Annual Catalog
1921

402-404 South First Street
ABERDEEN, S. D.

"AN APOLOGY"

The word "Apology" means excuse. In substituting this little pamphlet for our usual seed annual we feel that we owe our customers an apology. In order to issue a catalogue as we have heretofore, we would be obliged to raise the prices on all our seeds, as the price on catalogues has advanced to almost double that of a year ago.

In comparing this little booklet with other catalogues, you will find that our prices are extremely reasonable, especially our garden and flower seed prices.

We believe that our customers will agree with us in our view of the situation, that is, they would rather make their selections from this pamphlet and procure our high grade seeds at moderate prices than have a fancy catalog and pay a fancy price.

This house has been operating for twenty-three years and is still expanding normally from year to year. It has played fair with its customers, and acquired their faith. For many years we have been recognized as "The Safe Place" to send for seeds of high quality and strong germination.

We are still following our old policy of premium seeds. For the benefit of new customers we will explain this. When you send us your order for seeds, make up a list of your friends, to whom you think our catalog would be acceptable, send same with your order, and in return, we will add extra packets of seed to your order.

Trusting that you will give us a trial order, we are,

Very sincerely,

J. L. Loeb's Seed Co.

Instructions, Guarantee and General Instructions

TERMS

Our terms are cash with each order. Money may be sent at our risk by Draft, Postoffice Money Order, or Registered Letter. We acknowledge freight orders as soon as received, and the same are filled and shipped as promptly as possible. Bill of lading for every freight shipment is mailed when shipment is made. Small orders to go by mail or express are, as a rule, sent out at once without special acknowledgement.

IN ORDERING

Please use the inclosed order blank which is both order blank and envelope combined. To avoid mistakes do not write letters on same sheet as orders. Write the name and number of each variety plainly, so as to avoid errors. In filling orders we reserve the right, in case we are out of a variety ordered, to substitute another of equal merit, unless customer writes "No Substitution," in order.

WE SHIP BY FREIGHT

WE USUALLY SHIP BY FREIGHT unless otherwise instructed. We have four railroads here at Aberdeen--C. M. & St. P., C. & N. W., Great Northern and M. & St. L. *Customers Pay Freight or Express* on all goods unless they are offered postpaid.

OUR RESPONSIBILITY

As this catalog will go into the hands of many who have never dealt with us, we kindly ask for a trial order from you, which shall have our best attention. As to our standing, we refer you to the postmaster, Dakota Farmer, or any bank in Aberdeen.

PREPAID STATIONS

If there is no agent at your railroad station the freight has to be prepaid, and in such cases we must request you to send money with your order to cover the amount.

ORDER EARLY

Do this for two reasons. We can give your order more careful and prompt attention if received before we get into the rush of the spring shipping, and second, our assortment is complete early in the season and your order will not be held while we write for permission to substitute for varieties that may be out.

CHANGE OF ADDRESS

If you have changed or intend to change your address, please let us know, and we will change it on our books, so you will receive our catalog at your new postoffice.

SEED WARRANTY

Most of the failures with seeds are entirely beyond our control and they render it impossible for us to guarantee success, and, therefore, we want it plainly understood that while we exercise great care to have all seeds, plants and bulbs pure and reliable, and also true to name, we do not give any warranty, expressed or implied, as to description, quality, productiveness, or any other matter, of any goods which we send out, and we will not be responsible for the crop. No officer, agent or employee of this company is authorized to make any warranty whatsoever. If the purchaser does not accept the seeds, bulbs or plants on these conditions, notify us at once and we will give instructions for disposition of same, and the money that has been paid to us will be promptly refunded. It is to our interest, however, to have everything of the highest quality obtainable, and we would not furnish seeds of doubtful quality for several times the price that we receive for them, as it would injure us more than it would the purchaser. However, we have so much confidence in our seeds that we hereby agree to refill any order for vegetable or flower seeds free of charge, should they prove otherwise than as represented in our catalog. No responsible seed firm can possibly give any further guaranty than this.

PARCEL POST RATES

Applicable to seeds, bulbs, plants and merchandise (except poisons, which cannot be sent by mail).

Parcel post rates are fixed according to zones, the greater the distance the higher the rate. Your postmaster will tell you the parcel post zone in which your postoffice is located, measuring from Aberdeen, S. D.

PARCEL POST RATES.---The zone rates are as follows:

First and Second Zone (up to 150 miles from Aberdeen), 5c for the first pound and 1c for each additional pound.

Third Zone (150 to 300 miles from Aberdeen), 6c for the first pound; 2c for each additional pound.

Fourth Zone (301 to 600 miles from Aberdeen), 7c for the first pound; 4c for each additional pound.

Fifth Zone (601 to 1,000 miles from Aberdeen), 8c for the first pound; 5c for each additional pound.

Sixth Zone (1,001 to 1,400 miles from Aberdeen), 9c for the first pound; 6c for each additional pound.

Seventh Zone (1,401 to 1,800 miles from Aberdeen), 11c for the first pound; 10c for each additional pound.

Eighth Zone (over 1,800 miles from Aberdeen), 12c for each pound.

Parcel post packages must not exceed 70 pounds in weight for the first two zones, and 50 pounds for the other zones.

Parcels of seeds, bulbs, and plants weighing 8 ounces or less are mailable at the rate of 1c for every two ounces, regardless of distance; if weight is more than 8 ounces the pound rates apply.
