OFFICE, 83 CHARTRES ST.

THE DAILY BEE.

IONDAY MORNING, JUNE 13, 1865

A BOLD THREAT. The Charleston Mercury concludes an a

a brief but explicit announcement that the iterat will appear any on the evening of the extractions of Schiller will be performed. On the luth, the societies, military companies, Ac., will assemble in Union a care. A deputation will bring a bust of Schiller will be performed. On the luth, the societies, military companies, Ac., will assemble in Union a care. A deputation will bring a bust of Schiller will be performed in first of the procession will proceed to the Park, and theore will be performed to the Academy of Music, to be a fronting press, on which an appropriate poem will be perinted and published in the England and terma languages. In the system, the performed announces, performed announces, and caddings from Schiller, On the third day, and on artistical matters.

A lassing Chapter of China—The foliated Academy of China—The f

TELEGRAPHIC, ARRIVAL OF THE NORTH BRETON. Important Intelligence.

TERRIC. June 11.—The steamship North ton, Captain Grange, of the Montrea an Steamship Company's line, arrived

old for exportation.
All qualities of Cotton have advanced from
16 to 1 since Saturday. Pair and middling
ualities have improved most.
The market generally closed with an adsecond bandancy.

The America of Observation.—Marshal Pelissier has arrived at Nancy, where 100,000 men of the army of the East have been concentrated.

see has arrived at Nancy, where 100,000 men trained army of the East have been concentrating in large force at Mayance and Heratat. These ferman federal troops are concentrating in large force at Mayance and Heratat. These troops form the federal army of observation on the Rhine opposed to that of France, which is now designated as the army of the East.

The Germanic Diet, in view of the danger threatening the consideration, have removed france, which is now designated as the army of the East.

The Germanic Diet, in view of the danger threatening the consideration, have removed from the East of the Man towards the centre facility in the Main towards the The various banks and other monored establishments are removing their treasure to the fortresses, and the general aspect of affairs throughout the Germanic Confederation is very threatening.

Success of the Bardinians—A dispatch from Turin via Paris announces that the Sardinians have forced the passage of the Sardinian have forced the passage of the sar

Palestro on the left bank.

FURTHER BY THE NORTH BRETON.
LIVERPODE, June 1.—The Cunard steamship Ningara arrived out at Liverpool from
Botton and Haifax on the 30th uit.

The steamship Bavaria, of the New York
and Hamburg Ince, arrived out on the 31st.

Market Inventionnee.—The circulars of
Messre. Righand. Athya & Co. quote Bacon
quiet, and Lard dull at 60 to 61sd.

The Sugar market was steady at unchanged quotations, and C. fice quiet.

Haring Brothers & Co., London, quote
Wheat with a declining tendency—a decline
of 2s. to 4s. being nied. Sugar quiet.

American Stocks were in little demand.

GENERAL INTELLIGENCE.

making auccessful progress with his com-mand.

The Ferrica Army Propres,—Napoleon was about moving his headquarters from St. Sal-vators to Casale, his late inspection of the whole line of operations, doubtless, inducing the selection of this point as the most favor-able of the complete of the movements of the silied army complete of the company of the leon, after completing the dret series of mil-tary operations, constituting the summer campaign, would visit Paris in August. Heavy shipments of siege artillery, ammu-nition, and all description of war implements.

Gen. Horston in the Field. We have resident to describe the celebration was read by the close Schramm, the Secretary, and was adopted.

The celebration will begin on the evening of the sch of November with a concert, when only the compositions of Schiller will be performed. On the 10th, the societies, military companies, Ac., will assemble in Union space, Ac., will assemble in Union space at A deputation will bring a bust of the control of the contro

Letter in the control of the control

On reaching the bridge over the streamist. Fossagazzo, the extreme limit of our outposts, I ordered a section of artiliery to be placed in battery, supported on the right and on the left by two battalions of the Eighty fourth, their sharp-shooters liming the banks of the stream. Meantime the enemy had pushed on from Montebelle to Ginestrello, and being informed that he was advancing against me in two columns, the one by the high road, the other by the railway road, I ordered the left battalion of the Seventy-Jourth to cover the road to Cascina-Nuova, and the other battalion to take up a position on the right side of the road, beautiful to be the Better of the road, the battalion to take up a position on the right side of the road, beautiful to be the Better of the road, the other parts of the road, the battalion to take up a position on the right side of the road, beautiful the Bighty-fourth.

shally get possession or monscessor, a stranged my attacking columns as follows, under the orders of General Beuret:
The Seventeenth battaine of Chasecurs supported by the Eigoty-fourth and Seventy fourth laced a teckelow, attacked the sout aids of Montebello, where the enemy has intracached himself.

that General Bouret was mortally wounded at my side.

After an obstinate resistance, the Austrians were obliged to yield before the impetuosity of our troups, and, although strongly researched in the church-yard, they point of the bayond that hat position at the point of the bayond that hat position at the point of the bayond that hat position at the point of the bayond that hat position at the point of the bayond that hat position at the point of the bayond that hat position at the point of the bayond the point of the bayond the point of the bayond the definition of the bayond the bayond the point of the bayond the bayond the point of the bayond the bayond the point of the bayond the lat General positions to the Auction and obstinate resistance, the Auctions were obliged to yield before the in

bello.

We have taken about 200 prisoners, among whom are a colonel other officers.

Some powder wagons have also fallen into our hands.

As regards myself, M. le Marechal, I am happy that my division has been the first en-
