Hon. I. S. Smith,
Opera House Block,
Greely, Colo.

Dear Sir:

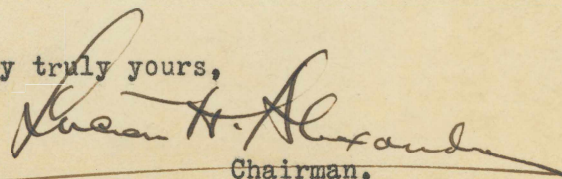

We have the honor to advise you that your application for membership in the American Bar Association has been acted upon, and that upon nomination by the Association's Vice President and Local Council for your State, you have been duly elected a member in accordance with the provisions of the constitution.

The dues for which you have already remitted will carry your membership through August, 1921, as the current fiscal year is now far advanced. They include the subscription to our quarterly Journal. It will be regularly mailed to your address.

You will also in due course receive, among the other perquisites of membership, prints of reports of all committees as issued; and each year, within a reasonable time after the Annual Meeting is held, the Annual Report, usually distributed early in the year, and which is a bound volume of upwards of 1000 pages, constituting virtually a year book of the profession in America, and containing, inter alia, the reports of committees for the year, together with stenographic report of the proceedings at the Annual Meeting, with the addresses in full there delivered, including those before the various Sections, as also the proceedings of affiliated bodies, such as the Commissioners on Uniform State Laws, the American Institute of Criminal Laws and Criminology, etc., etc. Should your name or address be incorrectly written above, kindly at once notify Treasurer Wadhams, 78 Chapel Street, Albany N. Y., who will have the necessary correction made upon the Association's roll.

The enclosed print may prove of interest. Permit me on behalf of the Membership Committee to assure you of a hearty welcome to the ranks of the Association and to express the hope that you will become an active participant in its affairs.

Very truly yours,

Chairman.
