MEMORANDUM FOR: Kinki Liaison Office

SUBJECT: Applications to Install Additional Exempt
Equipment in Reparations Installations

1. Effective immediately, applications to install additional exempt equipment in reparations installations will include the following certifications:

a. That the applied for equipment was not removed from an installation which is currently under reparations custody. If the equipment was removed from an installation which is currently under reparations custody, copies of the documents from the Military Government Headquarters which authorized the removal will be inclosed with the application.

b. That the applicant and/or the supplier of the equipment is not a restricted concern. If the applicant and/or the supplier is a restricted concern, the SCAP document authorizing the transaction will be quoted.

2. The application will, prior to transmittal to this headquarters, be endorsed by the Japanese Government agency responsible for the custody of the applying plant. The endorsement will include a statement that the application was investigated, and that the certifications, cite preceding paragraph, are true and correct to the best of the agency's knowledge and belief.

FOR THE COMMANDING OFFICER:

HAROLD G. DOTY
Lt Col, Infantry
Adjutant
