SOCIETY EXHIBITION

Competition in All Keen Classes-List of Prize Winners

ANNUAL FALL

The annual fall fair held at Duncan ander the auspices of the Cowiehan Arricultural Society on Sattriday last, was an unqualified success. The weather was glorious and a record for adway in attendance. Various se-lections were rendered by the newly ofganized Duncan band during the af-ternoon and gave more life to the pro-cessings. A number of side shows added greatly to the delight of the small boys. The president, A. A Mutter, is to be congratulated on the results of his work; also the secretary A. Herd, and H. D. Martin, who managed the sports and A. R. Wilson and W. R. Robinson The horses would be a credit to fam. The horse fam. The horses would be a credit to fam. The horses would be a credit to any show. In the heavy draft classes the competition was keenest between F. H. Maitland-Dougall and Capt. Watson, while in the lighter horses there were a great number of very even competitors. The poplity show was good, thanks largely to the hard work of Messra Christmas and Solly. # LOCATION COUNTS

One of the chief reasons why the investing public and homebuilders have taken to Richmond Park is because of its unique location in Victoria's best residential districe, due to the fact that this property was withheld from sale long after surrounding properties had been sold and built upon.

Richmond Park has "location" and improvements (which come next to location) will be certain and of a nature to enhance values quickly.

Building operations have already started in good earnestunder the restriction of from \$2,000 to \$4,000, which means that before long Richmond Park will be a place of beautiful homes.

# The Happy Family Enjoys Cole's Air-Tight Wood Heater

For 15 years Cole's Original Air-Tight Wood Heater has led in sales. It revolu-tionized the making of wood heating stoves. It has been imitated by nearly every stove manufacturer in this country.

Yet, a greater number of Cole's remarkable wood air-tight heating stoves are sold h succeeding year. No imitation of Cole's Original Air-Tight Wood Heater has ever equaled it for each succeed

efficiency.

No other wood heater is worth as much to you, though many cost more. This is an age of plainness in design, in finish and ornamentation. This is true of furniture and house furnishings—why not a plain stove or range? Plain smooth castings, plain nickel, plain blued or patent planished bodies. All this plain modern finish means less labor—easy to clean and keep clean.

Do not pay for extra, unnecessary trimmings and ornamentations which only add to your labor.

Read the following guarantee made by the manufacturers of the Original Air-Tight: We guarantee every Cole's Air-Tight Wood Stove bearing our name to remain air-tight as long as used. We guarantee that it will hold fire over night with dry wood. We guarantee the combustion so complete with wood that ashes need not be removed oftener than four t
