PRAYERS OFFERED IN THE HOUSE OF REPRESENTATIVES SECOND EXTRA SESSION — 1982

by

Dr. Albert G. Edwards
House Chaplain

Tuesday, February 9, 1982

Sovereign God, Father and Friend of all mankind, we remember that the best military strategy is to divide and conquer. As the members of this House endeavor to apportion the House districts give them the wisdom so to divide the State that this division will conquer the prejudices of those without the State who believe they are acting to protect the best interests of the State.

As this House debates the proposals help the members to recall the Biblical admonition, "let your conversation be seasoned with salt," for tomorrow we may have to eat the words we speak today. Amen.

Wednesday, February 10, 1982

God of Grace and God of Glory, help us to remember that no one ever choked to death swallowing his or her pride; no one ever was stung stamping out one's own selfishness; no one was bitten strangling one's own greed.

We pray for the Speaker in his sorrow and for the Reading Clerk in his sickness. In every situation and under every condition help us to recall the words of Joshua:

"Be strong and of good courage; fear not; neither be thou dismayed. For the Lord Thy God is with thee whithersoever thou goest." Amen.

Thursday February 11, 1982

Sovereign God, keep us from being tied to the past just because it is the past and from falling in love with what is new just because it is new. Grant to the members of the House the ability to discern what is just, the courage to confront it and the will to do it. Help each member to discover anew that our highest joy has its source in doing right in the face of a deep desire to do wrong.

We pray in the name of Jesus, who knows how hard it is to stand tall and how easy it is to stoop low. Amen.

ADDENDUM

It will be noted that a number of bills and resolutions passed second reading and then were read a third time on the same day.

Rule 41(b) states:

No bill shall be read more than once in the same day without the concurrence of two-thirds (2/3) of the members present and voting.

In order to comply with this Rule, no bill which had passed its second reading is read a third time except:

- (1) When a member moves that the Rule be suspended, and this motion carries by at least a two-thirds vote of the members present.
- (2) When the Chair determines that there is no objection from any member present. This constitutes unanimous consent of those members present that Rule 41(b) be suspended.

In these cases, the bill is read a third time.

Grace A. Collins
Principal Clerk

ADDENDUM

(1) When a member leaves the Hall during a session, he shall be considered absent unless he returns to the Hall before the adjournment of the day.

Rule 110. Absence.

The roll shall be read more than once in the same day without the concurrence of a majority of the members present.

When a member leaves the Hall during a session, he shall be considered absent unless he returns to the Hall before the adjournment of the day.

(2) When a member leaves the Hall during a session, he shall be considered absent unless he returns to the Hall before the adjournment of the day.

(3) When the Chair determines that there is no objection to a member's absence, the member shall be considered present.

When the Chair determines that there is no objection to a member's absence, the member shall be considered present.

PRAYERS OFFERED IN THE HOUSE OF REPRESENTATIVES THIRD EXTRA SESSION — 1982

by

Dr. Albert G. Edwards
House Chaplain

Monday, April 26, 1982

God of grace and God of glory, it is not always easy to be thankful but it is possible to be thankful in all things if not for all things. We thank you for the joy that is experienced by the members of this House as they meet and greet each other. However, we acknowledge that the joy is dimmed and tarnished by the reason for this meeting. You know that hopes long held have been disappointed, and that frustration so readily erupts in anger, but so preside over the deliberations of this House that ultimately there will be determined those redistrict changes which will be acceptable not only to those who will plan it but also to those who have power to approve. To that end help us to heed the words of Paul:

“Do not be always concentrating on your own interests,
But let us each be equally concerned for the interests of others.”

Amen.

Tuesday, April 27, 1982

Father and Friend, if it seems to many in this House that it is taking a seeming interminable time to bring to fulfillment what was begun last year, may they remember it took You forty years to get the Israelites from the wilderness to the land of Promise. It didn't take much time Lord, to get the Israelites out of Egypt, but it required years of time to get Egypt out of Israel.

It takes time Lord to get our selfishness and personal desires out of the way in favor of what is right and required. May this day herald the dawn of the day of acceptance and the time of approval. It is not a day whose decisions will bring satisfaction to all, but it may bring joy to many. In Thy strong Name, Amen.

ADDENDUM

It will be noted that a number of bills and resolutions passed second reading and then were read a third time on the same day.

Rule 41(b) states:

No bill shall be read more than once in the same day without the concurrence of two-thirds (2/3) of the members present and voting.

In order to comply with this Rule, no bill which had passed its second reading is read a third time except:

- (1) When a member moves that the Rule be suspended, and this motion carries by at least a two-thirds vote of the members present.
- (2) When the Chair determines that there is no objection from any member present. This constitutes unanimous consent of those members present that Rule 41(b) be suspended.

In these cases, the bill is read a third time.

"_____ LIMITATION ON REST HOME BEDS

Sec. 20.1(a)—Findings of Fact.—The General Assembly of North Carolina finds:

(1) That the orderly development of homes for the aged and disabled will result in less institutionalization of the elderly and thus lower public expenditures; and

(b) Notwithstanding any other provision of law, the Department of Human Resources shall not accept applications received after July 1, 1982 or before February 1, 1983, for initial licensure of:

aged and disabled operated in conjunction with a nursing home licensed pursuant to G. S. 130-9(e) (5) with standards based principally on the public need.

Sec. 20.2A. Nothing in Section 20.1 or 20.2 shall apply to a facility owned or operated by an organization that is exempt from taxation under Section 501(c) (3) of the Internal Revenue Code.

H. R. 1674, A HOUSE RESOLUTION TO RECOGNIZE THE LEADERSHIP OF LISTON B. RAMSEY, SPEAKER OF THE HOUSE OF REPRESENTATIVES.

Whereas, Liston B. Ramsey has fairly and impartially presided over the many sessions of the 1981 General Assembly; and

Whereas, Liston B. Ramsey has an ability to recognize all across the House the many diverse positions that can be advanced on both sides of an issue; and

Whereas, Liston B. Ramsey has used understanding, preception, and patience in allowing full and open House debate; and

Whereas, despite the partisan nature of the body, Liston B. Ramsey has allowed partisan positions to be expressed openly, graciously, on occasions firmly but without exception in good taste; and

Whereas, Liston B. Ramsey has presided over the House without allowing the rules to be used to favor a particular member, party, or issue; and

Whereas, Liston B. Ramsey has added credence, status, and standing to the office of Speaker of the North Carolina House of Representatives;

Now, therefore, be it resolved by the House of Representatives:

Section 1. The House of Representatives salutes Liston B. Ramsey on his successful service as Speaker of the House of Representatives for the 1981-82 Sessions of the North Carolina General Assembly.

Sec. 2. The principal clerk of the House of Representatives shall send a certified copy of this resolution to Liston B. Ramsey.

Sec. 3 This resolution is effective upon adoption.

PRAYERS OFFERED IN THE HOUSE OF REPRESENTATIVES FOURTH SESSION – 1982

by

Dr. Albert G. Edwards
House Chaplain

Wednesday, June 2, 1982

Father and Friend, we thank Thee for Thy providing and prospering hand which has blessed us in these past weeks, and for the promise of Thy strength and wisdom in the days together.

Great God, as the members of this House face the serious challenges of these coming days help them to remember the Christ spoken promise: "Ask and it will be given you, seek and ye shall find, knock and it shall be opened unto you, for whosoever asketh receiveth, and he that seeketh findeth, and to him that knocketh it shall be opened." Make that promise a treasured one, but grant we shall remember that its fulfillment is guaranteed only to those who are believers and followers of the saving and the servant Christ.
Amen.

Thursday, June 3, 1982

Father and Friend, sometimes we look out and we are overwhelmed by the faces we see, by the clamor we hear, and the noisy appeal for our ears and our minds.

Sometimes we look in and we are dismayed by realizing how limited are our resources in contrast with the demands.

O God, help us to look up for well we know that no one ever lost his or her perspective by looking up.

In these days of toil and stress help the members of the House to remember the words:

"Look up, Look up,
And see your Maker,
Before you travel on."

And seeing thee, their Maker and Sustainer, may they hear again Thy promise, "I will not fail you or forsake you."
Amen

Friday, June 4, 1982

Father and Friend, we thank Thee for the loud and lively "red teams" and "green teams" who have swarmed through this building in these past two days; we thank Thee for the life they have brought to this structure for sometimes even when legislators are in it, it seems so dead and dull.

We thank Thee that we live in a nation and a state where publicly our convictions and concerns can be noisily expressed.

We thank Thee also that through prayer we may express to Thee and share with Thee our cares and concerns and needs; not that through prayer we may cheaply get what we want, but that through prayer we may become what You want us to be. Amen.

Monday, June 7, 1982

Father and Friend, we spend so much of our time hoping:

Hoping that demonstrators would go home;
 Hoping that telephones didn't ring;
 Hoping that there was enough money to satisfy all requests;
 Hoping that people at home could know how hard I work;
 Hoping everybody on my committee would vote as I do.

But all this, our Father, is wishful, foolish thinking. Rather than spending our time wishing for what will never be, help us to face the truth that the pressures of life develop staying power, and staying power develops competence, and competence makes possible achievement and worthy hope.

We pray in the name of Him who stayed in the pressure cooker 'but always kept His "cool"'. Amen.

Tuesday, June 8, 1982

O Great, and Good, and Generous God there is so much that Thou hast given:

a day of incredibly enjoyable sunshine;
 a day without noisy demonstrators;
 a comfortable Chamber in which to assemble;
 more office space than ever before.

O God, give to each member one thing more — a grateful heart. Amen.

Wednesday, June 9, 1982

Almighty God, the Saviour and Shepherd of all faithful spirits, may it be with individual blessing that we recall the prayer of the saintly slave:

"Lord, I ain't what I want to be,
 I ain't what I ought to be,
 I ain't what I'm going to be,
 But thank you, God, I ain't what I used to be."

Great God, may we be different, may we be changed, not because we have slipped from grace, but because we are growing in faith. Amen.

Thursday, June 10, 1982

God of grace and God of glory, immense must be the time and money spent on polls. Help us to discern the danger in all such polls; that they make some smug who ought to be dissatisfied, and some unhappy who ought to be pleased.

May our only evaluation be the comparison between ourselves and THE MAN, Saviour

and Servant of all mankind — Jesus The Christ. Unless He is our basis, help us to see the wisdom in the words of Shakespeare — “COMPARISONS ARE ODOROUS.” Amen.

Friday, June 11, 1982

Father and Friend, it is so easy to carry home with us our annoyances, our ruffled feelings, our weariness and our irritability, and consequently those who deserve our best so often are blighted by our worst. Help us to remember that it is written in Thy word: “Love bears all things, hopes all things, endures all things.”

It is easy to believe it, but it is hard to practice it. Help us to believe it is possible, and with Thy help to experience it. Amen.

Monday, June 14, 1982

Almighty God, Thou who art slowly drawing the curtain of night across the glory of another day, we thank Thee that day and night are both alike to Thee, and that if we have known Thee in the day we shall no less know Thee in the night.

Thou knowest the duties of the day that already have wearied the men and women of this House; by Thy power disperse their weariness, dispell their gloom and help them to know the joy that is the birthright of every believer in Thy Holy name. Amen

Wednesday, June 16, 1982

Father and Friend, help us to love ourselves that we may then love others; help us to acknowledge our faults that we may accept the failings of others; help us to see our need of forgiveness that we may be prepared to forgive others; help us to be possessed by sincerity that our integrity shall be based on truth and not falsehood.

We pray in the name of Him who came not to condemn but to save the world. Amen.

Friday, June, 18, 1982

Father and Friend, help us to remember what faith is; help us to hold fast to the truth that “faith is believing what God says is true.”

We remember Your word:

“I will not fail you or forsake you.”

“Without me you can do nothing, but with me all things are possible.”

Help us to consider that if Noah had not believed it would rain, we would not be here today; or if he had postponed the building of the ark until it began to rain disastrous would it have been for human life and animal life.

God, help us to live by the truths that “faith is believing what God says is true.” Amen.

Monday, June 21, 1982

Almighty God, gracious in generosity and generous with grace, our prayer would be that in this past weekend all members of this House have experienced a helpful measure of life's vital elements — work, worship, love and play. Now, O God, there is upon us this day which leaves no time for love or play, but only for work and worship. Help us to remember in all our work our important relationship to Thee, for we would heed Thy words: “Not by might nor by power, but by my Spirit, saith the Lord.” Amen.

Tuesday, June 22, 1982

O merciful and almighty God, in these days when circumstances and situations can be so aggravating and frustrating, help us to remember the words of Ella Wheeler Wilcox:

“One ship drives east and another west,
with the self same winds that blow
‘Tis the set of the sails
And not the gales
Which tells us the way to go.”

O God, give to the men and women of this House that mind set, heart set, sail set which, midst all the winds that will blow through and around this Chamber, will enable them to reach their goals, and may these goals benefit many persons and causes throughout our State. Amen.

Wednesday, June 23, 1982

Gracious, Great and Mighty God, although you are our Shepherd you do not always lead us through green pastures or beside still waters. On these days when the road winds uphill all day long help us to recall the philosophy of the lady who said:

“Life may not be all you want, but it’s all you got,
so stick a daisy in your hat and be happy.”

For those of us who have neither hat nor hair for daisies, help us to affirm with the Psalmist:

“Happy is he that hath the God of Jacob for his help,
whose hope is in the Lord his God.” (146:5)

Amen.

Prayer — House of Representatives — June 15, 1982
Representative Sam D. Bundy

O Lord our God
We desire enlightenment but exercise greed.
We strive for improvement but experience pride.
We hope for immortality but squander life.
We talk about equality but harbor unjust attitudes.
We believe in righteousness but twist it to self-righteousness.
We struggle for spirituality but give in easily.
We listen to the Word but forget its significance.
We entertain sacrifice but balk at the actual practice of it.
We say, preach, believe and profess one way of life but we
live, act, and behave a different way of life altogether.
O Lord, we pray that You will help us keep our deeds in line
with our words.

Hear our prayer through Christ our Lord.

Amen.

It will be noted that a number of bills and resolutions passed second reading and then were read a third time on the same day.

Rule 41(b) states:

No bill shall be read more than once in the same day without the concurrence of two-thirds (2/3) of the members present and voting.

In order to comply with this Rule, no bill which has passed its second reading is read a third time except:

- (1) When a member moves that the Rule be suspended, and this motion carries by at least a two-thirds vote of the members present.
- (2) When the Chair determines that there is no objection from any member present. This constitutes unanimous consent of those members present that Rule 41(b) be suspended.

In these cases, the bill is read a third time.
