Respected Friend

I have most unaccountably neglected this within note till the time when due has past, not recollecting that it was made at an early date - I now hand it to this wishing this to prevent the payment & hold the funds till a convenient opportunity to send to me after paying myself for the expenses & trouble,

I remain thy assured friend

Benjamin F. Jones

Handwritten text, likely bleed-through from the reverse side of the page. The text is mirrored and difficult to decipher due to the cursive style and fading.

Handwritten text, likely bleed-through from the reverse side of the page. The text is mirrored and difficult to decipher due to the cursive style and fading.

Handwritten text on the right page, including a large signature or name written vertically in cursive. The text is partially obscured by a large water stain and a circular hole.
