BATON ROUGE HALLROAD. The Gazele and a Comet says.

We learn, that at a meeting of the City Council on Monday, Mr. Montan presented a bill in exact conformity with the requirements of law, and that it was adopted without is dissenting voice. It provides for the subscription of \$100,000 stock to the Baton floage and New Otleans Railroad, and impress the inceasary tax to meet it. The addition to ear present taxes will be about \$1.50 upon the \$100 per amount for five years, should the next Lexislature refuse to allow the bands of the corporation to be issued, of which there should be no fear. By this arrangement, every tax payer becomes a stock-beller in the road, to the amount of hit taxes. The treasurer and collector will be required to make out special receipts for the Railroad Legislature, some stock installment, The Logislature, and the two the properticulation of the town, will do not be a stock installment, and the road, to the same that is done, we know it to be the intention of those who have been most active in this matter, to take such steps cas will place the work under contract.
