A.B.C. "SUPREME" QUALITY

From the inception of the American Bulb Co. it has been our constant aim to furnish the Highest Grade of Bulbs Obtainable, contracts being placed with growers who are specialists in their respective lines and of known reputation for supplying dependable stock. Furthermore, our up-to-date knowledge of the Florists' needs, with personal inspection during the growing and packing season, insures you the pick of the season's crop. It is obvious, therefore, that the best stock, which our "Supreme" quality represents, is cheapest in the end. 25 Bulbs will be charged at 100 rates; 250 at 1000 rates.
