FOUR ROLLINS POSTERS ACCEPTED IN GOVERNMENT CONTEST.

State Judges at New Smyrna Accept Four War Savings Stamp Posters in First Step of Contest.

The State judges in the Government Poster Contest held at New Smyrna, Fla., Wednesday, May 8th, accepted four posters submitted by Rollins students.

Miss Catherine Brebner, director of the Rollins Art Department, acted as one of the judges on the State jury of awards at the request of Mrs. V. de Sarde Frost, of New Smyrna, Fla. Among the others acting on the jury were: Mrs. Frost, formerly Chairman of the Art Committee of the Womans Clubs of Florida, and who was appointed by the Government as State chairman in the War Savings Stamp Poster Contest; Miss Conner of New Smyrna, and two other ladies.

The posters accepted from each of the Southern States are sent in turn to New Orleans, to be judged by Prof. Woodward of Newcomb College, and a select jury before their final examination in Washington, D. C.

R. Power's, two posters accepted; Elizabeth Yowell, 1; Cecelia Guzman, one.

The prizes offered amount to \$300. The first prize being \$60, the second \$25, etc.

On Thursday afternoon, May 9th, a public exhibition was held of all the posters submitted and among other schools who took part in the contest and whose work appeared to advantage were those from Tallahassee, and St. Petersburg, who had posters accepted along with some half dozen others.

Mrs. Frost, who is an artist of distinction having studied in Paris at the Studio Julian, Carlo Ross's and elsewhere, paid a high tribute to the work of Rollins College and said she would write up Winter Park and Miami as being the only towns in the State that took an active interest in Art applied to patriotic purposes. She is anxious to establish and asked Miss Brebner's co-operation for an Art Association for the purpose of furthering Art and the exhibitors of work by local artists in Florida.

Miss Brebner while at New Smyrna, was the guest of Mrs. and Miss Duss, who by their hospitality and kindness, made her visit a very delightful one.

Motto suggested for the Senior Academy Class. "We don't let our studies interfere with our education."

MISS GATES GIVES GRADUATION RECITAL

APPRECIATIVE AUDIENCE ATTENDS FIRST OF SERIES OF RECITALS THAT WILL CLOSE A BRILLIANTLY SUCCESSFUL YEAR FOR THE ROLLINS CONSERVATORY.

Knowles Hall presented a pretty picture, Wednesday evening, the 15th, on the occasion of Miss Katherine Gates' recital for graduation, and the flower-bedecked stage made a fitting setting for the charming young women who appeared. For this was a war-time affair and there was no masculine assistance.

Miss Gates never looked more attractive, and her voice was at its best. Her diction, phrasing, and musical intelligence were admirably shown throughout the very pleasing program, and she seemed equally at ease in lieder and modern songs.

The number which evoked the greatest interest was the clever song by Miss Eva Wilkins, our much-loved Professor of History. The exquisite lyric quality of both words and music and the variety of moods of this nature song-poem made it a rare delight, so spontaneous is it—as free as a burst of melody from the birds themselves. A subtle charm is lent by the insistent mourning dove motif in the accompaniment. Miss Celia Saloman added more laurels by her unusual and interesting interpretation of the Schubert Impromptu in B-flat major. As always, her technique was excellent and it is a pleasure to note her musical growth, with every appearance.

Miss Eleanor Coffin played the accompaniments beautifully, giving the necessary support to the singer with all the self-abnegation which must fall to the accompanist's lot.

Altogether, the recital was delightful and Miss Waterman and her pupil deserve the congratulations showered upon them.

The program was as follows:
Song Recital (for graduation) Miss Katherine Gates, mezzo-soprano, assisted by Miss Celia Saloman, pianist; Miss Eleanor Coffin, accompanist.

Program.
Puccini, "O notte, O Dea del Misterio."
Schumann, "The Lotus Flower."
Schubert, "My Sweet Repose," "Gretchen at the Spinning Wheel"—Miss Gates.
Schubert, "Impromptu, in B-flat major"—Miss Saloman.
Eva B. Wilkins, "Heed Not the Mourning Dove."
Lieurance, "By the Waters of Min-

FRATERNITIES JOIN IN ANNUAL OUTING.

PHI ALPHA AND ALPHA ALPHA ENJOY WEEK-END CAMP AT PALM SPRINGS

Observing the custom of the past few years, the two local fraternities enjoyed their annual outings over the week-end of May 11th to 13th. This year the outing was made a joint affair in the form of a camp at Palm Springs. Owing to the fairness of the weather and the impartiality of so many winged angels of Satan, mosquito nets served as tents.

Palm Springs has become a most delightful resort for picnickers and campers as it has recently been deepened and walled in with concrete, and a springboard and slide added. Hoosier Springs is only a few hundred yards away and has also been improved. These two splendid sulphur springs set along the bank of one of the most beautiful of Florida's streams, the little Wekiwa, make an ideal setting for a camp.

The Fraters whiled away many happy, care-free hours with canoeing, target shooting, reading, swimming and listening between times to the whines of the victrola.

Miss Mary Conaway, Miss Minna Harris, and Miss Ruth Isaacson under the chaperonage of "Crip" Hurlburt, rode over from Orlando on Ford and spent Sunday afternoon and evening at camp. They brought with them a basket luncheon which, added to "Grub" stew and coffee made a delightful repast. Many thanks are due to Miss Mary Conaway for her improvised candy. During the afternoon Raymond Phillips and family motored out from Sanford to wish the campers good luck.

Monday proved to be the red letter day of this long-to-be-remembered event. For it was then that the invited guests of the fraternities came out to spend the day. They too brought with them baskets of lunch to assist the regular camp menu. The invited guests were: The Misses Helen Hanna, Betty Barr, Mildred Dunson, Lillian Sawyer, Hildegard Slauter, Isabel Foley Winifred Stone, and Mrs. Forrest Stone. The party was chaperoned by Miss Gonzales.

Those of Phi Alpha were: Harold Hill, Brock Hill, Alfred Hanna, Harold Tilden, and Warren Ingram. Those representing Alpha Alpha were: Leslie Hanawalt, Karl Tompkins, John McGaughey, Robert Tucker, and Forrest Stone.

netonka."
MacDowell, "Mignonette," — Miss Gates.

ROLLINS PRESS TO BE IN OPERATION NEXT YEAR.

New Equipment and Expert Manager Will Make Effective Establishment.

Good presses, good type and a good compositor and printer are three necessary requirements of a plant that intends to do good first-class printing. This is exactly what it is intended that the Rollins press shall do.

After the Apopka Tornado an opportunity presented itself in the form of the wrecked printing plant of the Apopka News, which was to be sold for \$250.00. This was a dirt cheap price for an outfit that had cost originally from \$1,500 to 2,000. There were certain people in Winter Park and Rollins College, who saw the need of a press in the town and also the chances to obtain, at an exceedingly low cost, an expensive equipment. The result was that the outfit is now safely housed in a small building here in Winter Park. After the purchase had been made and the satisfaction of a long cherished wish began to appear possible it became evident that the work to be done would demand a much larger and better equipment than the outfit purchased. These demands must be met for this prospering town and college expect first class work. The Winter Park Post and the Rollins Sandspur, one of the neatest and best college papers in the South, are to be printed, besides very exacting job work, such as letter heads, folders, pamphlets, catalogues etc.

These requirements make it necessary that the plant be first class, i. e. that it includes good presses, good type and other equipment, operated by a good compositor and printer.

We are in this thing to stay and plans have been laid and are in operation for the supplying of just such a plant.

Dr. French has obtained Mr. G. Roszell, one of the best printers in the north-west to come and take charge of the plant. Mr. Roszell was at Hunon when Dr. French was president of the College there. At present he is employed in a large printing house in Chicago. He is now investigating the possibilities of securing in Chicago the necessary outfit and is expected to forward a list of equipment and prices in a few days. Mr. Roszell will attend to the purchasing and shipping of the plant and will follow immediately to assemble it. If all

Conservatory Closes Year With Six Recitals

The Conservatory has announced a series of six recitals to occur this month and during Commencement Week. Two of them are for graduation, the artists being Miss Katherine Gates and Miss Frieda Siewert both of whom will graduate in voice and receive certificates as Supervisors of Public School Music. The great energy that the Conservatory faculty has put forth this year and the obvious results that it has obtained in the popularization of music as well as in the advancement of the more technic art bears ample testimony that at least a part of its ideal finds apt expression in the words of Ernest Hutcheson, in Musical America. This passage is given place in the attractive folders just issued containing the programs of the recitals.

"Never was the mission of the artist so clear as today. For him it is, in a world rent by hideous strife, to see that beauty does not perish from the minds of men. For him it will be to bind the wounds of a world restored to sanity and peace to knit the broken strands of human fellowship. And in this splendid restoration the musician will prominently share, for his art is the broadest, simplest, most charitable of all."

Dr. T. R. Baker, Professor Emeritus of National Science, contributes to the Sandspur this week an article of unusual interest. It is concerned with

the coming total eclipse of the sun, which passes over Florida on June 8, shrouding Orlando in darkness for several minutes. Few easily accessible cities in the United States will be thus situated with regard to the eclipse. Such an eclipse will not occur again for eighteen years—the phenomenon is worth coming miles to see, and the fact that Winter Park is within a few minutes ride of Orlando makes it a practical possibility for Rollins students who may be here at that time to witness it from the very center of the giant shadow cast by the moon as it passes between the sun and the earth. Dr. Baker obtained accurate data, which he used in preparing his article, direct from the Washburn Observatory, Topeka, Kansas.

Changes In Sandspur Staff At Annual Election.

The Sandspur announces the following changes in the staff made at the annual election May 7th:

Associate Editor..... Florence M. Stone.

Business Manager..... Karl W. Tompkins.

Advertising Manager..... J. Irvin Chaffee.

Circulating Manager..... Warren M. Ingram.

Society Editor..... Rose M. Powers.

Joke Editor..... Isabel Foley.

Exchange Editor..... Marion C. Phillips.

On account of the peculiar war conditions the other offices will remain as they are for the rest of the year, to be filled next year at the discretion of the Sandspur Board.

Alpha Alpha Fraternity Gets 8-Star Service Flag.

This week another Service Flag appears on the Campus. Another of those red, white and blue emblems of the sacrifices Rollins men are making may now be seen flying from the balcony of the Fraternity Room. Alpha Alpha now flies a Service Flag, bearing eight stars—seven blue and one gold.

Rollins has, according to latest reports, 114 men serving Uncle Sam, preparing to fight or actually fighting the Boche. Representing these honored men on the Campus are four Service flags—the large College flag, the Alumni flag, the Phi Alpha flag, and the last one added, the Alpha Alpha flag.

The one gold star on the A. A. banner recalls the memory of Paul Harrison, who died at West Point in February.

Alpha Alpha men in Service, who left here in the years indicated, are:

George Y. Arrant, 1918, Photographic Dep't., Army.

Berkeley Blackman, 1916, Aviation Dep't., Army.

William W. Giddings, 1917, Quartermaster's Department, Army.

Raymond W. Greene, 1917, Ensign, Navy.

Paul W. Harrison, 1917, "gone west."

A. Randolph Lake, 1917, Aviation Dep't Army.

Bolton Mallory, 1916, Aviation Dep't. Army.

Conservatory Overtones

The Orchestra and Glee Club have been invited to take part in the Red Cross Rally at the Park, here, on Monday evening.

Those who heard Mrs. Rappold at the Orlando Music Festival will be interested in the following clipping from the "Musical Leader":

Marie Rappold a Gardner.

Marie Rappold, soprano, has returned from her western tour after appearing successfully at the St. Joseph, Mo., Music Festival. Mme. Rappold has gone to her farm at Callicoon, Sullivan county, N. Y., where she is doing her bit for the government by managing a large truck garden. Mme. Rappold's daughter has joined the Motor Corps of the National League for Women's Service.

The Conservatory faculty is entirely in accord with the following taken from the Chicago "Musical News":

"The public singing of German text songs has ceased utterly in Chicago and there is no likelihood that any artist or any chorus will venture to put any such on programs during the continuance of the war.

"This is entirely as it should be, for the moral support of the German language, and through that language, of German thought and sentiment, should be withheld at this time purely as a matter of Americanism, which, of course is diametrically opposite now to Germanism.

"The next season—in concert room, opera house and studio, should begin with no German and it should continue that way until the end of the war.

"Perhaps—by that time, we will have lost our taste for German songs, and that, if you would stop to consider the matter, would not be a bad thing at all for American songs, to say nothing of French, Italian and other Allied tongues.

(Signed) "Charles E. Watt."

FOOD CONTROL A WAR MEASURE

(Address by Herbert Hoover to Pittsburgh Press Club, April 18, 1918.)

The Food Administration is purely a war institution. Its first and primary concern is the feeding of our own people and those of the allies, and thereby the maintenance of the strength of all the men, women and children both there and here, and thus the strong arm of our soldiers.

JUNIORS ENJOY PICNIC IN HONOR OF BESSIE BROWN

Saturday evening, May 11, the members of the Junior Class with Miss Dyer, the Class Officer, paddled them to the lakes and enjoyed a picnic supper on the roof of a boat house overlooking on one side a beautiful estate and on the other the rippling waters of Lake Osecola. This was an ideal spot, the breeze from the lake fanning away the abnoxious mosquitoes while those seated comfortably amid blankets and cushions had no fear of the dreaded red bugs.

Hearty appetites were satisfied with delicious sandwiches, tomatoes, potato chips, fruit and cakes. Much amusement was created by improvising cups out of paper. After the delightful repast the class officer produced several boxes of candy from underneath the cushions, which were hailed with delight. As the sun disappeared and the dusk fell, the voices of the "jolly Juniors" joined in glad harmony to the accompaniment of Miss Dyer's guitar before they took their several ways to town and camps.

ROLLINS PRESS.
(Continued from Page 1.)

goes well the Rollins Press will be in operation by the time College opens next year.

This plant will cost \$2,000 or more. In order to pay for the new plant the old one will be disposed of and the balance borrowed. From all present indication the press will pay for itself and may even do more although this is not expected just now.

Chance For Students

Any students who are typesetters or who may care to learn will have an opportunity to earn money with which to help their college expenses.

Mr. Alanson Dodge Prentiss is on the transport "George Washington" of the U. S. Navy.

Miss Frances Belva Timmerman of 2005 Warren ave. University Place, Nebr. is a student in Nebraska Wesleyan University.

Mr. E. W. Bryant, of Levis Barracks, Levis Quebec is a staff Quartermaster Sergeant.

Mr. Ernest H. Mitchell is farming at Lancaster, N. H.

Mr. H. K. Oliphant, Jr., is a lawyer. He attended Rollins in 1908-1909.

Mr. Leon D. Lewis of St. Petersburg, Fla. is manager of the Citizens Ice and Cold Storage Co.

Mr. L. Cody Marsh who attended Rollins in '95 and '96 is a priest of the Episcopal church.

Miss Priscilla Major who attended Rollins in 1912-1913 is a High school teacher at Dade City, Florida.

Miss Florence E. Sherman is a Junior in Mechanics Institute, Rochester, N. Y.

Mr. O. W. Sadler, Jr., is Efficiency Engineer of the Pittsburg Steel Product Co., at Monessen, Pa.

Mr. Arthur W. King of 61 Central avenue, Hyde Park, Mass., is an X-ray expert.

Major GeGorge Morgan King of 10 Linwood St., Hyde Park, Mass., is with the American Expeditionary Forces in France.

Miss E. D. King, of 61 Central Ave., Hyde Park, Mass., is a Secretary.

Mr. L. Orrin Larson of 16 Cathedral Place St., St. Augustine, Fla., is engaged in real estate and insurance business.

Mr. Frederick L. Lewton, a resident of 113 Chesnut Ave., Takoma, Park, D. C., is a curator in the Division of Textiles, of the U. S. National Museum, Washington, D. C.

Mr. Harold C. Haskins is the assistant postmaster at Sanford, Fla.

Miss Idabell Edwards, of 267 West Lorain St., Oberlin, Ohio, is a Senior in Oberlin College.

Lieutenant Philip P. Edwards is of the 332nd Regiment, Camp Sherman, Chillicothe, Ohio.

Mr. Fayette L. Froemke, is an ensign in U. S. Navy.

Mr. Maynard C. Froemke is a freshman in the University of Minnesota.

Mr. Gerald W. Froemke is a student at the University of Michigan.

Miss Grace W. Wakelin, of Swinton New Jersey, is a florist.

Miss Maud Hill is a teacher in Tampa City Schools. Her address is 2917 Seventh Ave., Tampa, Fla.

Mr. A. Axtell is in the truffle department of E. I. Dupont de Aemours & Co., at Wilmington, Del.

Mr. William Eubert Burrell is doing Y. M. C. A. work in Camp Lee, No. 80 Petersburg, Va.

Miss Florence V. Booz, Morrisville, Pa., is assistant bookkeeper of Mercer Auto Co., Trenton, N. J.

Mr. Louis Winslow Austin, is in the Bureau of Standards at Washington, D. C., and head of U. S. Naval Radio Laboratory.

CAMPUS CHATTER.

Miss Elizabeth Peschmann, a former student of Rollins College, is taking nurses' training course at The Bloggett Memorial Hospital, Grand Rapids, Mich. She writes that altho it is cold she is enjoying herself immensely and likes her work.

Friends of Miss Geraldine Barbour are glad to hear that she has recovered from her recent illness and is able to resume her studies.

Phillip H. Salmon is now a First Lieutenant, Calvary, at the Allen Military School at West Newton, Massachusetts.

It is announced that Mr. and Mrs. Payton Musselwhite are happy over the arrival of a fine baby boy on Sunday last, at their home in Orlando.

Miss Eleanor Backus, the efficient assistant managing Editor of the Sandspur, left Friday for St. Petersburg where she will assume the duties of a secretary in a life insurance office. Altho the Staff is sorry to lose her, she is to be congratulated upon securing this position. Her friends hope that she will have much success and enjoy her new work.

Miss Bessie Brown, a member of the Class of '19, was called to her home in Clarksville, Arkansas, on account of the serious illness of her father. She left Winter Park Monday May 13. All her friends join her in wishing for her father's speedy recovery.

Miss Jennie Belows, who will be remembered by many former Rollinites, has recently been granted leave of absence for an indefinite period from her work as gymnasium instructor at the Polytechnic Institute in Kansas City, Mo. She will engage in club work among women and girls under the auspices of the Y. W. C. A. to supply entertainment at army camp cantonments. It will be her duty to select from ward schools, high schools and other agencies, groups of children and young people to give entertainments to soldiers and to bring them the "home atmosphere."

Miss Jessie M. Short and Miss Anne Bellows spent the week-end with Dr. and Mrs. W. F. Blackman at Wekiwa Ranch.

Miss Ruth Greene spent the week-end with Eileen James in Orlando.

Miss Madeleine Appleby left Saturday night for her home in Norwood, Mass.

Dr. C. M. Gates of 196 Washington St., Wellesley Hills, Mass., is a Congregational minister.

Mrs. Mary Ensminger Kent of Sanford, Fla., is a bookkeeper with Mahoney-Walker Co.

Mr. J. B. Williams is a pharmacist. His address is Box 141, Bisbee, Ariz.

Total Eclipse of Sun Coming In June.

The greatest astronomical event that Orlando will ever have witnessed will be the sun's total eclipse on June 8th, which will immerse the city for 11-2 minutes in eclipse darkness.

The eclipse will begin when the shadows of the moon strike the earth on the Island of Borodino, off the coast of Japan on the 9th of June. Thence it will reach the mouth of the Columbia River in the State of Washington, 21-4 hours later at 2.35 p. m. Pacific time, its rate of motion then being 33 miles a minute. It will cross the Mississippi River near Mayersville at 5.57 central time, and reach Orlando at 6.37 Eastern time. Leaving the coast of Florida at 6:42 it will become lost in the sunset at sea. Its time in going from coast to coast will be 47 minutes. The map of the eclipse shows at least 85 towns on its route, most of which can be easily reached by rail. The length of this eclipse path will be greater than that of any eclipse since 1865. The duration of the totality will be 11-2 minutes.

The sun is eclipsed when the moon comes between it and the earth and an eclipse of the sun can only happen at the time of new moon.

Solar eclipses are of three kinds: Total, when the disk of the moon entirely covers the sun. Partial, when only part of one side is covered; and Angular, when the disk of the moon on account of great distance in this case of the moon from the sun, does not cover the whole disk of the sun. This eclipse is named from the circle of light thereby produced.

There are always at least two eclipses of the sun in a year, and there may be three or four, but a total eclipse of the sun is of rare occurrence. Of both the sun and moon there may be six eclipses in a year, except in rare cases there may be seven: There were seven in 1917.

Eclipses may nearly repeat themselves, and "saros" is the name given to the period of time after which the eclipse conditions are nearly repeated. Its length is 6585.32 days—18 years and 11.32 days,—depending upon whether or not there are four or five leap years in the interval. This repeating of eclipses is illustrated by the fact that on May 28th, 1900, there was a total eclipse of the sun visible in the Southern states. Its path crossed the Atlantic ocean and passed through Spain.

CONTEMPORARIES.

We gratefully acknowledge the receipt of the following exchanges since our last issue:

The Vassar Miscellany Monthly and The Vassar Miscellany News.

THE WELLESLEY COLLEGE NEWS
1921 Competition Song.

Though once the Senior thought that she'd

Wear glasses to look wise,
And framed with speckly tortoise shell
Her two sagacious eyes.

She thinks now of the poster that tells of her Country's plight,

"Eyes for the Navy" is the cry
Bone rims are out of sight.

Chorus

For once to Wellesley blue alone
Allegiance we did bring
But we've added two more colors now
To the red, white, and blue we sing.

The Junior, frivolous and gay,

Or so the story goes,
Did think of powder only as
Pertaining to her nose.

But "Save and Serve" is her motto
now,

No more she daubs her face,
"gunpowder must be had" she says,
Powder has lost its place.

The Sophomore who is, you know,
A sweet and fetching maid,
To thoughts of clothes has often been
Unwillingly betrayed.

But Vogue, that baleful magazine,
No more can hold her gaze,

Dresses, you know, are passe now,
Dressings are all the rage.

If a frightened Freshman were to look
Upon a verdant tree,
In days of yore she would have said
"It's very green—like me."

When now she sees that tree she
thinks,

With longing plainly seen,
"If Kaiser Bill were only here
And that were 'Paris green.'"

The Dartmouth Jack O'Lantern
National Salutations

German: "Good morning! Have you
Cursed England this morning?"

French: "Good evening! Why have you
not died for France?"

Austrian: "Good luck; and damn the
Kaiser!"

English: "Glad to see you, old top!
Beautiful raid last night, eh?"

Turkish: "May Allah preserve you
from the German draft!"

American: Howdy? See you 'over
there' later!"

NOW

Faces the largest opportunity ever presented to her, with a new enthusiasm, an enlarged and strengthened faculty, additional equipment and the certainty of large success.

She needs the enthusiastic support of her alumni former students and all her friends.

Send us the name of every earnest young man or woman who ought to come to Rollins. Only those who desire to work and who will help to make the best Rollins spirit should come.

Address President CALVIN H. FRENCH

GOVERNMENT SETS WAR SAVINGS DAY.

To Boost Sale of Savings Stamps to Greater Number of Americans.

June 26th has been designated by the National War Savings Committee as National War Savings Day.

In every city, town and school district in the United States this day will be observed as National War Savings Day and as a day on which the citizens take measure of their ability and serve the Government. It is expected that President Wilson will issue a proclamation naming this day officially and that Governor Catts will also issue a proclamation to the same end and the Mayors of all cities will proclaim it.

State Director, J. F. C. Griggs and Manager of Publicity, Goode M. Guerry, have just returned from a conference at Cincinnati, presided over by the National Chairman, F. A. Vanderbilt, in which the details for this National War Savings Day were decided upon.

It is expected that a sufficient amount of pledges will be secured on this day to complete the quota for every state in the Union, which is based at twenty dollars (20.00) per capita for every man woman and child.

Florida has raised but one-twentieth of its quota thus far and many States have not done this well, so it was decided that an intensive campaign is necessary. Only one state in the Union has completed its quota—Nebraska. Missouri is very near to its quota and Mississippi is the only Southern state that has reached as high as fifty per cent of its quota.

The National Committee has come to the conclusion that there is a widespread error as to the purpose and intent of the War Savings plan, the general belief being that it was designed for women, children and the small wage earner. This campaign that is to be waged in June is aimed specially at the grown-up people. The men of business in all walks of life. Men who are able to purchase War Savings Stamps and not bother with Thrift Stamps. It is figured that Thrift Stamps have already been so widely circulated that it is no longer necessary to continue the campaign to intensify their sale, as it is realized there must be a large percentage of citizens who are willing and able to purchase the full amount of stamps that the law permits any one person to hold.

The plan provides that in the Country, as in all other countries, there will be meetings in every community and every district be assigned its quota to be raised and it is hoped that at those meetings every community will go "over the top" just as it did in the Liberty Loan.

We once heard of an old lady who wrote an "Ode to the dish rag." We will venture to say that she owed to the butcher.

Discovers New Cure For Meningitis

SURGEON GENERAL GORGAS CONGRATULATES FORMER ROLLINS MAN WHO HAS THUS ADVANCED THE CAUSE OF MEDICINE.

An item of interest to Sandspur readers comes in the form of a letter addressed to Dr. French. The letter written by Rev. E. P. Herrick of Gaylordsville, Conn., tells of the writer's son, Wm. W. Herrick, a former Rollins student, and his work in the base hospital at Columbia, S. C.

Dr. William W. Herrick left a lucrative New York City practice to enter the service of the government as major in the U. S. Army. He is now in charge of the Base Hospital at Camp Jackson, S. C., where the troops of North and South Carolina and Florida are stationed, forty thousand strong. He has nine hundred sick soldiers to care for and is in charge of a large body of doctors and a corps of seventy nurses.

Of special interest is the fact that he has made a discovery which has led Surgeon-General Gorgas to congratulate him. The discovery is a new treatment that has reduced the mortality of the dread meningitis from forty to fifteen per cent. Surgeon-General Gorgas has asked him to send the treatment to all the camps in the United States.

He is writing a book on the subject and at present is lecturing in some Southern cities to doctors and instructing them in the new treatment.

SPURS

"That portable stove saves half the work," said the iron-monger.

"Faix, then, I'll take two of them and save it all," replied his customer.

An Irish vagrant being arraigned before a magistrate on a petty offence was thus addressed by the latter, "Oh, sir; I see what you are. I see the rogue in your face."

"Indeed, your Worship," said the prisoner, "I didn't know afore that my face was a looking glass."

Peg—"Please pass me my napkin ring."

Ruth—(passing up a little ribbon), "did you say, napkin string?"

Two men fired at an eagle at the same time and killed him. An Irishman observed, "They might have saved their powder and shot for the fall would have killed him."

In re Palm Springs.

"Miss Short, may we go out to swim?"

"Yes, my campus girlies;

"But hang your clothes on a cypress limb,

And don't go near the water."

Woodman, "A Birthday!"

Grieg, "From Monte Pincia"—Miss Gates.
