Sudan – Conflict in Darfur

- In East Darfur, an estimated 144 000 people have been displaced, following fights between the Reizegat and Ma'aliya tribes that started on 9 August in 'Adila and Abu Karinka localities, according to the Government of Sudan's Humanitarian Aid Commission (HAC).
- The main needs of these people are food, non-food relief supplies, emergency shelter, education, water, and sanitation and health assistance. Access to Adila and Abu Karinka localities is difficult, because of Government restrictions on movement and security concerns.

Ethiopia – Refugees

- Following recent ethnic tensions in Kenya (Moyale), over 25 000 people have fled across the border to Ethiopia. Some of the displaced families are hosted by relatives, while the majority has camped in schools for safety.
- Water, food, medicine or cash assistance is required for the refugees to meet basic needs, as well as non-food items and shelter. The Government of Ethiopia with the support of UNHCR is currently planning a field assessment mission.
