(" Prophet Mohammed married twenty-five (25) women and divorced ten women ") (140 of prophet Mohammed companions sayings)

__ About the author : Dr. Amer Al-Husiny is the first one who was able to collect all prophet Mohammed sayings in one book . It's called (الكامل في السنن) . It contains (60,000) sixty thousands of prophet Mohammed sayings .

He also has , till the time of translating this book , (150) a hundred and fifty other books about prophet Mohammed sayings in many topics .

But all these books in arabic language , so I started to translate some of these books to be available and easy to read for english language readers .

This is the book number (17) , in the author's series books in arabic .

(الكامل في أحاديث زواج النبي من خمس وعشرين امرأة وطلق عشرة)

وارتدت واحدة ، وما تبع ذلك من أقاويل)

_ Notes by the translator :

_ About this form : Imam ... tell in his book ... about (Name) . This (name) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

_ When it's mentioned that Imam ... tell in his book ... about comapnion (Name) . It's does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for the saying .

_ In some sayings you will find (as the previous one) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say (as the previous one) .

__ Saying's number may be slightly different between the different editions of the books .

The book's translation

Beginning in name of God and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand (60,000) of prophet Mohammed sayings . Then I started to collect his sayings in specific topics to be more easy to reach and read .

Imam Al-Hakim tell in his book Al-Mustadrak (3 / 640) about Al-Qasim Ibn Sallam said , it's a proven thing that prophet Mohammed married eighteen women .

In this book , I collect prophet Mohammed sayings and his companions about the numer of prophet Mohammed's wives . The total number of prophet Mohammed's wives is twenty five (25) women .

The is not about the number of slaved women he had . This will be in another book . But this book is only about number of his wives .

Note that in some sayings , you find numbers like nine , fifteen , eighteen , etc. And this is because some of them talk about his wives in Mecca , and some

talk about his wives in Al-Madinah , and some talk about his wives that he did not divorce , and some talk about the wives who were married to him at the same time , etc. But the total number is twenty five (25) women .

_ note : Any women that prophet married are not allowed to marry anyone else after dying of prophet Mohammed . This is proved by Quran (Surat Al-Ahzab verse 54) (It's not allowed for anyone to marry a women who prophet Mohammed married after his dying)

___ Names of his wives :

___ And one woman of his wife left Islam and ran away with her tribe . She was Qailah Bint Qais .

__ And he divorced ten (10) women , they are :

1_ Asma' Bint Al-Nu'man . When he married her , some of his other wives like Aisha told her that he likes from the woman in the first night to say I seek refuge in God from you . And this was not true but she believed them . So , she did that . And when she did that , he divorced her .

2_ Malikah Bint Ka'b . Aisha told her how could you marry the man who killed your father . So , when she was entered to him in the first night she said I seek refuge in God from you . So , he divorced her .

3_ Al-Aaliah Bint Zabian . She spent a time with him then he divorced her .

4_ Sawdah Bint Zam'ah . She was with him until she became old then he divorced her . But she said to him , take me back and give my days to Aisha , so he did .

5_ A woman from tribe called Bani-Aamer . His wives told him that she look at men in mosque . He saw her doing that , so he divorced her .

6_ Amrah Bint Yazid . At the first night , when she took her clothes off , he saw white area of vetiligo at her ribs' area , so he divorced her .

7_ A woman called Amrah . Her mother told him that she was never sick , so he divorced her .

(note : In Islam , never getting sick is considered as a bad sign and sometimes considered as a devil's sign . Because sickness erases some of the bad things that muslim did . So , when he knew that she never got sick , he divorced her and did not complete the marriage)

8_ Hafsa Bint Yazid . He told her that her father will be caliph after him and ordered her not to tell anyone , but she did . So , he divorced her . Then Allah told him that she is a good woman , so he took her back .

9_ Omm Shuraik Al-Azdiah . She gave herself to him without dowry . And he divorced her after a while .

_ Note : In Islam , it's allowed for women to give themselves to prophet Mohammed , then he chooses whoever he wants from them .

And this is proven by Quran (Surat Al-Ahzab verse 50) (Allah allowed prophet Mohammed to choose whoever he wants from women who give themselves to him) . And one of them was Omm Shuraik .

10_ Omaimah Bint Al-Nu'man . In the first night , she said to him , I am a queen and does not give myself to one of mob like you . So , he divorced her .

__ Then one woman who refused to marry him . A woman from spoils of tribe called Bal'anbar . She was beautiful and he offered to marry her . But she refused and choose to stay with her husband . And this is what in the saying and history , because of those who do not accept the events except if they like them .

_ Note : In islamic rules , the slaved men and women have no choice for themselves and they are in buying and selling according to their masters . But after dividing the spoils and each muslim had his own slaves , no one else can take one of them except with the permission of their master .

__ This what made some people talk about that :

__ Some asked about the reason that makes one man , especially a prophet of God , marry this number of women . But what ever your opinion is , it does not change the history .

__ Some muslims said that the reason is to help some of these women with money . But others answered on that by saying that you can help any woman without marrying her . You even can help woman with money while she is married to another man . You do not have to marry the woman to be able to help her .

__ Some muslims said that the reason is to free some slaves from the woman's tribe as a reward . But others answered on that by sayings that you can free the slaves without marrying a woman of their tribe . Also , this only occurred with one wife , Safeiiah Bint Haiie , what about the other twenty four .

__ Some muslims said that the reason is to tell people the islamic rules related to things between husbands and wives . But others answered on that by saying that this can occur by one , two , even three women , not 25 women .

Also all islamic rules about marriage & things between husbands and wives were already told by prophet Mohammed himself and did not need someone else to tell them .

__ Some muslims said that marrying a lot of women and having a lot of slaved women was already famous action that a lot of people did at that time . But others answered on this by saying that prophet did not come to follow people's habits and customs .

He says that he was sent by God and follows his orders . Also a lot of habits were present but he prohibited them . So , why he did not prohibit also these actions .

__ Some said that he married women that were already married before . But others answered on this by saying that it has no relation to the marriage . Marriage is marriage , regardless the women married before or not . Also this is not true because he married as example Aisha at age of nine years and Gowaireiah at age of twenty years .

__ Some muslims said that this is an order from Allah and does not have to tell us the reason . But this is can be just an islamic reason and fit only for muslims who already believe that Mohammed is a prophet from God and follow his

orders . But all other non-muslims people who does not believe in prophet Mohammed need and ask about the actual reasons .

__ There might be more research in this matter to find the best possible solution , but the book is only for collection of sayings of prophet Mohammed companions about this matter .
