Consortium to Be Formed to Build Up Trade With Russia

In Replying to Soviet, Allies Are Expected to Propose Economic Colonization of Russia; Trade Areas For Various Countries.

Genoa, April 28.—Plans for Russia's reconstruction were being finally determined up-to-day at a session of the Conference Sub-Commission on Russian Affairs and the indications were that a definite proposition would be laid before the Russian delegation by the week-end with the suggestion that the proposition be either accepted or rejected without further discussion.

The Italian press to-day gives indications of what the Allies' proposals are. First, it is asserted, no loan will be offered to Soviet Russia, but it will be suggested that an international consortium be formed to finance trade with Russia through combinations of firms and individuals of the various countries represented. Germany will be included in the consortium, it is declared, and provision made that the United States may join.

This plan contemplates the economic colonization of Russia, with guarantees that the autonomy and sovereignty of the Soviet Government will not be infringed upon. The division of trade will be arranged in such a way that the articles participating in the consortium will have the opportunity of dealing with the sections of Russia situated nearest them. For example, Great Britain would be given the opportunity to trade with Northern Russia through Archangel and the Baltic ports, while the southern countries would be given advantages in the Black Sea ports.

On the Table. Genoa, April 28.—The Conference Sub-Commission on Russian Affairs to-day had under consideration the draft document of the Allied Powers' final proposals to Soviet Russia, as framed at yesterday's notable conference in Mr. Lloyd George's villa.

In thus laying their cards on the table, the Allied leaders hope to put an end to the uncertainty and clear up the Russian question, the most important subject remaining before the conference. The document is the result of deliberations participated in besides the British Prime Minister, by Mr. Barthou for France, M. Schanzer for Italy, M. Jaspard for Belgium, and Baron Hayashi for Japan.

Property. An indication of the Russians will insist on maintaining the principle of nationalization of property in Russia—one of the most difficult angles as it is now the ownership of properties claimed by nationals of the Allies and other countries—even to the extent of withdrawing from the conference, was given in their statement of last night.

"Russia has not the least desire for a rupture," said the Russian representative, but she is determined to safeguard the principle of sovereignty and the principle of reciprocity, which is the only possible basis of a commercial, political and economic reconstruction.

MORE SETTLERS FOR AUSTRALIA

Districts Considered Could Accommodate 500,000 Newcomers

London, April 28.—(Canadian Press Cable)—The settlement scheme submitted to the Commonwealth Ministry of Australia by the New South Wales Government in connection with the British Government, according to Reuters correspondent at Sydney involves the opening up of a large area of land along the Murray River which is suitable for wheat raising, and another large area suitable for irrigation forms part of the scheme. It is estimated that the proposed districts alone could carry 500,000 new settlers within ten years.

Another proposal in connection with immigration concerns districts along the northern rivers in New South Wales, but the Murray River scheme probably will be initiated first.

BRITISH PREMIER URGED TO BUILD EMPIRE TRADE

London, April 28.—(Canadian Press Cable)—The parliamentary correspondent of The Yorkshire Post, in an announcement that a request has been made to the Chamberlain Government to consider the House of Commons, to grant further facilities for debate on the Empire Settlement Bill, says that the opinion is distinctly hardening among the Conservative members of Parliament that it would be better for Premier Lloyd George to go slow in forcing an economic settlement upon Europe.

The Post says that instead of pursuing his economic policy, he should devote more attention to the development of trade in the western world, more especially the Dominions. "There is an element fitted to speak for British labor," the correspondent adds, "which prefers to govern the clean hands of those speaking English as their mother tongue to the bloodstained hands of the Bolsheviks."

PAUL DESCHANEL DIES IN FRANCE

Former President of Republic Was Sixty-six

Had Long and Distinguished Public Career

Paris, April 28.—Paul Deschanel, former President of France, died this afternoon.

Paul Eugene Louis Deschanel, for many years a figure in the public life of France and for a short period President of the Republic, was born in 1856. Educated at the College St. Barbe, he married Germaine Brice, daughter of a Deputy. His entry into public life came in 1878, when he became Under-Prefect of Dreux. In 1879 he was Secretary-General of the Department of the Seine and Marne and Under-Prefect of Brest. He was Under-Secretary of Meaux in 1881. He first entered the Chamber of Deputies of France as member for the division of Eure and Loire in 1885. In that body, his outstanding ability earned him recognition, and in 1896 he was elected Vice-President of the Chamber. Higher honor came to him when he was elected President of the Chamber in 1898, which post he held till 1902. Between the latter date and 1912 he acted as chairman of several commissions and otherwise served his country. In 1912 he was re-elected to the Presidency of the Chamber of Deputies and he continued to hold that high honor until he was elected to succeed President Poincaré after the Great War. He was not destined to hold the chief post for long, however, as his health failed, and he was obliged to resign a few months after his election. He suffered an accident when he fell from the window of a sleeping car while traveling at night, and had to walk some distance for aid clad only in his pajamas.

He went into comparative retirement after his resignation of the Presidency, and only a few weeks ago began to appear as formerly at public functions. He spent his period of retirement in Southern France.

He was a man of distinguished bearing, and while he was President of the Chamber of Deputies he was known as the best dressed member of that national body.

Enlistments From C.P.R. He pointed out that the company gave full encouragement to its employees to enlist in the military forces. The total enlistments from the C.P.R. were 1,340. Of this number 1,115 were killed, 2,100 wounded and 7,573 re-employed. From the B.C. Coast service 187 men were enlisted, 100 lost their lives. From the E. and N. Railway there were fifty-one enlistments; five of these were killed in action.

There is a disposition to forget that even the great corporations had a duty to perform when the call to arms came, the Premier said. "We are proud to say that the greatest railway corporation in the world did nobly perform this duty."

"I think that we realize that corporations, even if they have no souls, have men guiding their affairs, who are human."

The Premier made reference to the manner in which the C.P.R. placed its railway and all its steamships at the service of the country during the war. They were killed, he declared, that two great corporations stand pre-eminent in the way of service to the country during the war. They were the C.P.R. and the Hudson's Bay Company.

After pointing out that ten per cent. of the men who enlisted from the C.P.R. were killed, the Premier said there is a lesson to be learned in view of the many proposals made for the erection of memorials throughout the country.

"To my mind the most effective way the nation can express its gratitude to those who were killed and sections taken care of those whom they have left behind them," the Premier went on. (Concluded on page 8.)

FINES FOR OPIUM ADDICTS RISING Chinese, Taken in Yesterday's Raid, Mulcted Increased Amount

Following a long series of opium raids in which 128 offenders were convicted, were fined \$25 and costs, the penalty for this offence became \$50 and costs. Other factors of the improved condition of the Canadian dollar here have been the rise in sterling exchange and the improvement shown by Canadian finance, it will remain below 2 1/2 per cent. for some time.

Rise of sterling exchange and consequent increase of English buying in Canada and the United States is England's two best customers and the relations of the three countries have been fast approaching normalcy."

GUilty OF THEFT ON A VESSEL Ex-quartermaster Admits the Robbery From Mails

Vancouver, April 28.—Quartermaster H. Wisby of steamer Chelohsin pleaded guilty in police court this morning to the theft of \$2,000 from the steamer while the vessel was on her trip from Prince Rupert to Vancouver nearly two years ago. He was remanded for sentence. Wisby's arrest was effected by the Royal Canadian Mounted Police.

Premier Delivers Address at C. P. R. Function Here

Similar Events Throughout the Dominion

Premier Oliver at noon to-day presided and spoke at the unveiling at the Belleville Street docks of the C. P. R. of the bronze memorial tablet to the employees of the C. P. R. who served and lost their lives in the Great War.

The actual unveiling was done by Oliver Gibbs, one of the oldest employees of the C. P. R. Coast service, a soldier himself, and the father of a soldier who was killed in the war. A guard of honor of twenty-five men was lined up in front of the C. P. R. offices. They were in charge of Lieut. Wells, of the Victoria passenger agency, and Lieut. McQuinn, of the Esquimalt & Nanaimo Railway's locomotive service. Officers from Work Point Barracks attended.

The Royal Naval Brigade Band played "Canadiana," the Premier, Capt. J. W. Troup, superintendent of the Coast Service, and H. E. Beasley, general superintendent of the C. P. R. Railway, were present. DISCOUNT NOW ONE AND FRACTION PER CENT. Floating of Loan and Trade Among Causes

New York, April 28.—(Canadian Press)—While the discount on the Canadian dollar in the New York money market is not expected to hold at one per cent. for a long period, it is freely predicted that owing to the favorable position shown by Canadian finance, it will remain below 2 1/2 per cent. for some time.

Canadian funds early this week at a discount of one per cent. here, the lowest rate touched since January 10, 1919, before the Canadian dollar had sold at a premium in this market for a considerable time.

LONDON PANTRY BOY GUILTY OF MURDER OF LADY WHYTE

London, April 28.—Henry Jacob, a nineteen-year-old hotel pantry boy, was found guilty to-day in the Central Criminal Court of the murder of Lady Alice Whyte, widow of Sir Edward Whyte, former chairman of the London County Council, on March 14. He was sentenced to death.

NEW SOUTH WALES HOUSE ADVANCES SALARY CUT BILL

London, April 27.—(Canadian Press Cable)—The Legislature of New South Wales, according to a Reuters dispatch from Sydney, Australia, yesterday gave second reading to the bill to reduce the salaries of the Ministers and members of the Assembly by £275 annually. The second reading was carried by a vote of 46 to 42. The Labor members vigorously opposed the bill.

NON-AGGRESSION PACT IS HOPE OF LLOYD GEORGE

Genoa, April 28.—While bending his efforts to ending the Russian deadlock, Premier Lloyd George is not neglecting his plans for a non-aggression pact, and several tentative outlines of such a pact have been drafted. One of these would provide an international military force to protect weak nations from aggressive neighbors, but this is under consideration and has small chance of adoption.

GENERAL RESPONSE TO CHANGE OF TIME City and Adjacent Municipalities in Line

Steps are being taken to-day throughout the city and district to readjust working conditions in view of the immediate operation of Daylight Saving Time.

Notice is given that the military garrison at Work Point will observe city time, effective on Sunday. All the municipalities around Victoria will observe new time, operative on Sunday, while Sidney will fall into line on Monday.

Railway time will not change, and people who are traveling should remember the departure hours of the trains and steamers will remain at standard time.

At the Victoria Post Office arrangements are governed for dispatch of mails by railway conditions, but discretion is given postmasters to operate the post offices on local time. Accordingly Mr. Bishop announces Victoria General P. O. will operate on city hours. A new time table will be set, upon which the mail will be scheduled.

1,000 GUINEAS RACE TO-DAY WON BY SILVER URN

Newmarket, Eng., April 28.—The One Thousand Guinea Stakes, run here to-day was won by E. W. Farr's Silver Urn, by Fernhurst out of Queen Silver.

Sir Edward Hulton's Soubriquet was second and Marshal Field's Red Corn was third. Twenty horses ran. Mysia, ridden by Archibald, was unplaced.

The betting on Silver Urn was 10 to 1 against, on Soubriquet 10 to 12 and on Golden Corn 7 to 4 against.

DENIES REPORT HE KILLED MAN Witness in Taylor Murder Mystery Speaks

Says in Los Angeles Hawaiian Is Mistaken

Los Angeles, April 28.—Honore C. Connetta, a newspaperman held at the county jail here pending an investigation of possible knowledge concerning the mysterious shooting of William Desmond Taylor, motion picture director, here February 1, today denied "that he had killed a man in defence of honor," as the Hilo, Hawaii, sheriff cabled the district attorney here he had information that Connetta so admitted.

The Hilo sheriff's cable also said that Connetta "gave graphic description of Taylor's room at the time of the killing." Connetta explained this by saying that in answer to the request of a Hilo newspaper reporter for information concerning the murder mystery he drew a diagram to make more clear the situation in which the body was found, but this diagram was based upon diagrams published by a Los Angeles paper.

As a Witness. Connetta is being held merely as a witness, pending investigation of reports that he knew more about the murder mystery than had been published. Examination to-day by the district attorney's staff of at least one Los Angeles man is expected to determine whether Connetta's talk is based upon what he had gleaned from newspapers or whether he really had direct knowledge that may pave the way to a solution of the death mystery.

San Francisco, April 28.—Police here announced to-day they had received from the sheriff of Hilo, Hawaii, a cable asserting that Honore C. Connetta, now held in jail at Los Angeles, was a material witness in the William Desmond Taylor murder mystery, admitted that "he had killed a man." This alleged admission was this week on his arrival from Honolulu. Los Angeles detectives awaited him.

The cable received by the local police and forwarded to the Los Angeles authorities stated: "Important evidence in my possession concerning Connetta. Signatures on newspaper where Connetta stated he killed a man short time ago in defence of honor. He also gave graphic description of Taylor's room at time of killing." The Los Angeles police said last night that Connetta was not accused of anything, but was held as a witness. Connetta has denied any knowledge of the film director's murder.

PAPER WORKERS' WAGE SCALE IS NOT YET FIXED

New York, April 28.—The deadlock between the newspaper paper manufacturers and union workers in the United States and Canada remained unbroken when the conference called to discuss a new wage agreement broke up at noon to-day. Both sides declined to recede from their position.

Toronto, April 28.—Fire losses in Canada during the week ended April 26 are estimated by The Monetary Times at \$110,500, as against \$304,500 the previous week.

MAYOR TO DEFEND SUNDAY CLOSING

Will Commence Fight at Church Meeting Sunday

Retailers Meet To-night; Sunday Petition Delayed

Mayor William Marchant will commence his campaign in defence of the Police Commission's closing Sunday regulations at a mass meeting in the Metropolitan Church on Sunday night after the regular services, officials of the League announced to-day. Rev. Dr. Leslie Clay also will speak on Sunday closing, supporting the Mayor's contentions.

Announcement that the Mayor would speak on the Sunday closing question Sunday follows the Mayor's statement to The Times a few days ago that he favored a plebiscite on the issue and, if it were submitted to the electors, he would mount the stump to defend the closing of Sunday. It had not been anticipated, however, that His Worship would act so quickly.

Meanwhile Victoria retailers will meet to discuss the Sunday closing question in the Chamber of Commerce rooms to-night. At this meeting the membership of the Retail Merchants' Association will be asked to approve the action of the association executive in filing a petition to delay the filing of the petition for Sunday closing regulations.

Anxious to lay the question before the electors, members of the City Council are now waiting for a petition against the closed Sunday which has been widely circulated and signed here. City officials were informed to-day that this petition would not be filed at the City Hall until next week, although the Council has been called into special session this afternoon to decide definitely whether a plebiscite on the Sunday question and other issues shall be held or not. On account of this delay in the filing of the petition, it is likely that a decision on the subject will be deferred at least until Monday.

COL. OGILVIE NAMED COMMANDING OFFICER IN NEW BRUNSWICK

War-time D. O. C. at Work Point Is Promoted

Victorians and particularly those who served overseas with him, will congratulate Colonel A. T. Ogilvie, D. S. O., on appointment as commanding officer of one of Canada's military districts.

He has been appointed Colonel Commandant of Military District No. 7 (New Brunswick) in succession to Major-General Archibald Hayes McDonnell, C. M. G., D. S. O., who retires on a pension.

Before going overseas Col. Ogilvie, who has been associated with the Canadian Artillery throughout his military career, was for a brief period officer commanding military district No. 21, and was succeeded by Brigadier-General Duff Stuart.

Colonel Ogilvie was anxious to leave for overseas early in the war, but like so many members of the permanent force he was detailed to remain at home for organizing purposes. The result was that many militia officers rose to high ranks, while the regulars advanced but little. As an example of this Col. Ogilvie was senior to General Currie at the outset of the war, but there was no chance for the latter to show his ability while at home. When he did go overseas there were so many men ahead of him that he ranked one of the junior officers.

Col. Ogilvie eventually got an opportunity to go overseas. Early in 1918 he was appointed O. C. of the 15th Brigade, C. F. A. This unit included the 62nd Battery and 15th Brigade Ammunition Column, of Victoria. The first battery from Lethbridge, the 60th Battery from Regina and the 58th Battery from Manitoba. The brigade assembled at Petawawa Camp and spent the Summer there.

Col. Ogilvie commanded his brigade in France for sixteen months, and quite often found himself in command of the Fifth Division Artillery, of which the 14th Brigade, formerly the 15th Brigade, formed a part. The colonel displayed much ability with his unit, and won the D. S. O. for his courageous work early in September when the Hindenburg line was broken.

On returning here after the war Colonel Ogilvie did not receive his old appointment as D. O. C. of this district. The Dominion Government advanced the rank for such officials, installing Brigadier-Generals, instead of colonels. Col. Ogilvie did not gain any promotion in rank, and went East to Montreal.

Prior to his departure for overseas Col. Ogilvie married Mrs. Lemmon of this city.

New Westminster Dismisses Its Entire Force of Policemen

Order to Take Effect May 31; Present Constables Will Have Opportunity to Apply For Positions; Re-organization Plan.

New Westminster, April 28.—The entire police force of this city is fired. But the ukase will not take effect till May 31, and in the meantime a new police force will be organized, which may include some of the present personnel. They are all, of course, at liberty to make application for re-appointment.

This was the drastic method adopted by the Board of Police Commissioners to secure what was described as a complete reorganization from top to bottom. It was adopted by a two-to-one vote, for Commissioner Reid flatly refused to agree to the dismissal of Chief of Police Bradshaw. As dismissal of the Chief was the meat and kernel of the whole business, the other two Commissioners, Mayor Johnston and M. J. Phillips, spent a lot of time trying to persuade Mr. Reid to make the action unanimous before they put it to a vote.

Mr. Reid asserted he had been shown nothing that would justify dismissal of the Chief, and would not assent to it. The attitude of the others was that no effective reorganization could be effected with the present Chief-retaining office.

It was decided to invite applications for nine police constables at a salary to begin of \$125 per month. This result of the meeting, and the fact that the need of sergeants has not been sufficiently demonstrated.

FIRES REDUCED OUTPUT OF OIL Some of Large Baku Wells Were Burned

Two Suspected Russians Put Under Arrest

Moscow, April 28.—Incendiaries according to The Pravda, recently set fire some of the largest oil wells in the Baku region and it was with great difficulty that the remaining wells in the oilfields were saved. The Pravda charges that the incendiarism was the work of Social Revolutionaries, two of whom were arrested.

In consequence of the fire the output in the Baku district has been reduced to 100,000 pounds of oil daily. A pool is 26 ponds.

TELL OF SUGAR CONCERN'S LOSSES Officers of Eastern Company Make Report

Action of Canadian Government Is Blamed

Montreal, April 28.—The staggering blow received by the Canadian sugar industry in common with the sugar industries of other countries where Government control obtained and were decontrol left the industry unprotected, is reflected to the full in the financial statement covering the twenty months ended December 31, 1921, presented to shareholders of day.

Even with the help of the reserve as at April, 1920, amounting to \$3,148,326, which is wiped out, there stands at the foot of the profit and loss account a deficit in the period of \$5,188,273. The chief item in the losses of the company is the loss on raw sugar purchased in 1920, which aggregated over \$10,000,000, but profits reduced the net loss to \$7,977,040.

President Hobson in his remarks to the shareholders said: "These losses are the direct result of a breach of faith on the part of the Government in declining to live up to the undertaking of the Board of Commerce to protect the refiners in a falling market."

CLAIMS AUTO CAN GO 300 MILES FOR UNDER SIX CENTS

Syracuse, N.Y., April 28.—Three hundred miles by an automobile on a gallon of fuel costing five and one-half cents.

This is the claim H. H. Elmer makes for an engine designed by himself and shown to the directors of an iron and steel company of which he is manager, at its annual meeting here yesterday. Internationally known engineering experts, including Arthur West, chief engineer of the Bethlehem Steel Corporation, have inspected Mr. Elmer's engine and are said to have pronounced it hundreds of years ahead of the times.

THREE MINERS KILLED BY BOMB

One Was Seriously Injured in Pennsylvania

Apollonia, Pa., April 28.—Three miners were killed and one seriously injured when a bomb was thrown early to-day into a bunkhouse at the Patterson mine of the Kiski Coal Company, near here.

The men, who had been employed on a non-union basis, were asleep in the bunkhouse shortly after dawn, when the explosion occurred.

Each of the men killed was married, and their deaths leave fourteen children fatherless.

The Patterson mine is in Westmoreland County. Before the strike it employed seventy-five men, its product being sent to a steel company here.

PLAN ECONOMY IN EDUCATION

British M. P.'s Consider Estimates Prepared by Minister

London, April 28.—(Canadian Press Cable)—Mr. Hon. A. L. Fisher, Minister of Education, had a difficult task in the House of Commons yesterday introducing the Department of Education budget. He had to show the educationists that, in getting along on £6,000,000 the educational system would not be wrecked, and at the same time convince the educationists that no further savings were possible.

The discussion which followed suggested that he had succeeded, for Mr. Fisher, former Premier, congratulated him on the attitude he had adopted towards the Geddes economy recommendations. There was no organized attack from the educationists that, in getting along on £6,000,000 the educational system would not be wrecked, and at the same time convince the educationists that no further savings were possible.

### VOTES FOR INDIANS PASSED AT OTTAWA

Schools and Hospital Fees Were Discussed  
\$264,240 for Indians of British Columbia

Ottawa, April 23 (Canadian Press)—An item of \$661,092, an increase of \$74,282 over last year's vote for the Indians of Manitoba, Saskatchewan, Alberta and the Northwest Territories, carried in the House of Commons yesterday afternoon during the passing of estimates for the Department of Indian Affairs. The increase, according to Hon. Charles Stewart, was largely due to increased cost of medicine and medical attention.

Mr. Stewart stated that it was necessary now to pay \$1.25 per day hospital fees as against \$1.00 previously. On a superficial examination of conditions, he had come to the conclusion that Canada had been largely delegating to private individuals and church organizations duties regarding the Indians which were really those of the Federal Government. It might be necessary to spend more money on the Indians in the future.

W. C. Good, Brant, called the Minister's attention to a pamphlet distributed to the members through the mail. It charged that the "national crime" in the administration of the Indian Department.

Indians' Attitude  
Mr. Stewart replied that the trouble on the Six Nations Reserve in Ontario was of long standing and was due chiefly to the fact that they did not consider themselves wards of the Government, but allies of Great Britain. The chiefs of the band were not desirous of having the Soldier Settlement Act operate with respect to the reserve.

Right Hon. Arthur Meighen said the Soldier Settlement Board did not invade the reserves, but the Deputy Minister of Indian Affairs operated the act as far as the Indian returned soldiers were concerned. From personal experience, while at the head of the Department of the Interior, Mr. Meighen was of the opinion that Indians were often the victims of unscrupulous white men, and from personal investigation he had decided that Indians often suffered at the hands of those who were looking for something for themselves.

Robert Forke, Progressive, Brandon, said no savage race had ever attained civilization in one generation, and therefore the Indians must be treated with sympathy and consideration.

The British Columbia vote, amounting to \$284,240, passed without division. The next item was one of \$15,000 for the Yukon. This was carried.

Schools  
On an item of \$1,226,643 for Indian education, J. T. Shaw, Progressive, Calgary West, urged the Government to fulfill its treaty obligation to furnish to education. There were some 10 Indian children on the Stoney Reserve who were without schools.

The Minister admitted that this was the situation at present.

Mr. Meighen, who was Superintendent-General of Indian Affairs at the time the day schools on that reserve were closed, said it was intended that the children should be sent to Edmonton. Day schools had been a failure. It was not intended that any child should be without education.

Alfred Speakman, Progressive, Red Deer, said the same situation existed on the Red Deer Reserve. The schools had been closed, and the Edmonton school had not yet been opened.

The Ontario and Quebec vote, amounting to \$183,115, prompted Mr. Meighen to ask what proportion of the appropriation last year had been spent. The total amount asked for the Indians was the same as last year, and, in view of the deflation of prices, a reduction was to have been expected.

Roads and Bridges  
Dealing with Ontario and Quebec, Mr. Stewart said the increase was due to road and bridge repairs. It had been found necessary to provide the same sum for Indian education as last year, and consequently an amount would appear in supplementary estimates for that purpose.

Four Bills  
Four bills bearing on financial problems were introduced by Hon. W. S. Fielding in the House of Commons yesterday afternoon. The first amends the Consolidated Revenue and Audit Act, and provides for the adoption of the British system of closing Canada's accounts at the end of the calendar year.

The three other bills amend in a technical manner the Insurance Act, the Loan Companies Act and the Trust Companies Act. It was proposed to refer them to the Banking Committee, where all those interested would be given a hearing.

### ONLY COURT WORK BY THE JUDGES

Ottawa, April 27.—T. L. Church, North Toronto, has given notice in the House of a motion that the practice of superior court or county court judges appointed by the Government of Canada serving on Provincial Government commissions of various kinds is wrong in principle and not in the public interests or the interests of the administration of justice in the country, and that judges who do so should be compelled by an amendment to the law to resign their office.

### POINTS TO OWN FAMILY'S RECORD

Premier of Quebec Speaks of Population Increase

Toronto, April 25.—Premier Taschereau, of Quebec, offered what he considered to be a reasonable solution of the question of immigration to the members of the Women's Canadian Club yesterday at the University Convocation Hall.

"The first Taschereau who came to Canada had 14 children; his son, the Hon. Gabriel Elsenar, had 11, and his grandson, Hon. Thomas Jean, had 10; the father of Cardinal Taschereau had 10 children, and my own father had 12," said the Premier. "There is a little sum in multiplication which will interest, and show you how we fulfill the duty transmitted by our ancestors of peopling the land with our sons and daughters and not with

### PITTIABLE WRECK SAVED FROM EARLY GRAVE

"I couldn't sleep, my nerves were all unstrung, I was steadily losing weight."

"My husband is a mechanic and earns good wages," writes one woman. "We have six children between the ages of seven and fifteen. Both my husband and myself have denied ourselves actual necessities to give our children the best schooling we could afford. I have often stayed up all night making clothes for them or doing mending. Besides this, I have always done the washing and ironing for the eight of us. I also do the scrubbing and the cooking. The outcome of this was that I was doing more than any human being could stand and so broke down. I became a complete nervous wreck. I was reduced to a skeleton. I was in such a nervous, high strung condition that the least excitement would start me on a crying fit which I couldn't control. This breakdown meant keeping my children from school to help in the housework, because I couldn't do anything as the least exertion left me a wreck. I was the finest example of a complete nervous breakdown that you ever saw. Everything was wrong with me—I couldn't eat, I couldn't sleep, I had that dreadful weak feeling which I cannot describe but can only be understood by those who have had it. I was so weak that I was ready to catch anything that was going. I tried several preparations but none of them did me any good. One day my husband came in and said, 'I see a preparation in a drug store called Carnol. No extraordinary claims are made for it and I have an idea it might do you good. Why don't you get a bottle? They say if it doesn't do you any good they will refund your money.' I believe that advice of my husband's saved my life because after weeks after I started taking Carnol I was doing more work than I had ever done before and was feeling stronger than I ever felt in my life." Mrs. T. G-122

### WORK TO MAKE WAR LESS LIKELY

Americans' Desire Voiced by Harding in Ohio

Point Pleasant, Ohio, April 23.—Standing in the shadow of the spot where General Grant was born 160 years ago, President Harding yesterday brought forth great applause from 15,000 persons when he expressed his belief that the great Union leader would have approved "all the republic has so recently done in joining other nations in lifting the burdens of armament and promoting understandings which make war less likely."

The audience, composed mainly of Ohioans who had journeyed here to celebrate the centennial of Grant's birth, cheered also when Mr. Harding declared the "sacrifice and nationwide service in the world war revealed the common American soul."

Lady Astor  
Baltimore, Md., April 23.—Lady Astor today bled service men at the Evergreen School for the Blind under direction of the Veterans' Bureau yesterday afternoon that she wished people opposed to a league of peace could see them.

"Then those who say that the United States should live aloof and for itself would realize that the United States cannot do it," she asserted. She told the blind soldiers that theirs was an opportunity to stand before the world as examples.

"I am never so much at home," she said, "as when I am with men who were in the war. I think I understand them, but they do take a lot of understanding. The more we know you the more we love you. For we know how much you need us."

"My advice to you who lost your sight is forget it if you can. Don't let anybody be sorry for you. If you've got a trouble, do not let it get fastened on you."

"I'd rather be blind than have the disposition of some people. There is nothing that will keep us so unhappy as utter selfishness. That will keep you from the happiness you ought to have. You must say 'I own to-day.' You must say that you cannot tell about to-morrow, but I own to-day. There is one way to get happiness: tell yourself that you are going to keep out unhappy thoughts."

Lady Astor brought laughter when she told instructors of the men that the surest way to keep them cheerful was to keep them arguing.

"When a black day comes," she said, "get them to quarrelling. It's wonderful how men are stimulated by a quarrel."

Although Mr. Lloyd George used plain language to convey his fears of another European conflagration in the event of the Genoa Conference failing to bring order out of the chaos which engulfs the Old World at the present time, it is becoming increasingly obvious that none of the powers represented at the gathering seems anxious to pack its bags and leave the Conference to its fate.

## Provincial Convention In Session at Royal City

### British Columbia Chapters of Daughters of Empire Meet; Financial Situation and Scholarships Subject of Reports.

(By Times Staff Representative)

Representatives of I. O. D. E. chapters from the whole of the Province assembled in the I. O. O. F. Hall, New Westminster, yesterday for the opening session of the annual meeting of the Provincial Chapter.

Mrs. A. F. Griffiths, of Victoria, provincial vice-president, was in the chair and about one hundred and fifty were present. Delegates and representatives from Victoria included Mrs. A. F. Griffiths, Mrs. E. S. Hasell, Mrs. Mrs. H. E. Crowe, Mrs. Smith, Mrs. J. D. Jordan, Mrs. L. B. Kent, Mrs. J. R. Phillips, Miss Leitch, Mrs. Wallace Grimes, Mrs. H. P. Hodges.

Mrs. J. S. Clute, of New Westminster, cordially welcomed the delegates on behalf of the Municipal Chapter of that city, and Mrs. C. M. Kinross, of Granville Forks, replying in a graceful little address. Mrs. D. B. Johnstone, of Kamloops, Mrs. A. E. Beck and Mrs. de Pencier, of Vancouver, Mrs. Curran Sampson, of Victoria, Mrs. Bryce Brown, of New Westminster, were elected to the resolutions committee.

Resolutions of loyalty were sent to the King and Queen and to the Governor-General and Lady Byng.

**Municipal Reports.**

Vancouver Municipal Chapter gave an excellent report showing considerable relief work accomplished among returned soldiers and their families, over \$2,000 being spent in this direction. Ex-service men's organizations, philanthropic societies, unemployed men, had all shared in the chapter's benevolence, while material and moral support had been extended to Boy Scouts, Girl Guides and similar bodies. Patriotic and educational effort found expression in the presentation of pictures and books to schools and the impressive commemoration of historical anniversaries. The case of soldiers' graves; visits and gifts to soldiers still in hospital and other activities.

The chapter earned \$2,290.12 during 1921, as against \$2,300 for the previous chapter, showing the maintenance of interest in the work of the Order.

Mrs. Miller presented the report of the Victoria Municipal Chapter, which was received with applause. A splendid record of achievement, including much child welfare work was presented by the Municipal Chapter of New Westminster. Excellent reports were also given by Mrs. Dundas, of Chilliwack; Mrs. Paton, of Burnaby; Mrs. MacFarlane, of the Bastion Chapter of Nanaimo; East Kootenay Chapter, Grand Forks Chapter, Sister Agnes Kewser Chapter of Chemainus presented by Mrs. W. J. Watson; Kokanee Chapter of Nelson; Chrysler Chapter of Vernon; Vimy Ridge-Walley Chapter of Cowichan and Collislaw Chapter of Nanaimo.

**Acting President's Address.**

Mrs. Griffiths as acting president expressed regret at the unavoidable absence of Mrs. Herbert Drummond, Provincial President. She warmly congratulated the members of the order in British Columbia on the various fields of work in the splendid support given to the Order. Education and war memorial education she also paid a warm tribute to the loyalty and devotion of the officers of the Provincial Chapter who have had to meet so much sympathetic support during her temporary tenure of the Provincial presidency.

In conclusion Mrs. Griffiths observed:

"I am not troubled at all at the lesser financial returns, either; that too, must have been expected for the time, and money, though necessary for the advancement of our work, is not our first object. That our membership may increase, that our alliance shall stand for strength, purpose, and unity, and that a very sturdy loyalty shall direct all our acts and attitudes, not only to King and country, but within our own ranks, and towards one another, these matters are our most vital concern, for without these, however big our bank balance, our influence, yes, our very identity would be lost.

"I have been delighted at the ever growing and more intelligent sympathy and attitude given to our National War Memorial; and we are greatly hoping that British Columbia may achieve the pledged goal of the Provincial Chapter, on the great occasion when we hope to welcome it in May next. This would indeed be warmly welcome to those who have striven so faithfully towards its successful furtherance.

Mrs. Griffiths was presented with a beautiful bouquet of Spring flowers.

A review of the activities of the Provincial executive was given by Miss Wright of Vancouver, the Provincial secretary. Many matters of importance to the order had been dealt with during the year and the I. O. D. E. in the Province kept in close touch with the executive of the National Chapter.

Mrs. Edgar Lee presented the financial statement for the past year, showing that the order in the Province has raised the sum of \$13,250.23 while disbursements into the various channels of the chapter's beneficiaries amounted to \$12,955.

**Educational Work.**

The educational work of the order was exhaustively dealt with in a comprehensive report presented by Mrs. O. E. Boynton, of Vancouver, the Provincial educational secretary. Material assistance in secondary education to the children of ex-service men, the presentation of flags, patriotic pictures and historical books to schools, the awarding of prizes for essays on historical subjects, the distribution of milk to under-nourished children, and subscriptions to British illustrated papers for use in the schools, all were

### SHRINERS' FROLIC IS MARKED SUCCESS

#### Two Thousand Guests Participated in Event

Numerous side shows held in helping the Shriners' frolic at the Armory last night, when Albert Rumsby supplied an excellent dance programme with his eighteen-piece orchestra. The Shriners' band of the Gizeh Temple will benefit by the appreciative throng which gathered towards paying for instruments for this newly formed band.

People took active interest in fascinating gambling games. The roulette wheel was spun merrily around times innumerable for the satisfaction of those who wished to lay their duplicate chance game. Playing the ponies was also another attraction, which revived the memories of the Willows track when the ancient pastime was indulged in to the utmost. The race was realistic, the only artificial suspense being that they went around on wires. Dice and Jack of Luck, together with the less known game of Hoop-la game came in for its portion of attraction.

Numerous side shows held the visitors to the delightful evening from the dance floor, so fascinating were the games, which were played by the Shriners' Band in a splendid programme. Refreshments were served throughout the evening by the White Lunch.

The Shriners' Band will consist of twenty-five pieces, and many of the members have already gone under the aegis of training and instruction by Bandmaster Rumsby. When the tickets were first issued by the committee, the only artificial suspense so great was the demand that a new hall was secured and additional tickets issued. Proceeds, as has already been mentioned, will be the cost of the band. This is the second annual event of the Shriners.

Features of the order's activities during the past year were reviewed in this section the detailed reports from chapters in the interior, particularly in Nelson and Fernie, revealed the progress made in the order in helping to Canadianize the foreign-born, especially among the children who are being encouraged to foster Canadian ideals and to adopt the traditions of the Empire. Altogether during the year the order in British Columbia has expended \$165,26 in pictures, \$115,50 in libraries and \$22,50 in the purchase of flags for the schools.

Mrs. MacFarlane, of the Maritoba Provincial executive, congratulated the chapter on its excellent educational chapter as recorded by Mrs. Boynton.

Five new chapters have been formed in British Columbia since the last annual meeting, according to the report made by Mrs. R. J. Sprout, the organizing secretary. The new chapters are South Vancouver Chapter, Lloyd George Chapter, under Vancouver Municipal; Coming of Age Anniversary Chapter, William Telford Chapter, under Burnaby Municipal Chapter, and the Porter Chapter at Saltair, V.I.

Mrs. Marindale, of Nanaimo, gave her report as Echoes secretary, showing that the number of B. C. subscribers to the national organ of the order is nearly 750. Suggestions for changes of improvements in the magazine were invited. Announcement was made that Mrs. Alice B. Fisher, of Fernie, had been presented with a life membership in the order, the largest number obtained in the Dominion, and a congratulatory letter will be sent to Mrs. Fisher from the Provincial Chapter.

Somewhat disappointing progress had been made with the Mary R. Gooderham Emergency Fund during the year, owing to the Chapter's busy work in other directions, said Mrs. Edgar Lee, convener. Mrs. Hasell, of Victoria, appealed for further support for this fund, which is being used for obtaining relief in the outlying districts of the Dominion, and suggested that each primary Chapter make an annual donation towards this fund, which is being continued as to whether the fund be continued, there being some misunderstanding as to the working of this fund. Care was also taken to show the emergency in the way of sudden and serious illness among distressed families in the outlying districts had been met from this fund, and on motion of Mrs. E. C. Boyle the fund was commended to the primary Chapters for their sympathetic support.

Members of the Municipal Chapter at New Westminster extended generous hospitality to delegates and visitors at luncheon on Thursday and in the afternoon, the delegates and guests of the regent and officers at tea at the charming home of Mrs. J. C. Armstrong, Merivale Street.

Launder Your Silk Underwear This Gentle Way It Will Last Twice As Long

Your fine silk things should be laundered immediately after every wearing, and in the very best way. The acids in perspiration attack the fine silk threads and ultimately rot them.

Careful cleansings with Lux will make your silks wear twice as long and they will keep their silken sheen, their soft, fine texture.

To launder your dainty silk underthings

Whisk one tablespoonful of Lux into a thick lather in half a bowlful of very hot water. Add cold water until lukewarm. Dip garment up and down, pressing suds again and again through soiled spots.

Coloured Silks: Lux won't cause a colour to run if pure water alone won't do so.

so insistent was the appeal from a delighted audience.

The assisting artist was Gideon Hicks and there was no doubt of this baritone's popularity and the recognition of his superb talents.

He chose for his solos the fascinating and stirring "Tourney King John" (Saint-Saens), Rubinstein's lovely romance, "Since First I Met You," and "The Victor," by Kann.

### NEWS IN BRIEF

To Speak at Kumtuku Club.—Miss Kathryn Bradshaw, B. A., will be the speaker at the Kumtuku Club luncheon on Monday.

Employees' Association.—There will be a meeting of the Saanich Employees' Protective Association to-night at St. Mark's Hall, at 8 o'clock.

Small Fire Quelled.—A fire at 2194 Oak Bay Avenue gave the fire department a brisk run at 5:10 p. m. last evening. The damage was slight.

Purchases Residence.—J. A. Worthington, of the firm of Bishop & Worthington, has purchased from Dr. Roy Bier, of Nanaimo, the residential property 551 Linden Avenue.

Gardens Will Open.—The Japanese tea gardens at the George Park will be open for the summer season on Sunday next. Beattie's band will give a musical programme in the gardens from 3 to 5 p. m.

Meeting Cancelled.—The meeting of the Ward Seven Ratepayers' Association, Saanich, which was announced for this evening in Tillicum School, has been postponed indefinitely.

To Sell at Bazaar.—Mrs. Cassidy, whose services for the veterans are widely known and appreciated, has promised to sell flowers at the bazaar and concert to be held tomorrow afternoon in aid of the amalgamated Veterans' Association.

Saanich Lost Good Friend.—The Saanich Council evening passed a vote of condolence with the family of the late Robert J. Porter, ex-Mayor of Victoria. Saanich certainly lost a good friend in his untimely death. Mrs. Porter will supply an excellent dance programme, following the cards.

Health Centre Financing.—The Saanich Council last evening granted \$1,000 to the Victorian Order of Nurses after Councilor Dooley had stated that an independent inquiry into the feasibility of handling maternity cases is planned.

Military 500.—The Queen of the Island Lodge of the Orange Lodge held a military five hundred and dance at the Orange Hall on Saturday night, commencing at 8:30. Reservations for tables may be made. Mrs. Davis will supply an excellent dance programme, following the cards.

Tillicum Voters' Association.—As everyone is now busy with gardens the executive of the Tillicum Voters' Association decided that there will be no regular meeting on Tuesday evening next, but it is expected the next meeting in June will be occupied with the discussion of the proposed Sewer Extension By-Law.

Theosophical Society.—To-night at 8 o'clock the usual weekly class will be held at the rooms of the Theosophical Society, 101 Union Bank Building, for furthering the study of theosophy as expounded by Mr. Wardis in his lecture. The classes are free and all earnest inquirers are welcomed.

Lecture at St. Andrew's.—On Monday evening at 8:15, instead of the usual monthly recital, Alfred Fetch will give an illustrated lecture on Wales. There are one hundred and fifty lantern slides of the beautiful scenery of Wales, and at the end of the lecture, Welsh songs will be sung by well known artists of Victoria.

Entertain To-night.—Ward Five Liberals will entertain their members and friends at the Liberal Club this evening. Commencing promptly at 8 o'clock, a game of five hundred will be played and at 10 o'clock dancing will begin. The affair will be held in connection with the campaign for members of the ward. Refreshments will be served.

Spratt-Shaw Radio.—The Spratt-Shaw Institute added greatly to the success of the Shrine Frolic last night when they introduced an innovative radio telephone. Music received from San Francisco and Los Angeles was heard over the telephone, the school having installed a receiver and power amplifier.

In County Court.—In the County Court to-day before His Honor Judge Lampan the action of the Vancouver Island Milk Producers vs. Owen Lloyd was continued. Owen Lloyd alleged the plaintiffs had contracted to supply them with all his milk and cream for three years. Damages in the sum \$500 are claimed, for breach of the contract. H. A. Maclean, K. C., acts for the plaintiff, with H. W. Davey for the defendant.

Tickets In Demand.—The forthcoming recital by Mme. Winifred Lugin Fahey is arousing considerable interest in musical circles, and many parties are being made up among the social set to hear this gifted singer on her return to Victoria. Mme. Fahey, who comes from the East with many special honors, has always been a special favorite with local audiences, and anyone who has not yet made the necessary reservations should lose no time in doing so, as there has already been a very keen demand for tickets.

### Fairfield Scouts' Parents Assn.

Gratification was expressed at an increased attendance of parents at their last meeting, presided over by C. H. Bissell. Mrs. Bissell was elected as the Fairfield representative on the Ladies' Auxiliary of the Victoria Central Association. Mrs. Charles Gardner's offer to lend her home, 1013 Fairfield Road, for a bridge and five hundred party on May 3 to raise funds for the Parents' Association was accepted. The following committee was appointed to carry out the necessary arrangements: Mrs. Sliver, Mrs. Davis, Mrs. Slater, Mrs. Gardner and Mrs. Bissell in charge of the refreshments. It was decided to discontinue the collection from the boys of their monthly fees, and that the Parents' Association pay the monthly capita fees to the central association for badges, and the scoutmaster to open a banking account among the boys in aid of their Summer camp expense.

## VANCOUVER ALONE IN DEMANDS FOR RELIEF EXTENSIONS

### South Vancouver Without Funds to Pay Its One-third

At the meeting to-day of municipal representatives with Premier Oliver and members of the Cabinet to discuss the relief problem, Vancouver stood alone for the continuation of the present system of relief, which will come to an end at the end of this month.

Aldermen Scribblins and Gibbins and Relief Officer Ireland, representing Vancouver, endorsed the request for relief. They should make representations to the Dominion Government to continue for a further period the relief, under which the Dominion Government and the municipalities each contribute one-third of the cost of relief.

Vancouver representatives pointed out that there are now 700 men, heads of families, who are receiving relief. They asked that the Dominion Government should secure the month when the relief is cut off. They declared that the city has not the funds to maintain them, single-handed.

Commissioner Wells Grey, of South Vancouver, where there are 800 heads of families being supported by relief work, said that the situation is now so serious for his municipality that even were the relief system continued the municipality could not find the money to pay its one-third share.

Mayor Marchant, of Victoria, who was accompanied by Aldermen Gillespie, Harvey and Woodward, said that Victoria was not in favor of the present system, but declared that if the Government would change the system and give the city a grant they would take it.

Alderman Watson represented North Vancouver, but did not give support to Vancouver's proposal as the present system was bad, he considered.

The meeting was called by the Government to get the opinions of other municipalities on the request of Vancouver, as Vancouver had made its request alone to Ottawa, and Ottawa had replied pointing out that Vancouver apparently had no support in the stand it had taken, as no request had been made by the Province for extension of time.

Premier Oliver and the Hon. A. M. Manson, Attorney-General and Minister of Labor, told the municipal representatives that the Government would consider the question in view of the expressions of opinion made to-day, and give a written reply.

It was suggested during the meeting that a conference between the Government and the Province and the Dominion might be called to consider the relief problem.

### SALE AT SIDNEY.

Sidney, April 27.—Stewart Williams, the well-known auctioneer, was in charge of the auction sale of household goods of the Rev. J. W. Quite a large crowd of people were attracted by the sale, and on some articles bidding was spirited.

## CRUISE OF LAUNCH CISCO RE-OPENED IN APPEAL COURT

### Appellants Given Right to Refer Matter to Court at Vancouver

A special sitting of the Court of Appeal here this morning gave the appellants in the appeal of Rex versus Johnson and Lewis the right to re-appear before Judge Cayley at Vancouver, with the purpose of having a decision on the question as to whether the launch Cisco was inside the outside the harbor of Vancouver when pursued by customs officers.

Chief Justice Macdonald stated that he would make no direction to His Honor Judge Cayley, but would give A. D. Taylor, K. C., for the appellants, the right to appear at Vancouver and have that point decided. The session was by way of reconsideration of an appeal by stated case, taken by the appellants, Charles William Lewis and Andrew H. Johnson.

Lewis is under sentence to serve two months at Okalla, while Johnson is being held pending sentence.

H. S. Wood appeared for the Crown, pointing out that the issue was a new point, not raised in the stated case.

Parts of the evidence of the late Col. A. B. Carey, former collector of customs at the port of Vancouver, of Major MacLaurin, together with customs officers De Graves and Barton, was rehearsed to place the matter before the court.

It appears the customs officers sighted a launch leaving English Bay and gave chase in an air board launch from Jericho Beach. The launch turned out to be the Cisco, which had no clearance papers. The launch was halted, but did not leave to stop "in the King's name." The officers boarded the launch finally, after some manoeuvring, and at this time were employed, though no further firing took place. One man is alleged to have reached for a gun while saying that he wanted a drink, a revolver lying a few inches away from a bottle at the bottom of the boat. The customs officer ordered him, and he suicided. No argument took place on the evidence.

Both appellants are from Seattle, and the case turns on jurisdiction of the B. C. courts.

## BOARDS OF TRADE ASK GOVERNMENT FOR MORE FRANKNESS

### Say They Also Desire to Assist to Build Up B. C.

### Resolutions From Annual Meeting Presented to Cabinet

Six resolutions passed by the Associated Boards of Trade of B. C., at their recent convention in Victoria, dealing with the fight for lower freight rates, public roads, the University of B. C., and other public questions were presented to Premier Oliver and members of his cabinet at the Parliament Buildings to-day.

Those in the delegation were: W. L. Macken, president; J. B. Thomson, vice-president of the Vancouver Board of Trade; J. N. Harvey, of Graham, Conrad Schwengers, George Walkem, H. Allanson, F. E. Burke and W. E. Payne, honorary secretary.

The delegation confined itself to a few resolutions. President Macken pointed out, since it was realized that the Government was faced with many problems and little could be gained by thrusting a lot of new work upon the cabinet. However, in selecting the nine most important resolutions, the organization throughout the Province was promised.

Town-planning and B. C. Town-planning legislation was recommended. Mr. Walkem suggested the appointment of an expert to report upon the situation, naming Thomas Adams or A. G. Dalzell as likely men. There would be no expense other than the expert's fee, he said.

The University question was the subject of another resolution. Mr. Walkem pointing out the present cramped quarters and the need of the Vancouver General Hospital for relief work, said that the University made it imperative that action be taken at once. He said that two tubercular patients had been refused admission to the hospital because there was no room for them. It was urged that work be commenced as soon as possible upon the new building at Point Grey.

Laud Freight Rates Fight.

The third resolution was moved by J. B. Thomson, who thanked the Government, on behalf of the Boards of Trade for the work it had done in connection with the fight for cheaper freight rates for British Columbia. The Premier expressed appreciation of the resolution.

The delegation asked the Government to take over all bridges in the Province over navigable waters, referring particularly to the structure over the Fraser at Fraser Avenue and others on the Lower Mainland.

Improved Roads Urged.

The resolution dealing with roads was a lengthy one. J. N. Harvey pointed out that improved roads were badly needed in this Province and urged the expenditure of as much money as the Government could possibly afford.

Hon. A. M. Manson, Attorney-General, advised the delegation that the resolution was rather unbalanced, since it did not deal with the urgency of providing roads in the outlying districts. He claimed that British Columbia required more people and roads in newer districts

## CAPITOL

Stories that deal with the exciting adventures of master craftsmen of that part of society which is referred to as outside the law, always have a tremendous interest to the vast majority of people and when a story like that is interwoven with the most unusual kind of a love story, it makes an evening's entertainment that no one will want to miss. Such is the story of "Alias Ladyfingers," a Bayard Veller production for Metro starring Bert Lytell, which is now playing at the Capitol Theatre.

## AMUSEMENTS TO-DAY

## PRINCESS

The Stock Company at the Princess is giving one of the best performances this week of its career in "Within the Law." The play is quite the best melodrama that has ever been seen here. It is full of tense situations that hold the interest throughout the play. The comedy element in the hands of Vivian Moore is one of the gems of the performance, and serves to relieve the strong dramatic story. The local Order of Moose have arranged to have the production carried over for one special performance on Monday evening next. There will be a special matinee for the children on Saturday afternoon.

## DOMINION

"What Do Men Want?" heralded as Lois Weber's greatest picture, now at the Dominion, and said to be even more soul-stirring in theme and acting than her spectacular success, "Where Are My Children?" is a problem of American life daily felt in millions of homes in every nook and corner of the land. Wives, husbands, mothers, fathers, sweethearts, brothers, sisters—everybody in every walk of life—are concerned in this vital, throbbing drama that unfolds in striking manner the things that promote happiness among

men and real understanding among women.  
Lois Weber, a genius in picturing amazing faults in the social conditions of this country, has stripped bare the weaknesses of man and made wonderfully clear a woman's conception of what men want.  
"What Do Men Want?" is a story that thrills and chills and teaches. Exceptionally broad in its mighty appeal, it touches the "right chord" in every man and makes him think and do the things that are really worth while. A powerful picture with a powerful theme is this great American drama of the hunt for happiness. Every woman will want her man to see it.

## VARIETY

An intensely interesting romance of the great Northwest will be the feature attraction at the Variety Theatre again to-day, "The Heart of the North." Roy Stewart and Miss Louise Lovely, the Australian artists, are featured.

## ROYAL VICTORIA

Half-dog, half-wolf. Strongheart presents one of the most unusual characters the screen has seen in H. O. Davis' presentation of "The Silent Call," the Laurence Trimble-Jane Murfin production, released through Associated First National Pictures, Inc., which will be shown to-day at the Royal Victoria Theatre. Because of this dual nature the animal is in constant conflict with the forces of civilization and the wilderness. The development of this mixed strain is worked out in a plot that teems with action and embraces a love story of the far West.  
Of equal importance with the story is the acting of Strongheart, the Belgian police dog, who was imported to this country by Miss Murfin to play the leading role of "Flash." Never before has the screen seen an animal that can take a role in a film drama without constant misuses and prompting; but the producers promise that this canine's intelligence is equal to every contingency, so that the hand of the director is never in evidence.  
Laurence Trimble directed the picture and Miss Murfin did the adaptation from Hal G. Everts' "The Cross Pull," which was first published in The Saturday Evening Post.  
The capable supporting cast includes: John Bowers, Kathryn McGuire, William J. Dyer, James Mason, Nelson McDowell, E. J. Brady and Robert Bolder.

## "THREE LIVE GHOSTS" RETURN TO DOMINION

"Three Live Ghosts" are to have one week's run at the Dominion on Monday in a special engagement.  
The art department of Paramount's London Studio tried out a novel idea for one of the sets in "Three Live Ghosts," which will be shown at the Dominion Theatre all next week. For the Gubbins' home, a typical Whitechapel background was requisitioned. A house-to-house search in one of the lowest districts of the city was made, and at last an old woman was induced to part with her household goods for a few days in return for the usual "consideration." Thus, in the new George Fitzmaurice picture shown here, the public get a chance of seeing in what kind of surroundings "the other half" of London really live, for not only is every stick of furniture part and parcel of a genuine Whitechapel parlor, but the arrangement of every bit is faithfully copied from the original residence from which it was taken. Anna Q. Nilsson and Norman Kerry have the leading roles.  
This great British attraction will play the usual Dominion prices.

## BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite  
Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost. Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive. ## IMPROVEMENT IN BUSINESS NOTED

That is Why Bethlehem Steel Declares Dividends  
New York, April 28.—Directors of the Bethlehem Steel Corporation yesterday afternoon declared the regular quarterly dividend of 1 1/2 per cent. on both classes of the common stock, although it was not earned.  
This action follows that of the directors of the United States Steel Corporation, which failed to earn dividends on either the common or preferred shares. Both corporations based their action on the decided improvement in business.  
President Eugene G. Grace, of the Bethlehem Corporation declared in a statement that "notwithstanding the fact that dividend requirements were not earned during the quarter, the directors felt justified in declaring the usual dividends in view of the surplus earnings accumulated during the past years, the decided improvement in business as reflected in the marked increase of volume of orders at higher prices and the strong cash position of the corporation."  
"The corporation's steel production," he added, "is now on an approximately 80 per cent. operating basis as compared with 40 to 50 per cent. during the first quarter of the year, with a number of departments running to full capacity." This, he explained, was equal to the normal pre-war production.  
Officers were given  
Ottawa, April 28.—Lieut.-General Sir Henry Burstall was granted leave of absence with full pay and allowances from March 20, 1922, to October 28, 1922, when he is to be retired on a pension of \$5,995.14 per annum, according to information tabled in the House of Commons yesterday. General Burstall's full pay and allowances amount to \$9,000 a year.  
Major-General Sir Willoughby Gwatkin, it was further stated, resigned his appointment under the Air Board, effective from April 1, 1922. He was granted one year's leave of absence at his ordinary pay of \$4,195. This officer is in receipt of a British pension.  
A match is struck, the weed is lit, the user throws the match carelessly away, a breeze fans it into a blaze with the usual serious results.

## Cricketers to Get to Work To-morrow

### Season Will Open With Six Teams In Action; Competition For Virtue Cup Expected to Be Extremely Keen; All Teams Are Reported to Be Ready and Awaiting the Signal to Start; Wednesday League Makes Ready.

Cricketers will gather to-morrow to help hoist the curtain for the 1922 cricket season. Arrangements have been completed for the opening games. Six teams will be engaged, with the seventh team, Victoria, holding a bye.

The games to-morrow will be as follows: Army and Navy vs. Five C's "B" at the Jubilee Grounds. Albions vs. Incogs at the Willows. Garrison vs. Five C's "A" at Work Point.

The teams are ready to set up their stumps. They have been busy for the past few weeks organizing and all the managers are confident that they have sufficient material to make the race for the Virtue Cup extremely interesting.

### Some Good Teams.

The Five C's, who finished runner-up last season, have expanded this year and have two first class teams. They are hoping that one of the eleven will be the champion. The Five C's ran into a batting slump towards the close of last year and in the play-off with Victoria failed to recover and lost out.

The champions, Victoria, which hold a bye to-morrow, will have a number of new faces in action in a week's time. They have lost the services of Jack Matson and Sholto Gillespie, two very strong players.

### Incogs Will Be Good.

The Incogs, who fell away last season after winning the championship in 1920, are expected to prove a hard proposition for all clubs this season. They have several new faces and will be in the race all the way.

The Garrison, with their crack batsman, Watson, are expected to go a long way towards the championship and the side which has one which no other eleven will be able to despise.

### Hope To Do Better.

The Albions and Army and Navy Clubs, which last year were down in the second division, are looking for much better success this year and will fight hard to get higher. They have some very likely looking players in their line-ups and the cricket followers will get a good indication of what the various clubs are capable of after to-morrow's scores are published.

It is expected that large crowds will assemble to see the three matches.

### The new pitch at Oak Bay Park will be opened. The Five C's have put this in fine shape and it will prove one of the best in the city.

The Five C's "A" team will be as follows: H. Edwards, B. Collett, W. M. Sutton, A. Lewis, G. W. B. W. B. Bredin and T. H. Knappan (Capt.). Capt. Knappan requests that members of the team be on the ground by 2.15.

### The Wednesday Cricket League will play its opening games on Wednesday next week. The league has increased in size by one team, Weller's having entered an eleven. The four clubs which have won the championship last year, Five C's, Garrison, Spencer's and Broad Street will all be out in search of the honors.

Weller's and Broad Street have gone in on a scheme to keep the Beacon Hill pitch in shape.

The scheduled for the league will be as follows:

May 3—Garrison vs. Five C's, at Work Point Barracks; Spencer's vs. Broad Street, at Jubilee; by W. Edges.

May 10—Five C's vs. Spencer's, at Oak Bay; Garrison vs. Weller's, at Work Point Barracks; by Broad Street.

May 17—Broad Street vs. Five C's, at Jubilee Hospital; by Garrison.

May 21—Spencer's vs. Weller's, at Beacon Hill; Garrison vs. Spencer's, at Work Point Barracks, by Five C's.

June 7—Five C's vs. Weller's, at Oak Bay; Broad Street vs. Garrison, at Jubilee; by Spencer's.

June 14—Broad Street vs. Spencer's, at Beacon Hill; Five C's vs. Garrison, at Oak Bay; by Weller's.

June 21—Spencer's vs. Garrison, at Jubilee; Weller's vs. Five C's, at Beacon Hill; by Broad Street.

July 5—Weller's vs. Spencer's, at Beacon Hill; Five C's vs. Broad Street, at Oak Bay; by Garrison.

July 12—Weller's vs. Garrison, at Beacon Hill; Spencer's vs. Broad Street, at Jubilee; by Five C's.

July 19—Weller's vs. Broad Street, at Beacon Hill; Garrison vs. Five C's, at Work Point; by Spencer's.

July 26—Garrison vs. Broad Street, at Work Point; Spencer's vs. Five C's, at Jubilee; by Weller's.

August 2—Five C's vs. Weller's, at Oak Bay; Spencer's vs. Garrison, at Jubilee; by Broad Street.

August 9—Broad Street vs. Weller's, at Beacon Hill; Spencer's vs. Five C's, at Jubilee; by Garrison.

August 16—Garrison vs. Weller's, at Work Point; Five C's vs. Broad Street, at Oak Bay; by Spencer's.

August 23—Tournament Week.

August 30—Spencer's vs. Weller's, at Jubilee; Garrison vs. Broad Street, at Work Point; by Five C's.

## Vancouver Girls Who Play Here To-morrow

ST. MARK'S MAINLAND BASKETBALL CHAMPIONS

This husky quintette of Vancouver beauties will be here for a game to-morrow night. They will meet the Victoria High School girls in the V. U. A. C. Broad Street, in the final game for the open championship of British Columbia. The High School girls played in Vancouver last week-end and defeated St. Mark's by one point. This was the first game that the girls across the Gulf had lost in two years. It is expected that the High School girls will be able to increase their lead playing before their own crowd.

The players in the photograph above are as follows: Front row, left to right: Dot Gillespie, guard; Aileen Hall, centre and captain; Violet Stevenson, forward. Back row, Doris Shorne, guard, and Thelma Raper, forward. The trophy is the David Spencer Cup, emblematic of the Sunday School championship of the Province.

## SEVENTEEN-INNING GAME IN SEATTLE

### Oakland Out-did Indians in Great Batting Rally at Close; Won by 10-9

Seattle, April 28.—Oakland terminated a gruelling seventeen inning struggle with Seattle here yesterday by putting across five runs to Seattle's four in the final frame, and winning the game 10 to 9. With the score tied at five each at the end of the ninth drive in the seventeenth.

Oakland pitcher, R. H. E. Seattle, pitched a gem, allowing only one run in the final frame. Batteries—Kramer, Jones, Ketter, Eller and Koshler; Mack, Berger, Dalley and Tobins. (7 innings.)

Vernon Won a Weird One.

Portland, Ore., April 28.—Vernon won from Portland 11 to 6 in a game yesterday, in which the Tigers used three pitchers and the Beavers four. The game was stopped once for a hail storm, and several innings were played in the rain. Portland presented a crippled lineup. Hale, having been injured Wednesday, Cox, center fielder, played third and Welfer took center.

Vernon knocked Crumpler out of the box in the third, mauled Biemiller for five runs in the fifth, and made life miserable for Freeman, off whom H. High poked a homer with the third out in the seventh. When the third out came in the seventh, Freeman also hit a home run in the third with Schneider and R. High on ahead of him.

R. H. E. Vernon 11 3 0  
Portland 6 4 1  
Batteries—Smith, Cross, Gilder and Murphy; Crumpler, Biemiller, Freeman, Ellison and Elliott.

Los Angeles Wins.

Los Angeles, April 28.—Kunz and Dumovich pitching for Sacramento and Los Angeles engaged in a battle yesterday, neither allowing any hits until the visitors secured one off Dumovich in the fifth. When the home team came to bat in the sixth, they got four hits off Kunz and scored three runs. Baldwin doubled and was singled in. Then, with the bases full, McCabe singled two more runs over. Added scattered hits brought two more runs. Score 3-4.

R. H. E. Sacramento 3 1 3  
Los Angeles 12 0 0  
Batteries—Lewis, Sefton, Thurston and Jenkins; Davis and Yelle.

Sails Defeated Bees.

San Francisco, April 28.—Salt Lake's ragged play and the steady hurling of Davis in pinches gave San Francisco a 7 to 1 victory yesterday. Sam Lewis, who started in the box

## WESTS HOPEFUL OF SCORING VICTORY

### Will Meet Vancouver Soccer Champions To-morrow at Royal Park

Alex Stevens's husky young soccer players from Victoria West are awaiting the arrival of the Riverviews from Vancouver with as much relish as new office boy waits for his first week's wages. The Wests feel pretty sure that they can throw the Mainlanders across the pike for a win, in which case they will travel to Nanaimo to meet the northern winners in the final game for the O. B. Allard Cup, emblematic of the B.C. Junior Football Championship.

The locals will turn out their smartest team and promise the fans a good, fast game. Bill Passmore, the skipper and centre forward of the Wests, thinks his crew good enough to take the measure of the Mainlanders. He announces that the Wests will line up as follows:

Goal, Tooby; full backs, Watt and Gooders; half backs, Crawford, English and Judd; forwards, Sargent, Passmore, Dunn, Hardie and Sellers; spares, Underwood and McLennan.

The kick-off will be at 4 o'clock at the Royal Athletic Park. Percy Payne will referee.

## CANADIANS IN GREAT ARMY OF ATHLETES AT PHILADELPHIA

Philadelphia, April 28.—One of the greatest armies of athletes that ever participated in an athletic event in America was here today for the annual relay race among the invaders of Pennsylvania which opens this afternoon at Franklin Field.

They came from all sections of the United States and Canada, and more than 2,000 of them, representing 338 colleges and schools. The best of American performers on track, field and hurdles was among the invaders, no fewer than 20 inter-collegiate and A. A. U. champions being entered in the 86 events on the two days' programme.

## JOHN EVERS PLAYS FOR CHICAGO SOX

### Takes Place of Collins at Second Base and Displays Old-time Pepper

New York, April 28.—Poor fielding by the Quakers and the ineffectual pitching of their moundmen enabled the Giants yesterday to enable the fourth and final game of the series at Philadelphia, 10 to 5.

The Cubs rolled into the Cardinals at Chicago and with opportune hitting, notably by Grimes, won the first of the series from St. Louis, 6 to 4.

Maynard Driven to Showers.

Cincinnati took a heavy hitting game from the Pirates, 8 to 5, at Boston, the Brooklyn's pounded three Brave pitchers for 16 hits and 12 runs, while Boston with 12 hits could count but five times. Babe Marquard, once with Brooklyn, was battered to the showers by his former teammates.

Washington had an easy time defeating the Athletics, 9 to 3, and Cleveland tied the White Sox, 6-6 at Cleveland. In the absence of Eddie Collins with a strained right arm, Johnny Evers performed at second for Chicago and displayed some of the old-time enthusiasm that made him famous.

## TY COBB GIVES GOOD ADVICE TO ALL BOYS

TY Cobb, manager of the Detroit Tigers, and one of the outstanding players in the game for many years who want to become good athletes. Here is what he has to say about it:

"Baseball is not a game that is played at both ends. Any young athlete will do to devote himself to clean living, consistently, in every way. Success does not choose the individual but rather the individual must choose success, and the field is open.

"Baseball has come to be a profession and to rise in it one must follow the same principles of conduct, concentration and conservation that the doctor does, the lawyer, or the writer. The young man might just as well accept these facts at the outset and govern himself accordingly.

"Physical condition, you will say, is not everything. I'll grant that, but it is the basis of achievement, and for that reason we should emphasize the importance of play and athletic competition to those coming up. Success is a way of life, and it is not a matter of chance that a boy who plays enthusiastically and fairly, who builds his body up properly, will live clean. He will not be any less successful in his attempt to do his physical strength. Therefore he becomes strong mentally and morally as well.

"He will conserve his energy and learn self-reliance. Important too—he will learn how to lose with good grace. We can win every game, but we can always know that to-morrow is a new day with a new opportunity to retrieve yesterday's defeat.

"He will learn to be especially careful during the years his body is in the formative stage, is harmful. He will learn that drink and business do not mix—whether his business is playing baseball or practicing law. He will learn that mental alertness is a prime factor in an advancement in the fine co-ordination of mind and muscle is essential. He will learn that a great enthusiasm for his task is required, if he would excel.

"These are the lessons of play, and

## LEAGUE GAMES

### National League.

Philadelphia, April 28.—New York hammered three Philadelphia pitchers for thirteen hits yesterday, and easily won the final game of the series, 10 to 5. Being Grob, with four hits, including two doubles led the world's champions' attack.

R. H. E. New York 10 3 3  
Philadelphia 5 7 3  
Batteries—Kyan and Snyder; Wagner, Sullivan, Baumgartner and Henline.

### Reds Come Through.

Pittsburgh, April 28.—Cincinnati hit Morrison, delivers hard hitting day and continued his bombardment on Hamilton, defeating Pittsburgh, 8 to 5. Wingo's home run in the seventh inning, sent Carey to Carey to the fence. Umpire Pirman ordered eight substitute Cincinnati players off the bench during the game.

R. H. E. Cincinnati 8 13 1

Batteries—Kyan and Wingo; Morrison and Gooch.

## JIMMY MURPHY WINS AUTO SPEED TITLE

### Daring Driver Captured Raisin Day Classic and Landed Coveted Honor

Fresno, Cal., April 28.—Jimmy Murphy distinguished himself here yesterday when he won the 150-mile Raisin Day classic and capturing first place in the national championship. His average speed was 102.85 miles an hour, completing the race in one hour, 27 minutes and 30.37 seconds. Murphy took the lead at the second lap and was never headed. Frank Elliott finished second and Harry Hartz, winner of the last motor derby at San Carlos, was third. Art Klein was fourth, Pietro Bordino fifth, Jerry Wenderlich sixth, Peter de Paolo seventh, and Joe Thomas eighth.

Eddie Hearne and Roscoe Saries were forced out of the race with spark plug trouble.

Ralph de Palma failed to start after his motor was damaged in the tryouts.

Peter de Paolo nearly met death in the 98th lap on the back turn when his car threw a tire and started up the bowl for the guard rail but the brakes held.

## BOXING BIFFS

Tillman Won Decisively.

Houston, Tex., April 28.—Johnny Tillman, of Minneapolis, decisively outpointed Tillie "Killer" Herma here last night in a 12-round bout, according to newspapermen at the ringside. The men were white, of this city, won a technical knockout from Charles DeLong, of Los Angeles, when DeLong refused to continue in the seventh round, claiming a foul. The men are lightweights.

Philadelphia, April 28.—George Chaney, Baltimore, easily defeated Jimmy Hanlon, Denver, in an eight-round bout last night.

## NOT HIS BUSINESS

An old colored man had a pig. He sold it to a white man for three dollars. The white man drove it away, but it returned to the original owner, who with singular acuteness, sold it to another white man an hour later for four dollars.

The second purchaser drove the pig away. But he encountered the first buyer, and they started wrangling. Finally they decided to consult the colored man. They returned to him.

"Look here," said the first, "didn't you sell that pig to me at ten o'clock?"

"Sho' I did, massa."

"An' didn't you sell the same pig to me at eleven o'clock?" asked the second.

"Sho' I did, massa."

"Then to whom does it belong now?" asked the first.

"Snakes alive!" said the old man. "Can't you settle that question between yourselves?"—Tit-Bits.

### MOTION PICTURE HAS EFFECT ON LIBRARY

#### Books Dealing With Electrical Appliances Secured by Public Library

The Victoria Public Library has been able to obtain a set of books consisting of ten volumes in which every modern detail of electricity is set before the reader's eye. Hawkins Electrical Guide is the title of this useful and helpful set. Armure winding, wireless telegraphy and a little on the new invention, the Radio Phone, are included in these volumes. The books supply topics of interest, and the demand should be great.

Since the showing on the screen of that satirical play "A Connecticut Yankee in the Court of King Arthur" the demand for books by Mark Twain have been increased. But the enormous demand for his writings are not only local but continent wide. The past three years have seen for numerous reprints have been made of all his writings. It is found that together with the works of Kipling these volumes are not only the most popular, but also the best sellers. In the case of Kipling's books, during the past three years right up to the present Spring season there have been 30,000 copies of his verse sold. This is remarkable, for verse does not generally have the advantage of prose. Another book which has always been consistent in its popularity, and of which there are numerous new editions put out, is Alexander Dumas. The "Three Musketeers" and "The Count of Monte Cristo" are the better known of his books, these two works being read more extensively than any other volume.

Miss Helen Stewart announces the arrival of a third volume of Lord Frederick Hamilton's entitled "The Vanquished Pomp of Yesterday." There are two volumes, "Here, There and Everywhere," and "The Day Before Yesterday." The books are very interesting and of an educational nature. The reader in contact with new parts of the world.

### FRIDAY HARBOR MEN IN SIDNEY

(Times Correspondence) Sidney—The motor ship Oriole, of Friday Harbor, San Juan County, Washington, brought over a delegation from Friday Harbor consisting of Messrs. Frederick E. Mrs. McCormick and Mrs. Leonard accompanied their husbands, who came to make some arrangements whereby the new Sidney-Anacortes ferry system should make

### GAINS FIFTEEN POUNDS AFTER TAKING TANLAC

She Began to Improve With the Very First Dose, Declares Mrs. Annie Unwin—Is Like Different Person

"It is almost unbelievable, but it's true, when I began taking Tanlac I was in wretched health and almost ready to give up, and by the time I had finished the second box I felt as well as I ever did in my life, and I have been feeling fine ever since, too," said Mrs. Annie Unwin, 239 Mills Street, Victoria, B. C. "My appetite is splendid now, and my digestion is perfect. It certainly is a delight for me to be able to eat anything I want without having that awful dread of indigestion. I have gained fifteen pounds in weight, too, and feel just like a different person in every way. "I am not exaggerating when I say that the very first dose of Tanlac soothed my stomach and made me feel better and I kept improving until every one of my troubles I had I am always glad for opportunity to say a good word for Tanlac." Tanlac is sold in Victoria by The Owl Drug Co. and all other druggists (Adv.)

### ACIDS IN STOMACH CAUSE INDIGESTION

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach. This is not as some believe to be a lack of acid. The delicate stomach lining is irritated, digestion is delayed and food sour, causing the disagreeable symptoms which every stomach sufferer knows so well. Artificial digestants are not needed in such cases as they do not deal with the cause. They merely cover up the symptoms and do not deal with the cause. Indigestion is caused by an excess of acid and there is no sourness, gas or pain. It is a matter of balance. Tanlac is a harmless to the stomach, inexpensive to take and the most efficient form of remedy for stomach troubles. It is used by thousands of people who enjoy their meals with no more fear of indigestion. (Adv.)

### FIRST BATTALION CANADIAN SCOTTISH

A short route march will take place on Saturday, April 29, when the Battalion of the 1st Battalion of the Canadian Scottish will be present. The parade will fall in on the Battalion Parade Ground in the Armory at 2.30 p.m. Dress—Drill Order. The Pipe Band will be in attendance, and lead the parade.

### RAPID GROWTH ON THE PRAIRIES

Winnipeg, April 28.—The second weekly crop report issued by the Agricultural Department of the Canadian Pacific Railway shows a considerable increase in acreage over last year. Favored by a continuance of the present weather, ploughing and seeding will be general in all three provinces by May 1. This date is somewhat later than was the case in Manitoba, and Saskatchewan last year, but with the uniformly excellent moisture and soil conditions obtaining, germination and early growth should be unusually rapid in the advent of warm, growing weather at any time now. Reports of commencement of Spring operations are being received from widely scattered districts.

Pasture Needed. The report shows that seeding this year, although slightly later than last year, is earlier than in 1920. Cool weather is delaying the arrival of new spring pasture, which is proving a heavy drain on the food supplies for livestock. There is some difficulty in securing necessary help. The wages offered are from \$25 to \$50 per month. Plans are being made for combating the grasshopper pest as the eggs of this insect have been found in abundance in the E. D. and B. C. Railway district. It is expected that the acreage under wheat will be increased at the expense of oats as the low price of the latter is instrumental in persuading farmers to go more extensively into wheat growing. Conditions are backward in British Columbia but prospects are good as the condition of the land and orchards generally is all that could be desired.

### SEVERE DEBT BY-LAW AGAIN DEBATED

#### Saanich Council Seeks to Harmonize Conflicting Views

The Saanich Council last evening made a second unsuccessful effort to decide upon a sewer by-law policy which would secure approval by the ratepayers before next July. Councillor McWilliam said he believed that the Council for the wards chiefly affected should make a selection of policy, as representing the ratepayers who will have to pay. The chief suggestions debated were (a) payment of the debt to Victoria only; (b) a loan sufficient to put in a small system sufficient to serve for present purposes, and (c) a by-law authorizing the raising of money by successive instalments as needed without further appeal to the ratepayers in general, but issuable if after the work had been put in the municipality would not agree to a larger pledging of the municipal credit.

#### Small Dead Horse

Councillor Macnicol said he believed such a small loan by-law would be poor policy, as being only a "dead horse investment" with no benefits accruing therefrom. It was suggested that two by-laws should be submitted, but the failure of both on sectional votes, the inner wards supporting the larger scheme and voting against the smaller, while the outer districts would act in an opposite manner.

Another proposal was that debt payment and the trunk mains should be incorporated in one by-law for nearly \$400,000. Councillor McWilliam suggested that the last by-law for \$800,000 would be passed if changed in minor points and strongly supported by the Council. He believed that success would be made by Councils of the ratepayers when a majority of the ratepayers affected demanded the installation of services.

Clerk Cowper was then instructed to prepare a draft by-law for consideration by the Council next week. Colquhoun Drainage. After a personal examination of Colquhoun Creek conditions, Councilor McWilliam urged the Council to purchase of 1,800 Trident water meters, similar to Victoria City instruments, and valued at \$29,850, will be the chief use to which the proceeds will be put, the remainder being held for service extensions. The initial block of 100,000 was sold at a premium, and a handsome bonus above par is expected to accrue to the City. A balance of \$1,900 will remain for disposal at a later date, as the total issue authorized was \$150,000.

### TULIP FESTIVAL WILL BE MAGNET

Queen and Maids of Honor Are Selected for Bellingham Many Victorians are planning to participate in the third annual tulip festival at Bellingham, May 4, 5 and 6, to which an excursion will run from Victoria. The Mayor and members of the Chamber of Commerce who were in Victoria from Bellingham on Wednesday extended a cordial welcome to Victorians to attend the function. Miss Aletta Day, candidate of the Elks and senior in Whatcom High School was on Wednesday declared queen of the festival. At the close of the official count, Miss Day had a majority of 69,880 votes over her nearest rival, Miss Marie Jackson, of Burlington, Skagit County candidate. Miss Jackson leaped into second place in the final lap of the race, passing Miss Ida Lamont, candidate of the Bellingham Elms, although she was the last to enter. Miss Jackson wins a scholarship thereby. Miss Day will be crowned at the State Armory with elaborate ceremonies on the night of May 4, the opening of the three-day festival. Normal School's nominee, was fourth, and Miss Lenora Hanson, candidate of the Elks, was fifth.

### PLEASANT BANQUET CONCLUDES SEASON

A successful banquet culminated the winter season of the Young People's Department of the First Presbyterian Church. Some sixty members were present at a pleasant affair given over the past conclusion to the season's activities. Bill Hudson presided in the chair. Following the supper, which was served at 8.30, a musical programme was rendered. Angus McKinnon sang "Those Two Eyes of Blue," while the encore rendered was "Beneath Thy Window." Miss Dorothea Smith was heard in some delightful solo. A brief review of the past year's work was given in a short address by Aubone Hoyle. B. Hudson received a pleasant surprise during the evening when Robert Hunter, on behalf of the department, presented Mr. Hudson with a handsome Persian bound leather wallet in recognition of his excellent work performed by this hard working member during the past year.

### PAINS IN BACK AND SIDES

#### Relieved by Lydia E. Pinkham's Vegetable Compound

Lindsay, Ontario.—"I used to have very bad pains in my back and sides and often was unable to do my work. I tried many medicines before I began to take yours. I feel now that it has helped me I recommend it to all of my neighbors. I keep it in the house all the time and take it once in a while for one pound of cure."—ELIZABETH CAMPBELL, 13 St. Paul St., Lindsay, Ont.

To do any kind of work—and you know there is much to be done—if you are suffering from some form of female trouble. It may cause your back to ache or a pain in your side; it may make you nervous and irritable. Lydia E. Pinkham's Vegetable Compound is a medicine for women. It is especially adapted to relieve the causes of these troubles, and restore them to normal health.

of South Bellingham and Fairhaven High School, was fifth. The losing candidates will be made of honor to Queen Alexandra. The total vote for all five candidates was 1,031,120.

### COUNSEL ADVISED TO "KNOCK HEADS"

Magistrate Jay Refuses to Continue Hearing in Esquimalt Court

"You know, to me, all this is very unseemly," stated Magistrate Jay, in the Esquimalt police court yesterday afternoon, following an altercation between G. H. Sedger and E. V. Finland disputing the role of prosecutor in the case of G. J. Cook, charged on two counts under the Government Liquor Act. "I do not know whether you gentlemen are animated by your own personal ambition or the administration of justice, but in this procedure I am not satisfied."

"By the administration of justice, Your Honor," replied Mr. Finland, "I think we have that in mind. Now I am in touch with the Chief of Police, and conversant with the facts of this case. Mr. Sedger is not so instructed, therefore I am better qualified to proceed."

"I take this position," returned Mr. Sedger, "I am the duly appointed public prosecutor for Esquimalt, and I am regularly appointed by the council, which under the municipal act has power to make the appointment. This court stands adjourned." broke in Magistrate Jay, "until Monday at 2.30 p.m. See if you two gentlemen cannot knock your heads together, and come to some agreement."

R. C. Lowe appeared for the accused, G. J. Cook, who is charged with selling liquor, and also with permitting drunkenness on his premises, at 523 Constance Avenue. Magistrate Jay, in refusing to proceed in the case under the present remarkable conditions advised counsel that the accused if found guilty would be liable to not less than six months in jail, and that the matter was too serious a one for the accused to be intermingled with a dispute over prosecuting counsel. A large body of Esquimalt residents watched the case, including the members of the Esquimalt Police Commission.

### TOO MANY NAMES ON JURY LISTS

#### Perdue Slander Action and Assizes Are Therefore Postponed

Because of the grand jury list containing 100 instead of 96 names in the Hall-north slander suits and was therefore illegal, the Victoria Assizes have been postponed from May 9 to some time in June, the Attorney-General has decided.

New grand and petty jury lists will be struck on June 1. This means that the slander action of George M. Perdue, former detective inspector, against Dr. Ernest Hall and Joseph North, Police Commissioner, will be postponed until the new lists are struck.

W. D. Carter, K.C., Deputy Attorney-General, explained that in view of the importance of keeping criminal trials in the Assize Court free of any suspicion of irregularity, it has been decided to postpone the Victoria Assizes. Stuart Henderson and Joseph B. Clearidge raised the question of the legal validity of the grand jury list in the trials of Siciliano against North and Carlow, Macdonald and Siciliano against Hall. Mr. Justice Macdonald decided that the matter was at the worst a technical inadvertence.

It is thought that the decision of the Attorney-General's Department may have some effect in the appeals now being made from the verdicts in the two slander suits in which Carlow and Macdonald won verdicts against North.

### ANTI-OPIUM PILL CAUSES TROUBLE

An anti-opium pill, which contained a percentage of the narcotic led to the downfall of Joe, alias Chew, in the city police court, before Magistrate Jay yesterday afternoon. Joe was arrested by Sergeant Bouton and Constable Jett together with two other Chinese in cabin 25, Theatre Alley. When arrested by the police he held a package in his hand, in which he concealed a pill, which he intended to use to break himself out of the habit of smoking opium. It was unfortunate, held the court, that this anti-opium pill should contain opium, for in that case the accused was liable to a minimum fine of \$200. This was imposed, with an option of three months in jail, in default of payment.

### LIVER TROUBLE BAD BILIOUS ATTACKS

When your liver becomes sluggish and inactive your whole health suffers. Your bowels become constipated, the tongue coated, the breath bad, the stomach full and sick, and the liver is holding back the bile which is so essential to promote the movement of the bowels, and the bile gets into the blood, instead of passing out through the usual channel. The only way to keep the liver active and working properly, and thus get rid of the nasty bilious attacks, is to keep the bowels regular by using
