. A. S. Fr

71.67

My lam foot has troubled
me some today -

Thursday 9. Oct. 78

Moved sheep camp to Adobe House
Warren drew camp house from Trobes
and Eldredg helped me build corral -
Frank work'd with the sheep - did not get
home till 7 1/2 o'clock - jerked up set
lambs and carried them to camp -

Friday 10. Oct. 1878

Frank sawing wood. Eldredge
with me at work on deer cut-
ting till 2 P.M., then came home
and split wood and watered fig-
trees. In eve. went to Philomathean
club at G. L. K's. New pants \$1.00
paid for cloth - Sister made them.

Saturday 11. Oct 78 -

Hauled our wool in town and
sold it to W. W. Stewart & Co - for
60 cents per pound -

45 pounds @ 60 -

- Due Stewart & Co -

Recd Check for
W. C. K. deposited it in Com. Bk
and drew 100.00 - out of which
he paid 52.20 + 7.80 = 60.00
being amount due James Curran
and borrowed of G. H. Parsons - to
pay shares -

Sent manuscript of State
Grant action to S. D. Union
& S. D. News - by Dr. Hoffman
Sharpening picks (4 pounds) 30

Sunday 12 Oct 78
Rode to Shup camp with W.C.K.
Dra Floyd then just at eve
attended reading club at
Geo H Parsons in eve -

Monday 13 Oct 78
Made foundation for hay-
stack west of stable and
then went to well and watered
the Orange nursery and spa-
did the olive nursery -
After noon - went over to Jyms.
and husked Dime's corn -
worked till dark with Hawk
& Eldridge and have not been
so tired in forty years -

Tuesday 14 Oct 78 -

First Rain of the season
was raining when I woke
up - before 5 o'clock and has
more than half of the day -
-on shower after noon -
At W.C.K.'s and helped make a
tank for Olvis - when W.C.K. went to
town and I nearly finished one for
myself -

Wednesday 16 Oct. 1878
Began to pick Olives - a few in
A.M. - and after Grange say 10 gals
- Frank clearing out trench - to
lay pipe in - in Olive orchard
South of the house -
Eldridge - not at work - nor was
he yesterday -
Attended Grange in P.M. -
Wrote Dodge Swamy & Co No^a
406 Front St and sent
them a draft for \$100.00
to pay note and a/c -
R Bros & C^r
Draft as above 100⁰⁰
on wool a/c -

Thursday 17. Oct. 1878
Eldridge and Frank began to
dig trenches to lay water pipe
from tank to Olive orchard South
of the house - and to take up
the asphaltum pipe which had
been laid - Rode up Swatwater
to help stop a fire which Mr. Fisher
had set - wool wote - as it had
burnt one of our hay stacks and
burnt over two or three thousand
gals of our best sheep feed -

Friday 18 Oct 1878
Helping Eldredge + Frank dig
trunks in AM at W.C.K.s
and at the well watering orange
trees in P.M.

At Philomathic in eve at Marys
- Eddie + Henry parkers picked
a sugar barrel (1/2 bbl.) full of olives
yesterday.

Wrote a paper for Pape Co.
in 2^d of Oct. - Pawtucket R.R.

I have a very bad cold.

Saturday 19 Oct. 1878
Picked olives part of the day - have
a terrible cold -

Sunday 20 Oct. 78
Took an awful swartt - with blue
gum leaves last night - and
today have been to the Massion
with Warren and John S. Patterson
and Carl Copeland - found the
Olive orchard in an awful state
of decay - Writing an article for
the Sunday News in ev -

Monday 21. Oct. 1878

Worked around the yard in A.M.
and have picked olives this P.M.
about half a barrel - from the trees
in garden - from a part of four trees -
have picked only the black olives -
Tried an experiment with Soda
 $1\frac{1}{2}$ ounces to gallon of water - at
 145° temperature covering the
olives - and shall let them stand
till morning -

Tuesday 22 - Oct. 1878 -

With Warren - rode up Telegraph
cove to east end of ranch - then
Saw Dr M B Hammons - to Shaff
Camp - to Fossett's and gave them
a quart of mutton - and home
at 5 P.M. - Notified Mr J. C.
Fossett that we should hold him
responsible for damage done by
the fire set by him (on his land)
which had destroyed a large amount
of shaff - and our stock of hay
- At Mr Parsons all of evening
studying his plans for a house
- and am to make an estimate on
them -

Wednesday 23. Oct 1878
G. Z. Kimball & Co
Hauling Hay 2 1/2 days 1000
Waltering
Frank helping George's team over
aboard. Standg. at the well
today getting ready to set toma-
tos. I have picked oleives
&c. and in evening estimating
on horse for Mr. Theron Par-
sons of
Geo. Liddes & wife here
in am.

Thursday 24 Oct 78
Wish Warren and ran line on
West side of the piece which we
are to sell to Mr. Copeland. He
made us an offer to pay four hun-
dred dollars for ten acres - and agrees
to set out 500 per year old orange
trees - fence the land and put up
well and wind mill and we have
accepted his offer - he agreeing to pay
cash down and take his deed
day after tomorrow (Saturday) -
Warren's horses got away - so Mr. Rockwood
took us and the buggy down till we met
Johnston coming back with her -

Friday 25 Oct. 1878

At work at home most of the day
at Mr. Hayden's to get some pipe
fittings made -

P.M. - Eldredge & Frank at

work transplanting olive cutting
in Olive nursery -

Work Mrs. Jennie Olan. Doc
~~came~~ to answering questions
in regard to olives -

Sunday 27. Oct 78.
At home all day - except
a little while at Mary's -
Singing with Cora Lamb &
Mamma in evg -

Monday - 28. Oct - 1878
At home picking Clews
Frank and Eldridge at
work at the well -
Reading in evg - Storms
travels in Central America

Tuesday 29. Oct 1878
At the well and set Frank and
Eldridge to clearing away from
hay stacks to prevent fire -
Came home and picked Clews
part of P.M. then went to Mr
Harding and got peck shar-
pened - Learning piece of
music to sing Friday evg -

Wednesday 30. Oct - 1878
Rode to the piece of land which Mr
Capeland wants to buy for "Jimmy"
and made agreement to join with

him in digging well - if water is found at a reasonable depth - he is to pay for all of our expenses - if water is not found we pay his expenses - and he does not buy the land - but with this water question settled he pays five hundred (500) dollars for the ten (10) acres of land - on Saturday next says he will put out 300 15 year old orange trees with spring - and clear the land immediately - plow and put in potatoes - says he will not put this agreement into a bond for fear some accident might happen so that it would be impossible - but no accident happening he will do so - Attended Frank in P.M. and made a maid of Mrs. B. B. Rockwood - Recd. long letter from Rev. J. E. Ambrose - was infant to Santa Barbara - and forwarded to National City -

Thursday 31. Oct. 1878

At the new well and with Mr. Thomas took valve out of pumps and put in new leather - took till noon - Eldridge has set out tomato cuttings and Frank marked all the places where olive cuttings had died - only 9, out of 576 -

Watered olives (cuttings) in P.M. Frank cuttings + wood

John A. Patterson Co.
Work on Copeland's well

Gulescum in being in
w - Friday Nov. 1. 1878

Picking olives part of the day - Frank and Eldridge cuttings wood at Sweetwater Philomathic Society here in ev - Mr + Mrs Hawkes and Jim Nibel here at supper - Moli J. & Ambrose and Lewis M. Lowz! San Leandro Cal +

at W. C. K's in am -

pick olives in pm -

Eldredge + John Pat-
terson on wharf -

Frank not at work

Wednesday 4. Dec 78

Putting some bottles of olives
ready to send to L. M. Holt

Los Angeles - and took
them in town but the labels
not being ready - brought
them back -

Very foggy + cold coming home -
Hair cut 20

Thursday 5 Dec. 78
At work on the olivis in
AM at the well (news) in
PM - came home via
George and took his
hophu trop home -

Friday 6 Dec. 1878
Picking olivis in AM
Mr. Herreck here at
Lunch - and staid most
all of PM -
Wrote card J. B. Ambrose
in evg -

Flora + Narcissus in
evg - Fish (Chumman) 25

John Patterson nor Eldredge
at work -

Saturday 7 Dec. 78
Neither John Patterson or
Eldredge - at work - John
went to the wharf but did not
stay - Picking olivis part of the
day - Not well -

Sunday 8 Dec 78
At Home - writing -

Monday 9 Dec. 1898
At home in Am. In
town in P.M. and got
draft on Pacific Bank
for 300— to pay S D B Z Co
interest on note due—
16 inst—

Also got draft on 1st Na-
tional Bank N.Y. pay-
able to M^{rs} J. Lenson
for one hundred 100⁰⁰
dollars— and sent both
of them— or rather enclosed
them in letters written tongue
& already— on asphaltum
paper—

Tuesday 10 Nov
Rode on town with John F
Patterson— at Court house
and learned all about
non-resident taxes and
sent airt^s to different
parties—

John F Patterson at
2^d Order on G. H. P to bal— 1000
Kimball Bros at wharf— 900
Paid J. F. Patterson on

Wednesday 11 Nov 78
Trimming olive trees parts
of Am and cleaning keys
for Slim - Klauhn & Co. -
In P.M. attended Grange
- Eldredg on asphaltum
pipe -

Thursday 12 Nov
At work around the house
fixing stove for Lewis room &
Sawing wood -

300\$ on S D B 20 each to
end to Pacific Bank, as
well as dollars to
Pay, A. H. Gilbert -
Paid - freight bill \$2.28
Gained 5 gals olive
to Mr Klau due 500

Sunday 22 Dec 78
At home - all day ex-
cept an hour at the
Bay, this morning -

Monday 23^d Dec 78
In town - and at home.
L. W. D. going down -

Tuesday 24 Dec -
At home - cutting wood
& -

Wednesday 25. 78
In town and got some
mudcum for L. W. D.

Thursday 26. Dec 1878
In town in the rain to see
Annochio about our French
shepherd - and Frank Carnok
and to order Mr. Hitchcock
to make and to let in
lot No 11 in Dr. Let 153 - to
Mr. Thall - in exchange
for 10 acres to No 10, which
was added to him by J. W. Gale
& also -

Friday 27. Dec 78
Up all night - with L. W. D.
did not expect him to see
another day - but he still lives

78
om.
-
Saturday 28 Dec 78
Slept a little last night
in town a few minutes

word
78
om.
Sunday 29 Dec 78
Got up with L. M. D. - also Sis-
li - Mary + Fred - and at
six o'clock this morning
he "went to sleep".
Rode in town with Mr Walker
to see the Undertakers and
arrange for funeral -

In P.M. went to Cemetery
and with Clinton - began
to dig the grave - a sad
task but I rather do it than
to have it done by strangers
E. M. Buckfield here tonight -

Monday 30 Dec 78
At the Cemetery and finished
the task begun yesterday
and at 11 P.M. we went to
do our last sad duty to
L. W. Dimorel - and laid
him in his tomb -
The day has been stormy

Tuesday 31, Dec, 78
Rode in town with Warren
- and ordered lumber for
kitchen floor - and Oats
to plant -

Rainy day - with
strong wind from S.W.
