SUBCHAPTER B—NATIONAL FLOOD INSURANCE PROGRAM

[Docket No. FI-2837]

PART 1917—APPEALS FROM PROPOSED FLOOD ELEVATION DETERMINATIONS

Final Flood Elevation Determination for the Town of Wickenburg, Maricopa County, Arizona

AGENCY: Federal Insurance Administration, HUD.

ACTION: Final rule.

SUMMARY: Final base flood elevations (100-year flood) are listed below for selected locations in the Town of Wickenburg, Maricopa County, Ariz. These base flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

EFFECTIVE DATE: On publication of the Flood Insurance Rate Map for the Town of Wickenburg, Maricopa County, Ariz.

FOR FURTHER INFORMATION CONTACT:

Mr. Richard Krimm, Assistant Administrator, Office of Flood Insurance, 202-755-5581 or toll free line 800-424-8872, Room 5270, 451 Seventh Street SW., Washington, D.C. 20410.

The Federal Insurance Administrator given notice of his final determinations of flood elevations for the Town of Wickenburg, Maricopa County, Ariz.

This final rule is issued in accordance with Section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added Section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U.S.C. 4001-4128, and 24 CFR Part 1917). An opportunity for the community or individuals to appeal this determination to or through the community for a period of ninety (90) days has been provided. No appeals of the proposed base flood elevations were received from the community or from individuals within the community.

The Administrator, to whom the Secretary has delegated the statutory authority, has developed criteria for flood plain management in flood-prone areas in accordance with 24 CFR Part 1910.

Maps and other information showing the detailed outlines of the flood-prone areas and the final elevations for the Town of Wickenburg, Maricopa County, Ariz., are available for review at the Wickenburg Post Office, 55 East Yavapai, Wickenburg, Ariz.

The final 100-year flood elevations for selected locations are:

PART 1917—APPEALS FROM PROPOSED FLOOD ELEVATION DETERMINATIONS

Final Flood Elevation Determination for the City of Venice, Madison County, Ill.

AGENCY: Federal Insurance Administration, HUD.

ACTION: Final rule.

SUMMARY: Final base flood elevations (100-year flood) are listed below for selected locations in the City of Venice, Madison County, Ill. These base flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

EFFECTIVE DATE: On publication of the Flood Insurance Rate Map for the City of Venice, Madison County, Ill.

FOR FURTHER INFORMATION CONTACT:

Mr. Richard Krimm, Assistant Administrator, Office of Flood Insurance, 202-755-5581 or toll free line 800-424-8872, Room 5270, 451 Seventh Street SW., Washington, D.C. 20410.

The Federal Insurance Administrator given notice of his final determinations of flood elevations for the City of Venice, Madison County, Ill.

This final rule is issued in accordance with Section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added Section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U.S.C. 4001-4128 and 24 CFR Part 1917). An opportunity for the community or individuals to appeal this determination to or through the community for a period of ninety (90) days has been provided. No appeals of the proposed base flood elevations were received from the community or from individuals within the community.

The Administrator, to whom the Secretary has delegated the statutory authority, has developed criteria for flood plain management in flood-prone areas in accordance with 24 CFR Part 1910.

Maps and other information showing the detailed outlines of the flood-prone areas and the final elevations for the City of Venice, Madison County, Ill., are available for review at the City Hall, Venice.

The final 100-year flood elevations for selected locations are:

Source of flooding	Location	Elevation in feet above mean sea level
Mississippi River...	West of levee.....	429
Local ponding.....	Near intersection of Bremen and Main Sts.	410
	Between Slough Rd. and Main St.	410
	Intersection of 4th and Hampden Sts.	409
	Intersection of Filmore and 7th Sts.	411
	Intersection of Weaver and Bissel Aves.	411

(National Flood Insurance Act of 1968 (Title XIII of Housing and Urban Development Act of 1968), effective January 28, 1969 (33 FR 17804, November 28, 1968), as amended (42 U.S.C. 4001-4128); and Secretary's delegation of authority to Federal Insurance Administrator 34 FR 2680, February 27, 1969, as amended (39 FR 2787, January 24, 1974).)

Issued: June 24, 1977.

PART 1917—APPEALS FROM PROPOSED FLOOD ELEVATION DETERMINATIONS

Final Flood Elevation Determination for the Township of Warren, N.J.

AGENCY: Federal Insurance Administration, HUD.

ACTION: Final rule.

SUMMARY: Final base flood elevations (100-year flood) are listed below for selected locations in the Township of Warren, N.J. These base flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

EFFECTIVE DATE: On publication of the Flood Insurance Rate Map for the Township of Warren, N.J.

FOR FURTHER INFORMATION CONTACT:

Mr. Richard Krimm, Assistant Administrator, Office of Flood Insurance, 202-755-5581 or Toll Free Line 800-424-8872, Room 5270, 451 Seventh Street, S.W., Washington, D.C. 20410.

SUPPLEMENTARY INFORMATION: The Federal Insurance Administrator gives notice of his final determinations of flood elevations for the Township of Warren. This final rule is issued in accordance with Section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added Section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U.S.C. 4001-4128, and 24 CFR Part 1917).

An opportunity for the community or individuals to appeal this determination to or through the community for a period of ninety (90) days has been provided, and the Administrator has resolved the appeals presented by the community.

The Administrator, to whom the Secretary has delegated the statutory authority, has developed criteria for flood plain management in flood-prone areas in accordance with 24 CFR Part 1910.

Maps and other information showing the detailed outlines of the flood-prone areas and the final elevations for the Township of Warren are available for review at 46 Mountain Boulevard, Warren, N.J.

The final 100-year flood elevations for selected locations are:

[Docket No. FI-2807]

PART 1917—APPEALS FROM PROPOSED FLOOD ELEVATION DETERMINATIONS

Final Flood Elevation Determination for the Village of Falconer, Chautauqua County, N.Y.

AGENCY: Federal Insurance Administration, HUD.

ACTION: Final rule.

SUMMARY: Final base flood elevations (100-year flood) are listed below for selected locations in the Village of Falconer, Chautauqua County, N.Y. These base flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

EFFECTIVE DATE: On publication of the Flood Insurance Rate Map for the Village of Falconer, Chautauqua County, N.Y.

FOR FURTHER INFORMATION CONTACT:

Mr. Richard Krimm, Assistant Administrator, Office of Flood Insurance, 202-755-5581 or toll free line 800-424-8872, Room 5270, 451 Seventh Street SW., Washington, D.C. 20410.

The Federal Insurance Administrator gives notice of his final determinations of flood elevations for the Village of

Falconer, Chautauqua County, New York.

This final rule is issued in accordance with Section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added Section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U.S.C. 4001-4128, and 24 CFR Part 1917). An opportunity for the community or individuals to appeal this determination to or through the community for a period of ninety (90) days has been provided. No appeals of the proposed base flood elevations were received from the community or from individuals within the community.

The Administrator, to whom the Secretary has delegated the statutory authority, has developed criteria for flood plain management in floodprone areas in accordance with 24 CFR Part 1910.

Maps and other information showing the detailed outlines of the flood-prone areas and the final elevations for the Village of Falconer, Chautauqua County, N.Y., are available for review at the Community Building, 101 West Main Street, Falconer.

The final 100-year flood elevations for selected locations are:

Source of Flooding	Location	Elevation in feet, national geodetic vertical datum
Chadakoin River..	Con Rail.....	1,251
	Phetplace St.....	1,255
	Dow St.....	1,261
Moon Brook.....	West Main St.....	1,258
	Richard Ave.....	1,265

(National Flood Insurance Act of 1968 (Title XIII of Housing and Urban Development Act of 1968), effective January 28, 1969 (33 FR 17804, November 28, 1968), as amended (42 U.S.C. 4001-4128); and Secretary's delegation of authority to Federal Insurance Administrator, 34 FR 2680, February 27, 1969, as amended (39 FR 2787, January 24, 1974).)

Issued: June 24, 1977.

PATRICIA ROBERTS HARRIS,
Secretary.

[Docket No. FI-2816]

PART 1917—APPEALS FROM PROPOSED FLOOD ELEVATION DETERMINATIONS

Final Flood Elevation Determination for the Township of Whitpain, Montgomery County, Pa.

AGENCY: Federal Insurance Administration, HUD.

ACTION: Final rule.

SUMMARY: Final base flood elevations (100-year flood) are listed below for selected locations in the Township of Whitpain, Montgomery County, Pa. These base flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

EFFECTIVE DATE: On publication of the Flood Insurance Rate Map for the Township of Whitpain, Montgomery County, Pa.

FOR FURTHER INFORMATION CONTACT:

Mr. Richard Krimm, Assistant Administrator, Office of Flood Insurance, 202-755-5581 or toll free line 800-424-8872, room 5270, 451 Seventh Street, SW., Washington, D.C. 20410.

The Federal Insurance Administrator given notice of his final determinations of flood elevations for the Township of Whitpain, Montgomery County, Pa.

This final rule is issued in accordance with Section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added Section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U.S.C. 4001-4128, and 24 CFR Part 1917). An opportunity for the community or individuals to appeal this determination to or through the community for a period of ninety (90) days has been provided. No appeals of the proposed base flood elevations were received from the community or from individuals within the community.

The Administrator, to whom the Secretary has delegated the statutory authority, has developed criteria for flood plain management in flood-prone areas in accordance with 24 CFR Part 1910.

Maps and other information showing the detailed outlines of the flood-prone areas and the final elevations for the

Township of Whitpain, Montgomery County, Pa. are available for review at the Township Building, 960 Wentz Road, Blue Bell, Pa.

The final 100-year flood elevations for selected locations are:

Source of flooding	Location	Elevation in feet above mean sea level
Stony Creek.....	Township Line Rd....	196
	Confluence within East tributary Stony Creek.	200

PART 1917—APPEALS FROM PROPOSED FLOOD ELEVATION DETERMINATIONS

Final Flood Elevation Determination for the County of Loudoun, Va.

AGENCY: Federal Insurance Administration, HUD.

ACTION: Final rule.

SUMMARY: Final base flood elevations (100-year flood) are listed below for selected locations in Loudoun County, Va. These base flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

EFFECTIVE DATE: On publication of the Flood Insurance Rate Map for Loudoun County, Va.

RULES AND REGULATIONS

FOR FURTHER INFORMATION CONTACT:

Mr. Richard Krimm, Assistant Administrator, Office of Flood Insurance, 202-755-5581 or toll free line 800-424-8872, Room 5270, 451 Seventh Street, SW., Washington, D.C. 20410.

The Federal Insurance Administrator given notice of his final determinations of flood elevations for Loudoun County, Va.

This final rule is issued in accordance with Section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added Section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448), 42 U.S.C. 4001-4128, and 24 CFR Part 1917). An opportunity for the community or individuals to appeal this determination to or through the community for a period of ninety (90) days has been provided. No appeals of the proposed base flood elevations were received from the community or from individuals within the community.

The Administrator, to whom the Secretary has delegated the statutory authority, has developed criteria for flood plain management in flood-prone areas in accordance with 24 CFR Part 1910.

Maps and other information showing the detailed outlines of the flood-prone areas and the final elevations for Loudoun County, Va., are available for review at the County Administrator's office, 18 North King Street, Leesburg, Va.
