THE BLUE BOOK OF BROOKLINE

Last year contained duplicate lists—Alphabetical and Street Lists,—about 9,000 selected names and addresses.

A careful canvass has been made at the largest expense ever paid with no increase in price of book to subscribers. The book has been issued almost every year for nearly forty years past. The present is the third edition under direction of the present publisher who commenced work on blue books in 1898. In January of this year the full rights of publication and ownership of the "Blue Book Business," formerly owned by the late Edward A. Jones of Old South Bldg., Boston, and later by I. S. Jones of Arlington, Mass., passed into the hands of their nephew, Horace F. Jones, the present publisher, who has endeavored to present a book this year improved in every particular over any other ever issued.

Let no one be misled. The book under this cover is the legitimate and original successor to the Blue Book of Brookline, first published nearly forty years ago, and contains many thousands of selected names of Brookline residents. It is more than a Book with a Blue cover, as it contains the result of the best thought and experience of trained minds in the work of compiling its pages, printers, book-binders, not to mention painstaking interviews with thousands whose names are listed by the representatives, and last but not least, the final supervision of the publisher.

FOR OVER HALF A CENTURY

Slattery's mission has been to serve the woman of good taste.

Women of good taste are quick to recognize new modes of real worth; and it is Slattery's rare privilege to use such insight, taste and skill in the selection and presentation of such modes that women of taste may come here, as did their mothers and grandmothers before them—and find Fashion made individual, serviceable, truly economical!

THOSE SEEKING THAT BETTER GRADE OF PRINTING

Which produces refined and pleasing mental impressions in conjunction with press impressions are invited to enter into communication or consultation with our Printing Staff.

Allow us to estimate upon your requirements in Printing of whatever kind or nature, and you will be highly pleased with our estimates—based upon quality of work delivered. This, of course, involves no obligation on your part.

We maintain one of the largest and most modernly equipped Printing Plants in Southeastern Massachusetts, and being free from the high labor costs and overhead of city influences we are in a position to quote satisfactory prices upon any class of work submitted.

For over Twenty Years we have faithfully served those who desire that better class of printing which pleases both the eye and the brain.

TO WHOM IT MAY CONCERN

I take great pleasure in recommending The Memorial Press to all those desiring that better grade of printing which is so much desired. They have promptly, faithfully, and pleasingly served me for many years—this Blue Book comes from their presses.

Yours truly,
HORACE F. JONES, Publisher.

Don't think of STORAGE OF FURS in terms of FIRE INSURANCE. That is a very small part of it.

Removing the dirt,
Straightening out the hair,
Closing the breaks while they are young,
Hanging in a cold room for six months,
Insurance against loss from any cause,
And returning to you clean and fresh
and repaired and safe.

THAT IS COLD STORAGE

And all the difference between our service and the other sort is our attention to the little things which spell "Carefulness."

All fine furs hung in muslin bags. Small minor repairs without charge. Full 100% Fire Insurance. An accurate system of registration and location preventing delay in delivery.

PREMIUM CHARGE THREE PER CENT

Monthly meeting of Executive committee

Annual meeting third Tuesday in March

Object: "To co-operate with and aid the probation officers of the Court, and

to promote justice, good order and efficiency in the community."

Work Accomplished: (1), The League has supplied "Big Brothers" or advisers to 20 probationers since January 1, 1922, and has secured some 40 volunteers for such work; (2), The League has been instrumental in settling many neighborhood disputes so that they did not have to come before the court; (3), The League has done splendid work in keeping boys off the street by interesting them in home gardening and sports. The number of juvenile cases in the court this summer was 5 as against 25 last year.

Work Planned: (1), Continuation of Probation work; (2), Interesting boys and girls in healthful sports, home gardens, etc.; (3), Educational Campaign on law and order including sending members a brief digest of many laws now frequently broken through ignorance.

Membership: The League has been reorganized with three classes of members; (1), Constituent Societies, dues, \$10.00; (2), Active Members, dues, \$1.00; (3), Junior Members, dues, 25 cents.

Any organized society in town, civic or social, may become a constituent member and appoint a delegate to the council. Any person over 18 years of age may become an active member. The active members may elect 10 delegates to the council. The council elects the officers and executive committee.

The League wishes to obtain 5,000 members and the membership dues from these would supply all the funds needed. It is hoped that every member of a family will join, especially those under 18 years of age as it is through these junior members that very effective educational work can be accomplished.

In order to pay the running expenses until this membership is attained, contributions in addition to dues are solicited.

If you believe in law and order, join the Brookline Municipal League.
