

Middlebury Aug. 3 1864.

Dear Sir,

Our Corporation will meet on Tuesday the 9th inst; at 10 o'clock A.M. Some members of the Board desire to have more time for deliberation, than we usually find amid the hurry and crowded exercises of Commencement, and they propose that we continue our sessions until Thursday. Can you ^{stay} until that time?

Will you bring Mrs. S. with you and accept of such hospitality as we can afford? If we can do nothing else, we will meet you very welcome. Mrs. S. bids

me say that she will
be very happy to see you
lady and yourself, and the
gentleman says amen.

So you will please to come
directly to my house.

Shall we see you Monday?
Mr. S's regards to Mr. J. your-
self, in which as before her
husband joins.

Very truly
Yours B. Labaree

Rev. G. P. Tyler
