 arrival - every season to thank you for the
 letter that I recd. - I was
 glad from my mother - & I wonder you
 had not seen the news in the paper.

Miss Abigail Weston:

New Bedford
Mass

Do not write another word - This is the second
letter I have written in school to day & there
is no other time now for me - Poor Miss Weston stands
it as well as one could expect but she has not one
minute - to herself except the morning sleep -
Remember when you write that your letters may be open
before I get them - unless you direct I will try to
